Fifty Years from the Basement to the Second Floor - Tom Colbert 2023-10-06

In Fifty Years from the Basement to the Second Floor, Tom Colbert, former chief of justice of the Oklahoma Supreme Court, shares his extraordinary life story—a story of resilience, determination, and hope. From his great-great grandmother who, though born into slavery, lived to be over 100 years old to his great grandfather who fought to be enrolled as a member of Creek Tribal Nation to his grandfather who walked over a mile home after being shot in the chest, never giving up no matter how hard the journey was instilled into Tom at a very young age. Born on December 30, 1949, Tom was raised by his mother and grandparents in Sapulpa, Oklahoma, when segregation laws were in effect. In fact, a few days after Tom was born, Ada Lois Sipuel Fisher had just started her second semester as a law student at the University of Oklahoma Law School after fighting for three years to be admitted there, refusing to attend the makeshift “Black-only” law school set up in the basement of the State Capitol. Though racial segregation was deemed unconstitutional in 1954, integration was intentionally delayed in Tom’s town, and he didn’t attend an integrated school until the fall of 1965. Although some teachers at his high school were welcoming, many staff and students were not, and Tom and his friends experienced racism, bigotry, and hatred, despite being star athletes and diligent students. Though he grew up in poverty and a world entrenched in systemic racism as well as dealt with family tragedies, Tom beat impossible odds, proving the naysayers of his youth wrong. He not only worked hard and became an outstanding lawyer, but reached the pinnacle of judiciary—and became the first Black man in Oklahoma to do so. Just like Ada Lois Sipuel Fisher, Tom refused the “basement,” and that noble resistance led him all the way to the second floor of the Oklahoma State Capitol.

Two Little Knights of Kentucky - Annie F. Johnston 2023-07-25

"Two Little Knights of Kentucky" by Annie F. Johnston is a heartwarming children's novel set in the picturesque countryside of Kentucky. The story follows two young cousins, Rob and Jamie, who live on neighboring farms in the beautiful Bluegrass State. Rob and Jamie are best friends, and their adventures take them on a journey of friendship, loyalty, and courage. They spend their days exploring the rolling hills, lush meadows, and horse farms that define their beloved Kentucky home. The novel introduces readers to the charming world of horse racing, a sport deeply ingrained in the culture of the region. The boys' families are involved in horse breeding and racing, and they dream of someday owning their own champion racehorse. As they grow older, Rob and Jamie learn the value of hard work and determination as they help their families with the day-to-day chores on the farm. They also encounter challenges and setbacks, but their resilience and positive attitudes help them overcome obstacles and become stronger individuals. Throughout the story, Rob and Jamie demonstrate admirable traits such as kindness, honesty, and a sense of responsibility. They form unbreakable bonds with their families and their community, and their strong sense of duty leads them to act selflessly when their loved ones need them the most. "Two Little Knights of Kentucky" beautifully captures the spirit of rural life in the late 19th century, painting a vivid picture of a bygone era. The novel celebrates the simple pleasures of childhood, the magic of nature, and the timeless values of honor, integrity, and friendship. Annie F. Johnston's storytelling weaves a tapestry of warmth and

authenticity, making "Two Little Knights of Kentucky" an enchanting tale for young readers. It offers a glimpse into a bygone time and place, where the beauty of Kentucky's landscapes is matched only by the purity of the boys' hearts.

Pretty Good for a Girl - Murphy Hicks Henry 2013-05-01

The first book devoted entirely to women in bluegrass, *Pretty Good for a Girl* documents the lives of more than seventy women whose vibrant contributions to the development of bluegrass have been, for the most part, overlooked. Accessibly written and organized by decade, the book begins with Sally Ann Forrester, who played accordion and sang with Bill Monroe's Blue Grass Boys from 1943 to 1946, and continues into the present with artists such as Alison Krauss, Rhonda Vincent, and the Dixie Chicks. Drawing from extensive interviews, well-known banjoist Murphy Hicks Henry gives voice to women performers and innovators throughout bluegrass's history, including such pioneers as Bessie Lee Mauldin, Wilma Lee Cooper, and Roni and Donna Stoneman; family bands including the Lewises, Whites, and McLains; and later pathbreaking performers such as the Buffalo Gals and other all-girl bands, Laurie Lewis, Lynn Morris, Missy Raines, and many others.

[Honor My Father](#) - Clint Nye 2019-07-31

Honor My Father is a true story of how college men came to the US Navy as reservists, instructed by the officers from Annapolis, and teamed together. It brings their many personal stories of interactions with my dad (Air Defense Commander), serving on two destroyers (USS Bancroft & USS Goodrich) with the naming of their actual crew members. My story honors these silent, humble heroes. Thirty Benson-class destroyers were built from 1938 to 1943 and were the most vulnerable in the sea, protecting the fleet. The officers and crews earned 174 Battle Star Citations, one Presidential Citation and two Navy Unit Commendations posthumously. The last section of my true story about Dad, *Comedy of Adolescence*; describes how as a new professor, working on his Ph.D. this writer entered his teenage years while the two of us moved from the city of Chicago to the small town of Athens, Ohio. After his war experiences, he experienced nothing like the big guns going off in his ear until the hard pounding drums from my new rock and roll band!

Old Ladies Are Antique Little Girls: Memories from an Antique Shop - Egretta Wells 2015-12-22

"Old Ladies Are Antique Little Girls", by Egretta Wells, is a gem of memories from an antique shop. Egretta, with another grandmother, opened a lively little corner antique shop in Okeechobee, Florida, where they met fascinating people from many walks of life. Often humorous, her book is full of laughable incidents, adventures, and a few misadventures of two older ladies who are really antique little girls. Egretta Wells graduated from the University of Tennessee with a BS degree in Art Education, minoring in Fine Art Painting and English. She has owned several retail businesses, while pursuing a career in painting. Egretta and another grandmother found it never too late to open a thriving and fun antique shop in a small town in Florida.

Dry Spell - A.W. Hartoin 2015-02-26

Mercy Watts doesn't believe in ghosts. She might be the only one. When Mercy's best friend, Ellen, shows up in the middle of the night, shaken and afraid. Mercy starts digging for a truth that might not even exist. Is it a mental illness or has the Missouri drought revealed something that could've remained hidden forever?

The Book Woman of Troublesome Creek - Kim Michele Richardson 2019-05-07

RECOMMENDED BY DOLLY PARTON IN PEOPLE MAGAZINE! A NEW YORK TIMES BESTSELLER A USA TODAY BESTSELLER A LOS ANGELES TIMES BESTSELLER The bestselling historical fiction novel from Kim Michele Richardson, this is a novel following Cussy Mary, a packhorse librarian and her quest to bring books to the Appalachian community she loves, perfect for readers of William Kent Kreuger and Lisa Wingate. The perfect addition to your next book club! The hardscrabble folks of Troublesome Creek have to scrap for everything—everything except books, that is. Thanks to Roosevelt's Kentucky Pack Horse Library Project, Troublesome's got its very own traveling librarian, Cussy Mary Carter. Cussy's not only a book woman, however, she's also the last of her kind, her skin a shade of blue unlike most anyone else. Not everyone is keen on Cussy's family or the Library Project, and a Blue is often blamed for any whiff of trouble. If Cussy wants to bring the joy of books to the hill folks, she's going to have to confront prejudice as old as the Appalachians and suspicion as deep as the holler. Inspired by the true blue-skinned people of Kentucky and the brave and dedicated Kentucky Pack Horse library service of the 1930s, *The Book Woman of Troublesome Creek* is a story of raw courage, fierce strength, and one woman's belief that books can carry us anywhere—even back home. Look for *The Book Woman's Daughter*, the new novel from Kim Michele Richardson, out now! Other Bestselling Historical Fiction from Sourcebooks Landmark: *The Mystery of Mrs. Christie* by Marie Benedict *The Engineer's Wife* by Tracey Enerson Wood *Sold on a Monday* by Kristina McMorris

Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Caroline - Nancy R. Robertson 2010

In a small, southern community, the war seemed far away. A few Yankee groups had passed through, but the everyday life of the civilians had not been bothered. Until one day, the community boards cried out with a post that Thomas Williams had been killed. With the news of her beloved's supposed death, Caroline feels overcome with grief. Her war-torn soul can barely continue with her reason for living now gone. Caroline has her own war going on inside to contest with the now tumultuous environment. Should she move on with her life and deal with the pain and loss? Author Nancy Robertson delivers a heartwarming love story and comfort for anyone who has lost their own beloved. In this story of love and survival, will Sweet Caroline find a way to make it through her intense grief?

Kentucky's First Asylum - Alma Wynelle Deese 2012-01-20

Asylums were first established to care for the unfortunates of society. It was only later they acquired a negative image. In *Kentucky's First Asylum*, author Alma Wynelle Deese explores this issue by dissecting the inner workings of the Eastern Kentucky Asylum, Kentucky's first asylum and the second state-supported asylum to be established in the United States. She describes the people who were involved in the creation and maintenance of a medical school, law department, and lunatic asylum in Lexington, Kentucky. Using historical data, Deese presents a fictionalized narrative to explore this institution's history from 1817 to the 1990s including a chapter dedicated to 1906, a pivotal year for Eastern Kentucky Asylum. That year, four employees were charged in the murder of a patient, and this incident set the stage for the past and present history of this facility. *Kentucky's First Asylum* provides a historical understanding of one early asylum that became a state hospital and serves to give broader context for the understanding of the current mental health system. It provides a platform to better comprehend the problems and processes of American psychiatric care.

Raincrow - Joe Watson 2004-11-01

Raincrow is set over 9 decades, spanning past present and the future. It is a roller coaster ride, rich with characters, full of humor, and the highs and lows of everyday life. The story takes us from an orphanage in Firestone, Illinois, to the river town of Flatwater, Nebraska, telling the story of Thomas Raincrow, along with Harley, Eve, Angeline and Big Hat.
