Knowledge-Wisdom: The Peaceful Path to Liberation Lama Yeshe 2023-01-10 What I'm saying is that you should have perfect determination, knowing that understanding knowledge-wisdom is the only solution to problems, the only source of happiness and joy. That is what we call Dharma. —Lama Yeshe This first volume of collected teachings is drawn from teachings given by Lama Yeshe in the 1970s and 1980s, when he and Lama Zopa Rinpoche traveled the world, teaching extensively. Lama Yeshe consistently encouraged students to recognize and develop their limitless potential, and his dynamic teaching style means that these

teachings are as relevant and accessible today as when first taught. In Part 1 of this book, Lama Yeshe advises how we can transform our lives by developing warm-heartedness and “knowledge-wisdom,” while maintaining a relaxed attitude to our practice. The teachings in Part 1 are edited by Nicholas Ribush and include new material published for the first time. Part 2 is edited by Uldis Balodis and features three discourses given by Lama Yeshe at the sixteenth Kopan meditation course, Nepal, in 1983. In these final teachings at Kopan, Lama offers essential advice on how to practice Dharma in the West. Excerpts from these discourses have been previously published in the ebook series, *The Enlightened Experience: Volumes 1-3*, online at Lama Yeshe Wisdom Archive and in other publications including *Mandala* magazine. We acknowledge the kindness of Ven. Tenzin Drachom and students in sponsoring the production of this book.

The Enlightened Experience: Lama Yeshe 2020-09-21 This is volume 3 of The Enlightened Experience series and features three discourses given by Lama Yeshe at the Sixteenth Kopan Meditation Course held at Kopan Monastery, Nepal, in November–December 1983. Lama Yeshe had arrived at Kopan just before the end of the meditation course and although he was very ill, he gave these teachings, along with a refuge ceremony and the bodhisattva vows. Lama gave his first teaching which is presented in this ebook as Practicing Dharma in the West: Q&A with Lama Yeshe. In this question-and-answer session, Lama offers essential advice to students on how to integrate Dharma when they return to the West. In response to a question about Christianity, Lama discusses the principles of loving kindness and compassion, which are fundamental to all religions. Lama

continues with advice on relationships and explains in simple terms the meaning of Dharma, the importance of bodhicitta, the power of holy objects and the qualities of the Buddha. The next discourse, on December 9, 1983, is entitled The Peaceful Path to Liberation. In this extensive teaching Lama discusses the inner refuge which enables us to have a satisfied and happy life without depending on our external environment. He explains the meaning of Buddha, Dharma and Sangha, and gives an overview of the five lay precepts, the bodhisattva vows, equilibrium meditation and the tantric path. The teaching concludes with a refuge ceremony, in which Lama clarifies the correct motivation as well as the essential meaning and purpose of refuge. In Lama Yeshe's final discourse, on December 10, 1983, he teaches on bodhicitta, which he describes as a universal meditation that is especially suitable for Westerners. Lama urges students to change the attitude of self-cherishing into a determination to hold others dear and benefit them as much as possible. In the second part of this teaching, Lama discusses two ways of taking the bodhisattva vows according to our level of commitment and concludes with a motivation for taking the vows. Lama Yeshe was a pioneer in bringing the Dharma to Westerners and the teachings in this ebook demonstrate his understanding of the Western psyche and his ability to express profound truths in simple terms.

Becoming Vajrasattva Lama Yeshe 2004-06-15 Like *Becoming the Compassion Buddha*, this is another of Lama Yeshe's examinations of key Tantric deity practices in the Tibetan Buddhist tradition. Common to all four traditions of Tibetan Buddhism, the practice of Vajrasattva is used to purify obstacles to spiritual development, negative karma, and illness. Lama Yeshe, the inspirational teacher who strongly influenced the development of Buddhism in the West, found that the practice of Vajrasattva brought dramatic results for his Western students. *Becoming Vajrasattva* is a complete guide to this purification practice, providing instruction on the method, commentary on the traditional texts, and insight into tantra. Also included is an entire section of complete retreat instructions?required reading for anyone undertaking a meditation retreat in the Tibetan tradition.

Rescued by a Feminist Saloni Chopra 2020-12-28 Saloni Chopra is an actor by choice and a writer by accident. While one helps her serotonin, the other helps her mortgage*. Raised in Australia, but firmly believes it's not where she "grew up", because that happened in the heart of Mumbai, an over-populated city where she ironically learnt to take up more space by fighting for rights she didn't even know she would need one day. From falling into a puddle of quicksand and staying calm enough to not get sucked in, to the art of finding her own voice in a patriarchal society - she learnt everything in her early 20s the hard way (only one of the above is true). There came a point when Saloni realised that if she was going to keep living a life that was such a dramatic page-turner, she may as well write a book about it. * And she doesn't even have a mortgage

mind and thinking. It helps you to understand that if you can learn to drive and control a car, then you can use those same skills to be in more control of your mind and your life. In my own unconventional way I want you to know that every time you get behind the wheel of your car that you are in control. The same way that you and controlling that car, you can do the same by your controlling your mind instead of letting it go like a rollercoaster Let's face it, we are all on a journey and it depends on what transportation you use and the roads you take that will determine the adventures that you experience along the way. Since life is full of ups and downs and unexpected twists and turns, it's important that we take time to learn how to best navigate it. My goal is to give you a few life hacks that may very well show you some better ways to help navigate and control your mind through this journey of life like you would a car, instead of letting it go like a rollercoaster.

declarations and prayers each day. If the thoughts and ideas that we affirm are not true in reality, a dynamic tension is created between your perceived reality and your psyche. This presence of dynamic tension causes imbalance between your psyche and perceived reality. Your consciousness will work to get back in tune with the God's vision of the universe to resolve the tension. There are two simple ways to ease this tension. You must work with God's creation in order to make your declarations become true, or you must stop the prayer. As you choose to continue praying, your mind and body will seek to balance this inequality with the universe by transforming your environment to match your declarations of truth. Sooner than later, you will find yourself taking positive and decisive action that you never imagined possible as your perceptions naturally align with your true reality. If you want to see positive change now, you'll find the quickest path to fulfillment with prayer through God's love. There is no time to spend on loss, negativity, and defeat when you can be achieving tangible, historically proven results with minimum time and effort invested. There is no limit to changes that God can make in your life through the power of creating truth with prayer... Read This Book To Change Your Life Today! Also available in ebook Format

increasingly anxious. Finally, she decides to face IhJoon and reveal everything. Suddenly becoming an Alpha and gaining a new organ between her legs, she hesitantly confesses this truth, only to be shocked by her boyfriend's reaction. This Asian love story explores the complexities of romance, destiny, and identity in an omegaverse setting. It's a tale of love, acceptance, and the courage to be oneself, wrapped in a new adult romance that is both steamy and fantastical. As an erotica short, this romantic love story is imbued with sensuality, surprise, and the quest to understand oneself and one's partner fully. For those who seek romance with a unique twist of fantasy, this book will entice, engage, and leave you longing for more in the world of romance omegaverse. #modern #omegaverse #supernatural #friend2lover #hot&steamy * This romantic short story is translated from from the original Korean short web-novel. (text only, no illustration) Tables Of Contents Title Page Body Content Copyright (33 pages in approx. print length) Preview JooYoun sat there with a sullen look on her face, then pulled up the hem of her skirt and looked down. "Ha....." She squeezed her eyes shut and pulled her clothes back down. "I hate....." She had heard that it was very rare for it to suddenly manifest in adulthood, so she didn't understand why now. She would have gotten used to it if it had manifested at puberty, when all the other kids were getting it. She thought she had a terrible case of the flu because she was suddenly running a fever and feeling sick, but when she went to the doctor, they ran tests and gave her a name. Pyrexia Manifest. A fever that accompanies the changes your body goes through when you turn into an alpha or omega. After hearing the explanation, she said that it couldn't be, but the doctor reassured her that it's not uncommon for adults to develop it, and that she should take a break from school for a while to get herself straight. 'I thought I was going to be an omega' After she started running a fever, she thought she was going to become an omega because there was no noticeable change. She knew it's a hassle to

manifest as an omega, but it's better to be an omega rather. If you're a woman, you don't see much change in your body when you're an omega. In constant pursuit of money, sex, influence, or simple entertainment, psychopaths will do whatever it takes to gain power over others. They hide behind a veil of normalcy, arranging their friends and partners like pawns in a game of chess. Using false praise and flattery to get what they want, they can lure any unsuspecting target into a relationship. Once hooked, their charming promises spin into mind games and psychological torture. YOU and Your Own Universe Silviu Pristavu 2022-04-22 What if you found out that you're not who you believe you are? What if I told you that you're not who your family thinks you are? What if you're not the person that people around you see and hear ... What if the human being is, in reality, the fusing element of two worlds - physical and spiritual? What if, in the human body, you can find both physical and spiritual, where the spiritual manifests physically. What if what we call the mind, as we know it, is actually the gate through which the two worlds meet, cross, and exchange information? What You are, as a spiritual being, can't be described in any human language. What You are can't be seen by any human eyes. What You say can't be heard by any physical ears. You are the awareness in you - the consciousness. You are the love, the joy, and the happiness that bursts out of you. You are the creator of your body and the creator of Your Own Universe. You are limitless. You are wealth. You are health. You are all these things combined and more. You are something that can only be felt through your physical body, and you will feel You long before you finish reading this book. This book is not religious! It doesn't aim to favour one religion or discredit another. If anything, it's a tool for any religion that's been created from the beginning of humanity and helps explain phenomena that couldn't have been explained otherwise. It supports science equally;

however, it doesn't just support theories that are based purely on physical evidence, though it may provide answers where these haven't been found yet, if one is open to accepting a different point of view. It was written to serve as a manual for life, explaining how things become what they are and providing confidence and strength to teens getting ready to face the world on their own, and to adults who feel lost, without a purpose, and in need of guidance toward a happy life.
