Rightside/Wrongside - Cathy Hester Seckman 2023-10-30
On Rightside/Wrongside, women are in charge and men live behind the Border Fence. Their only interactions are for sex, which women control with

rigid laws. Mothers raise daughters, and fathers know nothing of them. Women send sons across the Fence and never know if they live or die. Rightside President Alanna Olaffson and her countrywomen believe female empowerment is good and necessary, right up to the time it goes frighteningly wrong. Jessie, pregnant with a boy, meets Tenosha, who recently sent her son across the Fence. Unwilling to accept Rightside's laws, they hatch a plan that grows beyond their control. Smuggling, sabotage, kidnapping, and civil war force a cataclysmic face-to-face confrontation.

Carrie O and Me What a Woman God Made - Francine A. Yates 2006-04

Linda returns to her old neighborhood on a mission to fulfill a promise she made at the deathbed of Mrs. Carrie O.

That promise was to make peace with her birth mother, Vivian. Linda's story is one of triumph over adversity and hope over despair.

[Bullies and Mean Girls in Popular Culture](#) - Patrice A. Oppliger 2013-09-19

The numerous anti-bullying programs in schools across the United States have done little to reduce the number of reported bullying instances. One reason for this is that little attention has been paid to the role of the media and popular culture in adolescents' bullying and mean-girl behavior. This book addresses media role models in television, film, picture books, and the Internet in the realm of bullying and relational aggression. It highlights portrayals with unproductive strategies that lead to poor resolutions or no resolution at all. Young viewers may learn ineffective, even dangerous, ways of handling aggressive situations. Victims may feel discouraged when they are unable to handle the situation as easily as in media portrayals. They may also feel

their experiences are trivialized by comic portrayals. Entertainment programming, aimed particularly at adolescents, often portray adults as incompetent or uncaring and include mean-spirited teasing. In addition, overuse of the term "bully" and defining all bad behavior as "bullying" may dilute the term and trivialize the problem.

The Wrong Side of the Setting Sun - Tracy Daley 2023-06-10

Paige Stevenson is a survivor, caring for her sister since she was seven years old, blaming herself for her mother's addictions. But all of her survival skills will be tested when she's sent to live in

Indonesia with a father she's never met in a country completely different than her own. Paige swears to get her and her sister home, but the cost of getting a flight is over one million rupiah. The promise of help from a treasure hunting Australian, lucky lizards, and Indonesian legends aren't enough to make Paige believe she can depend on anyone but herself. But when her sister goes after a legend of a treasure on her own, Paige will learn the truth about loss, loneliness, and the path to forgiveness.

But for the Kindness of Strangers and Daddy's Little

Girl - Ronnie Remonda 1999-06

But for the Kindness of Strangers finds Janet Hardee full of determination and confidence as she puts the miles between her and what has been her only home for all her eighteen years. High school is behind her and college will be the next stepping stone on the road...she is sure...that will lead her to success.

Unfortunately, even well-travelled roads can lead to danger, and Janet has to learn this lesson the hard way. She finds that people are not always what they appear to be, and that roads, once taken, cannot always be retraced. Forced into a living hell, she has to rely on her own strength and determination to get her through, one dreadful day at a time. In contrast, Daddy's Little Girl introduces the reader to Teresa Bennett...who is thirteen and in love. The man of her dreams is thirty-three, married...and her father. This doesn't stop "Tess," who is out to win him over no matter what the cost. When her father dies in a canoeing accident she is unable to cope with the loss and becomes bitter and self-indulgent; striking out at those who could have helped her the most. Life is not without consequences and Teresa discovers that her life is no exception, as it begins to crumble around her like a deck of cards.

Writing Ethnographic Fieldnotes, Second Edition - Robert M. Emerson 2011-12-25
In Writing Ethnographic Fieldnotes, Robert M. Emerson, Rachel I. Fretz, and Linda L. Shaw present a series of guidelines, suggestions, and practical advice for creating useful fieldnotes in a variety of settings, demystifying a process that is often assumed to be intuitive and impossible to teach. Using actual unfinished notes as examples, the authors illustrate options for composing, reviewing, and working fieldnotes into finished texts. They discuss different organizational and descriptive strategies and show how transforming direct observations into vivid descriptions results not simply from good memory but from

learning to envision scenes as written. A good ethnographer, they demonstrate, must learn to remember dialogue and movement like an actor, to see colors and shapes like a painter, and to sense moods and rhythms like a poet. This new edition reflects the extensive feedback the authors have received from students and instructors since the first edition was published in 1995. As a result, they have updated the race, class, and gender section, created new sections on coding programs and revising first drafts, and provided new examples of working notes. An essential tool for budding social scientists, the second edition of *Writing Ethnographic Fieldnotes* will be invaluable for a new generation of researchers entering the field. **Awake to Mistakes** - Stacy McClure 2011-10-21
Fact is if youre breathing youre going to make mistakes throughout your life. Everyone makes Different choices thats why I wrote this book although we all my mistakes there Is a

way to look at them as you probably never have? Trust me when I tell you if you dont Become awake from your mistakes not for others or there forgiveness but for the person you want to be you will drag around a very heavy weight and there is no need! I want to make it Very clear we do need forgiveness from others just to have relief and live a happy life, its just not what this is about. Where we need to start in living with our mistakes it's in our hearts. No one should have to live with anyone pushing them down from things they didn't mean to do. We all have the right to be happy !

tale of how these artists dominated American popular music over a fifty-year period, a roller coaster ride that gains momentum through the 1930s and '40s, reaches a crest of magical creativity in the 1950s and early '60s, and then crashes down by the early 1970s, a half century when the great American songbook dominated the airwaves and the fight for racial equality came to the forefront. Ella was beloved in her time, and she is still beloved. Frank is still the king of the songbook, but Bing's legacy is just as vital once you start listening to his unprecedented 1930s output. The best songs from Judy's greatest triumph, her 1963-64 TV series, are shared endlessly online. The legend of Billie grows by the year, and the basis of this should be appreciation and wonder for her own great artistry in the 1930s. Barbra is a living legend

and still a commercial force to be reckoned with, the last exemplar of the songbook and its glories. All six of these singers reach out to us and show us new ways of expression and new ways to dream. Their song is largely ended but the melody lingers on.
