A Great Big Girl Like Me -

Victoria Sturtevant 2010-10-01

In the first book-length study of Marie Dressler, MGM's most profitable movie star in the early 1930s, Victoria Sturtevant analyzes Dressler's use of her body to challenge Hollywood's standards for leading ladies. At five feet seven inches tall and two hundred pounds, Dressler often played ugly ducklings, old maids, doting mothers, and imperious dowagers. However, her body, her fearless physicality, and her athletic slapstick routines commanded the screen. Sturtevant interprets the meanings of Dressler's body by looking at her vaudeville career, her transgressive representation of an "unruly" yet sexual body in Emma and Christopher Bean, ideas of the body politic in the films Politics and Prosperity,

and Dressler as a mythic body in Min and Bill and Tugboat Annie.

She grew up sooner than she was supposed to, having seen the world in a way that little girls are not supposed to. In fifth grade, she lost her virginity to her first love. At thirteen, she got pregnant with the same guy, which caused their relationship to fall short. She was later labeled as the black sheep and had her self-esteem slowly broken into pieces. But all these deplorable experiences she went through while growing up only served as the foretelling of the even bigger challenges that awaited her in the future. Yet amid her journey through a seemingly dark alley, God gave her an awesome gift and she found a way to muster her courage and live life in search for the love that she truly deserved. Written in a lighthearted tone and in a witty and humorous manner, I'm a Good Girl, Why Me? chronicles Keys' story of survival. It inspires readers with its testimony of hope, resilience, courage, and victory. It unfolds how one woman trekked through an incredible journey of pain and

how she eventually found her happy ending with the promise of a new love.

Virginia Constance Kramer is a good girl. Until she meets the man that makes her want to be bad... He's got a record; she's never been so much as grounded. His old man is a convict; her dad is the police sergeant. He's seen too much darkness; she can barely see out of the stained-glass curtain the world wants her to hide behind. She's willing to fight her parents, the town, and the whole world if she has to, but first she has to get past the wall Joe Franklin has built around his heart. He thinks she's too good, too sweet, too pure for a man like him. She thinks being good is overrated. Author Confession: This is a slower burn romance than you might be used to from me, but I promise Virginia and Joe are supercouple material. Well Joe really sees Ginny. He may be rough on the

exterior, but he's the only one who understands how much pain she's in as her family grieves the death of her little sister. Watch him grow into an alphamallow right before your eyes.
