Holding Her in Madness - Kimber S. Dawn 2014-04-03

F**k first love. F**k fate. And Fu**k you. I'm Leo and this is my side of the story. This is where I came from, where I've been, and where I'm at... this is the story of a man that loved A Woman Gone Mad. I'm not telling it because I'm searching for absolution, pity, or even understanding from you, I'm for damn sure not telling it because I give a f**k what you think about me. I'm telling it because it's MY story and if you don't like it... Suck it. If you're searching for a happily ever after, a prince with a glass slipper searching for the princess to sweep her off her feet... I'm sorry but this isn't that story. It's about pain. Obsession. Regret. And time lost. I fell in love with Lil back when we were way too young, I fell hard and I fell fast. When everything else around me was spinning in circles, she was the only sure thing that stood still. When you finally get your happily ever after it's supposed to be happy. But like I said this isn't that story... It's just me Holding Her in Madness, fighting against Lil's demons in the middle of f**king hell. ***Warning: This is not a shy and tender fairytale love story. It's a raw, tragic, and gritty story inspired by true events. This book is not for the faint of heart, it contains graphic language, sex, violence, and drug use. MATURE Audiences Only. Not intended for young adult readers.***

Leo Ascendant Secrets - Saket Shah 2020-01-05

There are times when people just can't identify with the attributes of their Sun or Moon sign. In fact, they may feel that they are an antithesis of their zodiac sign. You may also have observed it. Your Leo friend may not seek attention, may be because he or she has a Capricorn ascendant. Your Sagittarius friend is very possessive, may be because he or she has a Scorpio Ascendant. It is easy to understand why some people do not correspond to their Sun or Moon signs once you know about what is the rising sign or Ascendant in a horoscope. Ascendant is the degree of the zodiac sign that was highest on the Eastern horizon at the time and place of birth. When seen from Earth, the sky seems to move, so the entire zodiac can be observed in a span of 24 hours day which means the rising sign changes on the Eastern horizon every 2 hours because there are 12 zodiac signs. People tend to associate their physical, emotional and spiritual attributes more with rising sign at times.

Leo's Girl - Victor Pemberton 2012-05-24

For Peggy, the war opens more than one door... Victor Pemberton writes a compelling saga in Leo's Girl, a story of class divisions, romance and the Second World War. Perfect for fans of Dee Williams and Dilly Court. 'Lights down, tucked up snug you can almost hear air raid sirens as Pemberton spins another superb story of London folk during wartime' - Peterborough Evening Telegraph Twenty-six-year old Peggy Thornton is a middle-class girl living in the heart of working-class Islington. Although she loves her parents, Peggy has always felt her home life to be narrow and claustrophobic so, when women are urged to help on the home front after the outbreak of the Second World War, she starts training as a conductor on a London Transport bus. Her parents are both appalled; it's hardly a fitting position for the daughter of a local magistrate. It is not just Peggy's parents who make her life difficult. Many of the bus crew haven't adjusted to women from their own class working let alone the likes of Peggy. And her relationship with Leo, who is most definitely from the wrong part of town, serves to create further tensions. It is only when the real enemy strikes, and a bomb explodes in the path of a bus, that these petty differences are cast aside, but, for some, it's too late to say sorry. What readers are saying about Victor Pemberton: 'Always a good and enjoyable read' 'An excellent read, [Victor Pemberton's] stories are always very authentic' 'Five stars'

SignMates - Bernie Ashman 2012-07-08

Somehow, your relationship that started out so wonderfully is having problems. Or perhaps you'd like to anticipate what problems could occur in a potential relationship. More importantly, you need to know how to resolve the problems. Problems of interpersonal relationships are most often caused because everyone has conscious and unconscious needs and behaviors that can conflict with those of another. Recognizing and dealing with them can save relationships. You'll find out how to do this in Bernie Ashman's SignMates. Contrary to what some people think, your astrological sign doesn't "force" you to do anything. It is simply an indicator of what you are. By understanding how the signs relate, you can better understand relationships and how to overcome problems that may arise. In a nutshell, that is what this book will do for you. The book relates potential problems in a relationship between every sign of the zodiac. For example, if you are a Virgo and your partner is a Scorpio, you may play the "Sabotage Game," where you make it difficult for your partner to reach goals because of unresolved anger or jealousy. To deal with this you need to become aware of negative, unproductive comments and support your partner. Two other games and coping strategies are given. Or perhaps you are a Libra and your partner is an Aquarius. You may experience the "Lovers and Strangers Game" where your sense of closeness vacillates between extremes. This is a test to see if you can handle emotional heat. You have to be willing to simply and honestly discuss your feelings. Again, two more games and strategies for dealing with the conflicts that cause them are given. No matter what sign you and your partner are, this book will pinpoint the potential pitfalls and how to deal with them. Also included for each pairing is the good news, a "rainbow" at the end of the difficulties, which indicates how great such a relationship can be. Ideal for both non-astrologers and astrological pros, this book can help save your relationship.
