Embracing Vulnerability -

Roberto Sirvent 2017-04-27

Arguments in favour of divine impassibility take many forms, one of which is moral. This argument views emotional risk, vulnerability, suffering, and self-love as obstacles to moral perfection. In *Embracing Vulnerability: Human and Divine*, the author challenges these mistaken assumptions about moral judgment.

Through an analysis of Hebrew thought and modern philosophical accounts of love, justice, and emotion, Roberto Sirvent reveals a fundamental incompatibility between divine impassibility and the Imitation of God ethic (*imitatio Dei*). This book shows that a God who is not emotionally vulnerable is a God unworthy of our imitation.

But in what sense can we call divine impassibility immoral? To be sure, God's moral nature teaches humans what it means to live virtuously. But can human understandings of morality teach us something about God's moral character? If true, how should we go about judging God's moral character? Isn't it presumptuous to do so? After all, if we are going to challenge divine impassibility on moral grounds, what reason do we have to assume that God is bound by our standards of morality? *Embracing Vulnerability: Human and Divine* addresses these questions and many others. In the process, Sirvent argues for the importance of thinking morally about theology, inviting scholars in the fields of philosophical theology and Christian ethics to place their theological commitments under close moral scrutiny, and to consider how these commitments reflect and shape our understanding of the good life.

Unfortunately, in today's world many people fail to experience the freedom and healing power of God's grace. Even Christians too often experience judgement, rather than the love that is the vital essence of Christian life. A visionary guide in the spirit of Celebration of Discipline, *Embracing the Love of God* calls Christians back to the basics -- to understanding the promise of God's love to transform our most important relationships and fulfill our deepest spiritual needs. Here James Bryan Smith launches readers on a revitalizing spiritual journey. He distills the basic principles of Christian love and provides a new model for relationship with God, self, and others that is based not on fear and judgement, but rather on acceptance and care. Smith's moving insights illuminate the gentle nature of God's love and teach readers how to continue on the path of love by embracing it day by day. For both new Christians and those desiring renewal, *Embracing the Love of God* offers hope, peace, and

guidance for spiritual growth.

Yes God loves us : When it comes to any and everything I do, I always believe can do better, the reason for that is because my God loves me, he loved me then, he loves me now, and he will love me in my future. For the fact that God is great, you and I can in no other way, be any different. Gods hand of greatness is upon us this very moment. Dont worry, he has our back, today, tomorrow, and forever, so let us put 100% of our faith in him, for any and everything is already done in his name.
