

God And The Gay Christian

The Biblical Case In Support Of Same Sex Relationships

Changing Our Mind - David P. Gushee 2017-05-31
“Every generation has its hot-button issue,” writes David P. Gushee, “For us, it’s the LGBT issue.” In *Changing Our Mind*, Gushee takes the reader along his personal and theological journey as he changes his mind about gay, lesbian, bisexual and transgender inclusion in the Church. With 19 books to his name, Gushee is no stranger to the public arena. He is the author of the “Evangelical Declaration Against Torture” and drafted the “Evangelical Climate Initiative.” For decades now, David Gushee has earned the reputation as America’s leading evangelical ethicist. In this book, he admits that he has been wrong on the LGBT

issue.” writes Brian D. McLaren, author and theologian. In the definitive third edition of this book, David Gushee issues a scholarly response to his critics. Brian D. McLaren says it best: “Not only is David Gushee’s work deep, thoughtful and brilliant; and not only is David philosophically and theologically careful and astute; he is also refreshingly clear and understandable by ‘common people’ who know neither philosophical nor theological mumbo jumbo.”
God Believes in Love - Gene Robinson 2013-06-04
From the IX Bishop of the Diocese of New Hampshire in the Episcopal Church, the first openly gay person elected to the episcopate and the world’s

God And The Gay Christian The Biblical Case In Support Of Same

Sex Relationships

leading religious spokesperson for gay rights and gay marriage—a groundbreaking book that persuasively makes the case for same-sex marriage using a commonsense, reasoned, religious argument. Robinson holds the religious text of the Bible to be holy and sacred and the ensuing two millennia of church history to be relevant to the discussion. He is equally familiar with the secular and political debate about gay marriage going on in America today, and is someone for whom same-sex marriage is a personal issue; Robinson was married to a woman for fourteen years and is a father of two children and has been married to a man for the last four years of a twenty-five-year relationship. Robinson has a knack for taking complex and controversial issues and addressing them in plain direct language, without using polemics or ideology, putting forth his argument for gay marriage, and bringing together sacred and secular points of view.

The Bible's Yes to Same-Sex

~~Marriage, New Edition with~~

Study Guide - Mark

Achtemeier 2015-08-28

In the early 2000's, Mark Achtemeier embarked on a personal journey with the Bible that led him from being a conservative, evangelical opponent of gay rights to an outspoken activist for gay marriage and a fully inclusive church. In *The Bible's Yes to Same-Sex Marriage*, Achtemeier shares what led to his change of heart: the problems with excluding groups of people and the insights into the Bible's message that led him to recognize the fullness of God's love and support for LGBT persons. Readers will discover how reading snippets of Scripture out of context has led to false and misleading interpretations of the Bible's message for gay people. Achtemeier shows how a careful reading of the whole Scripture reveals God's good news about love, marriage, and sexuality for gay and straight people alike. This new edition includes a study guide and a

God And The Gay Christian The Biblical Case In Support Of Same Sex Relationships

new introduction from the author that reflects on the U.S. Supreme Court ruling and changes within the church. Perfect for groups or self-reflection, the study guide directs readers over four sessions to explore both Achtemeier's book and the Bible.

Faith Unraveled - Rachel Held Evans 2014-04-08

From New York Times bestselling author Rachel Held Evans: a must-read for anyone on the journey of doubt, deconstruction, and ultimately faith reborn. Eighty years after the Scopes Monkey Trial made a spectacle of Christian fundamentalism and brought national attention to her hometown, Rachel Held Evans faced a trial of her own when she began to have doubts about her faith. In *Faith Unraveled*, Rachel recounts growing up in a culture obsessed with apologetics, struggling as her own faith unraveled one unexpected question at a time. In order for her faith to survive, Rachel realizes, it must adapt to change and

evolve. Using as an illustration her own spiritual journey from certainty to doubt to faith, Evans challenges you to disentangle your faith from false fundamentals and to trust in a God who is big enough to handle your tough questions. In a changing cultural environment where new ideas seem to threaten the safety and security of the faith, *Faith Unraveled* is a profoundly moving, fearlessly honest, and relentlessly hopeful story of survival. This book was previously titled *Evolving in Monkey Town*.

Washed and Waiting - Wesley Hill 2016-09-13

Wesley Hill's personal experiences and biblical reflections offer insight into how a nonpracticing gay Christian can "prove, live out, and celebrate" the grace of Christ and the power of the Holy Spirit. For many who are on this path, it's a lonely one. The reality of loneliness and isolation of the celibate homosexual Christian is something that Hill lives and takes seriously in his pursuit of

God And The Gay Christian The Biblical Case In Support Of Same Sex Relationships

the gospel-centered life. To those on a similar journey, it's often a life of uncertainties and questions. In *Washed and Waiting*, Hill explores the three main struggles that have been part of his daily effort to live faithfully: What exactly does the gospel demand of gay and lesbian Christians, and how can it enable them to fulfill its commands? How do Christians who experience homoerotic desires live with the loneliness such desires entail? Is there any relief for it? What comfort does the gospel offer? Can those of us who struggle with homosexuality please God and truly experience his pleasure in the midst of sexual brokenness? Interspersed throughout these main sections are character sketches and stories of people who have experienced this journey's trials and triumphs. Hill offers wise counsel that is biblically faithful, theologically serious, and oriented to the life and practice of the church. As a celibate gay Christian, he gives us a glimpse of what it looks like to wrestle firsthand with

God's "No" to same-sex sexual intimacy and contemplate serious and difficult questions.

A Letter to My Congregation, Second Edition - Ken Wilson

2016-05-20

"A breakthrough work coming from the heart of evangelical Christianity," writes theologian David Gushee. "Wilson shows how God has led him on a journey toward a rethinking of what the fully authoritative and inspired Bible ought to be taken to mean in the life of the church today." "This book ... will shape what the church becomes," writes anthropologist Tanya Luhrmann. "One of the most exquisite, painful, candid, brilliant pieces ... that I have ever seen," writes Christian author Phyllis Tickle. The second edition contains expanded material.

Unconditional - Justin Lee

2013-01-17

'Gay. The word seemed to hold the weight of eternity within its single syllable. As strange as it may seem, in all the years I had struggled with my sexuality,

God And The Gay Christian The Biblical Case In Support Of Same Sex Relationships

the idea that I could be 'gay' had simply never crossed my mind. I was a Christian! That was my whole life! And Christians weren't gay.' This could be the most important book you read this year. It's a memoir. An exploration of what is, and what could be. Most of all, it's a clarion call to the church - to rediscover the love that Jesus called us to.

Unconditionally. 'So many gay, lesbian, bisexual, and transgender people give up on Christianity because they cannot reconcile who they are with what they were brought up to believe that the Bible teaches about sexuality. Here is a wonderfully told story of a brave young homosexual man who has struggled to hold onto his faith while still affirming himself as gay. This is a must-read.' Tony Campolo

Love Means Love - DAVID

RUNCORN 2020-06-18

Does the Bible really condemn same-sex relationships? Many Christians wrestle with this question. Here, in his compassionate, cogent book, David Runcorn outlines how

someone can support same-sex relationships on the basis of the Bible, not in spite of it. The Church, in every time and place, finds itself working out the shock and surprise of God's unfolding ways - often scandalized by where holiness, goodness and the life of God are to be found. Runcorn's insightful and moving reflections show how speaking in gospel friendship will help to dispel the anxiety and division that have tended to mark the Church's response to homosexuality. Covering sexual abstinence and celibacy, sexuality and the sacred, he leads us to one powerful conclusion: love means love. 'Brim-full of gentle and clear wisdom. Highly recommended!' PAUL BAYES, Bishop of Liverpool 'Joyful, truthful, scandalously inclusive . . . This book will literally save lives. It opens the door of grace and beckons you in.' NICK BUNDOCK, Rector of St James and Emmanuel, Didsbury 'Liberates us to read our beloved Bible with faithfulness, both to the text and to the fruit

God And The Gay Christian The Biblical Case In Support Of Same Sex Relationships

of Christ we often see in LGBT+ lives. For a good number of us, it will be met with a cry of "at last!". JODY STOWELL, Vicar of St Michael's Harrow and Chair of London Clergy
Single, Gay, Christian - Greg Coles 2017-08-22
Foreword INDIES Award
Finalist IVP Readers' Choice Award
In an age where neither society nor the church knows what to do with gay Christians, Greg Coles tells his own story. Let's make a deal, you and me. Let's make promises to each other. I promise to tell you my story. The whole story. I'll tell you about a boy in love with Jesus who, at the fateful onset of puberty, realized his sexual attractions were persistently and exclusively for other guys. I'll tell you how I lay on my bed in the middle of the night and whispered to myself the words I've whispered a thousand times since: "I'm gay." I'll show you the world through my eyes. I'll tell you what it's like to belong nowhere. To know that much of my Christian family will forever consider me

unnatural, dangerous, because of something that feels as involuntary as my eye color. And to know that much of the LGBTQ community that shares my experience as a sexual minority will disagree with the way I've chosen to interpret the call of Jesus, believing I've bought into a tragic, archaic ritual of self-hatred. But I promise my story won't all be sadness and loneliness and struggle. I'll tell you good things too, hopeful things, funny things, like the time I accidentally came out to my best friend during his bachelor party. I'll tell you what it felt like the first time someone looked me in the eyes and said, "You are not a mistake." I'll tell you that joy and sorrow are not opposites, that my life has never been more beautiful than when it was most brokenhearted. If you'll listen, I promise I'll tell you everything, and you can decide for yourself what you want to believe about me.

Covenant and Calling -

Robert Song 2014-09-24

No other issue in recent times

God And The Gay Christian The Biblical Case In Support Of Same Sex Relationships

has proved as potentially divisive for the churches as that of same-sex relationships. At the same time as many countries have been moving towards legal recognition of civil partnerships or same-sex marriage, Christian responses have tended towards either finding alliances with proponents of conservative social mores, or providing what amounts to theological endorsement of secular liberal values.

God and the Gay Christian -

Matthew Vines 2014

Reinterpretations of key Bible texts related to sexual orientation, written by a Harvard student, present an accessible case for a modern Christian conservative acceptance of sexual diversity.

Living in Love and Faith -

The Church of England 2020-11-09

Issues of gender and sexuality are intrinsic to people's experience: their sense of identity, their lives and the loving relationships that shape and sustain them. The life and mission of the Church of England - and of the worldwide

Anglican Communion - are affected by the deep, and sometimes painful, disagreements about these matters, divisions brought into sharper focus because of society's changing perspectives and practices, especially in relation to LGTBI+ people. Living in Love and Faith sets out to inspire people to think more deeply both about what it means to be human, and to live in love and faith with one another. It tackles the tough questions and the divisions among Christians about what it means to be holy in a society in which understandings and practices of gender, sexuality and marriage continue to change. Commissioned and led by the Bishops of the Church of England, the Living in Love and Faith project has involved many people across the Church and beyond, bringing together a great diversity and depth of expertise, conviction and experience to explore these matters by studying what the Bible, theology, history and the social and biological sciences have to say. After a Foreword

God And The Gay Christian The Biblical Case In Support Of Same Sex Relationships

from the Archbishops of Canterbury and York, the book opens with an invitation from the Bishops of the Church of England to embark on a learning journey in five parts: Part One sets current questions about human identity, sexuality, relationships and marriage in the context of God's gift of life. Part Two takes a careful and dispassionate look at what is happening in the world with regard to identity, sexuality, relationships and marriage. Part Three explores current Christian thinking and discussions about human identity, sexuality, and marriage. In the light of the good news of Jesus Christ, how do Christians understand and respond to the trends observed in Part Two? Part Four considers what it means for us as individuals and as a church to be Christ-like when it comes to matters of identity, sexuality, relationships and marriage. Part Five invites the reader into a conversation between some of the people who have been involved in

writing this book who, having engaged with and written Parts One to Four, nevertheless come to different conclusions. Amid the biblical, theological, historical and scientific exploration, each part includes Encounters with real, contemporary disciples of Christ whose stories raise questions which ask us to discern where God is active in human lives. The book ends with an appeal from the Bishops to join them in a period of discernment and decision-making following the publication of *Living in Love and Faith*. The *Living in Love and Faith* book is accompanied by a range of free digital resources including films, podcasts and an online library, together with *Living in Love and Faith: The Course*, a 5-session course which is designed to help local groups engage with the resources, also published by Church House Publishing.

Can You Be Gay and Christian? - Michael L. Brown 2014

Offers practical guidance for

God And The Gay Christian The Biblical Case In Support Of Same Sex Relationships

Christians who have gay friends, family members, or who struggle with their own sexuality.

God and the Gay Christian - Matthew Vines 2014-04-22

“God and the Gay Christian is a game changer. Winsome, accessible, and carefully researched, every page is brought to life by the author’s clear love for Scripture and deep, persistent faith. With this book, Matthew Vines emerges as one of my generation’s most important Christian leaders, not only on matters of sexuality but also on what it means to follow Jesus with wisdom, humility, and grace. Prepare to be challenged and enlightened, provoked and inspired. Read with an open heart and mind, and you are bound to be changed.” — Rachel Held Evans, author of *A Year of Biblical Womanhood* and *Faith Unraveled* As a young Christian man, Matthew Vines harbored the same basic hopes of most young people: to someday share his life with someone, to build a family of his own, to give and receive love. But

when he realized he was gay, those hopes were called into question. The Bible, he’d been taught, condemned gay relationships. Feeling the tension between his understanding of the Bible and the reality of his same-sex orientation, Vines devoted years of intensive research into what the Bible says about homosexuality. With care and precision, Vines asked questions such as: • Do biblical teachings on the marriage covenant preclude same-sex marriage or not? • How should we apply the teachings of Jesus to the gay debate? • What does the story of Sodom and Gomorrah really say about human relationships? • Can celibacy be a calling when it is mandated, not chosen? • What did Paul have in mind when he warned against same-sex relations? Unique in its affirmation of both an orthodox faith and sexual diversity, *God and the Gay Christian* is likely to spark heated debate, sincere soul searching, even widespread cultural change. Not only is it a compelling

God And The Gay Christian The Biblical Case In Support Of Same Sex Relationships

interpretation of key biblical texts about same-sex relations, it is also the story of a young man navigating relationships with his family, his hometown church, and the Christian church at large as he expresses what it means to be a faithful gay Christian.

God vs. Gay? - Jay Michaelson 2011-10-25

Does the Bible prohibit homosexuality? No, says Bible scholar and activist Jay Michaelson. But not only that: Michaelson also shows that the vast majority of our shared religious traditions support the full equality and dignity of LGBT people. In this accessible, passionate, and provocative book, Michaelson argues for equality, not despite religion but because of it. From the Hardcover edition.

Undivided: Coming Out, Becoming Whole, and Living Free From Shame - Vicky

Beeching 2018-06-12

Vicky Beeching, called "arguably the most influential Christian of her generation" in *The Guardian*, began writing songs for the church in her

teens. By the time she reached her early thirties, Vicky was a household name in churches on both sides of the pond.

Bible, Gender, Sexuality -

James V. Brownson 2013-02-03

In *Bible, Gender, Sexuality*

James Brownson argues that Christians should reconsider whether or not the biblical strictures against same-sex relations as defined in the ancient world should apply to contemporary, committed same-sex relationships.

Presenting two sides in the debate -- "traditionalist" and "revisionist" -- Brownson carefully analyzes each of the seven main texts that appear to address intimate same-sex relations. In the process, he explores key concepts that inform our understanding of the biblical texts, including patriarchy, complementarity, purity and impurity, honor and shame. Central to his argument is the need to uncover the moral logic behind the biblical text. Written in order to serve and inform the ongoing debate in many denominations over the questions of homosexuality,

God And The Gay Christian The Biblical Case In Support Of Same Sex Relationships

Brownson's in-depth study will prove a useful resource for Christians who want to form a considered opinion on this important issue.

Is God anti-gay? - Sam Allberry
2013-07-01

A practical and sensitive exploration of the Bible's teaching on homosexuality. A practical and sensitive exploration of the Bible's teaching on homosexuality. It's the hot topic of the moment. Christians, the church and the Bible seem to be out of step with modern attitudes towards homosexuality. And there is growing hostility towards those who hold a different view to the culture's. So is God homophobic? And how do we relate to both Christians and non-Christians who experience same-sex attraction? In this short, simple book, Sam Allberry wants to help confused Christians understand what God has said about these questions in the scriptures. Drawing on his own experience, he offers a positive and liberating way forward through the debate. This

revised and updated version includes answers to some new questions, including: * Should Christians attend gay weddings? * Isn't the Christian view of sexuality dangerous and harmful? * Is it sinful to experience same-sex attraction?

What Does the Bible Really Teach about Homosexuality? (eBook) - Kevin DeYoung
2015-11-09

In WHAT DOES THE BIBLE REALLY TEACH ABOUT HOMOSEXUALITY?, award-winning author Kevin DeYoung challenges each of us - the skeptic and the seeker, the certain and the confused - to take a humble look at God's Word regarding the issue of homosexuality. After examining key biblical passages in both the Old and New Testaments and the Bible's overarching teaching regarding sexuality, this timely book responds to popular objections raised by Christians and non-Christians alike, making this an indispensable resource for thinking through one of the most pressing issues of our

God And The Gay Christian The Biblical Case In Support Of Same Sex Relationships

day.

Same Sex Relationships -

John Stott 2017-07-01

Biblical wisdom on same-sex relationships explained with care, wisdom and compassion. What does the Bible say about same-sex relationships? How should Christians think about this divisive and heartfelt issue? And what of those who are caught in the crossfire: the brothers and sisters who experience same-sex attraction, but are committed to being faithful to the teaching of scripture and resisting it? In this revised, updated and

~~extended edition of the classic~~
chapter from Issues Facing Christians Today, the late John Stott lays out the biblical position on same-sex relationships with care, wisdom and compassion. In addition to Dr Stott's timeless Biblical wisdom, there are forewords by Dr John Sentamu, (the Archbishop of York) and Dr Mark Labberton (President of Fuller Theological Seminary), a helpful preface by the editor, Sean Doherty, testimonies from same-sex attracted Christians and questions for reflection and discussion.
