*Rapture Practice* - Aaron Hartzler 2013-04-09

Sometimes salvation is found in the strangest places: a true story. Aaron Hartzler grew up in a home where he was taught that at any moment the Rapture could happen. That Jesus might come down in the twinkling of an eye and scoop Aaron and his family up to heaven. As a kid, Aaron was thrilled by the idea that every moment of every day might be his last one on planet Earth. But as Aaron turns sixteen, he finds himself more attached to his earthly life and curious about all the things his family forsakes for the Lord. He begins to realize he doesn't want the Rapture to happen just yet--not before he sees his first movie, stars in the school play, or has his first kiss. Eventually Aaron makes the plunge from conflicted do-gooder to full-fledged teen rebel. Whether he's sneaking out, making out, or playing hymns with a hangover, Aaron learns a few lessons that can't be found in the Bible. He discovers that the best friends aren't always the ones your mom and dad approve of, and the tricky part about believing is that no one can do it for you. In this funny and heartfelt coming-of-age memoir, debut author Aaron Hartzler recalls his teenage journey to find the person he is without losing the family that loves him. It's a story about losing your faith and finding your place and your own truth--which is always stranger than fiction.

**Frozen in Time** - Ms.Ly.Ric. 2011-12-01

*Frozen In Time: A Collection of My Thoughts* is a window into the mind of girl searching for love, her place in a world she doesn't fit and most importantly herself. You witness the struggle she goes through involving the ever changing dynamics of her family, the loyalty (and sometimes lack thereof) of friends, the ups,

downs and confusion of relationships, and her perception of herself in comparison to what others see and desire her to be. As with life, Frozen in Time will take you on a roller coaster ride full of joyous highs and painful lows. I wrote this, not as a book in the beginning, but as a therapy to help me get through the most difficult of times in my life. I love to read and many authors have given me stories I relate to. Over the years I was encouraged by many to publish these thoughts for others to enjoy. My goal in this is to let people, who go through the same things I went through, know that they are not alone. Someone else in the world can feel the very pain or struggle you may be going through. There is hope.

"You sound like a white girl." These were the words spoken to

Julissa by a high school crush as she struggled to find her place in America. As a brown immigrant from Mexico, assimilation had been demanded of her since the moment she set foot in San Antonio, Texas, in 1994. She'd spent so much time getting rid of her accent so no one could tell English was her second language that in that moment she felt those words—you sound like a white girl?—were a compliment. As a child, she didn't yet understand that assimilating to "American" culture really meant imitating "white" America—that sounding like a white girl was a racist idea meant to tame her, change her, and make her small. She ran the race, completing each stage, but never quite fit in, until she stopped running altogether. In this dual polemic and manifesto, Julissa dives into and tears apart the lie that assimilation leads to belonging. She combs through history and her own story to break down this myth, arguing that assimilation is a moving finish line designed to keep Black and brown Americans and immigrants chasing racist American ideals. She talks about the Lie of Success, the Lie of Legality, the Lie of Whiteness, and the Lie of English—each promising that if you obtain these things, you will reach acceptance and won't be an outsider anymore. Julissa deftly argues that these demands leave her and those like her in a purgatory—neither able to secure the power and belonging within whiteness nor find it in the community and cultures whiteness demands immigrants and people of color leave behind. In *You Sound Like a White Girl*, Julissa offers a bold new promise: Belonging only comes through celebrating yourself, your history, your culture, and everything that makes you uniquely you. Only in turning away from the white gaze can we truly make America beautiful. An America where difference is celebrated, heritage is shared and embraced, and belonging is for everyone. Through unearthing veiled history and reclaiming her own identity, Julissa shows us how to do this.

[Girls From da Hood 8](#) - Treasure Hernandez  
2013-08-01

Urban Books' popular *Girls From da Hood* series is back, bringing readers more dramatic tales about the lives of some tough, resourceful women who can hold their own when things get rough on the streets. Gabby Davenport spent the

first fifteen years of her life in the suburbs, living a privileged and sheltered existence. When her mother dies unexpectedly, she is forced to move from her middle class neighborhood into Cumberland Projects in Brooklyn. Gabby's life will never be the same. Mika, the queen bee of the projects, doesn't appreciate the arrival of this private-school good girl. Mika and her posse are on a mission to make Gabby's life miserable, and things only get worse when Mika's "friend with benefits" B-Waite decides he wants to make Gabby his girl. Mika is ready to go to war to win back her man, and she doesn't care who she has to take down in the process. Keisha, Shawna, and LaRhonda are best friends forever, as the saying goes. Nothing will tear apart this tight trio—or so they think. When Keisha steps out of her box to become more of her own person, tension builds among the girls. In the eyes of her trusted friends, her lifestyle has become questionable. What happens when her secrets and desires are revealed? Shawna's life is just starting to look up. She's been hired at a major record label, and she's making enough money to move out of the projects for good. When her good news is met by fake smiles, Shawna gets a new perspective on how her girls really feel. LaRhonda sees each of her friends moving up while she's still struggling in the confines of the ghetto. After she gives birth to her second child by the age of eighteen, she feels like her dreams are out of reach. Her growing jealousy isn't easy to hide. What will happen when her misery wants company?

**The School Girl** - Rajesh Aanand 2019-11-16

As soon as my father's car moved away from the door, I ran straight to the phone. "Ankur!" My trembling lips took the name of the heartless. Ankur refused to come to my home and then I started crying in tears. It felt like someone has snatched a glass of water from my thirsty lips. Though I find it surprising now, GOD has created all these things. Well crying, is it worth and tears, even worse than that. But at that moment I felt that God would have made a mistake if he hadn't created tears, and I would have been incomplete. When the sound of my cry hit his ears, the abyss melted. Stuck and said "Okay I am coming but at least you can tell the work. By the way, you should know that I have apologized for my mistake that day. I just made

the excuse of the book and called you. This was my biggest mistake."You come, I'll tell you about the work." "Do you want, your mother to scold me? But, Neelam!" I felt a slight fury in his voice "If you do this then you should take care that you go to school too." Although this was his sheer threat, but I don't know why I didn't feel bad at that time."Mummy is not at home." I made it clear."So Papa?" "No, that's not he either." "Brother?" "Nobody is here. I am alone." "Alone!" He was shocked as if someone had made him realize my intentions "Are you alone at home?" His voice became heavy as if he forgot to swallow the spit "Where have all the people gone?" "Cinema." "Why haven't you gone?" "I don't like the movie." "You are lying, I know you are very interested in films." "Leave all this, you just come." I was getting a rash. In an instant, all the flashback was repeated in my imagination, how Ragini and Shekhar entered the room together in front of me and after spending some time came out with that naughty smile on Ragini's lips. I wish I could completely take the equal feeling of those moments. I could not understand what was going on in my body, which was probably the first time in my life. In a hurry, I changed the receiver of the phone from one ear to another. I don't know why at that time I was not sure that it would be able to hear everything that was going to be said by Ankur. "I will not come, not at all." He slammed the phone. Oops! I got mad after hearing his next sentence. From childhood, until today I had easily got what I wanted. And for what I could not get, I unified and snatched it under any circumstances. This is the case that every time my father's shoulder or his uncultivated wealth would be the basis of my stubbornness. But today I couldn't do anything. By the way, which type of need was it today? I could not think anything neither was able to laugh nor cry, except to call myself evil. How crazy I was that day? If I had gone to Shekhar's room with Ragini, then today I would not have to do all this for a rubbish feeling. Oh! Ragini you are great. You also eat ice-cream and take a gift as well. I was worried about how to explain it to him? How to tell him that nothing is going to spoil him. I thought if I tell that I am alone at home, he will come running here, but I got silly who could not understand such a thing. I called again. I tried to

convince him and wept too, then he melted away. I sent home guards out on the pretext of bringing biscuits. How does money make a human being a pet dog? I was his daughter's age but respected me as if I was his mother. [The Girls' Life \(Volume 1 of 2\) \(EasyRead Super Large 18pt Edition\)](#) -

*Glimpses: Sundown Manor* - Linda van Omme  
2023-03-03

A retirement home is a unique society composed of a mixed bag of, usually elderly, human beings, who may, or may not, have chosen to live together under the same roof, and, many of whom, if they had their druthers, would not have chosen to ever be in such a place at all. In North America, where aging is generally viewed as a deterioration of beauty, rather than as an accumulation of wisdom, they often consider this

all rather a raw deal. Glimpses: Sundown Manor gives you a "glimpse" into the lives of some of these people, and provides a light-hearted peek at how it is possible for such a diverse group of personalities to gradually become a "family".

Masquerade - Jared Fernandez 2019-04-23

Here lies the beginning and the end, a chapter in my life exorcised and expelled. And now in its absence, I am allowed to move forward from that place. In this third piece as the final masquerade, all is revealed. All those that took part in the development of the truth and what was to come are brought forth. There were many pieces to this story as there are to every story. As I moved along trying to fit together every part and piece, I learned much about the people I was acquainted with and the frauds that they are. No one is perfect and I am surely not, but I wasn't ever out to get the individual, regardless of their misdeeds. This is my philosophy for the vanishing ability as I become witness to the

corrupt system that shapes and dwells within. I am done with it all. It has become a distant memory and a segment to be discarded and trashed. It's psychology. It's criminal. And it's what was missing.

**Secret to Attracting Woman: How to Meet Your Perfect Girl and Make Her Beg to Be Your Girlfriend** - Pamela Paul 2012-11

Meeting new girls isn't easy and having the courage to talk to them isn't exactly as simple as it is in the movies. Even then, the shuttering thought of being rejecting is one that most men would try to avoid at all cost. Rejection bounces from left and right and the good ones are usually hard to find. Most men worry about being stuck in the friend zone and other men worry about being straight up rejected without being given a chance to show who they are. In addition, the thought of constantly looking for someone new isn't as pleasing as it sounds, especially when you're too shy to approach them. Though the thought might sound frightening, you have nothing to lose. If you want to know how to attract the woman that you've been interested in then you have to take the first step into talking to her. For the methods that comes afterwards, feel free to look inside this book.
