**Just Bill** - Barry Knister 2017-11-14

Have you ever wondered what your dog was thinking? Meet Bill. He's a big, affectionate Labrador mutt who lives with his master Vinyl and the missus at the Donegal Golf and Country Club. Rescued by his owner after escaping a puppy mill, Bill is a bit of an oddity among all the other purebred dogs: Emma, the miniature poodle, Hotspur the loyal border Collie, and Wolfi and Stanzi the fearless and courageous dachshunds. Bill spends most of his days hanging out with his doggy friends and trying to obey all the rules that the missus has. But when his master's granddaughter Ruby shows up, things suddenly go from good to bad. Ruby has it out for Bill, and she'll do anything to get her way. Told from a dog's perspective, this heartwarming, insightful, and emotional story of Bill and his four-legged group of gutsy companions will have you understanding life from a dog's point of view—and believing in the power of kindness.

**Sophie** - Emma Pearse 2012-01-24

The story that became a global sensation: Sophie, the Australian cattle dog who was lost at sea and swam six miles through shark-infested waters to a remote island where she survived in the wild for five months. It was just another day in paradise as Jan and Dave Griffith, along with their blue cattle dog, Sophie, motored out of Mackay Marina for a gorgeous weekend at sea. But when the sky suddenly darkened and the waves turned fierce, the unthinkable happened: Sophie disappeared overboard. Her heartbroken humans couldn't fathom the loss and could only hope their beloved pet didn't suffer. But this true cattle dog and devoted best friend wasn't going to give up that easily—and what followed is a

remarkable tale of survival, luck, and persistence. From the first day the Griffiths set eyes on puppy Sophie through that terrible October day she was lost, to Sophie's time as a castaway and the reunion that almost didn't happen, journalist Emma Pearse recreates the incredible journey of this canine Robinson Crusoe. An inspirational story of loyalty and the resilience of the spirit, Sophie offers undeniable proof about the unbreakable bond between humans and our pets -- and that if lost, they would do anything to come home to us.

**When Harry Met Minnie** - Martha Teichner 2021-11-11

NEW YORK TIMES BESTSELLER 'A beautiful book' - Jo Good, BBC Radio London 'When Harry Met Minnie made me cry and made me dance with joy. It's an exquisite tale about heartbreak and healing, critters and humans, and the little miracles life hands us when we need them the most' - Jeannette Walls, New York Times bestselling author of *The Glass Castle* and *Half Broke Horses* 'I decided to write this book, because I didn't want to stop living the story of what happened when Harry met Minnie. I didn't want to forget any of it, even the sad parts. This story of unexpected friendship, of love, was a wonderful gift, and in the end, it made me and Minnie happy' - Martha Teichner There are true fairy tales. Stories that exist because impossible-to-explain coincidences change everything. Except in real life, not all of them have conventional, happily-ever-after endings... Carol, who is dying of cancer caused by the toxic pollution in New York in the aftermath of 9/11, needs someone to take care of Harry, who is a 'great listener but does have a problem with large dogs. He is great with smaller dogs. If he

sees a hose he will destroy it to protect you. He will figure out ways to let you know exactly how he feels'. When Martha has a chance encounter with Carol's friend, he can't help but notice Minnie, 'oh those chunky little legs', and so the matchmaking begins. After a disastrous first meeting, when Minnie doesn't appear to think much of Harry (who is super keen), things improve and soon they are inseparable. As Carol's illness progresses, so a new friendship and community blossoms, Carol's Club. The bonds that grew changed Martha's life, Carol's life, Minnie's life and Harry's life. And they changed Carol's death as well. In this rich and touching narrative, Martha considers the ways our stories are shaped by the people we meet, and the profound love we can find by opening our hearts to unexpected encounters.

**Dog Love - An Unbreakable Bond** - Shelby Cannon 2019-12-06

The bond between humans and dogs is more intense than our bond with any other species—there's not even a close second. Dogs are more than just a pet; they are trusted companions. They help us hunt, guard our homes, look after our livestock and even our children and, over time, do so many useful and wonderful things that it boggles the mind. This compilation of heart-warming dog stories illustrates the pure love of these amazing creatures, including extraordinary instances and first-hand accounts of bravery, friendship, loyalty, devotion and companionship down to their very last breath. There's a reason we call them man's best friend. No matter the situation, your dog is happy to see you. You are greeted with the same enthusiasm each and every time you walk in that door. A dog has the ability to live in the present moment. They don't regret the past or worry about the future. While we often ask so much of them, they require almost nothing in return. You can ask your dog to chase a Frisbee, take a nap on the couch, herd some sheep, or run around a show ring and he'll do it, happily, for hours on end. He only wants to be fed, and told he's good, and most of all loved. If a dog has love, he really needs nothing else. In the presence of a dog, somehow, nothing else matters. A dog is handing out pure love, sparing no expense, and asking absolutely nothing in return. Perhaps American Humorist Josh Billings

said it best: "A dog is the only thing on earth that loves you more than he loves himself." Fear and Courage - Renée Hollis 2019-10-07 We have all felt fear, whether it's our racing heart as we make a speech or the profound awareness of our own mortality as we await medical results. Of course, the flip-side of fear is courage: as Nelson Mandela famously said, 'I learned that courage was not the absence of fear but the triumph over it.' The 25 true stories showcased here capture the full range of the fear and courage experience. At times humorous, often poignant, they shine a light on just what it means to be human.

*The Divinity of Dogs* - Jennifer Skiff 2012-10-23  
"My dogs have been the reason I have woken up every single day of my life with a smile on my face. I am among the ranks of millions of people who appreciate the souls of dogs and know they are a gift of pure love and an example of all that is good." —Jennifer Skiff  
*The Divinity of Dogs* is about the moments you learn something profound about life from an experience with a dog. Featuring more than seventy stories culled from hundreds of submissions to the author's website, these inspiring and heartwarming true stories show where love, tolerance, comfort, compassion, loyalty, joyfulness, and even death have provided experiences that have led to spiritual enlightenment. You'll meet Little Bit, the Chihuahua who detected a small lump in her owner's breast, a growth even doctors couldn't find. There's Emma, the devoted Rottweiler who

ferociously grabbed her owner's arm at the moment he was trying to commit suicide, saving his life. You'll be inspired by Luna, the Retriever who dragged her owner to safety after she collapsed late at night in a field. And you'll fall in love with the many dogs who simply provide steady comfort when needed— dogs like Bo, the Boxer who soothed his mistress after the loss of her son. The author also weaves her own experiences with dogs throughout the book, showing how they comforted her through mistreatment as a child, a divorce, and a cancer diagnosis. The stories that make up *The Divinity of Dogs* provide hope, help, and healing for readers in the complex and difficult times in which we live. Whether you believe dogs are divine or are actually a gift from the divine, *The Divinity of Dogs* gives you permission to accept what you know: dogs are healers, educators, protectors, and tangible examples of pure love.

*Marley & Me* - John Grogan 2011-12-01

A worldwide bestseller with over 5 million copies sold, *Marley & Me* also inspired the hit movie starring Jennifer Aniston and Owen Wilson. *Marley & Me* is the heart-warming and

unforgettable story of a family in the making and the wondrously neurotic dog who taught them what really matters in life. John and Jenny were young and deeply in love, with a perfect little house and not a care in the world. Then they brought home Marley, a wiggly yellow furball of a puppy. Life would never be the same. Marley quickly grew into an uncontrollable 44-kilogram steamroller of a Labrador retriever. Expelled from obedience school, even the tranquilisers prescribed by the vet couldn't stop him. Yet through the chaos and the hilarity he won hearts and remained a steadfast model of devotion to his family, even when they were at their wits' end. Unconditional love, they would learn, comes in many forms. If you love Marley & Me, don't miss *The Longest Trip Home*, John Grogan's warm and moving memoir about the power of family and love. PRAISE for *Marley & Me*: 'Mr. Grogan knew the workings of Marley's mind. He makes that abundantly clear in *Marley and Me*, a very funny valentine to all those four-legged "big, dopey, playful galumphs that seemed to love life with a passion not often seen in this world." It's a book with intense but narrow appeal, strictly limited to anyone who has ever had, known or wanted a dog.' *The New York Times* 'A must for anyone who's ever had a canine pal - and even for those cat lovers who might be persuaded by the merits of man's best friend.' *Sunday Herald Sun* 'a sweet, funny tale' *The Age* 'Labrador retrievers are generally considered even-tempered, calm and reliable - and then there's Marley, the subject of this delightful tribute to one Lab who doesn't fit the mold. ... Grogan's chronicle of the...overly energetic but endearing dog is delivered with great humor. Dog lovers will love this account of Grogan's much loved canine.' *Publisher's Weekly* 'Grogan ... offers a humorous and loving tribute to Marley (after Bob Marley), his late 100-pound yellow Labrador ... Readers will delight in this tribute; recommended.' *Library Journal*  
*Come On In* - Garden and Gun Magazine  
2020-05-26

*Southern Women* - Editors of Garden and Gun  
2019-10-29

From the award-winning Southern lifestyle magazine *Garden & Gun* comes this rich collection of some of the South's most notable

women. For too long, the Southern woman has been synonymous with the Southern belle, a "moonlight and magnolias" myth that gets nowhere close to describing the strong, richly diverse women who have thrived because of—and in some cases, despite of—the South. No more. *Garden & Gun's Southern Women: More than 100 Stories of Trail Blazers, Visionaries, and Icons* obliterates that stereotype by sharing the stories of more than 100 of the region's brilliant women, groundbreakers who have by turns embraced the South's proud traditions and overcome its equally pervasive barriers and challenges. Through interviews, essays, photos, and illustrations these remarkable chefs, musicians, actors, writers, artists, entrepreneurs, designers, and public servants will offer a dynamic portrait of who the Southern woman is now. The voices of bona fide icons such as Sissy Spacek, Leah Chase, and Loretta Lynn join those whose stories for too long have been overlooked or underestimated, from the pioneering Texas rancher Minnie Lou Bradley to the Gee's Bend, Alabama, quilter Mary Margaret Pettway—all visionaries who have left their indelible mark not just on Southern culture, but on America itself. By reading these stories of triumph, grit, and grace, the ties that bind the sisterhood of Southern women emerge: an unflinching resilience and resourcefulness, an inherent love of the land, a singular style and wit. And while the wisdom shared may be rooted in the Southern experience, the universal themes are sure to resonate beyond the Mason-Dixon.

Russia on her own. Madison is torn by loyalty to her owner-who expects her to carry on their kennel's legacy of Grand Champion show dogs-to Anastasia, the young girl who holds her heart-and to her scheming sister, Carnegie, who needs her to carry out her royalty-obsessed plans. **Truly Devoted** - H. Norman Wright 2013-09-01  
Bestselling author and Christian counselor H. Norman Wright (2.7 million books sold) combines biblical principles with his enthusiasm for dogs in this warmhearted and inspiring devotional. In stories of loyalty and perseverance, Norm draws parallels between the dog world and the human world to reveal God's love in action: A dog's tendency to gnaw on bones reflects how people handle worry. Instead, people can give God their fears and experience His peace. A cowering dog becomes joyous when forgiven. When people confess their sins, they receive God's forgiveness and joy returns. A dog who rescues a boy in a tsunami shows how the Holy Spirit convicts people of sin so they'll turn to Christ and be saved. From daily antics to extraordinary deeds, these dogs personify the ups and downs of life and highlight the joys and benefits of following God.
