A Tryst at the Library: Lesbian Sex in Public Lyla's relationship with her boyfriend has gone stagnant. She loves him, but their love life is nonexistent. She thinks she might like to have sex with a woman, that it might be frustrating. But after a tryst with a strange woman at her local library after work, she has just the idea what to do to get her love life back in full swing. 2. My Hot Night Out: A First Gangbang Experience Shay is a quiet, mousy girl whose first semester at college isn't going how she wants. Instead of making friends she sits in her dorm room every weekend by herself. A friend from down the hall finally makes her go out and takes her to a bar where she will have a whole new experience, and find something within herself that she never thought she would find. After being the center of attention, and being passed around at the bar, she is a whole new person, and promises herself that this will be a great new chapter in her life. 3. Disciplined at the Office: A Bondage Threesome Experience Like everyone else, I focus on my daily grind and get caught up in the mess of life. Now and then however, wonderful things can happen as one did for me recently. A night that started as a bland and forced work outing turned into something amazing. With a few chance turns, my night went from the same old thing to an experience I couldn't even believe when I walked into a room at just the right time. 4. Passion at the Pool Hall: Anal Sex in Public Erotica Ask anyone who knows me and they will tell you that I am as wild as a family girl gets. That means I don't go out all the time and party my brains out but when on rare occasions I do go out, I really have a ton of fun.

Nothing could have prepared me for what would happen however when I saw an old boyfriend on my one night out. He missed me and I missed him too much to hold back what I felt. What happened was one of the more shocking and sexy moments of my life. 5. Sexy Professor and the College Guy: MILF's Rough Sex With a Stranger You hear stories about professors doing things they should not do with people they should not do them with. I have heard those stories as well but never did I think I would be part of one of them. Recently I took the chance to speak at a sports gala at a college far away from home and when I got there, almost everything was normal. The only thing that was out of the ordinary was an experience I will never forget and one of the most exciting experiences of my entire life.

Getting The Job Done Ericka Cole 2021-01-24 How would you like to read this story about sex at work? Nailing the Interview (It's Time for Office Sex!) A Rough Sex Erotica Story By Angela Price Susan desperately needs a job, and she's determined to get it. As far as she's concerned, a blow job is a small price to pay for a means to get her debts under control, and she's ready to do a hell of a lot more than answer questions during this interview. She's about to find out that Mr. Collins won't be satisfied with just a blowjob, and there will be plenty of rough sex before he's ready to make any hiring decisions. That's only one of the sexy tales you'll find in this collection. Click now and it can be on your Kindle in just a moment or two. Warning: This ebook contains very explicit descriptions of sexual activity and includes rough sex, group sex, first lesbian sex, first anal sex, boss sex, and more. Only mature adults who won't find that offensive should read this collection. Here are the stories! 2. Getting the Promotion (And Using Every Hole to Do It!) An Office Gangbang Erotica Story by Skyleer French I was usually so adamant about not using my body to get ahead at work but it became apparent if I wanted the promotion there were things expected of me. Sure, I felt a bit slutty for doing it but the raise and the benefits were enough of an incentive. So, I prepared myself for whatever the management team wanted. I had no idea that what they wanted was my untouched ass! Well, they took that and they took my throat and they took... let's just say every single hole was filled and it was horribly intense and wonderful all at the same time. 3. How Rough Sex Got Me into Show Biz An Office Sex Erotica Story by Angela Ward Allison sometimes wonders why she majored in performing arts when there just aren't a lot of jobs out there. Still, she lands an interview for a position as a magician's assistant, and she's determined to get the job. By determined, we mean she's ready to give up anything she has to. That's good, too, because what she's going to have to give the manager is a scorching session of rough sex! 4. I'm a MILF? An Erotic Tale of Gangbang Confusion by Ericka Cole When I showed up to interview for an entry-level production assistant job, I wasn't sure how I'd be received. I'd taken a number of years off to raise my daughter, and I wasn't really connected in the film industry at all. I was a little bit shocked when I found out that this particular studio made porn, but that was nothing compared to when I discovered they got their wires crossed! They thought I was the talent! I couldn't believe they'd want a woman in her thirties to sleep with three men at once. I guess I was in a crazy mood because I just let them believe I was their star! 5. Meet My Associate (He'll Be Having You with Me) An MFM Office Ménage a Trois with Double Penetration by Hope Parsons I'd planned on getting the job with my body, so it was fine that Mr. Hartford caught my cues and took advantage of my oral skills. I never expected him to invite someone else into his office. Before I could wrap my head around things, I was wrapping my lips around both of their cocks! That wasn't it, though. I had rough sex with both men and they also gave me my very first anal sex experience. That happened while one of them was already inside of me! Double penetration? I remember thinking the job had better offer some damned good benefits.

She's had a big crush on her sexy boss for years, and she's always been conscientious. As she writes down the letter, though, she's horrified! It's a letter about an employee who's screwed up in a big way, and she's the employee. Her boss gives her a choice. Rough First Day at the Office (Yeah! Rough Deepthroat, Rough Sex, and Rough First Anal!) It was my first day, and what a day it was! I experienced deepthroat so rough I thought I'd pass out and even had a very, very rough first anal sex experience. Why the hell did I end up liking it so much? 5. Sylvia's Office Double Team: An MFM Threesome Erotica Story by Connie Hastings Sylvia has always been the good girl, but when she gets a temp job at a local lawyer's office, she decides to change the very person that she is. Being the meek and mild type has

gotten her nowhere, and now she could make herself into anything she wanted. This was her opportunity to shed her boring persona, and bring about a new Sylvia that the men would stand up and take notice. If that meant taking on two men in the office...well so be it!
