Rise Sister Rise - Rebecca Campbell 2016-10-04

Rise Sister Rise is a call to arms for our sacred feminine to rise up, tell the truth, and lead. From Rebecca Campbell, a writer, mystic, devotional creative, and visionary who supports hundreds of thousands of people to connect with their soul and weave the sacred back into their everyday life. It is for those who agreed at soul level to be here at this stage in history to lead this global shift that the mystics of all of the ages have predicted: the return of the mother and the rise of the feminine. Rebecca says: Rise for you, rise for me, when you rise first you rise for She. Many of us have spent much of our working lives "making it" in a man's world, leaning on patriarchal methods of survival in order to succeed, dulling down our intuition, and ignoring the fierce power of the feminine. We have ignored the cycles of the feminine in order to survive in a patriarchal linear system—but now the world has changed. Here Are Some of the Chapters in Rise, Sister Rise: Part I - Rebecca's Story · The Unbinding · The Wise Women · Work Baby · Shakti Rising · Returning to Avalon · Tools for Your Rising Part II - Birthing A New Age · We Were Made for These Times · Shakti Always Rises · The Holy Grail is Within You Part III - Remembering Our Cyclic Nature · You Are Spirit Earthed · You'll Find Your True Nature in Nature · When Whispers Turn into Shouts Part IV - Unbinding the Wise, Wild Woman · The Suppression of the Female Voice · The Mystic Always Rises · Finding Mary · The Return of the Magdalenes Part V - Redefining Sisterhood · The Reunion · The Ones Who Came Before Us · When Women Circle · Your Constellation of Sisters · Calling in Your Sisters Part VI - Doing the Work · What Is Rising in You? · Rising Feminine Archetypes · New World Rising Birthed by You · Let the Universe Use You · Be a Clear Channel · A Prayer for Times of Remembering · It's Not Your Job to Save the World · Keep on Rising "I'm a super-fan of Rebecca Campbell . . . Rebecca guides her reader to step into their authentic power so that they can live and lead at their highest potential." —Gabrielle Bernstein, New York Times bestselling author of Miracles Now Rise Sister Rise is a transmission that calls the innate divine feminine wisdom to rise. It is about healing the insecurities, the fears, and the inherited patterns that stop people from trusting the Shakti (power) and wisdom (intuition) that effortlessly flows through them. It's about recognizing all of the ways we have been keeping ourselves contained and restrained in effort to dim to fit into a certain archetype. It's about co-creating a whole new archetype—someone who does not keep themselves small in order to make others feel more comfortable. Full of activations, spiritual tools, calls to action, contemplative questions, rituals, and confrontational exercises, this inspirational book teaches that it is safe to let Shakti rise, safe to trust your intuition, and safe to take leaps of faith—because in healing ourselves we are healing the world. "You have an ancient wisdom within you that is waiting for you to remember, hear, and heed it. These Rise Sister Rise calls to action have been carefully designed to assist you in reclaiming your voice, unbinding your power, unlocking your wisdom, unleashing your true nature, and aligning yourselves with the sacred flow of all of Life." Rise Sister Rise. Love, Rebecca x

Now a major motion picture streaming on Netflix! Mile 81 meets "N." in this novella collaboration between Stephen King and Joe Hill. As USA TODAY said of Stephen King's Mile 81: "Park and scream. Could there be any better place to set a horror story than an abandoned rest stop?" In the Tall Grass begins with a sister and brother who pull off to the side of the road after hearing a young boy crying for help from beyond the tall grass. Within minutes they are disoriented, in deeper than seems possible, and they've lost one another. The boy's cries are more and more desperate. Sleeping Giants - Sylvain Neuvel 2016-04-21

A girl sneaks out just before dark to ride her new bike. Suddenly, the ground disappears beneath her. Waking up at the bottom of a deep pit, she sees an emergency rescue team above her. The people looking down see something far stranger... "We always look forward. We never look back." That girl grows up to be Dr. Rose Franklyn, a brilliant scientist and the leading world expert on what she discovered. An enormous, ornate hand made of an exceptionally rare metal, which predates all human civilisation on the continent. "But this thing ... it's different. It challenges us. It rewrites history." An object whose origins and purpose are perhaps the greatest mystery humanity

has ever faced. Solving the secret of where it came from - and how many more parts may be out there - could change life as we know it. "It dares us to question what we know about ourselves." But what if we were meant to find it? And what happens when this vast, global puzzle is complete...? "About everything." * * * 'Bursts at the seams with big ideas. A sheer blast from start to finish. I haven't had this much fun reading in ages' Blake Crouch, author of the Wayward Pines trilogy 'A stellar debut which masterfully blends sci-fi, political thriller and apocalyptic fiction. So much more than the sum of its parts - a page-turner of the highest order' Kirkus Reviews 'Reminiscent of The Martian and World War Z, this is a luminous conspiracy yarn that shoots for (and lands among) the stars' Pierce Brown, author of Red Rising

Look Who's Back - Timur Vermes 2014-03-27

THE SMASH-HIT HITLER SATIRE - MORE THAN 3 MILLION COPIES SOLD "A brilliant book" RUSSELL KANE "Brilliant and hilarious" KEN FOLLETT A box-office-hit film now available on NETFLIX A two-part BBC Radio 4 Dramatisation directed by and starring David Threlfall (Shameless) Berlin, Summer 2011. Adolf Hitler wakes up on a patch of open ground, alive and well. Things have changed - no Eva Braun, no Nazi party, no war. Hitler barely recognises his beloved Fatherland, filled with immigrants and run by a woman. People certainly recognise him, albeit as a flawless impersonator who refuses to break character. The unthinkable, the inevitable happens, and the ranting Hitler goes viral, becomes a YouTube star, gets his own T.V. show, and people begin to listen. But the Führer has another programme with even greater ambition - to set the country he finds a shambles back to rights. Look Who's Back stunned and then thrilled 1.5 million German readers with its fearless approach to the most taboo of subjects. Naive yet insightful, repellent yet strangely sympathetic, the revived Hitler unquestionably has a spring in his step. Translated from German by Jamie Bulloch

Riot Days - Maria Alyokhina 2017-09-14

From activist, Pussy Riot member and freedom fighter Maria Alyokhina, a raw, hallucinatory, passionate account of her arrest, trial and imprisonment in a penal colony in the Urals for standing up for what she believed in. 'One of the most brilliant and inspiring things I've read in years. Couldn't put it down. This book is freedom' Chris Kraus, author of I Love Dick 'Reading: RIOT DAYS, by PussyRiot member MariaAlyokhina. A women's prison memoir like no other! One tough cookie!'

@MargaretAtwood 'In oppressive political systems, some of the most effective weapons are sarcasm and dark humour. It is exactly these weapons that are employed by Masha Alyokhina in the brilliantly written Riot Days. Once you begin reading, you are completely disarmed, unable to put it down until the last page' Marina Abramovic People who believe in freedom and democracy think it will exist forever. That is a mistake. What happened in Russia - what happened to me - could happen anywhere. When I was jailed for political protest, I learned that prison doesn't just teach you to follow the rules. It teaches you to think that you can never break them. It's inevitable that the prison gates will open at some point. But this doesn't mean that you leave the 'prisoner' category and go straight into the category of 'the free'. Freedom does not exist unless you fight for it every day. This is the story about how I made a choice. We are all Pussy Riot. And actions break fear. 'To Back Down an Inch is to Give Up a Mile'.

The Book of Pook - Pook 2018-03-19

The complete collection of writings by the legend himself! A few years ago there was a man who posted on a PUA forum called So Suave and had his own blog called Pook's Mill. His basic message was that the PUA techniques were too simple, and focused on external manipulations, and focusing on others rather than focusing on yourself and your own masculinity. Sadly Pook disappeared from the scene, but his teachings live on in this ebook.

Jody Day would have liked to have had children, but it didn't work out that way. At the age of forty-four she realized that her quest to be a mother was at an end. She presumed that she was through the toughest part, but over the next couple of years she was hit by waves of grief, despair and isolation. Eventually she found her way and created the Gateway Women Network, helping many thousands of women worldwide. In *Living the Life Unexpected*, Jody Day addresses the taboo of childlessness and provides a powerful, practical 12-week guide to help women come to terms with their grief, and to move on to live creative, happy, meaningful, and fulfilling lives without children. Previously titled *Rocking the Life Unexpected*, this inspiring and practical guide to a life without children has been extensively revised and updated, and includes significant additional content including extracts from the stories of 24 women and 2 men from around the world.
