Camden - Lexi Buchanan 2020-11-16
Boston Bay Vikings: hot enough to melt the ice. Camden I grew up with only one dream—to become a professional hockey player. My dream came true and now I was a winger for the Boston Bay Vikings. I never gave much thought to

having that ‘special’ someone in my life until I saw the young woman who hunkered down like a scared rabbit in the team’s shower room. I went from a carefree bachelor to a fierce protector. Molly Exhausted and scared, I fell asleep in an empty room and came awake to find the gaze of three naked men on me. It turned out I’d found my way into the shower room of the Boston Bay Vikings—I’d never heard of them. However, it was the fourth man to appear who gave me hope. He spoke with confidence and made me feel safe. I didn’t want to leave his side, but I’d learned the hard way that anything good never lasted. Meet Camden Edwards and Molly Lewis in the first book of a new series by NYT and USA Today bestselling author, Lexi Buchanan.

[Falling for Casanova](#) - Debra Druzy 2017-04-19
 Joy Barbieri has hit rock bottom—divorced, unemployed, sleeping on her parent’s couch until she finds an apartment suitable for two kids and a fur-baby—but she’s determined to start over. Eager for independence, she takes the first

job she finds. A handsome stranger catches her eye, but with a name like Casanova, he’s got to be a world champion player—right? Tristan Casanova’s only visiting this rustic town until he recuperates from his painfully quick divorce, not to make friends. However as he gets to know sweet and savvy Joy, he realizes their unexpected alliance comes with undeniable chemistry. She’s the perfect excuse to stay in Scenic View permanently, but when will she quit giving every excuse in the book why they shouldn’t be together? Will pains of the past, excessive ex-spouse baggage, and interfering relatives keep these two from the happily-ever-after they deserve?

Fingerprints of You - Kristen-Paige Madonia
2012-08-07

A teen embarks on the road trip of a lifetime in this authentic, beautifully written debut novel

that Judy Blume says is “sure to appeal to both teens and adults.” Lemon grew up with Stella, a single mom who wasn’t exactly maternal. Stella always had a drink in her hand and a new boyfriend every few months, and when things got out of hand, she would whisk Lemon off to a new town for a fresh beginning. Now, just as they are moving yet again, Lemon discovers that she is pregnant from a reckless encounter—with a guy Stella had been flirting with. On the verge of revisiting her mother’s mistakes, Lemon struggles to cope with the idea of herself as a young unmarried mother, as well as the fact that she’s never met her own father. Determined to have at least one big adventure before she has the baby, Lemon sets off on a cross-country road trip, intending not only to meet her father, but to figure out who she wants to be. Lyrical and moving prose, from an original voice whose writing Judy Blume calls “luminous,” deftly depicts the nuanced conflicts of early motherhood and the search for identity.

Is there one right way to mother? Can a bad mother ever be redeemed? With warmth, heart, and dark humor, the novel tells a timeless story of a mother fighting to win back her child, and her struggle to hold onto her integrity while being indoctrinated"--
