[Guide to the Perfect Otaku Girlfriend: Roomies and Romance Volume 1](#) Rin Murakami 2021-06-17 If I'm going to find a girlfriend, she has to be an otaku. She'll be beautiful, innocent, with long black hair, and she'll like all the stuff that I like! Kokoro Nishina, the girl I'm living with, is the exact opposite of that. So why did I promise that I'd turn that flashy, extroverted gyaru into the ideal otaku girlfriend?! Sadly, I know just how it feels to need a little self-improvement to find the perfect date... and there's no way a girl like that will tell her friends that she's actually a closet fujoshi. But I'll teach her—then maybe she can teach me too! With my expertise, she'll definitely become an otaku's dream girl!

[Irresistible](#) Adam Alter 2018-03-06 "Irresistible is a fascinating and much needed exploration of one of the most troubling phenomena of modern times." —Malcolm Gladwell, author of New York Times bestsellers *David and Goliath* and *Outliers* "One of the most mesmerizing and important books I've read in quite some time. Alter brilliantly illuminates the new obsessions that are controlling our lives and offers the tools we need to rescue our businesses, our families, and our sanity." —Adam Grant, New York Times bestselling author of *Originals* and *Give and Take* Welcome to the age of behavioral addiction—an age in which half of the American population is addicted to at least one behavior. We obsess over our emails, Instagram likes, and Facebook feeds; we binge on TV episodes and YouTube videos; we work longer hours each year; and we spend an average of three hours each day using our smartphones. Half of us would rather suffer a broken bone than a broken phone, and Millennial kids spend so much time in front of screens that they struggle to interact with real, live humans. In this revolutionary book, Adam Alter, a professor of psychology and marketing at NYU, tracks the rise of behavioral addiction, and explains why so many of today's products are irresistible. Though these miraculous products melt the miles that separate people across the globe, their extraordinary and sometimes damaging magnetism is no accident. The companies that design these products tweak them over time until they become almost impossible to resist. By reverse engineering behavioral addiction, Alter explains how we can harness addictive products for the good—to improve how we communicate with each other, spend and save our money, and set boundaries between work and play—and how we can mitigate their most damaging effects on our well-being, and the health and happiness of our children. Adam Alter's previous book, *Drunk Tank Pink: And Other Unexpected Forces that Shape How We Think, Feel, and Behave* is available in paperback from Penguin.

I'm so damaged, I'm not even capable of a relationship. He might be the perfect antidote. The temptation I need to lure me back to the side of the living. He could help me get over my trauma. More Than an Ex-Girlfriend Remi Carrington 2023-09-30 I've been avoiding my ex. More like hiding from him, but that's just semantics. But hiding isn't possible now that he's my new neighbor. We dated all through high school, but then the day after graduation, I ended things, which I know broke his heart. But at the time, I thought I was making the best choice. Now I regret it. Actually, I've regretted it for a while. Pretty much since the day we said goodbye. As much as I want to apologize and make things right—if that's even possible—I'm afraid to face him. And telling him why I broke up with him will crush him. Clinging to the old adage that the way to a man's heart is through his stomach, I spend an entire night making him cookies. Apologies go better with cookies, I think. At least I hope so.

TikTok D. Bondy Valdovinos Kaye 2022-06-16 Since its acquisition and rebranding in 2018, TikTok has become one of the fastest growing platforms in the world. Moreover, it's the first Chinese-developed platform to find mainstream international success, carving its own niche in the global short video industry. In the first comprehensive exploration of TikTok, Kaye, Zeng, and Wikström provide a history of the emergent genre of short video and situate the platform within the cultures and controversies that have accompanied its dramatic growth. They provide an extensive overview of TikTok's functions and uses, the diverse markets in which the platform operates, and the issues of governance that have impacted its expansion. Once thought to be 'just for kids', the authors illustrate how TikTok is further transforming platform cultures and the dynamics of broader creative industries. TikTok, the authors argue, represents an evolutionary step in the way culture is produced and consumed on digital platforms. This timely book is essential reading for students and scholars in media and communication studies and for anyone who has been captivated by the global growth of TikTok and short video.

The Girlfriend Act Safa Ahmed 2024-06-06 Aspiring actress Farah Sheikh is tired of being in the background. Ex-child star Zayan Amin needs a break from the spotlight. And after a disastrous audition where she's told she doesn't "fit the aesthetic" for her university's play, Farah meets The Tragedies. A group of West London theatre kids rejected from the stage for similarly dubious reasons. Together, Farah and The Tragedies find themselves in the limelight and get the chance to perform. But, there's a catch. Recently disgraced child star, Zayan, will be involved. The deal: Zayan regains popularity via the publicity of his new romance, and in exchange, he'll star in (and more importantly, fund) a play for The Tragedies. Can Farah uphold her side of the bargain, and prove her critics wrong? "A heartfelt celebration of the communities we are born into and the families we choose for ourselves. A stunning debut with an everlasting impact." - Ananya Devarajan, author of *Kismet Connection*

When Suzanna arrives, she's shocked to discover Will is tall, lean, and drop-dead gorgeous. Meanwhile, she's short, curvy, and suffers from low self-esteem. Who would believe they're a couple? Will is determined to show her the ropes of ranching, but Suzanna is a fish out of water. An adorable fish—one he's wildly attracted to. And he's falling for her, hard. But the more successful their deception becomes, the more he begins to wonder... If Suzanna is so good at faking it, is anything they're sharing real?

Twitter, and Instagram Accounts Malik McCotter Jordan 2021-06-17 Look, I'm not about to put you through the hassle of reading a long sales pitch disguised as a book description in order to get you to buy this book. You're either going to buy the book or you're not. No, this isn't reverse psychology. I'm not doing any mind tricks to get you to buy this book. I'm just being transparent. This book contains my personal story on how social media affected my life and I share what I did to reach a 6-figure net worth. This book is not for everybody. You're in luck if you enjoy short books, because this is only 10 chapters long. Each chapter is short as well. It didn't take long for me to write this book, because I lived everything that I wrote about in it. So when you buy this book, you'll notice that I get straight to the point and I give you my take on social media's impact on society. In the last chapter I share with you my entire portfolio that is worth 6-figures. This is so you know that I'm not lying to you and I'm not an imposter selling you success for a quick buck. None of this was easy to do by the way. I just want to make that clear. So yeah, don't get your hopes up. I understand that not everyone would be interested in giving up social media in order to change their financial situation for the better. Like I said in the first paragraph, you're either going to buy the book or you're not. Hope this doesn't come off as rude. I just don't want to waste your time. Bad Girlfriend Elise Faber 2021-10-05 What were the characteristics of a good girlfriend? Everything that wasn't her. Tammy wasn't good with mush, couldn't stand watching romantic movies without wanting to hurl. She didn't have songs with her significant others. Hell, she didn't have significant others. So when Fletcher needed a fake girlfriend to take to a wedding—one who wouldn't get attached like all the other women who fell in love with him at the drop of a hat—she was the obvious choice. She went, and everything was great. Until Fletcher fell for her. Until...she fell for him right back.

Girlfriend on Mars: A Novel Deborah Willis 2023-06-13 A funny, poignant, and page-turning debut novel that skewers billionaire-funded space travel in a love story of interplanetary proportions. Amber Kivinen is moving to Mars. Or at least, she will be if she wins a chance to join MarsNow. She and twenty-three reality TV contestants from around the world—including attractive Israeli soldier Adam, endearing fellow Canadian Pichu, and an assortment of science nerds and wannabe influencers—are competing for two seats on the first human-led mission to Mars, sponsored by billionaire Geoff Task. Meanwhile Kevin, Amber's boyfriend of fourteen years, was content going nowhere until Amber left him—and their hydroponic weed business—behind. As he tends to (and smokes) the plants growing in their absurdly overpriced Vancouver basement apartment, Kevin tunes in to find out why the love of his life is so determined to leave the planet with somebody else. On screen, Amber competes in globe-trotting, Survivor-meets-Star Trek challenges and seems like she might be falling for Adam. But is that real, or is it just a tactic to keep from being voted off? And since the technology to come home doesn't exist yet, would Amber really leave everything behind to be a billionaire's Martian guinea pig? Sure, the rainforest is burning, Geoff Task has bought New Zealand, and Kevin might be a little depressed, but isn't there some hope left for life on Earth? An audacious debut from "a dazzlingly smart and strikingly original writer" (Molly Antopol), Girlfriend on Mars is at once a satirical indictment of our pursuit of fame and wealth amidst environmental crisis, and an exploration of humanity's deepest longing, greatest quest, and most enduring cliché: love.

If We Were Villains: The sensational TikTok Book Club pick M. L. Rio 2017-06-13 A vivid and immersive story of obsession perfect for fans of dark academia and Donna Tartt's The Secret History Oliver Marks has just served ten years for the murder of one of his closest friends – a murder he may

or may not have committed. On the day he's released, he's greeted by the detective who put him in prison. Detective Colborne is retiring, but before he does, he wants to know what really happened ten years ago. As a young actor studying Shakespeare at an elite arts conservatory, Oliver noticed that his talented classmates seem to play the same roles onstage and off - villain, hero, tyrant, temptress - though Oliver felt doomed to always be a secondary character in someone else's story. But when the teachers change up the casting, a good-natured rivalry turns ugly, and the plays spill dangerously over into life. When tragedy strikes, one of the seven friends is found dead. The rest face their greatest acting challenge yet: convincing the police, and themselves, that they are blameless.
