Childhood Sexual Abuse Believing Victims and Supporting Survivors - Dr. Deborah Inman

2018-08-17

Even in today's world where the #Me Too movement is raising awareness of the magnitude of sexual abuse, children remain the silent majority of victims of sexual predators and pedophiles. Although there has been an increase in public discussions through the media and high-profile cases, the sexual abuse of children still remains a difficult topic for victims and their families. Dr. Deborah Inman incorporates knowledge and expertise from personal and professional experience with current research and statistics to raise awareness about the continuing prevalence of child sexual abuse and the lifelong impact on victims/survivors. In a thoughtful presentation designed to help parents and mental health professionals navigate through the challenges of this type of abuse, Dr. Inman:

- Documents the pervasiveness of childhood sexual abuse in the United States;
- provides resources for parents to protect and support their children;
- shares insight to help a support system guide children after they reveal their secret;
- explains how a survivor's parents are impacted by abuse;
- offers guidance on how to help the child begin healing;
- provides detailed examinations of real-life cases; and
- challenges the legal system to hold abusers responsible for their actions.

In this comprehensive guidebook, Dr. Inman shares wisdom and tips that will help childhood sexual abuse victims and their support systems navigate through the trauma and ultimately toward healing.

Opening The Door - Adrienne Crowder 2014-02-24

First published in 1995. Routledge is an imprint of Taylor & Francis, an informa company.

Victims of Sexual Violence - Colleen A. Ward 1990

This handbook is an answer to the need for a text which incorporates factual, analytical and practical aspects of the topic to provide a comprehensive basis for understanding and assisting victims of sexual abuse. Its coverage includes information on the extent of the problem of sexual offences in Singapore, and on the relevant legal institutional provisions (Part I); analysis of the causes of sexual violence and the social and psychological effects of sexual assault (Part II); guidelines on how to help victims of sexual violence (Parts III and IV); and finally some suggestions on how existing services might be improved (Part V).

Helping Victims of Sexual Abuse - Lynn Heitritter 2006-06

An updated resource for victims of sexual abuse provides a valuable perspective on how abuse affects children and the family dynamics that play into its development, offering practical tools that can lead adult victims into full recovery in Christ. Reprint.

The Compassionate Response - Joelle Casteix 2015-03-02

Crossing the Line - Catherine Alison Hill 2011

Sexual harassment has long been an unfortunate part of the climate in middle and high schools in the United States. Often considered a form of bullying, sexual harassment by definition involves sex and gender

and therefore warrants separate attention. This report provides fresh evidence about students' experiences, including being harassed, harassing someone else, or witnessing harassment. The students share their reactions to their experiences, and also provide ideas for how schools can respond to and prevent sexual harassment.

Helping Male Survivors of Sexual Violation to Recover - Sarah Van Gogh 2018-04-19

Placing the experiences of men at the heart of this book, Sarah Van Gogh outlines an integrative approach to effective therapeutic treatment of male sexual abuse. In a culture where to be male is often to be expected to embody strength, power and being in control, male victims of sexual abuse can be particularly challenging to help. This book outlines seven composite detailed case studies representing men from a wide range of backgrounds and demographics. It lays out how the author's pioneering model of an integrative approach which includes psychodynamic, humanistic, relational, cognitive/behavioural, body-based and arts-based approaches can offer an effective model for working with this client group. This key text provides a valuable resource for all those working with male survivors of sexual abuse.

Healing Together - Anne Miller 2019-10-15

Sex is such an intimate topic historically wrapped in shame and when someone shares they were sexually abused, we may not know how to respond. With recent #MeToo and #ChurchToo movements, we are learning just how many men, women, boys, and girls have suffered sexual abuse at the hands of a trusted person, often family members or leaders in the church. Sexual abuse is rampant in modern society and now--sometimes many years later--sexual abuse survivors are sharing their stories. Anne Marie Miller is a survivor of childhood clergy sexual abuse and has shared her journey toward healing with audiences all over the world. After speaking with thousands of survivors and their loved ones, she saw the need for a fundamental and practical guide for helping supporters of sexual abuse survivors understand the basics of abuse, trauma, healing, and hope. Drawing from her own experience as a survivor and evidence-based research, Anne addresses these questions and more in *Healing Together: What is sexual abuse? How can I help survivors? Who are predators and how do they groom victims? How does trauma affect survivors? What happens when someone doesn't remember the details of their abuse? How does abuse wound the physical, emotional, and spiritual health of people who have been abused? When and how should authorities be contacted? How do you talk to your children about sexual abuse? What are the warning signs of abuse? Is healing possible? Whether you are a spouse, a family member, a friend, or a church leader looking for easy-to-navigate resources to understand and support sexual abuse survivors, you'll find answers and hope in these pages.*

The Courage to Heal - Ellen Bass 2002

Based on the experiences of hundreds of survivors & partners, this book profiles victims who share the challenges & triumphs of their personal healing processes. It offers mental, emotional & physical support to all those who are rebuilding their lives.

Helping Victims of Sexual Abuse - Lynn Heitritter 2006-06-01

How do we minister to victims of sexual abuse? It's a difficult problem for Christian communities. This solidly biblical and sensitive guide is packed full of helpful information that provides a valuable perspective on how abuse affects children and the family dynamics that play into its development. As well, readers will also discover practical tools that can lead adult victims into full recovery in Christ. Required reading for everyone who wants to bring meaningful ministry to those affected by sexual abuse.

Child Sexual Abuse: Empirical Research on Understanding and Helping Victims and Offenders -

Noora Ellonen 2022-03-11

REPAIR Your Life - Marjorie McKinnon 2015-12-04

ÿR.E.P.A.I.R. is a Six-Stage Program for abuse survivors that will transform your life forever! Recognize and accept your adult problems stemming from childhood sexual abuse. Enter into a commitment to transform your life. Process your issues with tools and techniques that will enable you to become healthy. Awareness to discover reality as you gather and assemble the pieces of the broken puzzle your life became. Insight into the complete picture helps you begin to return to what you were prior to being sexually violated. Rhythm recovers the natural rhythm you had before the incest happened, the blueprint that is the essence of your

true nature, becoming who you really are. Therapists' Acclaim for ÿREPAIR Your Life "REPAIR Your Life is one of several significant books by a woman who writes openly and perceptively, using her own experiences to take us down her path to an ultimately fulfilling life. This is an important book." --Vincent J. Felitti, MD, co-principal investigator of Adverse Childhood Experiences (ACE) Study "Thank you Marjorie and God bless you for adapting this program for our survivors to follow. You have given survivors hope to continue on their healing journey." --Donna Gustafson, Executive Director, Sunrise Center Against Sexual Abuse "This program just has to work, because whether intuitively or through research, Marjorie McKinnon has assembled a highly effective program of recovery." --Bob Rich, PhD, psychologist Special editions also available for teenagers, children 6-12, and toddlers. www.TheLampLighters.org for more information or to find a support group in your area.

SEXUAL ASSAULT [RAPE]: Moving from Victim to Survivor - Lizyvette Ramos MA 2015-04-27

Sexual Assault [Rape]: Moving from Victim to Survivor is a collection of facts that encompasses social, psychological, and legal aspects created to help you if you are a victim of sexual assault, or if you are part of a vulnerable population (college students, sexual minorities, military, and human trafficking victims). Also, use this book if you are the family, friend, or professional caring for someone who has been sexually assaulted (nurses, physicians, mental health providers, advocates, attorneys, and law enforcement personnel). The issue of sexual assault victimization is of great concern. President Barack Obama has stated, "Perhaps most important, we need to keep saying to anyone out there who has ever been assaulted: you are not alone. We have your back. I've got your back." The White House is responding to alarming sexual assault statistics in the United States; especially among college students. This book is a response to the White House's call to speak up; support all survivors; provide resources to students, advocates, and universities; and educate the public on the realities of abuse. Find strength with this book in the variety and relevance of topics covered. The journey begins with a basic definition of sexual assault, walking through the process of what to do after such an event, and ending with how to help someone who has suffered a sexual assault. Learn about victims' rights, responses/reactions to sexual assault, the forensic (rape) exam, DNA evidence, reporting, law enforcement/criminal justice system, protection order/sexual violence injunction, financial help, alcohol- and drug-facilitated rape, and preventing victimization. I try to balance just the right amount of information and my professional experience to show you, if you are a victim of sexual assault, that you are not at fault; and that you should feel free to seek the help you need and deserve. Because of this common need to return to a normal life, a first step is to acknowledge the pain you are undergoing in order to work through this traumatic experience. This book can help. Likewise, professionals caring for the victim can gain a deeper understanding of the whole process of victimization and help the victim on the road to wholeness. Family and friends can become better prepared to support someone they care about. I leave this book in your hands, which is the result of concise, useful, helpful, understandable, and practical information put together to help individuals be prepared for and become knowledgeable in the process of recovering from sexual victimization.

You Can Help - Rebecca Street 2016-08-10

You Can Help offers concrete tools to family and friends who wish to participate in the healing process of someone who has been sexually victimized. In Part One, the author chronicles her own journey to recovery while providing pragmatic advice and essential data from numerous experts in the field. Each chapter is followed by "Five Practical Tips." Part Two is comprised of inspirational stories by 19 other survivors of both abuse and assault (8 men and 11 women) who share what was most helpful and hurtful in their own recoveries. Besides empowering family and friends, You Can Help is a valuable asset for arming survivors in their battle against shame and is an important educational resource for professionals who work with trauma. You Can Help enables readers to: (1) BREAK THE SILENCE (silence is the biggest obstacle to recovery) (2) LEARN about the complex consequences of sexual trauma, including PTSD (3) ASSIST SURVIVORS in regaining trust, confidence, and joy.

We are Not Alone - Jade Christine Angelica 2002

The central features of this workbook are two first-person fictional narratives that were written for a Massachusetts District Attorney's Office to provide to victims of child abuse so that they could understand the process of criminal justice they find themselves in.

Perseverance - Wendy Donaldson 2011-03-31

This book is designed to share preventative measures to help avoid sexual assault, guide victims to a better understanding of the chaos involved when it occurs, and to educate families & friends of victims in order to help them provide better support. Whether you're a victim of acquaintance rape, date rape, spousal rape, child sexual abuse, incest, drug facilitated sexual assault, male sexual assault, or any other variations of the offense, all victims of sexual violence are thrown into chaotic circumstances that they're poorly prepared for. Victims must try to sort through the madness and confusion, while also struggling with a mass of erratic emotions, sense of security, and even their sanity. The emotional pandemonium that follows can be quite baffling to a friend or loved one that has never experienced such an incident. This book was designed to help inform and educate the victim, spouse, family & friends. *Perseverance* will explain what to expect in the stages from reporting to prosecution, tips for a healthy healing process as well as for perseverance, self-empowerment, other sources of safety, and even explanations of the Crime Victims Rights. Being that 1-in-6 women will be sexually assaulted in their lifetime, this book is equally as informative to those that haven't been affected by sexual violence. The best method of protection is prevention. By not putting yourself into defenseless positions, you've already greatly reduced your chances of being victimized. Inside you'll find extremely helpful information regarding preventative measures, safety tips, and even a section on what to do in case you are attacked. The information inside this book is also particularly beneficial for law enforcement, first responders, victim advocates, and anyone else that encounters working with victims of sexual violence. Smaller cities and communities have very limited resources for training in sexual assault response, especially for victims with certain disabilities. The better you understand what could be going on inside the minds of these victims, the better you will be able to serve them. Most importantly, when the victim feels that their concerns are being handled in the most professional manner possible, then you're able to build that much needed rapport and they're more likely to open up and be honest with a stranger.

Don't Tell, Second Edition - Michel Dorais 2002-03-05

Don't Tell examines the effects of sexual abuse on the emotional and sexual life of men, including their sense of self and their personal relationships. Using first-hand accounts, Dorais shows that certain reactions are specific to male victims as they attempt to preserve their physical integrity and conceptions of masculinity. He provides innovative strategies for both prevention and treatment that will be of use to those who have suffered abuse as well as to their families and all those who are trying to help them - spouses, friends, social workers, and therapists.

Behind the Façade: Exposing Female Sex Offenders and Helping Abuse Victims to Heal - Julie A. Brand M.S. 2021-10-29

In her new book, *Behind the Façade: Exposing Female Sex Offenders and Helping Abuse Victims to Heal*, Julie Brand, M.S., combines research data, professional insights and survivors' shared histories to enlighten readers about the reality of female-perpetrated sexual abuse. The book consists of three separate, independent chapters: 1) Female Sex offenders: Unmasking the Perpetrators, 2) What About Our Boys? Understanding the Challenges Facing Male Victims of Sexual Abuse and Assault, and 3) A Path to Recovery and Resiliency. Each chapter includes information from her workshops but also adds riveting new cases and material.

Why Me? Help for Victims of Child Sexual Abuse (Even If They are Adults Now) - Lynn Daugherty 2011

Unlocking the Secret of Your Soul - Josiane Assunção 2014-05-08

In this book I share a little bit of my childhood and describe things that happened to me. I was sexually abused, rejected, abandoned, and betrayed. I suffered from depression from many long years, and I want to share how God restored and healed my broken heart, giving me hope to live again. I share that healing is a process and emphasize how important is to abide in the Word of God to find healing and rest for our souls. My heart is dedicated to helping victims of sexual abuse overcome their emotional pain and know that there's hope and healing for their broken hearts.
