**The G.F. List** - Sharyn Atkinson 2013-07-23

Sharyn Atkinson doesn't claim to have all the answers, but after twelve years of being single in Melbourne, she does have some hilarious—and cringe-worthy—stories to tell. In this light-hearted, playful, and honest account of her romantic experiences, you'll find stories of hope, loss, deception, discovery, sex, and love in all its many forms. Read it cover to cover, or pick a chapter that calls out to you—"Mr. Loaded," "Mr. International Jet Setter," or perhaps the intriguing "Mr. Stripper Electrician." Though she would love to get married and start a family, Sharyn doesn't plan to settle for anyone—even if that means navigating the murky waters of dating in your thirties. As she explains, "I don't want to be someone's handbag, mother, housemaid, bimbo, friend with benefits, notch on the belt, therapist, 'bit on the side', rebound, second wife, 'cougar', party girl, provider, or door mat. Call me crazy, but none of that really appeals to me." Whether you're single, happily married, or somewhere in between in the dating game, Sharyn's honest, relatable, and disarming accounts of trying to find "the one" in a vast sea of "not quite" will have you nodding in understanding and considering the various people you've decided to make time for—or catch and release.

**The Guyde** - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements

integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

**Glimpsed** - G.F. Miller 2022-01-04

"Filled with tongue-in-cheek humor...a gently fantastical world brimming with teen shenanigans." —Publishers Weekly Perfect for fans of *Geekerella* and *Jenn Bennett*, this charming, sparkly rom-com follows a wish-granting teen forced to question if she's really doing good—and if she has the power to make her own dreams come true. Charity is a fairy godmother. She doesn't wear a poofy dress or go around waving a wand, but she does make sure the deepest desires of the student population at Jack London High School come true. And she knows what they want even better than they do because she can glimpse their perfect futures. But when Charity fulfills a glimpse that gets Vindhya crowned homecoming queen, it ends in disaster. Suddenly, every wish Charity has ever granted is called into question. Has she really been helping people? Where do these glimpses come from, anyway? What if she's not getting the whole picture? Making this existential crisis way worse is Noah—the adorkable and (in Charity's opinion) diabolical ex of one of her past clients—who blames her for sabotaging his prom plans and claims her interventions are doing more harm than good. He demands that she stop granting wishes and help him get his girl back. At first, Charity has no choice but to play along. But soon, Noah becomes an unexpected ally in getting to the bottom of the glimpses. Before long, Charity dares to call him her friend...and even starts to wish he were something more. But can the fairy godmother ever get the happily ever after?
