Hollywood Hellraisers - Robert Sellers
2010-02-04

'I don't know what people expect when they meet me. They seem to be afraid that I'm going to piss in the potted palm and slap them on the ass.' Marlon Brando 'I should have been dead ten times over. I believe in miracles. It's an absolute miracle that I'm still around.' Dennis Hopper 'The best time to get married is noon. That way, if things don't work out, you haven't blown the whole day.' Warren Beatty 'You only lie to two people in your life: your girlfriend and the police.' Jack Nicholson They're the baddest bad asses Hollywood has ever seen: Marlon Brando, Dennis Hopper, Warren Beatty and Jack Nicholson. These are men for whom rules did not apply, men for whom normal standards of behaviour were simply too wearisome to worry about. These are men who brawled, boozed, snorted and shagged their way into legend-hood - but along the way they changed acting and the way movies were made forever. *Hollywood Hellraisers* is a whistle-stop tour of jaw-dropping sexual activity, misbehaviour of an Olympic standard, all-out excess and genuine madness. It's a wonder Hollywood survived.

Peter and June and Me - 2010-08-13

Peter and June and Me is the story of my search for my parent's first and second-born children, about whom I knew nothing until later in my life. There were references to them, but no direct discussion about them with either parent. The story is wrapped inside the murder of my girlfriend by an unrequited lover, and within my search for the brass ring, during which, by virtue of being raised in a house in which there was an icy silence and in which my parents lived in quiet desperation, I did not receive much in the way of parental guidance. I don't blame anyone but myself for the consequences of my actions, but I think that had my parents not lost their first two children, life in our home would have been significantly different

A Pregnancy, a Party & a Proposal - Teresa Carpenter 2015-02-03

When Lauren Randall discovers her fling with Ray Donovan has left her pregnant, she tries to break the news to him, only to be mistaken for Ray's fiancée by his family.

An Affair with Hollywood - Roger Niez
2022-04-04

An Affair with Hollywood are stories of a bodyguard and limo driver working during the height of male chauvinism in Hollywood during the historic 1980s. His personal relationships with clients, and his interactions with wishful young actresses, presented him with a medium into the party scene...and what was truly going on with this sexually charged era. Throughout these stories, he dives headfirst into exploring the Hollywood scene and the mindsets involved during the peak of the casting couch, favor making, and drug usage.

Hollywood Divorces / Hollywood Wives: The New Generation - Jackie Collins 2010-04-29

Hollywood Divorces: Welcome to Jackie Collins' Hollywood, a world in which narcissism runs rampant and fidelity means not sleeping with anyone less attractive than your spouse. You will meet three strong, unforgettable women making their way along Hollywood's treacherous trail of divorce. *Hollywood Wives: Power! Sex! Money! Fame!* - the new Hollywood wives are back with a vengeance. Ambitious, young, smart and lethal, whatever they don't have, they want - and whatever these women want, they get.

Hollywood Bohemians - Brett L. Abrams
2008-08-19

Between 1917 and 1941, Hollywood studios, gossip columnists and novelists featured an unprecedented number of homosexuals, cross-dressers, and adulterers in their depictions of the glamorous Hollywood lifestyle. Actress Greta Garbo defined herself as the ultimate serial bachelorette. Screenwriter Mercedes De Acosta engaged in numerous lesbian relationships with the Hollywood elite. And countless homosexual designers brazenly picked up men in the hottest Hollywood nightclubs. Hollywood's image grew as a place of sexual abandon. This book

demonstrates how studios and the media used images of these sexually adventurous characters to promote the industry and appeal to the prurient interests of their audiences.

Another Steven Soderbergh Experience -

Mark Gallagher 2013-04-04

How do we determine authorship in film, and what happens when we look in-depth at the creative activity of living filmmakers rather than approach their work through the abstract prism of auteur theory? Mark Gallagher uses Steven Soderbergh's career as a lens through which to re-view screen authorship and offer a new model that acknowledges the fundamentally collaborative nature of authorial work and its circulation. Working in film, television, and digital video, Soderbergh is the most prolific and protean filmmaker in contemporary American cinema. At the same time, his activity typifies contemporary screen industry practice, in which production entities, distribution platforms, and creative labor increasingly cross-pollinate. Gallagher investigates Soderbergh's work on such films as *The Limey*, *Erin Brockovich*, *Ocean's Eleven* and its sequels, *Solaris*, *The Good German*, *Che*, and *The Informant!*, as well as on the *K Street* television series. Dispensing with classical auteurist models, he positions Soderbergh and authorship in terms of collaborative production, location filming activity, dealmaking and distribution, textual representation, genre and adaptation work, critical reception, and other industrial and cultural phenomena. Gallagher also addresses Soderbergh's role as standard-bearer for U.S. independent cinema following 1989's *sex, lies and videotape*, as well as his cinephilic dialogues with different forms of U.S. and international cinema from the 1920s through the 1970s. Including an extensive new interview with the filmmaker, *Another Steven Soderbergh Experience* demonstrates how industries and institutions cultivate, recognize, and challenge creative screen artists.

[Rock Candy Rockstar Romance](#) - Jane Stain
2019-10-26

A fun and wholesome romance about love and those first inklings that you're famous Gunnar treated me like a person, not a broke waitress. So I treated him like a person, not a rich rockstar. Using the backstage pass he gave me, I

got to hear one of his songwriting sessions. His insights moved me so much, I hugged him. That's all. Just a hug. Now my photo is in all the tabloids. The polite ones say I'm his girlfriend. The others say much worse. Half my small town aren't talking to me. Gunnar's manager wants me to go to Hollywood and be on the talk shows. Gunnar's bandmate's girlfriend keeps trying to push me out of 'her' spotlight. I just want Gunnar to love me.

[Hollywood: Social dimensions: technology, regulation and the audience](#) - Thomas Schatz
2004

'Hollywood' as a concept applies variously to a particular film style, a factory-based mode of film production, a cartel of powerful media institutions and a national (and increasingly global) 'way of seeing'. It is a complex social, cultural and industrial phenomenon and is arguably the single most important site of cultural production over the past century. This collection brings together journal articles, published essays, book chapters and excerpts which explore Hollywood as a social, economic, industrial, aesthetic and political force, and as a complex historical entity.

and Marcus comes crashing down all around them. When the plot thickens, Rebecca thinks she's getting in over her head. But when she looks into Marcus's eyes, she just can't resist. *The (Im)Perfect Girlfriend* - Lucy-Anne Holmes 2010-08-06

Actress Sarah Sargeant has finally landed the perfect boyfriend. But as she leaves London for LA, Sarah finds herself morphing from the perfect girlfriend, baby voicing 'i love you's, into a nutty one who throws phones and screams a lot. Where did it all go wrong? Was it the photo of a semi-naked ex-girlfriend doing a downward dog she found in her boyfriend's filofax? Or maybe it's the steamy sex scene she films with the handsomest man in the world, ever. Laugh-out-loud funny and brutally honest, *The Imperfect Girlfriend* is the story of one woman's imperfect search for her happy ever after.

Beyond Tonight Vol. 2 - C. J. Thomas 2016-02-20
The second volume of *Beyond Tonight: Hollywood Dreams*, an Alpha Billionaire Romance series by CJ Thomas. I opened up and let him have a taste. I couldn't push him out of my mind, and when he saved me for no real reason, taking me out of squalor and into his life of luxury, I wanted him even more. Sheila said I should do it. That there was something going on between us. I don't know. Maybe she was right. The thing was, he had a girlfriend. And not just any girlfriend, Adrianna Eastman, maven of Hollywood. She was tall, smart, and gorgeous. The flippin' world knew her by name. Even I did. But not like I knew her now. I was nothing next to Adrianna, and to think I was anything more than what he already had was just plain dumb. But what I learned about Adrianna might just give me the big break I needed and make him see me for more than a quick lay.

Hollywood's Eve - Lili Anolik 2020-03-19

The goddaughter of Igor Stravinsky and a graduate of Hollywood High, Eve Babitz posed in 1963, at age twenty, playing chess with the French artist Marcel Duchamp. She was naked; he was not. The photograph made her an instant icon of art and sex. Babitz spent the rest of the decade rocking and rolling on the Sunset Strip, honing her notoriety. There were the album covers she designed: for Buffalo Springfield and the Byrds, to name but a few. There were the men she seduced: Jim Morrison, Ed Ruscha, Harrison Ford, to name but a very few. Then, at nearly thirty, her It girl days numbered, Babitz was discovered—as a writer—by Joan Didion. She would go on to produce seven books, usually billed as novels or short story collections, always

autobiographies and confessionals. Under-known and under-read during her career, she's since experienced a breakthrough. Now in her mid-seventies, she's on the cusp of literary stardom and recognition as an essential—as the essential—LA writer. Her prose achieves that American ideal: art that stays loose, maintains its cool, and is so simply enjoyable as to be mistaken for simple entertainment. What Hollywood's Eve has going for it on every page is its subject's utter refusal to be dull... It sends you racing to read the work of Eve Babitz." The New York Times "Read Lili Anolik's book in the same spirit you'd read a new Eve Babitz, if there was one: for the gossip and for the writing. Both are extraordinary." Jonathan Lethem "There's no better way to look at Hollywood in that magic decade, the 1970s, than through Eve Babitz's eyes. Eve knew everyone, slept with everyone, used, amused, and abused everyone. And then there's Eve herself: a cult figure turned into a legend in Anolik's electrifying book. This is a portrait as mysterious, maddening-and seductive-as its subject." —Peter Biskind, author of *Easy Riders, Raging Bulls* For Babitz, life was slow days, fast company until a freak fire turned her into a recluse, living in a condo in West Hollywood, where author Lili Anolik tracked her down in 2012. Hollywood's Eve, equal parts biography and detective story "brings a ludicrously glamorous scene back to life, adding a few shadows along the way" (*Vogue*) and "sends you racing to read the work of Eve Babitz" (*The New York Times*).

Sparks fly as the movie star and the pastor's daughter work side by side. When Lily accompanies Ben to the premiere of his latest movie, Hollywood takes notice. Under intense media scrutiny and pressure from the movie industry, Ben must risk his career to follow his heart, but Lily wants the one thing he doesn't have, faith. *Mission Hollywood* is an inspirational story about love, faith, and second chances.

The Cinema of Steven Soderbergh - Andrew deWaard 2013-04-30

La 4e de couv. indique : "The industry's only director-cinematographer-screenwriter-producer-actor-editor, Steven Soderbergh is contemporary Hollywood's most innovative and prolific filmmaker. A Palme d'or and Academy Award-winner, he has directed nearly thirty films, including political provocations, digital experiments, esoteric documentaries, and global blockbusters, as well as atypical genre films. This volume considers its slippery subject from a variety of perspectives, analysing Soderbergh as an expressive auteur of art cinema as well as genre fare, a politically-motivated guerrilla filmmaker and Hollywood insider. Preoccupied with the detective's role to investigate truth, as well as the criminal's alternative value system, his films tackle social justice in a corporate world, Soderbergh's career demonstrates the richness of contemporary American cinema ; this volume gives his complex oeuvre the in-depth critical analysis it deserves."
