After countless heartbreaks, Ciara Reilly has sworn off falling in love and turned her youth, beauty, and unlucky streak of dead-end relationships into a way to make money. After joining the Sugar Girl app, she has climbed the ranks to become one of the few Platinum Girls in Dublin and

now has her choice of wealthy clients. It is a way of life for Ciara and means she can keep her family out of debt. The financial perks coupled with the casual dating arrangements suit her, primarily because she learned the hard way that falling in love and sugaring do not mix. That's until she meets the stunning and wildly fascinating entrepreneur Charlie Keller. Their connection is instant but complicated. Charlie is everything Ciara has ever wanted, but falling for her means giving up everything she already has. Forced to choose between coming clean about her lucrative career or losing Charlie forever, will Ciara go sugar-free? Or will the secrets Charlie is keeping from her result in another heartbreak?

Friars and Filipinos. An Abridged Translation of Dr. Jose Rizal's Tagalog Novel, 'Noli Me Tangere.' - José Rizal 2023-10-04

"Friars and Filipinos. An Abridged Translation of Dr. Jose Rizal's Tagalog Novel, 'Noli Me Tangere.'" by José Rizal (translated by Frank E. Gannett). Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format. *Beginning Tagalog* - Pasay, Philippines. Philippine Center for Language Study 1965-06

A comprehensive, one-year introductory textbook for Tagalog, the language spoken in the Philippines. *Beginning Tagalog* has been designed to meet the specific needs of adult native speakers of English who wish to learn spoken Tagalog, though students with other language backgrounds may be able to follow the course with profit. With fairly intensive class scheduling, and assuming laboratory assignments and home study, the text can be covered in one academic year. The text is designed to accomplish two aims. The first is to impart oral control of Tagalog and, by means of an acquaintance with the major patterns of the language, to provide the means for additional independent study that will lead to a full mastery of the structures and a vocabulary that is sufficiently broad to meet the needs of most students. The second aim is to provide accurate, up-to-date information about the patterns of Filipino culture that will enable a student to understand the social customs, standards, values, and aspirations of the Filipino people, in order to prepare him for sympathetic, enlightened, and useful participation in the context of Filipino society. . . . The text consists of 25 units and appendices. In the first half of the text, the student plays the part of hearer and speaker, with only incidental reading of oral dialogs and drills. From Unit XIII on there is a reading section designated for each unit, correlated with the primarily spoken materials, but designed to promote facility in the orthography and distinctive patterns of the written language. . . . The basic format is as follows: A. Basic Dialog B. Cultural and Structural Notes C. Pronunciation Exercises (to Unit XIII) D. Drills and Grammar E. Cumulative Drills F. Visual-Cue Drills G. Comprehension-Response Drills H. Readings (from Unit XIII)"

Intermediate Tagalog - Teresita V. Ramos 1982-02-01

Intermediate Tagalog is a pioneering language text that gives students a grasp of the social rules of the language as well as the linguistic rules. Designed for students who have learned the basic skills and mastered a vocabulary of frequently used words, *Intermediate Tagalog* goes beyond language learning to genuine communication. The lessons use culture-loaded exchanges as well as everyday conversation to give insight into Filipino thought and behavior. For example, the student learns not to acknowledge a compliment with the standard American "thank you," but rather to downgrade what is being complimented and then to return the compliment. Each dialog is followed by cultural notes that supply possible alternate responses as well as offer comparisons with the way a similar conversation might take place between Americans. For Filipino-Americans who want to learn about their cultural heritage and for Americans who want to learn about Filipinos, *Intermediate Tagalog* explores value concepts while developing linguistic and sociolinguistic skills. Written in a clear and readable style, this book is a significant contribution to the teaching of Tagalog and Filipino culture.

Dubious Gastronomy - Robert Ji-Song Ku 2013-12-31

California roll, Chinese take-out, American-made kimchi, dogmeat, monosodium glutamate, SPAM—all are examples of what Robert Ji-Song Ku calls "dubious" foods. Strongly associated with Asian and Asian American gastronomy, they are commonly understood as ersatz, depraved, or simply bad. In *Dubious Gastronomy*, Ku contends that these foods share a spiritual fellowship with Asians in the United States in that the Asian presence, be it culinary or corporeal, is often considered

watered-down, counterfeit, or debased manifestations of the "real thing." The American expression of Asianness is defined as doubly inauthentic—as insufficiently Asian and unreliably American when measured against a largely ideological if not entirely political standard of authentic Asia and America. By exploring the other side of what is prescriptively understood as proper Asian gastronomy, Ku suggests that Asian cultural expressions occurring in places such as Los Angeles, Honolulu, New York City, and even Baton Rouge are no less critical to understanding the meaning of Asian food—and, by extension, Asian people—than culinary expressions that took place in Tokyo, Seoul, and Shanghai centuries ago. In critically considering the impure and hybridized with serious and often whimsical intent, *Dubious Gastronomy* argues that while the notion of cultural authenticity is troubled, troubling, and troublesome, the apocryphal is not necessarily a bad thing: The dubious can be and is often quite delicious. *Dubious Gastronomy* overlaps a number of disciplines, including American and Asian American studies, Asian diasporic studies, literary and cultural studies, and the burgeoning field of food studies. More importantly, however, the book fulfills the critical task of amalgamating these areas and putting them in conversation with one another. Written in an engaging and fluid style, it promises to appeal a wide audience of readers who seriously enjoys eating—and reading and thinking about—food.

Asian American Parenting and Parent-Adolescent Relationships - Stephen T. Russell 2010-06-25

The relationships between children and their parents are the building blocks for family relationships throughout life. The nature of the parent-child relationship begins with parenting—the practices and strategies that parents engage in as they raise their children. Parenting during childhood sets the stage for parent-adolescent relationships. These relationships make a critical difference during the teenage years: we know that when parent-adolescent relationships are healthy and strong, adolescents are more likely to have high aspirations and achievement, and to make healthier choices when it comes to risk-taking. Most of the research in this field has been based in the United States and has been conducted through studies of European American families. Yet a growing body of research suggests important ethnic differences in styles of parenting and the qualities characterizing the parent-adolescent relationship. In this area of research, most existing studies have examined ethnic and cultural group differences using widely accepted measures and concepts of parenting. Comparative studies assume that dimensions of parenting such as parental warmth or control have the same meaning across cultures; however, given that conceptualizations of adolescent-parent relationships have been developed and tested on samples comprised largely of European Americans, we cannot rule out the possibility that the way we understand parenting has been shaped by the predominantly Western- and U. S. -focused research in this field.

Filipino American Psychology - Kevin L. Nadal, Ph.D. 2010-07-15

Filipino Americans are projected to become the largest Asian American population by 2010. As the second largest immigrant group in the country, there are approximately 3 million documented and undocumented Filipino Americans in the US. Filipino Americans are unique in many ways. They are descendants of the Philippines, a country that was colonized by Spain for over three centuries and by the US for almost 50 years. They are the only ethnic group that has been categorized as Asian American, Pacific Islander, Hispanic, and even as their own separate ethnicity. Because of diverse phenotypes, they are often perceived as being Asian, Latino, multiracial, and others. And contrary to the Model Minority Myth, Filipino Americans have experienced several health, psychological, and educational disparities, including lower college graduation rates and higher levels of cardiovascular disease, diabetes, obesity, teen pregnancy, HIV/AIDS, substance abuse, depression, and suicide. Despite these disparaging statistics, Filipino Americans have made significant contributions to the US, ever since their first arrivals in October 1587- from their involvement in the United Farmworkers Movement to their roles in hip-hop culture and their presence in medicine, education, and the arts. However, Filipino Americans have also been referred to as the "Forgotten Asian Americans" because of their invisibility in mainstream media, academia, and politics. *Filipino American Psychology: A Collection of Personal Narratives* offers an intimate look at the lives of Filipino Americans through stories involving ethnic identity, colonial mentality, cultural conflicts, and experiences with gender, sexual orientation, and multiraciality. Writers courageously address how they cope with mental health issues- including depression, anxiety, post-

traumatic stress, and suicide. Theories and concepts from the book's predecessor, *Filipino American Psychology: A Handbook of Theory, Research, and Clinical Practice* can be applied through the voices of a diverse collection of Filipino Americans.

My Dream - Rosario Wilson 2011-04

Born two months premature in Sual, Pangasinan, Rosario Wilson became the latest addition to a superstitious family. Smaller and more sickly than others her age, Rosario bravely embarked on a challenging life journey that would one day cause her to realize that no matter what the income or social background, every human being has the ability to dream. In her compelling memoir, Rosario reveals how she learned to have faith in herself in order to achieve her dreams. Rosario begins with her childhood in the Philippines, providing a captivating glimpse into what life was like for a young girl whose mother worked several jobs in order to make ends meet. From working in rice fields to serving as a live-in maid, her mother's example soon taught Rosario how to survive even when life seemed unfair. As Rosario details her journey into young adulthood and how she grew to love a man who had much to learn, she reveals how patience and wisdom eventually led her to attain the life she had always imagined for herself. This true story of one woman's journey through life shares an inspiring message that the size of a person never need limit the size of a dream.

Conversations with Filipino Writers - Roger J. Bresnahan 1990

Beginning Tagalog - Jean Donald Bowen 1969

Beginning Tagalog - J. Donald Bowen 2023-11-03

A comprehensive, one-year introductory textbook for Tagalog, the language spoken in the Philippines. Beginning Tagalog has been designed to meet the specific needs of adult native speakers of English who wish to learn spoken Tagalog, though students with other language backgrounds may be able to follow the course with profit. With fairly intensive class scheduling, and assuming laboratory assignments and home study, the text can be covered in one academic year. The text is designed to accomplish two aims. The first is to impart oral control of Tagalog and, by means of an acquaintance with the major patterns of the language, to provide the means for additional independent study that will lead to a full mastery of the structures and a vocabulary that is sufficiently broad to meet the needs of most students. The second aim is to provide accurate, up-to-date information about the patterns of Filipino culture that will enable a student to understand the social customs, standards, values, and aspirations of the Filipino people, in order to prepare him for sympathetic, enlightened, and useful participation in the context of Filipino society. . . . The text consists of 25 units and appendices. In the first half of the text, the student plays the part of hearer and speaker, with only incidental reading of oral dialogs and drills. From Unit XIII on there is a reading section designated for each unit, correlated with the primarily spoken materials, but designed to promote facility in the orthography and distinctive patterns of the written language. . . The basic format is as follows: A. Basic Dialog B. Cultural and Structural Notes C. Pronunciation Exercises (to Unit XIII) D. Drills and Grammar E. Cumulative Drills F. Visual-Cue Drills G. Comprehension-Response Drills H. Readings (from Unit XIII)"

Intermediate Tagalog - Joi Barrios 2015-04-14

At last, a way to improve your Tagalog! Written by Joi Barrios as the continuation of her best-selling Tagalog for Beginners book, Intermediate Tagalog is the first intermediate-level book designed specifically for people who already speak or understand some basic Tagalog and now wish to achieve greater fluency in speaking, reading and writing standard Filipino--the national language of the Philippines. The carefully-constructed lessons in this book point out common grammatical errors that English speakers make when speaking Tagalog, and present "real-life" conversations demonstrating how the language is spoken in Manila today. Extensive cultural notes are provided, along with exercises and activities that introduce the use of the Tagalog language in a wide range of everyday situations. The 20 lessons give you all the basic skills needed to speak Tagalog fluently: paglalarawan (the ability to describe people, places and feelings); pagsasalaysay (the ability to tell a story--whether a news story, a folktale, or an anecdote); paglalahad (how to explain something--for example, a custom or tradition, or how to cook a dish); and pangangatuwiran (reasoning and abstract thinking). Each lesson is carefully structured in six key parts: A "real-life" dialogue providing valuable conversational skills. A vocabulary list to expand your familiarity with common, everyday Tagalog words and expressions. A grammar review section (for example, on the correct uses of affixes in various

sentence constructions). Insightful cultural notes presenting aspects of the Philippines that may seem "odd" to outsiders, to explain how Filipino culture shapes the way people speak. A reading passage from a story or newspaper article, with comprehension questions. A writing exercise designed to teach a specific writing skill. Using Intermediate Tagalog, you'll be able to talk about yourself, your family and your daily experiences using grammatically correct sentences and a native-speaker level vocabulary.

Tagalog Texts with Grammatical Analysis - Leonard Bloomfield 2022-09-04

DigiCat Publishing presents to you this special edition of "Tagalog Texts with Grammatical Analysis" by Leonard Bloomfield. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

Filipino English and Taglish - Roger M. Thompson 2003-01-01

English competes with Tagalog and Taglish, a mixture of English and Tagalog, for the affections of Filipinos. To understand the competing ideologies that underlie this switching between languages, this book looks at the language situation from multiple perspectives. Part A reviews the social and political forces that have propelled English through its life cycle in the Philippines from the 1898 arrival of Admiral Dewey to the 1998 election of Joseph Estrada. Part B looks at the social support for English in Metro Manila and the provinces with a focus on English teachers and their personal and public use of English. Part C examines the language of television sport broadcasts, commercials, interviews, sitcoms, and movies, and the language of newspapers from various linguistic, sociolinguistic, and sociocultural perspectives. The results put into perspective the short-lived language revolution that took place at the turn of the twenty-first century.

Signorina - English/Tagalog Enhanced Edition - Alfonso Borello Vocabulary Builder: English/Tagalog -Signorina - Enhanced Edition. Who can benefit from this program? You are English-speaking, you're not fluent or simply just starting out and you wish to understand Tagalog. You speak Tagalog, you do not speak English but you want to increase your English vocabulary. The story is in English, and level One of this edition includes more than 300 Tagalog words. What's new and effective with this program? The story is dramatic enough to increase retention. The 300 words are included right before the English equivalent and they are typed in uppercase; there's no need to hover on the word, so that you can grasp the meaning right away within the context, naturally. SYNOPSIS: Her aka is Signorina. She's a kidnapper, she's ruthless, she has no identity, and she's terribly good at writing code. Her plan is smart and undetectable. Just follow her on Twitter and you will disappear within seventy-two hours. The only caveat is that the code needs to be embedded to be effective. She finds the man who can help her, but when the whole thing starts to smell bad, she has to go back to the drawing board and confront the same man who is now unwilling to be part of the imbroglia.

Basic Tagalog for Foreigners and Non-Tagalogs - Paraluman S. Aspillera 2014-07-01

"Basic Tagalog takes a friendly and innovative approach, emphasizing the structure of the Tagalog language rather than just vocabulary. This user-friendly beginner Tagalog book teaches more than 2,000 Tagalog words and expressions with over 500 being added for this new edition. These are spread throughout 44 lessons, the Appendices and the exercises as well as in the Tagalog-English and English-Tagalog vocabulary lists at the back of the book. The added Tagalog vocabulary is meant to keep learners abreast of changes that have occurred in the language since the first edition of Basic Tagalog which was published. This edition has retained all the grammar lessons and the tried-and-tested teaching methodology developed by the author, Paraluman S. Aspillera, for the original version. Her method has proven to be extremely effective for tens of thousands of foreigners and non-Tagalogs who have used this book to learn Tagalog, including many who have successfully learned to speak Tagalog, read Tagalog and write Tagalog through self-study on their own without a teacher. Downloadable audio has also been added to facilitate the correct pronunciation of Tagalog words and phrases. A succinct introduction to the language and a description of the character of Filipinos will hopefully provide learners with a better understanding of the language they are learning. The lessons in Basic Tagalog are intended for a three-month period of intensive study followed by another three months of applied oral

communication. In six months (or about 250 hours), it is expected that an average learner should be able to speak, write and understand simple, everyday, conversational Tagalog as spoken by most Filipinos. Highlights of this book include: Over 2,000 Tagalog words and expressions. 44 lessons organized by organized for efficient language absorption. Extensive exercises and activities to reinforce the lessons. Vocabulary lists serve as comprehensive English-Tagalog and Tagalog-English dictionaries. Completely updated and expanded with new materials.

Includes downloadable audio. Using Basic Tagalog to study the Tagalog language will further encourage both non-Tagalogs and non-Filipinos to speak Tagalog better. Only then will they appreciate the individuality of the language that reflects the resilience and flexibility of Filipinos all around the world. In the end, such learning will improve daily interactions and communications between non-Filipinos and Filipinos-- whether in business, education, tourism, social or civic endeavors."
