Love Madness - Gabriella Regina 2018-09-23
How far would you go to win back your love? Niels Janowski is in pain because his girlfriend broke up with him in the week before the most special date for couples: Valentine's. His friends, being good friends, decided to take him to a party for people who hate Valentine's so Niels can find someone to comfort him. But, unlike that, Niels met Harvard, a red haired and intelligent girl, apparently kinda crazy, who commits herself in making Niels a perfect romantic guy and help him win back his ex-girlfriend. "Love Madness" is an eleven chapters short story that happens on Valentine's Day night, and shows that, sometimes, some crazy things are necessary to win over the person you

love.

We Live in Water - Jess Walter 2014-07-03

From Jess Walter, the bestselling author of Beautiful Ruins, comes We Live in Water - a darkly funny, utterly compelling collection of stories about the American family. We Live in Water brings to vivid life a world of lost fathers and redemptive con men, of personal struggles and diminished dreams, a world marked by the wry wit and generosity of spirit that has made Jess Walter one of America's most talked-about writers. In 'Thief', a blue-collar worker turns unlikely detective to find out which of his kids is stealing from the family vacation fund. In 'We Live in Water', a lawyer returns to a corrupt North Idaho town to find the father who disappeared thirty years earlier. In 'Anything Helps', a homeless man has to 'go to cardboard' to raise enough money to buy his son the new Harry Potter book. In 'Virgo', a local newspaper editor tries to get back at his superstitious ex-girlfriend by screwing with her horoscope. The final story transforms slyly from a portrait of

Walter's hometown into a moving contemplation of our times. 'A ridiculously talented writer' The New York Times 'One of my favourite young American writers' Nick Hornby 'Darkly funny, sneakily sad, these stories are very, very good' Publisher's Weekly 'A witty and sobering snapshot of recession-era America' Kirkus

Summer Rental - Mary Kay Andrews

2011-06-07

Sometimes, when you need a change in your life, the tide just happens to pull you in the right direction... Ellis, Julia, and Dorie. Best friends since Catholic grade school, they now find themselves, in their mid-thirties, at the crossroads of life and love. Ellis, recently fired from a job she gave everything to, is rudderless and now beginning to question the choices she's made over the past decade of her life. Julia-- whose caustic wit covers up her wounds--has a

man who loves her and is offering her the world, but she can't hide from how deeply insecure she feels about her looks, her brains, her life. And Dorie has just been shockingly betrayed by the man she loved and trusted the most in the world...though this is just the tip of the iceberg of her problems and secrets. A month in North Carolina's Outer Banks is just what they each of them needs. Ty Bazemore is their landlord, though he's hanging on to the rambling old beach house by a thin thread. After an inauspicious first meeting with Ellis, the two find themselves disturbingly attracted to one another, even as Ty is about to lose everything he's ever cared about. Maryn Shackelford is a stranger, and a woman on the run. Maryn needs just a few things in life: no questions, a good hiding place, and a new identity. Ellis, Julia, and Dorie can provide what Maryn wants; can they also provide what she needs? Mary Kay Andrews' novel is the story of five people questioning everything they ever thought they

Get Over Yourself! - Patti Novak 2008-12-30
True love doesn't just happen, notes professional matchmaker Patti Novak. You have to work for it--and want it. Forget eight-minute speed dates or online dating sites with twenty-page questionnaires that promise a scientifically

calculated perfect match. The fact that you both like golf, stamp collecting, and pizza with anchovies is great, but it won't mean a thing if you don't feel that zing. But before there can be sparks, there have to be dates. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a partner. She uses a three-part common-sense formula: • Getting Over What? Assess your dating weaknesses, recognize what's not working, and adjust your expectations. Delve into your personal history and past relationships, and pinpoint the issues that have been holding you back. • Almost Over It Fine-tune your attitude, your look, and your behavior to maximize your dating chances. Novak lays out strategies to help you deal with the brutal dating monsters you find along the way. • Over It Learn the do's and don'ts of the first date, the second

date, and beyond. Remember, it's not a job interview or therapy session. Pretend you're meeting a new friend, not a prospective husband or wife. Whether you're new to the dating scene, divorced and looking, or just trying to reach that second date, *Get Over Yourself!* will help you get the love you've always wanted and deserve.

But her quest for perfection is derailed when her boyfriend leaks secret pictures of her to the entire school—pictures no one was ever meant to see. Making matters

Then she gets a job working at the community pool, where she meets a new circle of friends who know nothing about her past. That includes Evan, a gorgeous and intriguing guy who makes her want to do something she never thought she'd do again—trust. For the first time in her life, Vivi realizes she can finally be whoever she wants. But who is that? While she tries to figure it out, she learns something they never covered in her AP courses: that it's okay to be less than perfect, because it's our imperfections that make us who we are. E. more vulnerable you. Percy Freedman is not grieving. Absolutely not, take that back at once. No, he's entirely sure that selling his dead aunt's home and leaving the neighbors he's known for years is the sane thing to do. Who in their right mind would keep the house that smells like all the hugs he'll never have again? Nobody, that's who. Well, except his cul-de-sac neighbors. They all seem to think some paint and new furniture will clean the emotional slate. They all want him to stay. Even his nemesis, Callaghan Glover. Especially his nemesis, Callaghan Glover. Lured into a game of Sherlock Gnomes, Percy finds himself hanging out with his neighbors more than might be considered healthy. Along with juggling new and surprising verbal grenades from Cal, and his burgeoning friendship with Gnomber9, Percy is starting to wonder if selling might have been the grief talking after all . . . That's right, Scorpio. With a little patience, heartbreak might be a thing of the past . . . * * *

* "Scorpio Hates Virgo" contains sarcasm, sexual

content, a slightly sappy HEA, and an unhealthy obsession with dinosaurs. It can be read as a standalone. Themes: friends-to-lovers, slow burn
Genre: New Adult, light-hearted contemporary gay romance
If you've enjoyed "Leo Loves Aries," you can look forward to a slow burn, will-they-or-won't-they romance, full of sarcastic banter and a delicious slice of unresolved sexual tension.

astrology guide for lesbians. Jill Dearman is a breakthrough astrologer for our time. No one has approached the stars with her sass and class ever before! Her guide to astrology for lesbians is lively, revealing--and naughty! Sections include: in life, in bed, how to seduce her, doing her and dating her, how to last over the long haul, how to get rid of her, and the three faces of each sign. How to get rid of an Aquarius woman: Ms. Aquarius will pack her bags soon after you start invading her personal space and drowning her in too much nonstop and irrational emotion. Ms. Aquarius hates to feel trapped, so if you slowly take away all her freedoms, you will be watching her walk out the door faster than you can sing "This is the dawning of the..." The Cancer woman is intensely emotional...and her moods change with the tides. Not that you can every completely figure her out. Would you dare to assume you could understand the sea or fully absorb or comprehend a beautiful piece of music? Of course not, you silly lesbian. So don't

patronize this lovely woman. But getting rid of a Cancer woman: Please don't be a cad and pull off the old "I'm going out for a pack of cigarettes (or a bag of Kitty Litter)" and never come back routine. She'll have your mother sitting with her and holding her hand, worrying, before you've made it past the border. And a complete compatibility profile of each astrological combination: Take Aries and Cancer: The best par? They can be fiercely loyal and protective of each other. The worst part? They instinctively know how to hurt each other's feelings and often do, in a most brutal way. Ms. Aries, ruled by fire strikes quickly and forcefully and without thinking. "Don't eat that doughnut! It'll make you fat!" Ms. Cancer, ruled by water, knows how to create a mood of subtle emotional torture. "I don't feel like being touched...No, I don't want to be alone. Can't we just sit together in the same room and not talk and not touch and not make such a big deal about it?"
