**Campus Flirt - Jennifer**

Sucevic 2022-03-21

From USA Today bestselling author, Jennifer Sucevic, comes a sexy novella in the Campus Series. Know what the problem is with crushing on your best friend? That there's not a damn thing you can do about it. Especially if you don't want to blow up your entire relationship. Easton is the guy I turn to when I need...well, just about everything. And what I've learned over the years is that friendship is more difficult to come by than hookups and

boyfriends. Plus, it's not like he sees me as anything other than his soccer playing gal pal. The one he used to sneak out of the house with when we were teenagers. But we're not kids any more. At the end of this year, we'll graduate and go our separate ways. Why that thought fills me with sadness, I don't know. Actually, I do. And that's the problem. So, when my roommate suggests going out with her hot, hockey playing cousin, it seems like the perfect opportunity to move on from this crush. According to her-and I quote-the best way to get over one guy is to get under- I'm pretty sure you know how the saying goes. \*Campus Flirt is a short novella (20,000 words) and was first released in the Let's Play anthology\*

**Operation Prom Date** - Cindi Madsen 2017-03-13

Kate ships tons of fictional couples, but IRL her OTP is her and Mick, the hot quarterback she's crushed on since, like, forever. With only one semester left of senior year, it's now or never if she wants to

land him in time for prom. Since she's flirtationally challenged, she enlists Cooper Callihan, the guy who turned popular seemingly overnight but who used to be a good friend. Cooper lives and breathes rowing, but his partner just broke his wrist. When he remembers Kate's good with a set of oars, he strikes a deal: help him train, and he'll make sure her crush notices her. Only he didn't know how addicting spending time with her would be. Or how the more successful the Operation is, the more jealousy he experiences. The mission has been set. The troops have their marching orders. But what if the target is the wrong guy all along? Disclaimer: This Entangled Teen Crush book contains stargazing, accidental swimming, and poker swindling. This kissing practice will melt your ereader...and give you a new couple to ship.

*Help! I Have A Crush! - How To Fall In Love Without Getting Hurt - For Women* - Francisco Bujan 2011-10-13

Why do we say things like "Having a crush" or "Falling in love"? - Because they can be quite painful - The reason you might get hurt with dating and love life is because you fall for someone who doesn't love you back to the same extent -

Observe your past relationships or dating experiences - What

are the situations that sent you off track? - They were the moments when you gave more than what you received - You loved a guy who did not return your love to the same extent - He might have expressed that by not returning calls, staying in touch with an ex or cheating on you - The goal of this book is to tackle this exact challenge - I give you strategies to protect yourself when you engage in your dating life - I show you exactly how to stay emotionally independent especially in the early stages of dating - I answer questions like "When to have sex", "What to do when you have a crush", "How to stay emotionally free", and much more - This material is the result of 10 years of professional coaching experience helping women like you deal with one of the toughest life challenges you can face - I dedicate this book to your love life and know it will help you find your way into long lasting romantic happiness.

Saying yes has always come easy for Fallon. Now, as Renita Pizzitola's steamy, poignant Crush series continues, winning her dream job means saying no to the guy she wants the most. Between all the parties and random hook-ups, Fallon Carr is this close to flunking out of college. But her internship working with pediatric patients means the world to her—especially since, at the end of the summer, one lucky intern will be offered a paid position. Determined to leave her bad reputation behind, Fallon even takes a bet that she won't sleep with anyone from work. But there's one little catch. . . . Not only is Cade Ryan the hottest guy Fallon has ever laid eyes on, he's a therapy dog handler who volunteers his time to visit kids at the hospital. So when he starts pursuing her, Fallon can't believe her bad timing. The thing is, Cade is different. He's not like the college guys who see her as a one-night stand, or the high-school boyfriend who took a part of her she can never get back.

Cade genuinely wants to spend time with her—and not just between the sheets. Fallon won't let her growing feelings for Cade get in the way of her dreams. Besides, no guy can break down the walls she put up long ago. So what's the harm in a little flirting? It's not like she's falling in love. But she may have seriously underestimated how complicated things can get when the perfect guy falls for her first. Praise for Renita Pizzitola's *Just a Little Crush* "Brinley and Ryder are the perfect combination of sweet and hot. They'll have you pulling for second chances."—USA Today bestselling author Lisa Desrochers "Be prepared to swoon hard over Ryder in *Just a Little Crush*, Renita Pizzitola's impressive New Adult debut. Brinley and Ryder are drawn together in an almost hypnotic way and I couldn't help but be mesmerized by the utterly sexy, sweet, romantic, and scorching moments between them. I loved it!"—Christina
