The Family Crucible - Augustus Y. Napier, PhD 2011-10-18

"If you have a troubled marriage, a troubled child, a troubled self, if you're in therapy or think that there's no help for your predicament, *The Family Crucible* will give you insights . . . that are remarkably fresh and helpful."—New York Times Book Review The classic groundbreaking book on family therapy by acclaimed experts Augustus Y. Napier, Ph.D., and Carl Whitaker, M.D. This extraordinary book presents scenarios of one family's therapy experience and explains what underlies each encounter. You will discover the general patterns that are common to all families—stress, polarization and escalation, scapegoating, triangulation, blaming, and the diffusion of identity—and you will gain a vivid understanding of the intriguing field of family therapy.

The List - Joanna Bolouri 2017-07-15

'I would give this book 6 stars if I could!' Amazon reviewer. The runaway bestselling romantic comedy! Phoebe Henderson may be single but she sure doesn't feel fabulous. It's been a year since she found her boyfriend Alex in bed with another woman, and multiple cases of wine and extensive relationship analysis with best friend Lucy have done nothing to help Faced with a new year but no new love, Phoebe concocts a different kind of resolution. The List: ten things she's always wanted to do in bed but has never had the chance (or the courage!) to try. A bucket list for between the sheets. One year of pleasure, no strings attached. Simple, right? Factor in meddlesome colleagues, friends with benefits, getting frisky al fresco and maybe, possibly, true love and Phoebe's got

her work cut out for her. [*Contains adult material*]

Bang Like a Porn Star - Winston Gieseke 2019

Drugs without the hot air - David Nutt 2020-01-16

The dangers of illegal drugs are well known and rarely disputed, but how harmful are alcohol and tobacco by comparison? The issue of what a drug is and how we should live with them affects us all: parents, teachers, users - anyone who has taken a painkiller or drunk a glass of wine. Written by renowned psychiatrist, Professor David Nutt, *Drugs without the hot air* casts a refreshingly honest light on drugs and answers crucial questions that are rarely ever disputed. What are we missing by banning medical research into magic mushrooms, LSD and cannabis? Can they be sources of valuable treatments? How can psychedelics treat depression? *Drugs without the hot air* covers a wide range of topics, from addiction and whether addictive personalities exist to the role of cannabis in treating epilepsy, an overview on the opioid crisis, and an assessment of how harmful vaping is. This new expanded and revised second edition includes even more details on international policies, particularly in the US. David's research has won international support, reducing drug-related harm by introducing policies that are founded on scientific evidence. But there is still a lot to be done.

Accessibly written, this much-awaited second edition is an important

book for everyone that brings us all up to date with the 'war of drugs'.

From Dan Savage, Lindy West, and The Stranger staff comes this hilarious guide to life for college students and beyond. Here is all the information you actually need to know that no one else will tell you including: which majors to avoid, how to not get a STD, everything there is to know about philosophy (in a single paragraph!), what the music you like says about you, how to turn a crush into something more, how to come out (should you happen to be gay), how to binge drink and not die, how do laundry, how to do drugs (and which ones you should never do), good manners, tips on flirting with film nerds, how to write a great sentence, and a state-by-state guide to the U.S. of A. It's all here, along with Dan Savage's very best advice about sex and love. Hi! From the Trade Paperback edition.

Joyful Gay Sex - Sven Rebel 2013-11-01

Every generation discovers gay sex in its own way: new sex symbols, styles and fetishes appear and take the place of old ones; familiar sex practices become less popular, while people love each other in exciting new ways. From the tried and true to the exotic and adventurous, this book offers expert tips and useful tricks to make gay sex an even more joyful experience.

The Ultimate Guide to Anal Sex for Women - Tristan Taormino
2006-01-27

Described by Salon as 'the bible of female anal sex,' *The Ultimate Guide to Anal Sex for Women* is a comprehensive and creative guide to anal pleasure. Tristan Taormino offers the kind of informed reassurance that can encourage even an absolute beginner to explore this nerve-rich part of the body, either alone or with a partner of any gender. Beginning by dispelling common myths about anal eroticism, Taormino goes on to illustrate anatomy, give tips on building trust and communicating desires, providing reliable, easy-to-understand information.

Jay's Gay Agenda - Jason June 2021-06-01

From debut novelist Jason June comes a moving and hilarious sex-positive teen rom-com about the complexities of first loves, first hookups, and first heartbreaks—and how to stay true to yourself while embracing what you never saw coming, that's perfect for fans of Sandhya Menon and Becky Albertalli. There's one thing Jay Collier knows for sure—he's a statistical anomaly as the only out gay kid in his small rural Washington town. While all his friends can't stop talking about their heterosexual hookups and relationships, Jay can only dream of his own firsts, compiling a romance to-do list of all the things he hopes to one day experience—his *Gay Agenda*. Then, against all odds, Jay's family moves to Seattle and he starts his senior year at a new high school with a thriving LGBTQIA+ community. For the first time ever, Jay feels like he's found where he truly belongs. But as Jay begins crossing items off his list, he'll soon be torn between his heart and his hormones, his old friends and his new ones . . . because after all, life and love don't always go according to plan.

The Wonder Down Under - Nina Brochmann 2018-03-06

A joyful and indispensable guide filled with astonishing, important, and little-known information about the vagina that will equip a new generation to make informed choices about their sexual health and happiness. *The Wonder Down Under* is a comprehensive guide to a miraculous and complex part of the body that too few of us (regardless of gender) are all that familiar with--the vagina. With wisdom, humor, and scientific aplomb, medical student Ellen Støkken Dahl and Dr. Nina Brochmann take readers on a fascinating journey of female sexual organs and sexual health--from the clitoris to contraception to cervical cancer. More than a user's manual, this book is the funny, frank tribute to the vagina that we have been waiting for. *The Wonder Down Under* is filled

with astonishing, essential, and little-known information--relayed with both medical expertise and genuine empathy. Did you know, for instance, that female and male sex organs are merely variations on the same basic structure? Or that there's no such thing as a virginity test--because examining the hymen cannot meaningfully indicate whether or not someone's had sex? Brochmann and Dahl have written a tour-de-force about the biology, anatomy, and reality of the female body, examining the many ways in which widespread misinformation and silence about the vagina have been harmful to women over time. *The Wonder Down Under* makes crucial contributions to the discussion: the book was an instant bestseller that sold out in its native Norway in just three days. Since then it has been acquired by publishers in more than two dozen countries around the world. *The Wonder Down Under* is a joyful and indispensable book that will educate readers of all kinds and equip a new generation to make informed choices about their sexual well-being.

My Pleasure - Laura Delarato 2022

MY PLEASURE is an invaluable guide that empowers readers to explore their bodies and cultivate a satisfying sex life, no matter their relationship status. Body positivity advocate and sexual wellness writer Laura Delarato teaches that sexual pleasure is an essential form of self-care, and it starts with loving your body and yourself. With a no-holds-barred approach, this engaging bedside book includes chapters on body image, self-love, solo play, sex toys, and partner play, and explores such topics as how to quiet your inner critic and embrace your body as it is; how to take amazing nudes; how to experiment with different forms of kink; and how to set boundaries in any situation. Brimming with practical tips, sensual activities, and lush visuals throughout, and packaged in a luxe hardcover with a trippy foil effect on the jacket, this inclusive handbook will appeal to readers of *Goop* and *Refinery29*, owners of a *Dame* or *Maude* sex toy, fans of the body positive and sex

positive movements, and anyone who seeks a self-determined, pleasure-filled life.

Sexing the Body - Anne Fausto-Sterling 2020-06-30

Now updated with groundbreaking research, this award-winning classic examines the construction of sexual identity in biology, society, and history. Why do some people prefer heterosexual love while others fancy the same sex? Is sexual identity biologically determined or a product of convention? In this brilliant and provocative book, the acclaimed author of *Myths of Gender* argues that even the most fundamental knowledge about sex is shaped by the culture in which scientific knowledge is produced. Drawing on astonishing real-life cases and a probing analysis of centuries of scientific research, Fausto-Sterling demonstrates how scientists have historically politicized the body. In lively and impassioned prose, she breaks down three key dualisms -- sex/gender, nature/nurture, and real/constructed -- and asserts that individuals born as mixtures of male and female exist as one of five natural human variants and, as such, should not be forced to compromise their differences to fit a flawed societal definition of normality.

The Female Brain - Louann Brizendine 2009-05-04

Accessible, fun and compelling, and based on more than three decades of research, The Female Brain will help women to better understand themselves - and the men in their lives. In this groundbreaking book, Dr Louann Brizendine describes the uniquely flexible structure of the female brain and its constant, dynamic state of change - the key difference that separates it from that of the male - and reveals how women think, what they value, how they communicate, and whom they'll love. She also reveals the neurological explanations behind why... - A woman remembers fights that a man insists never happened... - Thoughts about sex enter a woman's brain perhaps once every couple of days, but may enter a man's brain up to once every minute... - A woman's brain goes on high alert during pregnancy - and stays that way long after giving birth... - A woman over 50 is more likely to initiate divorce than a man... - Women tend to know what people are feeling, while men can't spot an emotion unless someone cries or threatens them with bodily harm!
