Get 'Em Laughing E. Gene Davis 2008-11-28 EXAMPLES: Why did Mrs. Smokey the Bear divorce Smokey the Bear? Because every time she got hot, he would beat her with a shovel. Josh, age 4, on seeing a couple kissing: He's trying to steal her chewing gum. Sign: For Sale - Parachute. Only used once. Small stain On a virgin's tombstone: Returned To Sender Unopened What do you want on your tombstone? My 9-year-old grandson Trevor said, Pepperoni, cheese and mushrooms. Georgia Tech School Rule: How do you get a University of Georgia cheerleader into your dorm room? Just grease her hips and push. It's been so long since I made love, I can't remember who gets tied up. -Joan Rivers The towels were so thick there, I could hardly close my suitcase. -Yogi Berra She: You'd better go. My husband just drove up. He: Where's the back door? She: We don't have one. He: Where would you like one? These are some of the thousands of jokes, one-liners and quotes on just about any subject, crammed into this book. If you yearn for additional sparkle and zest in your presentations, you have come to the right place. This book is primarily a Humor Resource with a massive reservoir of clever and useable Illustrations Haven't we all prepared for a presentation hoping for a Home Run? Sure we have. When we speak, we expect the ball to go right over the fence. But often. we have come up dry. And surely you remember your own failed experience(s). Just when you wanted to go into your Home Run Trot, you realized, you didn't quite get all of the ball. The problem? You had no time to look for hilarious and profound material. Wouldn't it have been invaluable to have a vast quality collection right at your

Thick Tressie McMillan Cottom 2018-01-08 FINALIST FOR THE 2019 NATIONAL BOOK AWARD Named a notable book of 2019 by the New York Times Book Review, Chicago Tribune, Time, and The Guardian As featured by The Daily Show, NPR, PBS, CBC, Time, VIBE, Entertainment Weekly, Well-Read Black Girl, and Chris Hayes, "incisive, witty, and provocative essays" (Publishers Weekly) by one of the "most bracing thinkers on race, gender, and capitalism of our time" (Rebecca Traister) "Thick is sure to

become a classic.” —The New York Times Book Review In eight highly praised treatises on beauty, media, money, and more, Tressie McMillan Cottom—award-winning professor and acclaimed author of *Lower Ed*—is unapologetically "thick": deemed "thick where I should have been thin, more where I should have been less," McMillan Cottom refuses to shy away from blending the personal with the political, from bringing her full self and voice to the fore of her analytical work. Thick "transforms narrative moments into analyses of whiteness, black misogyny, and status-signaling as means of survival for black women" (Los Angeles Review of Books) with "writing that is as deft as it is amusing" (Darnell L. Moore). This "transgressive, provocative, and brilliant" (Roxane Gay) collection cements McMillan Cottom's position as a public thinker capable of shedding new light on what the "personal essay" can do. She turns her chosen form into a showcase for her critical dexterity, investigating everything from Saturday Night Live, LinkedIn, and BBQ Becky to sexual violence, infant mortality, and Trump rallies. Collected in an indispensable volume that speaks to the everywoman and the erudite alike, these unforgettable essays never fail to be "painfully honest and gloriously affirming" and hold "a mirror to your soul and to that of America" (Dorothy Roberts).

The Kaleidoscope of Gender Joan Z. Spade 2010-03-17 An accessible, timely, and stimulating introduction to the sociology of gender, *The Kaleidoscope of Gender: Prisms, Patterns, and Possibilities*, Third Edition, provides a comprehensive analysis of key ideas, theories, and applications in this field as viewed through the metaphor of a kaleidoscope. This collection of creative articles by top scholars explains how the complex, evolving pattern of gender is constructed interpersonally, institutionally, and culturally and challenges students to question how gender shapes their daily lives. Like the prior edition, the Third Edition maintains a focus on contemporary contributions to the field while incorporating classical and theoretical arguments to provide a broad framework. Integrating a cross-cultural focus and intersectional inquiry, this unique text/reader vividly illustrates that gender is a malleable continuum of prisms, patterns, and possibilities.
