Reading Like a Girl - Sara K. Day 2013-06-03
By examining the novels of critically and commercially successful authors such as Sarah Dessen (*Someone Like You*), Stephenie Meyer (the *Twilight* series), and Laurie Halse Anderson (*Speak*), *Reading Like a Girl: Narrative Intimacy in Contemporary American Young Adult Literature* explores the use of narrative intimacy as a means of reflecting and reinforcing larger, often contradictory, cultural expectations regarding adolescent women, interpersonal relationships, and intimacy. *Reading Like a Girl* explains the construction of narrator-reader relationships in recent American novels written about adolescent women and marketed to adolescent women. Sara K. Day explains, though, that such levels of imagined friendship lead to contradictory cultural expectations for the young women so deeply obsessed with reading these novels. Day coins the term

"narrative intimacy" to refer to the implicit relationship between narrator and reader that depends on an imaginary disclosure and trust between the story's narrator and the reader. Through critical examination, the inherent contradictions between this enclosed, imagined relationship and the real expectations for adolescent women's relations prove to be problematic. In many novels for young women, adolescent female narrators construct conceptions of the adolescent woman reader, constructions that allow the narrator to understand the reader as a confidant, a safe and appropriate location for disclosure. At the same time, such novels offer frequent warnings against the sort of unfettered confession the narrators perform. Friendships are marked as potential sites of betrayal and rejection. Romantic relationships are presented as inherently threatening to physical and emotional health. And so, the narrator turns to the reader for an ally who cannot judge. The reader, in turn, may come to depend upon narrative intimacy in order to vicariously explore her own understanding of human expression and bonds. *Date Like a Girl Marry Like a Woman* - Jessica R Bunevacz 2016-07

What Women Want When They Test Men - Bruce Bryans 2015-08-13

Discover What Women Want in a Man and How They Secretly Test You For it If you pay close enough attention to what really attracts women, you'll find that what women want is a man with a backbone. Women want to be with a man who knows how to take the lead and make decisions; one who has strong personal boundaries and knows how to love her like...a man. Unfortunately, a lot of men have difficulty accepting the truth that many women prefer to

be with a man who isn't afraid to stand up to them, who challenges them, and who refuses to be pushed around by women (or anything else for that matter). This is especially true of women who seek a more traditional male-female gender role dynamic in their romantic relationships. Even if a man knows how to attract women, cultivating a mind-blowing relationship with one requires a different set of skills entirely. Women want men who can make them feel secure - men with strong boundaries and unwavering commitment. Sadly, most dating and relationship books rarely show men how to keep a woman happy without them having to sacrifice their manhood in the process. How to Understand Women and Pass Their Tests With Unshakeable Confidence Men around the world have no idea that the women they know and love are testing them. These men go about their lives interacting with the opposite sex in absolute darkness, ignorant to the fact that they're being judged, appraised, approved, and rejected based on their subconscious reactions to female testing. If you had no idea that women test men and why they have to, you're about to take a journey onto a road less traveled - the more mysterious side of female psychology and how women think. Attract Women Through Authenticity and Be the Strong Man a Woman Wants For a Relationship It's important for a man to learn how to walk that thin line between caring, thoughtful lover and firm, assertive leader. The man who masters the art of being the perfect gentleman and a strong alpha male is the ideal specimen to a high-quality woman. This is what you're going to learn in this book. So if you're dating or in a relationship and women constantly create drama, lose interest in you, or manipulate you, it's time you finally got some advice from one of the only relationship books for men that won't turn you into a doormat. Here's what you're going to learn inside: How to be radically honest with a woman and why this makes her MORE attracted to you. The reason why women test men CONSISTENTLY and how to use this knowledge to deepen a woman's desire. (Hint: This is the key to female psychology and how women think.) How to be confident with difficult women. What women want in a man and how to give it to them. How to make a woman happy without becoming a complete doormat of a man.

How to seduce your wife and get her in the mood by responding like a MAN whenever she "pokes the bear." How to be firm and say "No" to the woman you love without destroying intimacy. How to keep a woman interested in you by doing the ONE thing MOST men are deathly afraid of doing. How to avoid unnecessary arguments, fights, and drama with a woman by using a simple communication technique. The best way to secretly test a woman's level of romantic interest in you (as well as her emotional maturity) before making a long-term commitment. How to stop living in fear of what a woman might think, say, or do if she disagrees with or disapproves of you in any way. And much, much more... Would You Like to Know More? The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps

necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

[F*CK Him! - Nice Girls Always Finish Single - a Guide for Sassy Women Who Want to Get Back in Control of Their Love Life](#) - Brian Nox 2016-10
The MANipulator Manual: Keep Your Man Interested and Begging for More Without Playing Games Let me start off by explaining I am in no way talking about the sexual act. F*ck him in this case is not physical, it's mental. So many women get in trouble in their love lives, and 99.9 percent of that trouble could have been avoided if they'd said, "Well, f*ck him!" a bit more often. Too many women are way too nice and compliant to their men, especially when these men don't deserve that kind of treatment. And yet, every woman I've ever met tries to not be needy or wear her heart on her sleeve. She simply wants to protect her feelings. Nevertheless, most women I've coached have had men seem very interested only to disappear

suddenly. These women are left standing in the dark. Once the guy vanishes, they often find out it's easier to get the President of the United States on the phone than the man who seemingly really liked them...just not enough to stick around. This should stop. I, as a dating coach and author of books for women who want to get men, cannot take it anymore. You deserve better. This is not your fault. It's his! He needs to learn to be much more transparent and upfront. That said, we both know most men won't change. We can lead a horse to water, but we can't make it drink. Or can we? What if there was a way to change a guy's behavior? What if you could get into his head and take over the driver's wheel? What if you could make him do more of the things that you appreciate and need and less of the bad behaviors you dislike? At first, this might seem impossible. Nevertheless, I'm sure you've already met women who are good at manipulating their men. Enter the high-value woman. You know her. You've seen her. She's the woman who always has great men drooling over her. It's the woman you see getting all the attention. You often wonder, "How does she do it? What do they see in her? What does she know that I don't?" You might have even complained to your girlfriends that men just don't seem to notice what a catch you are. Your girlfriends may have even said, "He doesn't know what he's missing." What if you could make him see it? When you look at these high-value women who get their way with men, it might have surprised you that their looks don't seem to matter. The high-value woman can be great looking, average looking, or even bad looking. It doesn't matter. She knows her way around men. She knows how to mentally f*ck them. Are you ready to implement her strategies? You'll see behavior you've never seen from him. He'll start to put in an effort that makes you feel like you're a queen because to him, you are. At first, it will be strange. If you've never truly been in control of a man, it might feel like riding a horse for the first time. But soon, it will make you feel all tingly inside. I'm not kidding. There's nothing more powerful than being in a relationship with a guy and having him do exactly what you want while he thinks it was his idea. (This is important, as you'll see. He needs to think he is the one in the driver's seat,

even though you actually are.) This book is not about becoming someone you're not or turning your boyfriend into a spineless manslave. It's about your empowerment, about taking back what's yours. No man should ever be able to play games with you, to take you for granted, to treat you even a tiny bit less than you deserve. By the time you've finished this book, this will all be part of your past. Are you ready? Then hit the buy button at the top of this page and start your high value woman journey right away!

I Liked You Until . . . - Beverly Green
2016-01-26

There is a popular saying: "You need to kiss a lot of toads before you meet your prince." Most movies and books tell the story of the prince. Not mine. This is a story about the toads. This book is about my failed relationships and dating stories so awful, you have to laugh. This book is for women, as we go through the same breakups, makeups, heartaches, and overall relationship roller-coaster rides. And this book is for men, to educate the male population on what not to do when you actually like a girl. Now, able to smile at my single status approaching thirty, I share the stories and toast the men who have impacted my life for better . . . and worse.

Women Who Win at Love - Suzanne Venker
2019-10-08

Do you ever ask yourself why dating has become so damn hard? Do you wonder what makes some marriages last and others fall apart? Is your marriage struggling despite your best efforts to keep it together? Women who win at love don't have a gift you don't have. What makes them unique, explain author and relationship coach Suzanne Venker and anthropology professor John M. Townsend, Ph.D., is that they aren't at war with the men in their lives. Women who win at love reject the concept of sexual equality and embrace male and female nature instead.

Whether you're still single and mapping out your life, or you're divorced or unhappily married, *Women Who Win at Love* will permanently alter the way you view men and marriage, thus leading to your success in love. But you must be willing to step outside your comfort zone and accept countercultural truths. If you can do that, you've found the key. You know how to win at almost everything else. Isn't it time for you to win at love? In *Women Who Win at Love*, you

[Date Like a Girl Marry Like a Woman](#) - Jessica R Bunevacz 2016-03-17

Navigating our romantic lives can be filled with incredible highs and unfathomable lows. Everyone enters relationships with a unique idea of what makes connection work. But even with our differences, we have a common thread running through all of us: the deep desire to love and be loved. Based on her experiences, and with the help of her closest friends and the men in her life, author Jessica R. Bunevacz created a series of guidelines for women looking to enjoy dating and romance and avoid common pitfalls and difficulties. Whether you're dating, getting ready to walk down the aisle, or are already married and looking to take your marriage to the next level, it's profoundly important to celebrate where you are on your journey and make every day special and meaningful for yourself and those around you. "Date like a Girl, Marry like a Woman" incorporates Bunevacz's own stories of love, dating, and marriage with practical advice for today's modern relationship and reminds readers not to settle for anything less than the best.
