The Queen Alpha - Darlene Mellors 2022-05-04

The Queen Alpha: The Tempest Series, Book One
By: Darlene Mellors Zoey is a female shifter who has been looking for her mate since she turned seventeen. Now in her forties, Zoey, a well-respected psychologist among her family and town, is called upon by her Alpha father to investigate the seemingly infertility of another clan. Upon her arrival, she feels it instantly; her mate is here . . . but he does not recognize her. Now more than ever, she takes her mate's clan's struggles personal, and makes it her mission to discover the truth behind what befell her mate's clan . . . and find her own happily ever after.

Against the Wind - Jeremiah Shlomi 2023-02-18

Against of wind, it is a novel based on real events, mixed with fantasy, which addresses one of the most widespread current themes such as reincarnation, as an alternative response to the personal search for spiritual development to the question where we come from, because we are

here and where we are going as a human race. His real characters, whose names have been changed, take us to a world in which reality and fiction are mixed, leaving us open the door to mystical individual reflection on science and the mystery of human existence; in which each person puts their own extrasensory experiences into perspective.

Cougar Dating - Jackson Sparks 2015-02-06

In today's dating scene, all is fair in love and attraction. We are no longer living in times where you can only date certain people of a particular race, social class, economic standing, or educational background. Yes, even gender and age are now subject to our own tastes and preferences! For an older woman, dating younger men promises fun and adventure in more ways than one. Beyond the obvious advantages, a young man sees the world with fresh eyes that can influence you to take a different perspective on life. Not to mention, younger men will certainly be youthful,

energetic, and lively - both in and out of the bedroom. They will also be more receptive to (some will even ask for) you taking the reins in the relationship every now and then. Sounds pretty good, doesn't it? But on the other side of the coin, what's in it for them? And what does it take to create a sense of attraction with a younger man? That's where this book comes in. I'll explain exactly what can make you so appealing to the younger man. You'll learn specific and practical tips, like where to go, what to say, and how to dress (without betraying your sense of self) so that you can take your dating life to a whole new, younger, level. I'll also divulge all the subtle moves you need to catch his eye, and tips to keep him interested for as long as you want. In essence, this is a must-have handbook for cougar dating success.

Women at War - Jan Greenwood 2015-08-04

Many women grow up with a subtle mistrust of their girlfriends, moms, sisters, and women in general. The culture confirms their fears by constantly promoting the attitude that women are competitive, slanderous, and malicious. Women embrace these lies and grow up despising their own gender, wounding one another with unrealistic expectations, and isolating themselves from meaningful female relationships. Find peace for yourself and your girlfriends too. Women at War clearly defines an attitude and approach to female relationships that will revolutionize the value women place on their own gender and the way they treat one another. This book sheds light on the source of confusion, revealing the true enemy and the real
