Adjective Adverb Interfaces in Romance Martin Hummel 2017-12-21 Within the current discussion on grammatical interfaces, the word-classes of adjective and adverb are of particular interest because they appear to be separated or joined in manifold ways at the level of word-class or syntax, with morphology playing a prominent role, especially in Romance. The volume provides typological and theoretical insights into the common or different usage of adjectives and adverbs in Romance. Diachronic change is discussed alongside with synchronic variation and the representation in grammar. The discussion turns out to be controversial, calling into question traditional assumptions such as the dogma of the invariability and the categorial status of the adverb.

Trajectories and Origins: Survey on the Diversity of the French Population Cris Beauchemin 2018-11-08 This book provides the main findings of a ground-breaking survey on immigrants and the second generation in France. The data, collected from more than 20, 000 persons representative of the population living in France, offer invaluable insights into the trajectories and experience of ethnic minorities. The book explains how France has been an immigrant-receiving country for over a century and how it is now a multicultural society with an unprecedented level of origin diversity. While immigrants and their descendants are targets of clichés and stereotyping, this book provides unique quantitative findings on their situation in all areas of personal and working life. Is origin in itself a factor of inequality? With its detailed reconstitutions of educational, occupational and conjugal trajectories and its exploration of access to housing and health, this book provides multiple approaches to answering this question. One of the work's major contributions is to combine objective and subjective measures of discrimination: this is the first study in France to focus on racism as experienced by those subjected to it, while opening up new methodological perspectives on the experience of prejudice by origin, religion, and skin colour.

Society of Individuals Norbert Elias 2001-10-15 Originally published in 1991 and now reissued by Continuum International, this book consists of three sections. The first, written in 1939, was either left out of Elias's most famous book, *The Civilizing Process*, or was written along with it. Part 2 was written between 1940 and 1960. Part 3 is from 1987. The entire book is a study of the unique relationship between the individual and society--Elias's best-known theme and the basis for the discipline of sociology.

The Feminist Spectator as Critic Jill Dolan 1991 Extends the feminist analysis of representation to the realm of performance

Défie-moi si tu peux Misha Bell 2021-09-23 Bon, alors mon chihuahua a sauté un ours. Excusez-moi, un énorme chien aux allures d'ours. Maintenant, j'ai le propriétaire ultra canon dudit ours sur le dos ; il exige un test MST... pour mon chien. L'autre problème causé par cette affaire d'agression sexuelle entre chiens ? Le mystérieux propriétaire de l'ours est peut-être celui qui me permettra de financer mon nouveau projet et de faire passer mon entreprise de jouets à l'étape supérieure. Et quand je dis « jouets », je parle du genre marrant, du genre dont toutes les femmes (et les hommes) ont besoin. Si seulement je pouvais découvrir ce qu'il cache - ou forcer ma libido à bien se tenir ! Parce que c'est une mauvaise idée de mélanger le travail et le plaisir, et que Dragomir Lamian n'est peut-être pas celui qu'il paraît être. Note : Ceci est une comédie romantique one-shot torride qui progresse lentement, dans laquelle une héroïne pleine d'assurance obsédée par les jouets et qui connaît toutes les superstitions russes sous le soleil rencontre un inconnu sexy et mystérieux, et comprenant deux chiens en chaleur dont l'un possède peut-être son propre jouet spécial. Si l'un des éléments ci-dessus n'est pas votre tasse de thé, fuyez maintenant. Sinon, préparez-vous pour une virée hilarante et détendue.

Madame X Jasinda Wilder 2015 "Madame X invites you to test the limits of control in this provocative new novel from New York Times bestselling author Jasinda Wilder. My name is Madame X. I'm the best at what I do. And you'd do well to follow my rules... Sexual Fluidity Lisa M. Diamond 2008 Calls for new categories in sexual identity for women based on research that concludes that they tend to be attracted to the individual rather than gender and their sexuality fluctuates more than men, which stays fixed once established.

Maps and Territories Joshua Armstrong 2019 The rapidity of postwar globalization and the structural changes it has brought to both social and spatial aspects of everyday life has meant, in France as elsewhere, the destabilizing of senses of place, identity, and belonging, as once familiar, local environments are increasingly de-localized and made porous to global trends and planetary preoccupations. *Maps and Territories* identifies such preoccupations as a fundamental underlying impetus for the contemporary French novel. Indeed, like France itself, the protagonists of its best fiction are constantly called upon to renegotiate their identity in order to maintain any sense of belonging within the troubled territories they call home. *Maps and Territories* reads today's French novel for how it re-maps such territories, and for how it positions its protagonists vis-à-vis the pressures of globalization, uncovering previously unseen affinities amongst, and offering fresh readings of-and offering exciting new perspectives on-a diverse set of authors: namely, Michel Houellebecq, Chloé Delaume, Lydie Salvayre, Jean-Philippe Toussaint, Virginie Despentes, Philippe Vasset, Jean Rolin, and Marie Darrieussecq. In the process, it sets the literary works into dialogue with a range of today's most influential theorists of postmodernity and globalization, including Paul Virilio, Marc Augé, Peter Sloterdijk, Bruno Latour, Fredric Jameson, Edward Casey, David Harvey, and Ursula K. Heise.

Under the Roofs of Paris Henry Miller 2007-12-01 In 1941, Henry Miller, the author of *Tropic of Cancer*, was commissioned by a Los Angeles bookseller to write an erotic novel for a dollar a page. *Under the Roofs of Paris* (originally published as *Opus Pistorum*) is that book. Here one finds Miller's characteristic candor, wit, self-mockery, and celebration of the good life. From Marcelle to Tania, to Alexandra, to Anna, and from the Left Bank to Pigalle, Miller sweeps us up in his odyssey in search of the perfect job, the perfect woman, and the perfect experience.

Four Seconds to Lose K.A. Tucker 2014-04 "Owning a strip club isn't the fantasy most guys expect it to be. With long hours, a staff with enough issues to keep a psych ward in business, and the police checking up on him regularly, twenty-seven year old Cain is starting to second guess his silent mission to save these women. That is, until a tiny angel named Charlie walks through his door. Blonde and blue-eyed, sweet as can be, this dancer's sad smile opens up old wounds. She reminds him so much of Penny. As much as Cain tries to avoid being that creepy strip club boss who dates his staff, he can't help but be attracted to Charlie. As he grows closer to her, waiting for her to turn her life around, he discovers that she's headed down a dangerous path, the same one that claimed the other important women in his life"--

Hooking Up Kathleen A. Bogle 2008 A closer look into the new sexual culture on college campuses It happens every weekend: In a haze of hormones and alcohol, groups of male and female college students meet at a frat party, a bar, or hanging out in a dorm room, and then hook up for an evening of sex first, questions later. As casually as the sexual encounter begins, so it often ends with no strings attached; after all, it was "just a hook up." While a hook up might mean anything from kissing to oral sex to going all the way, the lack of commitment is paramount. Hooking Up is an intimate look at how and why college students get together, what hooking up means to them, and why it has replaced dating on college campuses. In surprisingly frank interviews, students reveal the circumstances that have led to the rise of the booty call and the death of dinner-and-a-movie. Whether it is an expression of postfeminist independence or a form of youthful rebellion, hooking up has become the only game in town on many campuses. In Hooking Up, Kathleen A. Bogle argues that college life itself promotes casual relationships among students on campus. The book sheds light on everything from the differences in what young men and women want from a hook up to why freshmen girls are more likely to hook up than their upper-class sisters and the effects this period has on the sexual and romantic relationships of both men and women after college. Importantly, she shows us that the standards for young men and women are not as different as they used to be, as women talk about "friends with benefits" and "one and done" hook ups. Breaking through many misconceptions about casual sex on college campuses, Hooking Up is the first book to understand the new sexual culture on its own terms, with vivid real-life stories of young men and women as they navigate the newest sexual revolution.

League of Super Feminists Miron Malle 2021-05-04 "This primer on feminism and media literacy teaches young readers why it matters The League of Super Feminists is an energetic and fierce comic for tweens and younger teens. Cartoonist Mirion Malle guides readers through some of the central tenets of feminism and media literacy including consent, intersectionality, privilege, body image, inclusivity and more; all demystified in the form of a witty, down-to-earth dialogue that encourages questioning the stories we're told about identity. Malle's insightful and humorous comics transport lofty concepts from the ivory tower to the eternally safer space of open discussion. Making reference to the Bechdel test in film and Peggy McIntosh's dissection of white privilege through the metaphor of the "invisible knapsack," The League of Super Feminists is an asset to the classroom, library, and household alike. Knights and princesses present problems associated with consent; superheroes reveal problematic stereotypes associated with gender; and grumpy onlookers show just how insidious cat-calling culture can be. No matter how women dress, Malle explains, there seems to always be someone ready to call it out. The League of Super Feminists articulates with both poise and clarity how unconscious biases and problematic thought processes can have tragic results. Why does feminism matter? Are feminists man-haters? How do race and feminism intersect? Malle answers these questions for young readers, in a comic that is as playful and hilarious as it is necessary."

Wrong Lp Lovell 2015-06-02 Tor My life was mapped out and planned to perfection. I knew exactly what I wanted and where I was going, until I was thrust into his world and ripped from mine. In the blink of an eye everything shattered, proving to be nothing more than a cheap illusion. Now I'm living in this twisted form of hell, where enemies and friends are one and the same. I thought I wanted perfection. Now I don't know what I want - perhaps not even my own freedom. Jude I'm the definition of wrong. I'm violent, I'm greedy, and I stop at nothing to win. I'm a notorious bookie and in my game paying with your life is not just a figure of speech. You lose, I collect. I take whatever you have. She's collateral for a debt, and if that debt's not paid someone will die. This should be just business, so why can't I kill her? Everything is not always as it seems. Lust. Blood. Lies. Nothing this wrong should feel so right.

Conversations with Anthony Giddens Anthony Giddens 2013-05-02 Anthony Giddens has been described as 'the most important English social philosopher of our time'. Over twenty-five years, and even more books, he has established himself as the most widely-read and widely-cited social theorist of his generation. His ideas have profoundly influenced the writing and teaching of sociology and social theory throughout the English-speaking world. In recent years, his writing has become much more explicitly political, and in 1996 he took up his high-profile appointment as Director of the London School of Economics and Political Science. It is in this new position and with these new political ideas that he has been described as the key intellectual figure of New Labour in Britain. Following the astonishing success of Labour in the 1997 General Election, his ideas have been the focus of intense interest. In this series of extended interviews with Chris Pierson, Giddens lays out with customary clarity and directness the principal themes in the development of his social theory and the distinctive political agenda which he recommends. This volume will be of great interest to second- and third-year students in sociology and social theory, politics and political theory, as well as to the general reader.

Sex friends Richard Mèmeteau 2022-05-12 Sites ou applications de rencontres représentent plus qu'un simple outil qui permettrait de chasser le prince charmant ou de jouer les don Juan. En hameçonnant les utilisateurs par la promesse d'une abondance sexuelle et amoureuse, ces interfaces nous confrontent à la réalité de nos propres frustrations. De ce désert sentimental que traverse toute une génération de célibataires émerge une nouvelle figure : le sex friend. Ni amoureux fou ni calculateur froid, le sex friend a compris que la sexualité déborde aussi bien les codes de la grande histoire d'amour que les lois d'un prétendu " marché de la drague ". Au carrefour de la philosophie, des manuels de développement personnel, des séries et comédies romantiques, Richard Mèmeteau propose une réflexion originale sur l'éthique sexuelle contemporaine. La drague numérique invite en effet à une prise de conscience écologique plus large. Notre corps est pris dans un réseau de corps avec lesquels nous échangeons en toute inconscience jusqu'au premier contact avec la maladie. Nos fluides lient ensemble nos ex, nos plans cul, nos réguliers et nos véritables partenaires amoureux. C'est à l'échelle de ces écosystèmes sexuels qu'il faut penser une responsabilité et une confiance permettant de défaire l'imbrication du sexe et de la domination.

Joss Whedon Cynthia Burkhead 2011-03-29 No recent television creator has generated more critical, scholarly, and popular discussion or acquired as devoted a cult following as Joss Whedon (b. 1964). No fewer than thirty books concerned with his work have now been published (a forthcoming volume even offers a book-length bibliography), and ten international conferences on his work have convened in the U.K., the United States, Australia, and Turkey. Fitting then that this first volume in the University Press of Mississippi's "Television Conversations" series is devoted to the writer, director, and showrunner who has delivered *Buffy the Vampire Slayer* (The WB, 1997–2001; UPN, 2001–3), *Angel* (The WB, 1999–2004), *Firefly* (2002), *Dr. Horrible's Sing-Along Blog* (Webcast, 2008), and *Dollhouse* (FOX, 2009–10). If Whedon has shown himself to be a virtuoso screenwriter/script-doctor, director, comic book author, and librettist, he is as well a masterful conversationalist. As a DVD commentator, for example, the consistently hilarious, reliably insightful, frequently moving Whedon has few rivals. In his many interviews he likewise shines. Whether answering a hundred rapid-fire, mostly silly questions from fans on the Internet, fielding serious inquiries about his craft and career from television colleagues, or assessing his disappointments, Whedon seldom fails to provoke laughter and reflection.

Future Sex Emily Witt 2017-01-03 Emily Witt is single and in her thirties. She has slept with most of her male friends. Most of her male friends have slept with most of her female friends. Sexual promiscuity is the norm. But up until a few years ago, she still envisioned her sexual experience achieving a sense of finality, 'like a monorail gliding to a stop at Epcot Center'. Like many people, she imagined herself disembarking, finding herself face-to-face with another human being, 'and there we would remain in our permanent station in life: the future'. But, as we all know, things are more complicated than that. Love is rare and frequently unreciprocated. Sexual acquisitiveness is risky and can be hurtful. And generalizing about what women want or don't want or should want or should do seems to lead nowhere. Don't our temperaments, our hang-ups, and our histories define our lives as much as our gender? In Future Sex, Witt captures the experiences of going to bars alone, online dating, and hooking up with strangers. After moving to San Francisco, she decides to say yes to everything and to find her own path. From public health clinics to cafe conversations about 'coregasms', she observes the subcultures she encounters with awry sense of humour, capturing them in all their strangeness, ridiculousness, and beauty. The result is an open-minded, honest account of the contemporary pursuit of connection and pleasure, and an inspiring new model of female sexuality - open, forgiving, and unafraid.

Looking for the Other E. Ann Kaplan 2012-09-10 What happens when white people look at non-whites? What happens when the gaze is returned? Looking for the Other responds to criticisms leveled at white feminist film theory of the 1970s and 1980s for its neglect of issues to do with race. It focuses attention on the male gaze across cultures, as illustrated by women filmmakers of color whose films deal with travel. Looking relations are determined by history, tradition, myth; by national identity, power hierarchies, politics, economics, geographical and other environment. Travel implicitly involves looking at, and looking relations with, peoples different from oneself. Featured films include Birth of a Nation, The Cat People, Home of the Brave, Black Narcissus, Chocolat, and Warrior Marks. Featured filmmakers include D.W.Griffith, Jacques Tourneur, Michael Powell, Julie Dash, Pratibha Parmar, Trinh T. Min-ha, and Claire Denis.

Teste-moi si tu peux Misha Bell 2021-04-22 Ma nouvelle mission au boulot : tester des jouets. Oui, vous avez deviné, ce genre de jouets... Enfin, techniquement, il s'agit de tester l'application qui contrôle les jouets à distance. Le problème ? La fille qui était censée tester le produit (à savoir les jouets) m'a plantée pour devenir bonne sœur ! Un autre problème ? Ce projet est important pour mon patron russe, le beau, follement sexy et ténébreux Vlad, aussi connu sous le surnom de l'Empaleur. Il n'y a qu'une seule solution : tester à la fois l'application et le produit moi-même... avec son aide. Remarque : Il s'agit d'un roman intégral, une comédie romantique à la fois tendre et torride, avec une héroïne décalée et un peu geek, son patron russe aussi mystérieux que sexy, et deux cochons d'Inde avec un penchant douteux pour les frotti-frotta. Si l'un de ces éléments ne vous botte pas spécialement, fuyez au plus vite. Sinon, attachez votre ceinture et préparez-vous pour une lecture décoiffante qui vous fera sourire, rire aux éclats et voir la vie du bon côté.

Blue Ashes Jean-Paul Daoust 1999 "Few taboos are left to incorporate into the literature of the gay world. Nearly everything has been said, sensationalized, exploited, done and redone, sometimes well, sometimes self-indulgently. But one taboo, sex between adults and children, has received little attention from serious writers for a very good reason: most people, gay or otherwise, find it morally repugnant. Incredibly, Jean-Paul Daoust has turned a relationship of this kind into hypnotic poetry. The book is unique in its sensitivity to a universe of forbidden love and sex between a man in his early twenties and a boy of six and a half years. The boy's age is used like a leitmotif, recurring on nearly every page of the poem, as though to remind the reader of how unique the experience is, whether between straight persons or gay. Because of the critical age difference between manhood and childhood, it is not 'just another love story.' It is an epic melodrama of passion, love, betrayal and cruelty that is related here in obsessive, often hallucinatory poetry, but more importantly, it is all seen through the eyes of a child who is not only a victim as we might readily suppose, but an aggressor as well. Gay literature will never be the same after this book" - Daniel Sloate.

Beautiful Boss Christina Lauren 2016-03 The ninth work in the New York Times and #1 internationally bestselling series that started with Beautiful Bastard.
