**Domestic Violence in Asia** Emma Fulu 2013-08-15 This book explores changing patterns of domestic violence in Asia. Based on extensive original research in the Maldives, it argues that forces of globalisation, consumerism, Islamism and democratisation are changing the nature of domestic relations, with shifting ideas surrounding gender and Islam being particularly significant. The book points out that domestic violence has been relatively low in the Maldives in comparison with other Asian countries, as a result of, the book argues, a history of relatively equal gender relations, an ideology of masculinity that is associated with calmness and rationality where violence is not considered an acceptable means of dealing with problems, and flexible marriage and divorce practices. The book shows how these factors are being undermined by new ideas which emphasise the need for wifely obedience, increasing gender inequality and the right of husbands to be coercive.

**The Jungle Book** Rudyard Kipling 1920

**Reading Rushdie** M. D. Fletcher 1994 Salman Rushdie is perhaps the most important writer of the present time. His significant and controversial literary interventions in debates on post-colonial culture and contemporary South Asian Islam are matched by the contribution he has made to postmodern literature in the West (culminating in the award to him in 1993 of the twenty-fifth-

anniversary Booker of Bookers prize). This collection of articles focuses on Rushdie's five novels. The context is set by the introduction, *The Politics of Salman Rushdie's Fiction*, which discusses the political stance of Rushdie's fiction, the various influences on his work, and the textual strategies and techniques he employs, for political expression and cultural critique. The postmodern/post-colonial interface, the carnivalesque, and satire are major themes treated here and in the articles that follow, which also provide diverse other perspectives on Rushdie's thought and method. A number of essays have been commissioned specially for this volume. An appendix listing selected writings by Rushdie and articles on the Satanic Verses Affair is followed by a comprehensive bibliography annotating critical studies of Rushdie's work.

**Young Muslim Women in India** Kabita Chakraborty 2015-12-14 This book, based on extensive, original research, details the changing lives of youth living in slum communities (bustees) in Kolkata (formerly Calcutta). Using young people's own photos, art and narratives, the book explores how Muslim girls and young women are contributing to, and impacted by, changing youth culture in India. We are invited into the risky world of mixed-sex dance taking place in clandestine spaces in the slums. We join young people on their journeys to find premarital romance and witness their strategic and savvy risk taking when participating in transgressive aspects of consumer culture. The book reveals how social changes in India, including greater education and employment opportunities, as well as powerful middle class Muslim reform discourses, are impacting youth the very local level. More than just fantasy we see that Bollywood is an important role model which young people consult. By carefully negotiating risks and performing multiple identities inspired by modernity, globalization and, most of all, Bollywood culture, young people actively participate in a changing India and disrupt dominant discourses about slum youth as poor victims who are excluded from social change.

Multilingual Currents in Literature, Translation and Culture Rachael Gilmour 2017-08-23 At a time increasingly dominated by globalization, migration, and the clash between supranational and ultranational ideologies, the relationship between language and borders has become more complicated and, in many ways, more consequential than ever. This book shows how concepts of 'language' and 'multilingualism' look different when viewed from Belize, Lagos, or London, and asks how ideas about literature and literary form must be remade in a contemporary cultural marketplace that is both linguistically diverse and interconnected, even as it remains profoundly unequal. Bringing together scholars from the fields of literary studies, applied linguistics, publishing, and translation studies, the volume investigates how multilingual realities shape not only the practice of writing but also modes of literary and cultural production. Chapters explore examples of literary multilingualism and their relationship to the institutions of publishing, translation, and canon-formation. They consider how literature can be read in relation to other multilingual and

translational forms of contemporary cultural circulation and what new interpretative strategies such developments demand. In tracing the multilingual currents running across a globalized world, this book will appeal to the growing international readership at the intersections of comparative literature, world literature, postcolonial studies, literary theory and criticism, and translation studies.

*The Girl on the Train* Paula Hawkins 2015 THE NUMBER ONE BESTSELLER. YOU DON'T KNOW HER. BUT SHE KNOWS YOU. Now they'll see; she's much more than just the girl on the train...

*Guru English* Srinivas Aravamudan 2011-06-27 *Guru English* is a bold reconceptualization of the scope and meaning of cosmopolitanism, examining the language of South Asian religiosity as it has flourished both inside and outside of its original context for the past two hundred years. The book surveys a specific set of religious vocabularies from South Asia that, Aravamudan argues, launches a different kind of cosmopolitanism into global use. Using "Guru English" as a tagline for the globalizing idiom that has grown up around these religions, Aravamudan traces the diffusion and transformation of South Asian religious discourses as they shuttled between East and West through English-language use. The book demonstrates that cosmopolitanism is not just a secular Western "discourse that results from a disenchantment with religion, but something that can also be refashioned from South Asian religion when these materials are put into dialogue with contemporary social movements and literary texts. Aravamudan looks at "religious forms of neoclassicism, nationalism, Romanticism, postmodernism, and nuclear millenarianism, bringing together figures such as Swami Vivekananda, Sri Aurobindo, Mahatma Gandhi, and Deepak Chopra with Rudyard Kipling, James Joyce, Robert Oppenheimer, and Salman Rushdie. *Guru English* analyzes writers and gurus, literary texts and religious movements, and the political uses of religion alongside the literary expressions of religious teachers, showing the cosmopolitan interconnections between the Indian subcontinent, the British Empire, and the American New Age.

**Becoming a Critical Thinker** Sherry Diestler 2009 La seguridad en el lugar de trabajo y la proteccion ambiental pueden ser promovidas mediante acuerdos sobre las normas, la certificacin y el etiquetado de productos. Esta publicacin ofrece una reseña de las normas que se aplican a los cultivos de exportacin de los pases en desarrollo, en particular los de la agricultura orgnica, el etiquetado relativo al comercio justo, la norma de responsabilidad social SA8000, el Programa para la agricultura sostenible de la Rainforest Alliance, la Iniciativa sobre comercio tico, la norma ISO 14001 y EurepGap. Se proporcionan adems los datos ms recientes sobre los mercados del banano, caf, t y ctricos que llevan la etiqueta de certificacin ambiental o social. La presente obra podr ser de utilidad para los gobiernos, empresas privadas y organizaciones no gubernamentales que enfrentan decisiones complejas en materia de normas sociales y ambientales, certificacin y etiquetado.

Umrao Jan Ada Mirza Muhammad Hadi Ruswa 2018-12-03 Translated from the Urdu by Khushwant Singh. Umrao Jan Ada is perhaps one of the most enigmatic and forgotten female figures in South Asian Literature. The question of her existence, her beauty, her scholarly abilities and her poetic gift

remain a mystery. The book is an account of Umrao's life as a Lucknawi courtesan, a nautch girl, delivered in first person by Umrao herself, and documented by a close friend. Written more than a hundred years ago, the novel recreates the gracious ambience of old Lucknow and takes the reader on a fascinating journey through the palaces of wealthy nawabs, the hideouts of the colorful vagabonds and the luxurious abodes of the city's courtesans.

*Global Dynamics of Shi'a Marriages* Yafa Shanneik 2021-10-15 Muslim marriages have been the focus of considerable public debate in Europe and beyond, in Muslim-majority countries as well as in settings where Muslims are a minority. Most academic work has focused on how the majority Sunni Muslims conclude marriages. This volume, in contrast, focuses on Twelver Shi'a Muslims in Iran, Pakistan, Oman, Indonesia, Norway, and the Netherlands. The volume makes an original contribution to understanding the global dynamics of Shi'a marriage practices in a wide range of contexts--not only its geographical spread but also by providing a critical analysis of the socio-economic, religious, ethnic, and political discourses of each context. The book sheds light on new marriage forms presented through a bottom up approach focusing on the lived experiences of Shi'a Muslims negotiating a diverse range of relationships and forms of belonging.

**Brink** S.L. BHRAPPA 2020-09-15 The English translation of the epic Kannada novel *Anchu* by the renowned author S.L. Bhrappa, *Brink* is a love saga between Somashekhar, a widower, and Amrita, an estranged woman. The novel deliberates on the moral, philosophical, and physical aspects of love between a man and a woman. At the core of the story is compassion, and Somashekhar is the very personification of compassion. He brings love and warmth into Dr Amrita's melancholic life. But time and again, she loses her temper and undergoes swift mood changes. In such times, she inflicts pain and torture on Somashekhar in spite of his sincere love for her. Will Somashekhar be able to help her overcome depression by his perseverance and sacrifice? An enthralling read, the novel has stood the test of time like Bhrappa's other novels. Packed with internal drama, tension, and flashbacks, the book promises to impart an aesthetic experience to the reader.

Rohzin Rahman Abbas 2022-05-16 Mumbai was almost submerged on the fatal noon of 26 July 2005, when the merciless downpour and cloudburst had spread utter darkness and horror in the heart of the city. River Mithi was inundated, and the sea was furious. At this hour of torturous gloom, Rohzin begins declaring in the first line that it was the last day in the life of two lovers, Asrar and Hina. The novel's protagonist, Asrar, comes to Mumbai, and through his eyes the author describes the hitherto-unknown aspects of Mumbai, unseen colours and unseen secrets of the city's underbelly. The love story of Asrar and Hina begins abruptly and ends tragically. It is love at first sight which takes place in the premises of Haji Ali Dargah. The arc of the novel studies various aspects of human emotions, especially love, longing and sexuality as sublime expressions. The emotions are examined, so is love as well as the absence of it, through a gamut of characters and their interrelated lives: Asrar's

relationship with his teacher, Ms Jamila, a prostitute named Shanti and, later, with Hina; Hina's classmate Vidhi's relations with her lover and others; Hina's father Yusuf's love for Aymal; Vanu's indulgence in prostitutes. Rohzin dwells on the plane of an imagination that takes readers on a unique journey across the city of Mumbai, a highly intriguing character in its own right.

*Preeto and Other Stories* Rakhshanda Jalil 2018-09-20 In a world where more women are joining the work force, where ever more are stepping out from their secluded and cloistered world and can be physically seen in larger numbers, this collection seeks to explore how male writers in Urdu view and consequently present or represent the women of their world. In her Introduction, Rakhshanda Jalil traces the history of 'writings on women' by both male and female writers — from the doyens of Urdu literature to contemporary writers dealing with contemporary issues, setting the mood for the stories in this collection and giving the reader a sampler of what to expect in the ensuing pages. The collection includes themes which are timeless as well as topics that are an outcome of the times we live in. Starting with two of the four pillars of the Urdu short story – Rajinder Singh Bedi and Krishan Chandar – who can be credited with introducing a realistic portrayal of women in Urdu fiction, the stories in this volume offer multiple ways of 'seeing' women.

*It Ends with Us* Colleen Hoover 2020-07-28 In this "brave and heartbreaking novel that digs its claws into you and doesn't let go, long after you've finished it" (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of *All Your Perfects*, a workaholic with a too-good-to-be-true romance can't stop thinking about her first love. Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his "no dating" rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is "a glorious and touching read, a forever keeper. The kind of book that gets handed down" (USA TODAY).

*Amglish, in Like, Ten Easy Lessons* Arthur E. Rowse 2011-10-16 One of the world's leading linguists recently wrote: "We may be seeing the birth of a new language as yet without a name." He was referencing the new informal mixture of English and other languages being freely formed around the world, with little effort to conform to prescribed rules of grammar, syntax, or spelling. *Amglish in, Like, Ten Easy Lessons: A Celebration of the New World Lingo*, by Arthur Rowse with illustrations by John Doherty, offers both a name for this new language and an enjoyable guide on how one can learn to use the language through ten easy "lessons." The authors describe how Amglish, or American English influenced by online grammar and syntax, has begun to dominate our global language. Featuring an ironic manual on how to use this developing language, *Amglish* is a light and highly entertaining addition to the recent literature on grammar and punctuation. Illustrated with original drawings throughout, the book shows readers how to improve their Amglish and have fun doing so.

**The Upside of Falling** Alex Light 2020-02-18 A fun, flirty teen debut from Wattpad phenom Alex Light about a fake relationship and real love. Perfect for Jenny Han fans. It's been years since seventeen-year-old Becca Hart believed in true love. But when her former best friend teases her for not having had a boyfriend, Becca impulsively pretends she's been secretly seeing someone. Brett Wells has it all. As captain of the football team and one of the most popular guys in his school, he should have no problem finding someone to date, but he's always been more focused on his future than who to bring to prom. When he overhears Becca's lie, Brett decides to step in and be the

mystery guy. It's the perfect solution: he gets people off his back for not having a meaningful relationship and she can keep up the ruse that she's got a boyfriend. Acting like the perfect couple isn't easy, though, especially when you barely know the other person. But with Becca still picking up the pieces from when her world was blown apart years ago and Brett just barely holding his together now, they begin to realize they have more in common than they ever could have imagined. When the line between what is pretend and what is real begins to blur, they're forced to answer the question: Is this fake romance the realest thing in either of their lives?

Love in the Time of Serial Killers Alicia Thompson 2023-03-30 'Unique, sexy, hilarious, charming...

The true crime is NOT reading this novel!' Ali Hazelwood, author of The Love Hypothesis 'A criminally addictive romance... this book is sheer perfection from beginning to end' Rachel Lynn Solomon, author of The Ex Talk -- Turns out that reading nothing but true crime isn't exactly conducive to modern dating - and one woman is going to have to learn how to give love a chance when she's used to suspecting the worst. PhD candidate Phoebe Walsh has always been obsessed with true crime. She's even analysing the genre in her dissertation - if she can manage to finish writing it. It's hard to find the time while she spends the summer in Florida, cleaning out her childhood home, dealing with her obnoxiously good-natured younger brother, and grappling with the complicated feelings of mourning a father she hadn't had a relationship with for years. It doesn't help that she's low-key convinced that her new neighbour, Sam Dennings, is a serial killer (he may dress business casual by day, but at night he's clearly up to something). But it's not long before Phoebe realises that Sam might be something much scarier - a genuinely nice guy who can pierce her armour to reach her vulnerable heart. What readers are saying about Love in the Time of Serial Killers: 'Do you know when you disappear into a book? You, your surroundings, everything, ceases to exist? This book was that for me' ☐ ☐ ☐ ☐ ☐ 'The cover is gorgeous, and the inside is fun, witty, relatable and so entirely sweet' ☐ ☐ ☐ ☐ ☐ 'This was such an enjoyable read. I really loved the depths given to Phoebe, the way she created walls around herself, the themes were developed organically and believably' ☐ ☐ ☐ ☐ ☐ 'Phoebe is one of the best female protagonists I've read in a long time' ☐ ☐ ☐ ☐ ☐ 'The whole thing made me laugh out loud and smile like an idiot sooo often' ☐ ☐ ☐ ☐ ☐ 'The book was witty and fun, but also thought out and honest' ☐ ☐ ☐ ☐ ☐

I Am Malala Malala Yousafzai 2014-11-13 \*Winner of the 2014 Nobel Peace Prize\* In 2009 Malala Yousafzai began writing a blog on BBC Urdu about life in the Swat Valley as the Taliban gained control, at times banning girls from attending school. When her identity was discovered, Malala began to appear in both Pakistani and international media, advocating the freedom to pursue education for all. In October 2012, gunmen boarded Malala's school bus and shot her in the face, a bullet passing through her head and into her shoulder. Remarkably, Malala survived the shooting. At a very young age, Malala Yousafzai has become a worldwide symbol of courage and hope. Her shooting has sparked a wave of solidarity across Pakistan, not to mention globally, for the right to education, freedom from terror and female emancipation.

chapter focuses on one way of communicating, providing a set of strategies to observe, note, and reflect on context-specific ways of using multiple languages, of sounding, naming, using social media, telling stories, being ironic, and engaging in everyday routines. This approach provides a practical guide without stripping out all the wonder and nuance of language in interaction that originally draws the novice researcher to critical inquiry and makes language relevant to the humans who use it every day. Studying Language in Interaction is not only a practical research guide; it is also a workbook for being in the world in ways that matter, illustrating that any research on language in interaction involves both tricks of the trade and a sustained engagement with humanity. With extensive pedagogical resources, this is an ideal text for advanced undergraduate and graduate students of sociolinguistics, intercultural communication, linguistic anthropology, and education who are embarking on fieldwork projects.
