Get Over Yourself! - Patti Novak 2008-12-30

True love doesn't just happen, notes professional matchmaker Patti Novak. You have to work for it-and want it. Forget eight-minute speed dates or online dating sites with twenty-page questionnaires that promise a scientifically calculated perfect match. The fact that you both like golf, stamp collecting, and pizza with anchovies is great, but it won't mean a thing if you don't feel that zing. But before there can be sparks, there have to be dates. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a partner. She uses a three-part common-sense formula: • Getting Over What? Assess your dating weaknesses, recognize what's not working, and adjust your expectations. Delve into your personal history and past relationships, and pinpoint the issues that have been holding you back. • Almost Over It Fine-tune your attitude, your look, and your behavior to maximize your dating chances. Novak lays out strategies to help you deal with the brutal dating monsters you find along the way. • Over It Learn the do's and don'ts of the first date, the second date, and beyond. Remember, it's not a job interview or therapy session. Pretend you're meeting a new friend, not a prospective husband or wife. Finding your one and only isn't about having the right shoes or a flat stomach. It's about being true to yourself, being vulnerable, and being ready for love. Whether you're new to the dating scene, divorced and looking, or just trying to reach that second date, *Get Over Yourself!* will help you get the love you've always wanted and deserve.

How to create immense attraction through text without being awkward even if you've never texted a woman before! Do you find yourself constantly checking your phone to see if the girl has texted you back only to be disappointed? I remember the times where I would meet a girl that was perfect for me, we would talk for hours and have amazing face to face interactions only to have our connection destroyed by texting. If you have had a similar experience, I completely understand you. I've been there. You text a girl trying to build a conversation only to have her reply with boring one word answers. My mission is to share my knowledge with you and help you discover how to create attraction with women effortlessly. TextAppeal - for Girls! - Michael Masters 2012-02-10

The world is changing, but are you changing with it? Now that dating has gone digital, is it still the same? Clearly not, the digital world is flooded with entirely new problems which rend many new relationships apart. Texting is one of those key areas that is so little understood in digital dating. Textappeal, has all the answers, not only what to avoid, but how to actually use this new medium to your greatest advantage. Any woman

armed with this knowledge will certainly have a TON more SATISFYING dates, with a TON more men. Don't underestimate this, I did, and I had no idea what I was destroying and completely missing! Communication is KEY and Mike shares all the secrets. - Kim Hess "Divorce Guru" From The Author Wouldn't It Be Great To Know: * Why he isn't texting you back!? * Why your multiple texts are killing the attraction? * Why he is so sexual in his texts? And Wouldn't It Be Invaluable To Understand: * How to have him text you back right away? * How to have him ask you out with only a couple of texts? * How to safely flirt with the greatest results? * How to have him waiting for your text rather than the opposite??? What If... * He were the one texting you all of the time?? * You could get him to respond instantly anytime you wanted?? * You could get that distant guy to pay attention to you?? * You could have him finally take notice!?? * You finally know exactly what to say every time, to get what you want?? * You finally stopped feeling so much anxiety over that one guy because TOO many guys are paying attention to you?? It pains me to see so many girls/women alike making all the same, fully preventable, mistakes via texting. It pains me to hear from women nearly everyday, how they pushed away that one guy that really mattered. The secret to fixing this is remarkably easy, something that you can master in minutes, and wouldn't that be worth it? I unshakably stand behind the concepts in Textappeal, simply because they work, and work fast. You want to fix your problem? Want to fix it NOW? Textappeal has the solution. Thanks for taking the first step to radically improving your dating life. Sincerely Mike Masters - MikeTheMasterDater.com
