Presents extended reviews of noteworthy books, short reviews, essays and articles on topics and trends in publishing, literature, culture and the arts. Includes lists of best sellers (hardcover and paperback).

Complete Catalog of Plays & Musicals - Dramatic Publishing Company 2006

JFK and the Unspeakable - James W. Douglass 2010-10-19

THE ACCLAIMED BOOK, NOW IN PAPERBACK, with a reading group guide and a new afterword by the author. At the height of the Cold War, JFK risked committing the greatest crime in human history: starting a nuclear war. Horrified by the specter of nuclear annihilation, Kennedy gradually turned away from his long-held Cold Warrior beliefs and toward a policy of lasting peace. But to the military and intelligence agencies in the United States, who were committed to winning the Cold War at any cost, Kennedy's change of heart was a direct threat to their power and influence. Once these dark "Unspeakable" forces recognized that Kennedy's interests were in direct opposition to their own, they tagged him as a dangerous traitor, plotted his assassination, and orchestrated the subsequent cover-up. Douglass takes readers into the Oval Office during the tense days of the Cuban Missile Crisis, along on the strange journey of Lee Harvey Oswald and his shadowy handlers, and to the winding road in Dallas where an ambush awaited the President's motorcade. As Douglass convincingly documents, at every step along the way these forces of the Unspeakable were present, moving people like pawns on a chessboard to promote a dangerous and deadly agenda.

Murder Orthodoxies: A Non-Conspiracist's View of Marilyn Monroe's Death - Donald R. McGovern 2018-05-04

Perhaps no one's death has stirred more interest, controversy, and theories than Marilyn Monroe's August 4 of 1962. In *Murder Orthodoxies*, author Donald R. McGovern analyzes and examines the many theories that Monroe was murdered by a host of curious characters—from the middle Kennedy brothers to brutal gangsters to aliens. McGovern separates fact from fiction and theory from outlandish rumor. He addresses and debunks the usual allegations related to Monroe's death, the secrets recorded in her little red diary, her scheduled whistle-blowing press conference, the murder plots by organized crime and the brothers Kennedy, and the fatal injection of drugs, along with many others. In *Murder Orthodoxies*, McGovern restores logic and sanity to the investigation of Monroe's death. His thesis is based upon the premise that the engines of conspiracies are started and fueled by opinion, not by facts. His credible conclusions are based on logic, science, toxicology, and forensic evidence.

John F. Kennedy - Michael O'Brien 2006-05-16

John F. Kennedy creates an absorbing, insightful and distinguished biography of one of America's most legendary Presidents. While current fashion in Kennedy scholarship is to deride the man's achievements, this book describes Kennedy's strengths, explains his shortcomings, and offers many new revelations. There are many specialized books on Kennedy's career, but no first-class modern biography—one that takes advantage of the huge volume of recent books and articles and new material released by the JFK library. Ten years in the making, this is a

balanced and judicious profile that goes beyond the clash of interpretations and offers a fresh, nuanced perspective.

The Kennedy Heirs - J. Randy Taraborrelli 2019-06-11

From New York Times bestselling author J. Randy Taraborrelli comes *The Kennedy Heirs*, his most revealing Kennedy book yet. A unique burden was inherited by the children of President John Fitzgerald Kennedy and his celebrated siblings, Senators Robert and Ted Kennedy. Raised in a world of enormous privilege against the backdrop of American history, this third generation of Kennedys often veered between towering accomplishment and devastating defeat. In his revelatory new book, acclaimed Kennedy historian J. Randy Taraborrelli draws back the curtain on the next generation of America's most famous family. John Kennedy, Jr.'s life in the public eye is explored, following the Kennedy scion as he faced the challenges posed by marrying his great love, Carolyn Bessette. Riveting new details are shared about the couple's tragic demise—and why Ethel Kennedy advised Carolyn not to take the trip that would ultimately end her life. John's sister, Caroline Kennedy, had her own complicated relationships, including a marriage to Ed Schlossberg that surprised her mother, Jacqueline Kennedy Onassis, and an unexpected bond with her mother-in-law, Mae Schlossberg. Additional stories, many shared here for the first time, illuminate the rest of the Kennedy dynasty: Kara Kennedy, Ted's daughter, and her valiant battle against lung cancer; how Ted's wife, Vicki, introduced a new era of feminism to the Kennedy family; the lifelong struggles with addiction faced by Bobby Kennedy Jr. and Patrick Kennedy; the unexpected way pop star Taylor Swift helped Conor Kennedy heal after the death of his mother, Bobby's wife Mary; and Congressman Joe Kennedy III's rise to prominence. At the center of it all is the family's indomitable matriarch, Ethel Kennedy—a formidable presence with her maddening eccentricities and inspiring courage. Based on hundreds of exclusive first-hand interviews and cultivated over twenty years of research—including numerous Oral Histories from the JFK Library and the Edward M. Kennedy Institute—*The Kennedy Heirs* is an epic drama of ambition, scandal, pride and power.

Women and Human Development - Martha C. Nussbaum 2000

Martha Nussbaum proposes a kind of feminism that is genuinely international.

Chicago Tribune Index - 2002

President Kennedy - Richard Reeves 2011-11-08

President Kennedy is the compelling, dramatic history of JFK's thousand days in office. It illuminates the presidential center of power by providing an in-depth look at the day-by-day decisions and dilemmas of the thirty-fifth president as he faced everything from the threat of nuclear war abroad to racial unrest at home.

JFK's Last Hundred Days - Thurston Clarke 2014-07-29

A revelatory, minute-by-minute account of JFK's final days that asks what might have been Fifty years after his assassination, President John F. Kennedy's legend endures. Noted author and historian Thurston Clarke reexamines the last months of the president's life to show a man in the midst of great change, both in his family and in the key issues of his day: the cold war, civil rights, and Vietnam, finally on the cusp of making good on his extraordinary promise. *JFK's Last Hundred Days* presents a gripping account that weaves together Kennedy's public and private lives, explains why the grief following his assassination has endured so long, and solves the most tantalizing Kennedy mystery of them all—not who killed him but who he was when he was killed and where he would have led us.

New York Magazine - 1993-04-12

New York Magazine was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

The Closing Rounds of the Civil War - Ulysses S. Grant 2011-11-15

Generally regarded as the greatest military memoirs ever written, the

Personal Memoirs of Ulysses S. Grant offer invaluable insights into the political and battlefield conduct of the Civil War. Grant rose from modest circumstances and a failed business career to become Lincoln's indispensable general. On behalf of the Union he prosecuted the war tenaciously and often with audacity; but he had a respect for his opponents, as Americans, that he showed in the large-heartedness of his actions in the war's final days, as chronicled in this excerpt from his Memoirs.

John F. Kennedy's Women: The Story of a Sexual Obsession - Michael O'Brien 2011-12-16

After an initial honeymoon with historians, in recent years John F. Kennedy has been more carefully scrutinized. Michael O'Brien, who knows as much about Kennedy as any historian now writing, here takes a comprehensive look at the feature of Camelot that remained largely under the radar during the White House years: Kennedy's womanizing. Indeed, O'Brien writes, Kennedy's approach to women and sex was near pathological, beyond the farthest reaches of the media's imagination at the time. The record makes for an astonishing piece of presidential history.

The Kennedy Women - Laurence Leamer 1996-09-29

"A FRESH AND UNVARNISHED PORTRAIT OF A FASCINATING, TALENTED, AND DEEPLY FLAWED FAMILY." —Boston Herald Laurence Leamer was granted unheralded access to private Kennedy papers, and he interviewed family and old friends, many of whom had never been interviewed before, for this incredible portrait of the women in America's "royal family." From Bridget Murphy, the foremother who touched shore at East Boston in 1849, to the intelligent, independent Kennedy women of today, Laurence Leamer tells their unforgettable stories. Here are the private thoughts of Kathleen, the flirtatious debutante in prewar England . . . the truth behind Joe Kennedy's insistence that his mildly retarded daughter, Rosemary, be lobotomized . . . the real story behind Joan and Ted's whirlwind romance . . . Jackie's desire for a divorce from JFK in the 1950s . . . Pat Lawford's disastrous Hollywood marriage . . . how Caroline discovered her cousin David's death by overdose, and more. Tough

enough to withstand the unimaginable, these Kennedy women soldier on in the name of their extraordinary family and what they believe is right. "MASTERFUL . . . AN ENDLESSLY FASCINATING READ . . . A wealth of beautifully rendered social detail, at times reading like a realist novel by Edith Wharton . . . [A] page-turner from start to finish." —The Dallas Morning News

Mrs. Kennedy - Barbara Leaming 2011-11-08

New York Times bestselling author Barbara Leaming answers the question: What was it like to be Mrs. John F. Kennedy during the dramatic thousand days of the Kennedy presidency? Here for the first time is the full story of the extravagant interplay of sex and politics that constitutes one of modern history's most spectacular dramas. Drawing from recently declassified top-secret material, as well as revelatory eyewitness accounts, Secret Service records, and Jacqueline Kennedy's personal letters, bestselling biographer Barbara Leaming answers the question: what was it like to be Mrs. John F. Kennedy during the dramatic thousand days of the Kennedy presidency? Brilliantly researched, Leaming's poignant and powerful chronicle illuminates the tumultuous day-to-day life of a woman who entered the White House at age thirty-one, seven years into a complex and troubled marriage, and left at thirty-four after her husband's assassination. Revealing the full story of the interplay of sex and politics in Washington, Mrs. Kennedy will indelibly challenge our vision of this fascinating woman, and bring a new perspective to her crucial role in the Kennedy presidency.

New York Magazine - 1991-10-21

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Kennedy - Thomas Snégaroff 2023-09-13

La vie de John Fitzgerald Kennedy n'a été qu'ombres et lumières ; des

lumières d'un incroyable éclat et des ombres d'une noirceur inquiétante, comme autant de signes d'une destinée tragique. Véritable caméléon, JFK aura toute sa vie admirablement joué le rôle que d'autres lui ont attribué, et en premier lieu son père. Un père à l'ambition dévorante qui, tel un démiurge, façonne les garçons du clan en hommes de pouvoir. Mais JFK n'est pas qu'une simple marionnette : il est doté d'une grande intelligence et d'un charisme hors du commun. Rien ni personne ne lui résiste, surtout pas les femmes. Il transforme le médiocre en excellence, un corps malade en corps triomphant... Grâce à de nouveaux éléments peu connus du public français et refusant tout autant l'idolâtrie que le sensationnalisme, Thomas Snégaroff dresse le portrait sensible d'un homme dont le destin continue, plus d'un demi-siècle après sa mort, de nous fasciner.

Fair Society, Healthy Lives - Michael Marmot 2013

The Cumulative Book Index - 1997

A world list of books in the English language.

Death of the Black Widow - James Patterson 2022-04-19

A stunning stand-alone thriller following a Detroit cop's hunt for a serial

killer like no other, from the bestselling authors of *The Noise*

_____ You never forget your first case. Officer Walter O'Brien is called to a murder scene on his first night with Detroit PD. A terrified young woman has bludgeoned her attacker with shocking skill. She is also a brilliant escape artist. Her flight from police custody makes the case impossible to solve - and, for Walter, impossible to forget. His fascination with the missing, grey-eyed woman approaches obsession. And when Walter discovers that he's not alone in his search, only one thing is certain . . . The string of murders didn't begin in his home city - but he's going to make sure it ends there. _____ 'No one gets this big without amazing natural storytelling talent - which is what Jim has, in spades.' LEE CHILD 'It's no mystery why James Patterson is the world's most popular thriller writer . . . Simply put: nobody does it better.' JEFFERY DEAVER 'Patterson boils a scene down to the single, telling detail, the element that defines a character or moves a plot along. It's what fires off the movie projector in the reader's mind.' MICHAEL CONNELLY 'A writer with an unusual skill at thriller plotting.' MARK LAWSON, GUARDIAN 'James Patterson is The Boss. End of.' IAN RANKIN
