Besides, his work as an anthropologist will soon take him overseas. He's destined to be a lone wolf forever—near the action, not embroiled in it—great for his career and for ruining relationships. Girl by the Tracks Julia Vellucci 2021-07-27 Mary Jess Parker, better-known as Jess as she's no Mary, married a rich man for his money, cheated on him several times with far too many men to count, including their dishwasher, for two years. When the rich man finds out, Jess isn't just kicked out of the house but is forced to drink a cup of oil due to her husband's family using something similar to that during their railroad construction. However, this oil isn't normal and makes her invisible from all pretty faces, and only seen by those that feel as lonely and invisible as her husband, who she can only divorce if she breaks the curse. This broken girl is given two and a half years to find love, the real, genuine kind, if she wants to be seen by everyone again. Jess soon

begins to learn that no one has ever truly seen her before until she meets a man from her past, a train conductor that almost hits her with his train, Jaxson Smith. He's just as much of a mess as she remembered, due to his wife's passing and now being a single dad as he had a daughter with another woman, who isn't in the picture. Love can be a dangerous battlefield with two very broken people, full of beauty and beasts within. When two very broken people manage to build each other back up and break the curse, can their love survive those that don't really see them as they see each other or will it die like the fallen rose petals in the beloved fairytale?

The Hazards of a One Night Stand Alyssa Rose Ivy 2014 "One small town boy, one girl who wants more, one roll in the hay...Hooking up with your high school crush is a bad idea, a really bad idea. It was only supposed to be one night, one brief departure from my real life, but nothing ever works out exactly the way you plan. Colton Waters was everything from my past that didn't fit into my present, so why did he have to show up at my college and pledge the one frat I couldn't avoid? Because nothing is ever meant to happen just once. At least not the life changing things that mean the difference between falling apart and falling in love.*New Adult Romance*."--

The Guyde Howie Reith 2016-11-19 The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your

life. The Guyde is divided into four sections: Part I - Psychology
Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more.
Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma.
Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads.
Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

One Night Stand Roland S. Jefferson 2006-05-23 This sexy, action-packed thriller, set on the streets and in the courthouses of Los Angeles, is an explosive literary mix of contemporary urban authenticity and classic old-school crime fiction by the author of *Damaged Goods* and the cult classic *The School on 103rd Street*. How did a street hustler, in and out of jail since he was ten, beat a murder rap -- no matter whether he did the crime or not? Meet Myra Cross, a thirty-one-year-old redheaded beauty with a take-no-prisoners reputation as a public defender. She confounds her colleagues and clients alike as she not only wins acquittal after acquittal for her clients but poses for *Playboy* spreads in her spare time. She has the face of an angel, the body of a goddess, and a mind like a steel trap -- but with secrets and demons, she neither pretends to be a Girl Scout nor to have all the answers. But this time, when she's once again assigned the defense of Napoleon T. Booker, aka Little Dog Nine, who's charged with another homicide, she gets much more than she bargained for. "Street smarts stopped Myra Cross dead in her tracks. Napoleon Booker had reached inside her brain and ripped out her essence, dangled it in front of her like an item for sale at an eBay auction. Was she that transparent -- 'a coke-snorting, nymphomaniac basehead little freak?" Roland S. Jefferson's fiction earns him

comparisons to fellow master storytellers, including Elmore Leonard and Walter Mosley. This hot new novel will have his loyal following and a legion of new fans alike on fire, sitting on the edge of their seats in this pulse-pounding thriller they won't be able to put down until the last page!

One-night-stand, You Are Mine X.Y. Xiao 2022-03-20 Three years ago, she became a surrogate mother and gave birth to a baby for an unknown man. Three years later, she met him. Would she know he was that man? Would she recognise her daughter? To save her family business, she accepted a humiliating surrogacy. Because of surrogate contract, she had to have sex with a man for seven days and nights, until she was pregnant. When she gave birth a baby, she found her father died miserably. Her fiance and stepsister colluded to drive her out of her family house. Three years later, she came back. In order to get back the villa left by her father, she had to provoke that superior man, but he approached her to the corner. The man stared at her with burning eyes, "seduce me?" She shivered, "Mr. Hunt, I didn't mean to bump into you..." The man's black eyes pondered, "should I 'bump' back?" The next second, the man worked hard in her body

to "bump" back. It was a fake marriage. How could he press her inch by inch and made her no room to escape? She blushed, but he didn't care. He raised his eyebrows and stared at her with interest—"We had a daughter already, why were you so restrained?" The cute little chubby girl beside her leg held her hand, blinked and asked, "Mom, can I have a little brother?"

The Billionaire Boss's Obsession 1 (BWWM Interracial Romance Short Stories)

Viola Black 2016-09-14 My name is Lisa Simone Williamson, and I used to be the luckiest girl in the world. For starters, I was rich. Even better, I was actually born into money. My parents were once the proud owners of Simone Cosmetics, one of the largest and most successful African-American owned and operated cosmetic companies in the world. My parents both came from very hard-working families. But their families worked hard for other people, which was a concept that neither my mother nor father ever understood. My parents believed that if they were going to work hard, then they would work hard for themselves. So when they met one another and realized just how like-minded they were, the twosome joined forces both personally and professionally, got married, and created what eventually became Simone Cosmetics. After they had been married for a while and their company was up and running, my parents decided that they were ready to start a family. Not long after, I came along. I must admit, I had quite a charmed childhood. I lived in the most beautiful home that was located in the nicest part of town, attended the best schools, and had the greatest friends. My parents also got me involved in their business early on, because they had every intention on passing it down to me one day. So I knew everything that there was to know about running Simone Cosmetics. However, my favorite aspect of the company was its dynamic marketing department. I always loved watching the dapper men and glamorous women who worked in that area come up with creative and artistic ways to package and promote the wonderful products that my parents had

created. Once I graduated from high school and went off to attend one of the top universities in the country, I decided to major in marketing. Those college years were wonderful. I met a lot of incredible people, was taught by some of the best instructors, and still remain close to the women I met when I pledged one of the top African-American sororities in the country, Alpha Kappa Kappa. During the summers, I would go home and intern at my parents' company, in the marketing department of course. Those essential internships helped guide and motivate me and kept me focused. Ultimately, I always knew I would return to my parent's company upon graduation, join the marketing team, and work my way up until I was running the show. But one of the most exciting experiences I had during college was meeting the man of my dreams, David James. David was the star of the basketball team, and I was his biggest fan. My sorority sisters and I were considered celebrities on our college campus, and we always hosted the biggest parties and turned heads everywhere we went. The basketball players were regular party-goers, and David and I would always flirt whenever we'd see one another. So I wasn't surprised when one of David's teammates, who just so happened to be dating my best friend Janice, passed a message along saying that David was interested in me. Exploring Sexuality in Schools Dorottya Rédei 2019-07-10 This book explores the place of sexuality in a Hungarian vocational school. Building upon ethnographic research using a post-structuralist and intersectional theoretical framework, the author highlights the voices of teachers and students in their everyday environment and gives them the opportunity to speak about themselves and their experiences: in doing so, addressing a significant gap in the market. The author critically discusses key issues concerning schooling and sexuality, addressing such themes as LGBTQ+ youth and teachers, institutional hierarchy, and the role of sexuality in the re/production of social inequalities through education. Through these topics, she sensitively questions what should be expected of schools in preparing their students for the wider world. The intersectional approach employed by the author will appeal to scholars in a wide variety of disciplines, from gender and sexuality studies to the sociology of education and race and ethnicity studies.

One Night Stand Jennifer Sucevic 2021-01-10 From USA Today bestselling author Jennifer Sucevic comes a steamy, off-limits new adult sports romance that is laugh out loud funny featuring a strong heroine and the tatted up football player who falls first and hard for her. The moment he slides his muscular arm around my body and pretends to be my boyfriend, I know I'm in trouble. But inviting the guy I can't shake loose home with us for a threesome? Yep, I'm done for. Especially when the guy in question, the one who just can't seem to take no for an answer, all but sprints away as if the hounds of hell are nipping at his heels. Now that it's just the two of us, I can't help but take a closer look at my rescuer. Sexy fauxhawk, rippling muscles, along with swirling patterns of colorful ink that decorate his arms. I'm a twenty-nine-year-old second grade teacher and this guy can't be more than twenty-two. I shouldn't just be walking away- I should be sprinting. But I just can't bring myself to do that. Which is exactly how I end up in his bed at the end of the night. Three

orgasms later and I'm sneaking out of his apartment at the crack of dawn. I know that I'm never going to see him again because this was strictly a onetime deal. Although, you know what they say about best laid plans... They never quite work out the way you expect them to. --- "I loved that Gia was older.
