Fierce Marriage Ryan Frederick 2018-04-17 Ryan and Selena Frederick were newlyweds when they landed in Switzerland to pursue Selena's dream of training horses. Soon it became clear he needed major surgery that could either save his life--or result in his death on the operating table. The young couple prepared for the worst. When Ryan survived, they both realized that they still had a future together. But the near loss changed the way they saw all that would lie ahead. They would live and love fiercely, fighting for each other and for a Christ-centered marriage, every step of the way. Fierce Marriage is their story, but more than that, it is a call for married couples to put God first in their relationship, to measure everything they do and say to each other

against what Christ did for them, and to see marriage not just as a relationship they should try to keep healthy but also as one worth fighting for in every situation. With the gospel as their foundation, Ryan and Selena offer hope and practical help for common struggles in marriage, including communication problems, sexual frustration, financial stress, family tension, screen-time disconnection, and unrealistic expectations.

To Love, Honor, and Vacuum Sheila Wray Gregoire 2014 "Sheila speaks to both the heart and habits of the woman who is wife and mother. The lessons in this book are biblical, doable, and affordable!"--Margaret B. Buchanan From advertisements to mommy blogs to Pinterest, scenes of domestic bliss abound, painting a picture of perfection and expectation nearly impossible to live up to. Why can't you work a full-time job, stylishly clothe yourself and your children, plan a party for twelve with handmade decorations, keep your house sparkling clean without chemicals, and bake a gourmet meal in the same day? Everyone else is doing it! For many women, housework has become more than chores that need to be done; it is a symbol of identity. Sheila Wray Gregoire wants to stop that thinking in its tracks and help women back to a life of balance--for their sakes and for their families. She encourages women to shift their focus from housekeeping to relationships and shows them how to foster responsibility and respect in all family members. The second edition retains the helpful, concrete advice on everyday situations such as strategies for tackling chores and budgets and tips on effective communication, while incorporating the wisdom Sheila has gained through her interaction with thousands of readers of her blog and through her speaking ministry over the past ten years. Through the principles in *To Love, Honor, and Vacuum*, Gregoire promises readers they can grow and thrive in the midst of their hectic lives--even if their circumstances stay the same.

You Are a Genius Wife Nabanita Banerjee 2016-09-27 You Are a Genius Wife is a book of ten beautiful poems written with the purpose of appreciating your wife for who she is and what she contributes to the family. The saying, "happy wife, happy life" might be an old saying, but it still remains a true statement. The relation of a husband to his wife is of love, care, affection, and appreciation, thereby transforming a house into a happy and lovely home. Appreciation boosts love and romance between a husband and his wife and also strengthens the bond between them. Appreciation goes in conjunction with admiration, esteem and honour. All of these attitudes describe how you probably felt about your wife when you first met her, before she became your wife. With time, she might be feeling that she is often taken for granted. The person, who felt lucky and happy to have you as her husband when you thanked and appreciated her for any little thing, still needs and will always need your words of appreciation. A famous quote goes like, happier is the man who finds a good friend, and much happier is the one who finds it in his wife. The bond which binds both together is eternal. To ensure that this bond stays strong and your love stays evergreen, keeping each other surprised with small gestures of gratitude is the best way. As a husband, when you praise your wife, it will uplift her morale, which will further her levels of effort and affection for you and the ones around her. Appreciation will bring both of you closer, and you will understand each other better. When you complement your wife for who she is, her nature, her eternal beauty and her contributions, you contribute a lot to your relationship. The book You Are a Genius Wife is enriched with affectionate words that are set to make your wife see herself as the most beautiful woman in the world. She will feel the love and romance within. The lines are well endowed to cause a smile on her face and always make her feel she is wanted in your heart. The author believes that less is more and, hence, wrote this book in the form of poems. It is easier to read and remember the lines and then read again and again. You can give this book as a token of appreciation to your wife. Reading one poem from the book every day will make her feel good, as she will feel your love and respect for her. The more your wife reads the positive words, the more she will feel the vibe and energy flowing through her. She will start appreciating herself and be proud of her good deeds, thereby feeling happier each and every day.

Raising a Lovely and Successful Marriage okonkwo uzoma 2021-11-05 Today many marriages are going through hurts,sadness,distrust,hate and bitterness.Some marriages even go through divorce many of the reasons this book talks include the following (1) Inability to see yourselves as equals:In phil2:8 and Ehp5:23 the bible spoke against pride and superiority in marriages.Superiority destroys marriages,when a person sees himself as more superior than his spouse,he will hardly listen to his spouse to know if his wife is emotionally strong enough to do what he says and because of that he will always hurt his wife whenever he makes decisions,this can create misunderstanding and quarrel between him and his wife. For example a man can tell his wife to start a car business and when he does that might not even try to know if his wife is comfortable and happy with the decision,so when this happens the wife can gradually begin to go through a moment of unhappiness and sadness because deep inside of her she does

not like the decision of starting a car business. She might force herself to be happy but she knows that she is hurt, sad and troubled from the inside of her. So when this happens, it can destroy romance, sex, intimacy, trust and comfort in the marriage. This is because when a woman is unhappy, sad and troubled she can never be sexually aroused to serve her husband's needs, when a man keeps making difficult decisions that can make his wife to be unhappy, sad and emotionally unstable, his wife will gradually stop sharing her plans and many of her life activities with him, so this can destroy trust and intimacy. When a man sees himself as being more superior than his wife, he will hardly see value in his wife. (2) Failure to recognize yourself as a servant: For example when a husband sees himself as a servant, he will focus on making his wife loved and happy first, and when he does that, his wife will become emotionally relieved from the hurts and depression that she might be going through from her place of work or from her family and when that happens she will want to give her husband her best by serving his needs because her husband has been a source of comfort, love and encouragement to her, but when a husband sees himself as a boss, he will always want his wife to serve him, whether she is going through depression, hurts or low self esteem from her family or her place of work. So when this happens, the husband might want to complain to his wife for not serving his needs like giving him full attention, love, comfort, sex and other things. So when he does that his wife can feel so unloved, annoyed and become pushed to violently speak to her husband due to the fact that the hurts and depression that she is going through is emotionally stronger than her and it is far beyond her ability to endure, so when she does that the husband can get angry and then feel like slapping her, this can cause quarrel. (3) bad communication: This is caused by poor level of emotional understanding and not knowing the right words to say to your spouse in different situations, which can make you to unconsciously hurt her by speaking the wrong words, especially at that moment when she needs love and comfort from you. For example when you accuse your wife of something wrong when she is sharing her painful past with you, which is wrong because you will hurt her more. What she needs at that moment is love and comfort. Telling your wife words in form of an advice that are stronger than her emotional strength, and because of that she can feel depressed and hurt. (4) lack of praise, compliment: The more you praise your spouse the more romantic and lovely your marriage will become. For example when a woman shares her plans and her daily activities with you, you should always correct her mistakes in a praiseful and encouraging manner and not by criticizing and complaining, so that she will feel great and she will want to always share her life activities with you because you always praise her. There are so many other reasons in this book.

God's Endless Love for Making a Good Marriage Teeky Sewell 2016-05-07 This is a self-help and reference book with encouraging words to improve marriages and stop verbal and physical abuse. This book is intended to strengthen and build healthier, strong marriages and families with biblical instructions from God's word. "Excerpt" GOD CAUGHT ME FROM FALLING GOD WILL catch you from falling when your spouse doesn't know how to love you the right way. Everyone hurt at times, and get weak, but not for long. We have to pray that God will heal the heart of every woman in the world that may be crying and want to give up, but God is working it out for you. You will be able to smile again, so don't give up, even if you're down just because it looks dark. God will bring the light in the dark place; don't give up; God got your back. God will wipe all your tears away and give you peace and joy that it may not look that way or feel that way when you're hurting, but you're never alone. God will give you the power to move on, so tell Jesus all about your troubles. Know that God is there. Tell God how much you love him and you need him. God will be there for you. REFERENCE Ephesians 6: 25 - 33 25. Husband, love your wife, even as Christ also loved the church, and gave himself for it. 26. That he might sanctify and cleanse it with the washing of water by the word. 27. That he might present it to himself a glorious church not having spots, or wrinkle or any such thing: but that it should be holy and without blemish. 28. So ought a man to love his wives as their own bodies, he that loves his wife love himself. 28. For no man ever yet hated his own flesh: but nourishing and cherisheth it, Even as the Lord the church. 30. For we are members of his body. Of his flesh and of his bones. 31. For this cause shall a man leave his father and mother, and shall be joined onto his wife, and they two shall be one flesh. 32. This is a great mystery; but I speak concerning Christ and the church. 33. Never the less let every one of you in particular so love his wife even as himself and the wife see that she reverences her husband.
