Best Foot Forward Michele Sudler 2011-09-16 For the last three years, recluse Takira Perkins hasn't seen anything but the walls of her house. Now she is ready to step back into the real world. With the help of family, she's been slowly but surely making her move. When she meets Jaimer Perkins, her brother's frat brother and the man who will be renting their semi- attached home, her motivation is doubled. Jaimer is sure he can be everything that Takira needs, but he has secrets that would damage any chances of a relationship between them. In an effort to help Takira overcome an illness that he is sure he has caused, Jaimer comes back into her life for a second time in hopes of mending her spirit, heart, and soul. But will the love they form be strong enough to forgive a past betrayal?

Women, Television and Everyday Life in Korea Youna Kim 2012-07-26 Fusing audience research and ethnography, the book presents a compelling account of women's changing lives and identities in relation to the impact of the most popular media culture in everyday life: television. Within the historically-specific social conditions of Korean modernity, Youna Kim analyzes how Korean women of varying age and class group cope with the new environment of changing economical structure and social relations. The book argues that television is an important resource for women, stimulating them to research their own lives and identities. Youna Kim reveals Korean women as creative, energetic and critical audiences in their responses to evolving modernity and the impact of the West. Based on original empirical research, the book explores the hopes, aspirations, frustrations and dilemmas of Korean women as they try to cope with life beyond traditional grounds. Going beyond the traditional Anglo-American view of media and culture, this text will appeal to students and scholars of both Korean area studies and media and communications studies.

Grown Woman Talk Sharon Malone, M.D. 2024-04-09 A practical guide to aging and health for women who have felt ignored or marginalized by the medical profession, from a leading Ob/Gyn and expert on menopausal and post-reproductive health The medical system today is increasingly complicated and impersonal, and unfortunately, it is not going to be less so in the future. The rules of engagement have changed in medicine, but no one has bothered to inform patients. Much is written about Black women and women of color, be it our increased cancer risk, our alarming obesity statistics, or our disproportionate risk of cardiovascular diseases, but very little is written for us, and a diagnosis from Dr. Internet doesn't cut it. Talk about being sick? Dr. Sharon Malone is sick of that. Grown Woman Talk is for all women who have often not been seen or heard. For more than three decades as a practicing Ob/Gyn in the nation's capital and now as chief medical officer of Alloy Women's Health, Dr. Malone has served women across the city all the way to the upper echelons of power. In this book, she gives us the nudge we all need to become effective and efficient advocates in getting the care we deserve. Part medical memoir of the Malone family experience tracing from the Jim Crow South to the highest corridors of power in Washington, part relatable clinical scenarios of women from all walks of life and experiences, and part practical medical and logistical advice, this book is a reliable and easy-to-understand resource. In addition to information on ailments like fibroids, cancer, heart disease, and perimenopause, it also helps us navigate the medical establishment of today with advice on how to choose a doctor, why our family's health history matters, and how to decide among treatments. Combining emerging practices with the latest research the book addresses many women's greatest gap, the one between what they believe and what is actually true. With a combination of medical expertise, up-to-date science, and lived experience, Grown Woman Talk addresses the most common conditions women over forty deal with. And it helps women, especially Black women, identify the power they have and how to use it to chart a path to improve their health outcomes and thrive.

FinTech Women Walk the Talk Nadia Edwards-Dashti 2022-01-07 The FinTech community is steeped in change and has the potential to pave the way for equal opportunities in the workplace, considering the positive actions that have taken place. There is so much more that can be done but what has been achieved so far needs to be replicated. This book showcases the successes in the industry alongside that which could act as a barrier or escalator. Being the first of its kind, FinTech Women Walk the Talk draws upon the author's podcasts that feature the insights of more than 150 FinTech experts; more than 100 of which are women. It is a call to action for diversity in the workplace, showcasing the successes and presenting how to overcome the challenges. By demystifying FinTech, and highlighting its potential to drive change, this book explores how to achieve gender parity in the workplace. The FinTech industry is used as a case study and hence of interest to practitioners in finance, technology, FinTech and beyond.

Women Stage Directors Speak Rebecca Daniels 2015-11-04 Though stage directing has traditionally been a male-dominated profession, the number of women directors in the United States has grown significantly in recent years. In this work, 35 contemporary women stage directors, with regional, national and international theater backgrounds, share their views on the creative process and the influences of gender on their artistic

decision making. How does it feel to be defined as a woman director rather than simply a director? Does gender affect their authority? These questions and many others are explored in this study.

Midlife Clarity Cynthia Black 2012-05-01 A woman's wisdom is one of the Earth's greatest natural resources. With a perspective that only a certain number of years on Earth can bring, the thirty-two women in Midlife Clarity show that midlife can be a release of our true self, a chance to be free of others' expectations, and a time to inventory our blessings. With personal anecdotes, essays, short poetry, and plenty of humor, Midlife Clarity focuses on issues common to every woman. Whether the topic is men, self-discovery, death, or struggle, each woman finds those small moments of satisfaction and joy that, after all, are what life is all about. Their midlife musings are at once basic and sublime, obvious and profound, individual and global. They inspire us to welcome change in our own lives with the same humor, grit, and strength.

Mean Girls Grown Up Cheryl Dellasega 2007-10-05 Almost every woman has experienced bullying. Whether her role was that of victim, aggressor, or bystander, the pain of relational aggression (female bullying) lasts long after the incident has passed. In Mean Girls Grown Up, Cheryl Dellasega explores why women are often their own worst enemies, offering practical advice for a variety of situations. Drawing upon extensive research and interviews, she shares real-life stories from women as well as the knowledge of experts who have helped women overcome the negative effects of aggression. Readers will hear how adult women can be just as vicious as their younger counterparts, learn strategies for dealing with adult bullies, how to avoid being involved in relational aggression, and more. Dellasega outlines how women can change their behavior successfully by shifting away from aggression and embracing a spirit of cooperation in interactions with others.

All-American Girl Frances B. Cogan 2010-08-01 Our image of nineteenth-century American women is generally divided into two broad classifications: victims and revolutionaries. This divide has served the purposes of modern feminists well, allowing them to claim feminism as the only viable role model for women of the nineteenth century. In All-American Girl, however, Frances B. Cogan identifies amid these extremes a third ideal of femininity: the "Real Woman." Cogan's Real Woman exists in advice books and manuals, as well as in magazine short stories whose characters did not dedicate their lives to passivity or demand the vote. Appearing in the popular reading of middle-class America from 1842 to 1880, these women embodied qualities that neither the "True Women"—conventional ladies of leisure—nor the early feminists fully advocated, such as intelligence, physical fitness, self sufficiency, economic self-reliance, judicious marriage, and a balance between self and family. Cogan's All-American Girl reveals a system of feminine values that demanded women be neither idle nor militant.

Flirting After Fifty Barbara Bellman; Susan Goldstein 2008-10-07 Why do some women always have a man in their lives, and others never do? We owe a debt of gratitude to those women who are successful in dating, in flirting, in meeting great guys. They have shown us the way. The older we get, the more set we are that things should be done a certain way. We like things the way we like things safe, expected, comfortable. So what happens when we need to shake up the status quo and grow? Meeting new people gets harder as we age. But it doesn't have to be a barrier to happiness. We just have to navigate around the obstacles to find our way. Flirting is an opening, a signal, an overture. It says, "I'm interested in you." It's not a commitment. It's not forever after. It's a peek and a wink. It's the opening credits and if you and he like what unfolds, you may stick around and watch the whole story. What happens next is up to you. Why not go for it? You've got nothing to lose but your heart!

Daring to Drive Manal Al-Sharif 2017-06-13 THE STORY OF THE WOMAN WHO INSPIRED CHANGE WITH HER CALL FOR GREATER FREEDOMS FOR WOMEN. ?THE GUARDIAN: 'MANAL AL-SHARIF BECAME A GLOBAL FIGUREHEAD OF A CAUSE THAT DREW THE ATTENTION OF GLOBAL LEADERS WHO URGED THE [SAUDI] KINGDOM TO OVERTURN THE BAN' ON WOMEN DRIVING. 'Future generations will marvel at Manal al-Sharif. Her gripping account of homegrown courage will speak to the fighter in all of us. Books like this one can change the world' Deborah Feldman, New York Times bestselling author of Unorthodox 'Manal al-Sharif is following in a long tradition of women activists around the world who have put themselves on the line to expose and challenge discriminatory laws and policies' Malcolm Smart, Amnesty International News Manal al-Sharif was born in Mecca the year fundamentalism took hold in Saudi Arabia. As a young girl she would burn her brother's boy band CDs in the oven because music was haram: forbidden by Islamic law. By her twenties she was a computer security engineer. But as she became older, the unequal way in which women are treated became too much to bear: she was branded a slut for talking to male colleagues at work; her school-age brother had to chaperone her on business trips and, while she kept a car in her garage, she was forbidden from driving down Saudi streets. Her personal rebellion began the day she got behind the wheel of a car: an act that ultimately led to her arrest and imprisonment. Manal's Women2Drive campaign inspired other women to take action. Manal has been lauded by the Oslo Freedom Forum, described by Time Magazine as one of the most 100 most influential people in the world, and she was awarded the Václav Havel Prize for Creative Dissent. Daring to Drive is an account of Manal al-Sharif's fight for equality in an unequal society. A visceral coming-of-age tale, it is also a celebration of resilience, the power of education and the strength of female solidarity in the face of hardship.

RIMROCK TRAIL (Western Classics Series) J. Allan Dunn 2017-04-11 This carefully crafted ebook: "RIMROCK TRAIL (Western Classics Series)" is formatted for your eReader with a functional and detailed table of contents. Excerpt: "The three partners, saddle-chums for years, ever seeking mutual employ, known through Texas and Arizona as the "Three Musketeers of the Range," sat on the porch of the ranch-house, discussing business and lighter matters. One year before they had pooled their savings and Sandy Bourke, youngest of the three and the most aggressive, coolest and swiftest of action, had gloriously bucked the faro tiger and won enough to buy the Three Star Ranch and certain rights of free range." J. Allan Dunn (1872-1941) was one of the high-producing writers of the American pulp fiction. He first made a name for himself in pulp magazine Adventure. He was a specialist in South Sea stories, and pirate tales. His main genres were adventure and western, but he also wrote a number of detective stories.

Girl Talk Lucienne Pickering 1992-01-01 Sex education is not simply a matter of a lesson in human biology. Now more than ever before young people need correct information on their own sexual development balanced with respect for their dignity and integrity and that of those around them.....First published in 1981 as Girls Talk, this book has been a steady bestseller ever since. This thoroughly revised and updated edition now covers important contemporary issues such as child sex abuse, AIDS, and anorexia.....Lucienne Pickering writes from her experience as youth counsellor and mother of five grown-up children. Set within an easily-read and realistic story of a young girl growing up, the facts of life are simply presented in the context of the reader's growing understanding and respect for herself and others.....Girl Talk is written for girls aged 9-14, though parents may feel that their children are ready for it at an earlier age. It is intended not only as a personal guide for the pre-adolescent but also as a means of communication and open discussion between parent and child.

Gents, Let's Talk about Feminist Kevin McBride 2020-07-13 The time has finally arrived for our country to have open and forthcoming discussions about a great many social issues requiring reform. With the current climate focused on eliminating old stereotypes and restrictions, it is equally important to address ALL systemic issues facing our great society. What that means, in terms of my story, is reverse gender racism. History is littered with examples of man against female bias, but what about the other way around? My book, Gents, Let's Talk About Feminist is an in-depth examination of the quiet bias afflicting our world. Who better to write about this topic than a man who has lived through it for most of his life? This is no way an intended exposition to ignore the female plight in history. It is quite the opposite. My book is a cry for help. A way to let others who are suffering to know they are not alone. That their struggle is just as real and equally important to others. Every way you look at it, gender racism is wrong and needs to be eliminated if we are to truly move ahead as equals. Paramount to this topic is understanding. Too many men are confused by women, or worse afraid of them. Men don't understand who she is anymore. Is the woman they are talking to a lady? Lesbian? Feminist? Or is she a part of the Me-Too movement. The lack of straightforwardness can leave a man in doubt, wondering if he is being set up for a fall or walking into a trap. Instead of a natural conversation matters become awkward, forcing the man to worry over every word he speaks. Gents, Let's Talk About Feminist also examines the female dominated justice system and its effect on innocent men. This is not to suggest all men are innocent, nor are they all victims, but it does have merit in critical assumptions that no one should get a free pass to treat another poorly based on their sex. This book is relevant to every man suffering from gender racism and should be a topic of immediate discussion as we advance as both a society and as individuals. Gents, Let's Talk About Feminist is a 55,631-word non-fiction book. It will appeal to readers who have suffered various forms of gender racism, from spouse abuse to being turned down for a job because of their sex. My book is not derogatory toward women or their historic plight. It is an exposition against those who have taken things too far and have grown to become the very thing they are opposed to.

The Grown Woman's Guide to Online Dating Margot Starbuck 2020-08-11 Does the thought of joining a dating site invoke feelings of fear and anxiety—or, worse, insecurity or unworthiness? If so, then The Grown

Woman's Guide to Online Dating is the book for you. Women and Economics - A Study of the Economic Relation Between Men and Women as a Factor in Social Evolution Charlotte Perkins Gilman 2015-04-01 This carefully crafted ebook: "Women and Economics - A Study of the Economic Relation Between Men and Women as a Factor in Social Evolution" is formatted for your eReader with a functional and detailed table of contents. Women and Economics - A Study of the Economic Relation Between Men and Women as a Factor in Social Evolution is a book written by Charlotte Perkins Gilman and published in 1898. It is considered by many to be her single greatest work, and as with much of Gilman's writing, the book touched a few dominant themes: the transformation of marriage, the family, and the home, with her central argument: "the economic independence and specialization of women as essential to the improvement of marriage, motherhood, domestic industry, and racial improvement." The 1890s were a period of intense political debate and economic challenges, with the Women's Movement seeking the vote and other reforms. Women were "entering the work force in swelling numbers, seeking new opportunities, and shaping new definitions of themselves." It was near the end of this tumultuous decade that Gilman's very popular book emerged. Charlotte Perkins Gilman (1860-1935) was a prominent American feminist, sociologist, novelist, writer of short stories, poetry, and nonfiction, and a lecturer for social reform. She was a utopian feminist during a time when her accomplishments were exceptional for women, and she served as a role model for future generations of feminists because of her unorthodox concepts and lifestyle. Her best remembered work today is her semi-autobiographical short story "The Yellow Wallpaper" which she wrote after a severe bout of postpartum psychosis.

[How to Get Girls Or How to Stop Being Dumb with Women](#) A. Mann 2008 Men and their egos often sabotage relationships. From boys to grown men, lessons get lost in an erroneous reality. Tim Kelleher believes that males have been conscripted into a thought system that began in ancient times and dictates their need to be in control. However, they must discover a new method to attract love in their lives. How to Get Girls offers men a guide to transcend what was to reach what can be. This journey will show men how to accept themselves with approval and love and, in turn, find someone who will be a true partner and friend for a lifetime. Kelleher provides several examples to help men have a better understanding of why they are the way they are and how they can modify their behavior. Using his own life experiences as an example, Kelleher gives hope to men who want to be the best they can be by releasing unnecessary baggage. Light the path toward a healthy relationship and find inner peace with this indispensable guide.

Holding On Jo Evans Lynn 2013-05 Set in rural South Carolina and urban North Carolina, in the novel *Holding On: A Parable of Faith and Strength*, we watch Sister Fullmore emerge through a very untypical childhood to become a very untypical woman. The book begins on her first day of school, where we see hints of the smart, sassy young woman she becomes. From a father who drinks his family into a life of poverty, to brothers who leave her to fend for herself, Sister's expectations for the male population are pretty low. Somehow, it seems the men in her life live "down" to those expectations. Her Grandma Hester tells her, "Pick your man, don't let a man pick you. That way you know what you're getting." Her mother's advises, "Don't fall in love with a man just because of his looks unless he has enough money to buy you a house." In all her sixteen years of living, Sister hasn't met one man who tempted her to forget that advice. Then she meets a fine piece of chocolate manhood named Joe Ervin Evans... A liquor house wasn't a place where a man figured on meeting the woman of his dreams, and finding a wife was the last thing on Joe's mind that night. Until he meets Sister, his smile has never failed to make a woman's heart melt. Undaunted by her seeming lack of interest in him, he sets out to convince this pretty little woman that she is going to be his.

The Heathen Woman's Friend 1886

[Sista Talk](#) Rochelle Brock 2005 *Sista Talk: The Personal and the Pedagogical* is an inquiry into the questions of how Black women define their existence in a society which devalues, dehumanizes, and silences their beliefs. Placing herself inside of the research, Rochelle Brock invites the reader on a journey of self-exploration, as she and seven of her Black female students investigate their collective journey toward self-awareness in the attempt to liberate their minds and souls from ideological domination. Throughout, *Sista Talk* attempts to understand the ways in which this self-exploration informs her pedagogy. Combining Black feminist and Afrocentric Theory with critical pedagogy, this book frames the parameters for an Afrowomanist pedagogy of wholeness for teaching Black students.

[Lucky Southern Women](#) Susannah Eanes 2016-01-18 The rural landscape entwines around the lives and loves of two strong, complex yet troubled women, in beautiful contrast to the beliefs they absorbed as children. Only in moving beyond the past can they forge a way ahead not only for themselves, but for their loved ones. In so doing, each finds something vital that will give them the power and resilience they need to meet the greatest challenge of all. Religious belief and personal history wars with sanity and wisdom in this first novel of love, freedom, and the strength of friendship. Susannah Eanes explores the deep mysticism of family history, deception, and forgiveness in the tale of two women who are forced to confront the legacy of their youth, set in the deep south of the last decades of the twentieth century, and written in the unique language and viewpoints of the characters themselves.
