Through a Film Darkly - Joe C. De Graft 1970

Sebastian Mercier Janet Wilson is a young English woman living in a rapidly changing post-independence Ghana with Fenyinka, her Ghanaian husband. Like a duck to water, Janet is settling down nicely as an immigrant in this West African country until the day she crosses paths with John Owusu, a Ghanaian who has a few bones to pick with white people since an experience he had as a student in Britain. Through a Film Darkly asks if it is ever possible for an immigrant, white or black, not to be made to feel like an 'inside outsider' in a foreign land.

Mother Knows - Susan Burmeister-Brown 2004-04-20

Ann Beattie, Joyce Carol Oates, Richard Bausch, and twenty-one other celebrated American writers contribute to this moving anthology of fiction, compiled by the editors of the Glimmer Train literary quarterly. In the ten-plus years since Susan Burmeister-Brown and Linda B. Swanson-Davies founded Glimmer Train, they have introduced an astonishing array of talented and innovative authors to a growing readership hungry for inspiring fiction. The stunning stories in this anthology -- many of which have never appeared anywhere except in Glimmer Train Stories -- explore one of the most complex emotional and psychological ties of all: motherhood, and its many facets. The writers in Mother Knows include established authors as well as up-and-coming talents like Junot Díaz and award-winning writers like Robin Bradford, Nancy Reisman, Lee Martin, and Doug Crandell. Their stories demonstrate that motherhood is more than toilet training and tantrum control, as they portray the full, fierce, joyous, and frightening range of experience that marks this state of being. Mother Knows is a thoughtful and powerful exploration of the most mysterious bond in life.

[Christmas at Emelia's](#) - Lexi Buchanan 2020-12-14

This Christmas join the De La Fuentes and McKenzies in Blossom Creek as they celebrate the grand

opening of Emelia's Restaurant. Over twenty years after Levi De La Fuente's parents opened the first Emelia's, Levi and his cousin Ryan are getting ready to open a second location. Emma De La Fuente manages the first Emelia's in Essex, Vermont for her parents. She's in town to assist her brother and cousin in getting the new restaurant ready for its grand opening. However, she didn't plan on the strong attraction she feels toward the town Sheriff. The man with his sweet words and heated looks has managed to derail her plans on returning home. While his sister is distracted, Levi finds himself in need of rescuing from a rather embarrassing situation. Luckily for him, Vivien Taylor, owner of Temptations, Blossom Creek's handmade chocolate store, appears just at the right time. If only he didn't crave the sweet woman, then maybe, this situation wouldn't be so awkward. Blossom Creek just might be warm enough to melt the snow this holiday season.

Love, You - Nsi Amah 2021-04-28

Love, You is written by Nsi. This is Nsi's first book. Nsi never thought she would write a poetry book as her first book until now. This book is about self-love; as she was learning to love herself over the years. She takes you on a journey of self-love in three stages of her life; her childhood, her heartbreak, and her budding single life after her long relationship of 4 years. Growing up, she loved the idea of love. She always wanted loved letters sent to her from her lover but never got them. She put it upon herself to write her own love letters to herself in those stages in her life that she wished she had and shares them with you. She hopes these love letters and love notes touch you far more than she can touch you. The book is here to comfort you and encourage young women to love themselves before any man. She encourages you to take your time and read her words of love day by day.

[Vanishing Acts](#) - Jodi Picoult 2005-03-15

The #1 New York Times bestselling author of modern classics such as My Sister's Keeper and Small Great Things weaves a "richly textured and engaging" (The Boston Globe) tale that explores what happens when a young woman's past—a past she didn't even know she had—catches up to her just in time to threaten her future. How do you recover the past when it was never yours to lose? Delia Hopkins has led a charmed life. Raised in rural New Hampshire by her beloved father, she now has a young daughter, a handsome fiancé, and her own search-and-rescue bloodhound, which she uses to find missing persons. But as Delia plans her wedding, she is plagued by flashbacks of a life she can't recall...until a policeman knocks on her door, revealing a secret about herself that irrevocably changes her life. With Vanishing Acts, Jodi Picoult explores how life might not always turn out the way we imagined; how the people we love and trust can suddenly change before our very eyes; how vanished memories can evolve into threat. Featuring characters that "resonate with authenticity" (People), Vanishing Acts masterfully explores a serious topic with understanding, insight, and compassion.
