**All About Love** bell hooks 2018-01-30 A New York Times bestseller and enduring classic, *All About Love* is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. *All About Love* reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided,

she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the "100 Visionaries Who Can Change Your Life." All About Love is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

In this book, Dr. Phillips brings the intimacy of a support group into the reader's private world. Dipping into this book is like dunking cookies in milk with your best friend. You'll share stories from childhood. Take a walk together and then enjoy a peppermint footbath--recipe herein! From shopping trips to poker parties--these stories will inspire you. And make you laugh and make you cry and make you want to call an old friend just because. Or make a play date for an at-home movie night--complete with Parmesan popcorn, recipe within. Dubbed the "antidote to Martha Stewart" by Booklist, Seton delights with her uniquely heartwarming approach to simplifying and slowing down to enjoy each day. Here, she has lovingly organized a guidebook to the joys of "friending" with stories, heirloom recipes, gift ideas, and inspirational quotes. Be inspired to give a friend a handmade cookbook, with room for a growing collection of recipes shared together. Or start an Eyelash Club of your own. Create handmade gifts. Cry--and then laugh--over missing wedding dresses and a St. Joseph statue buried upside down to sell a house. Share spa recipes for scrubs, soaps, and salts. Uncomplicated and eloquent, Susannah Seton has written a touching reminder that friendships are one of the prime ingredients in a life well lived.
