*Deviant* Sheridan Anne 2021-05-06 Death is cruel. It's unforgiving and brutal. It robbed me of the life I wanted to live and stole what little hope I had for the future. I was supposed to be something great. I was supposed to have it all ... But a single bullet changed everything. I always thought I'd go down fighting, but instead, I faded away while watching the overwhelming guilt tear through Carver faster than his bullet tore through me. Like I said-death is cruel. King. Cruz. Grayson. Carver. How am I supposed to leave this world knowing what mess I'll be leaving behind? There's a war brewing, and this time, it's personal. I can't die. Not yet. Luckily, a bitch like me doesn't stay down for long. Boys of Winter is a Dark, Enemies to Lovers, Reverse Harem Romance. It contains explicit sexual content, graphic violence, and coarse language.

*Love Hard* Jason Wren 2021-03-17 Most of us have a fundamental misunderstanding of love. We think it is about us. We believe it is about how someone or something makes us feel. When something or someone fails to give us the positive feeling we want, we move on and look for something else. This type of love requires little effort. By making it about us, and how we feel, we miss the many opportunities presented to us every day to have lasting and meaningful impact. To truly love is hard. It is not a feeling, but an action. It requires us to be intentional and outwardly focused on others rather than internally focused on our own feelings. When we love hard, our lives have real, meaningful, lasting, positive

impact on the world around us. In *Love Hard*, Jason Wren uses stories from his and others' lives to show how all of us can learn to love hard and, thus, have significant and lasting impact.

decade, and the last thing I need is to have my world turned upside down by this sexy little smarty with her bleeding heart and her uncanny ability to push all my buttons. So, when the maddeningly persuasive woman manages to somehow goad me into an admittedly entertaining challenge, obviously, I know I should just walk away... But I don't. \* \* \* \* Logan is without a doubt the most fascinating man I've ever met. As far as billionaires go, he's hardly typical. He's practically allergic to the indoors, stubborn to the extreme, and an absolute teddy bear—of the burly, overprotective variety—when it comes to his daughter. I'm well aware that he thinks I'm a bit of a weirdo. And frankly, I'm good with that status quo, especially given our history. The last thing I need is to develop an ill-advised crush on the gorgeous workaholic with his quietly intense charm and his strange ability to make the air seem thinner. So, when the unfairly distracting man manages to Jedi-mind-trick me into letting him set the stakes for our fun little challenge, obviously, I know I should just walk away... But I don't. \* \* \* \* The HARD, FAST, AND FOREVER Series- Book 1: Bare Ass in Love (Jason & Summer)- Book 2: Hard Ass in Love (Logan & Nicole)- Book 3: Gruff Ass in Love (Cade & Katelyn)\*\*\*Previously titled Work Me Up - same fun story, just with a fresh title/cover makeover\*\*\*

**Amar a la Gente Que Es Muy Difícil de Amar** Joyce Meyer 2022-09-13 ¿Cómo amas a las personas en tu vida que son difíciles de amar? Nunca podremos evitar que la gente diga o haga cosas que hieren nuestros sentimientos. Siempre tendremos oportunidades de ofendernos. Pero si hacemos las cosas a la manera de Dios, podemos optar por ahorrarnos mucha miseria y dificultades. Esto no significa que permitamos que la gente abuse de nosotros. No, hay un tiempo para confrontar a la gente y lidiar con las situaciones. Sin embargo, la Biblia nos ordena amar a nuestros enemigos y perdonar a quienes nos han hecho daño, incluso cuando parece imposible. Todo lo que el Señor nos pide que hagamos en la Biblia es, en última instancia, para nuestro bien. De hecho, cuando elegimos amar a nuestros enemigos y perdonar a quienes nos han lastimado, en realidad nos estamos ayudando a nosotros mismos más que a nadie. Porque cualquier cosa que el Señor nos mande hacer, Él nos dará el poder del Espíritu Santo para lograrlo, ¡y eso incluye amar y ser buenos con las personas difíciles! El amor de Dios que fluye a través de nosotros es lo suficientemente fuerte como para derretir incluso los corazones más duros, así que usa la bondad como un arma para vencer la mezquindad de las personas.

*Hard to Love* Briallen Hopper 2019-02-05 A sharp and entertaining essay collection about the importance of multiple forms of love and friendship in a world designed for couples, from a laser-precise new voice. Sometimes it seems like there are two American creeds, self-reliance and marriage, and neither of them is mine. I experience myself as someone formed and sustained by others' love and patience, by student loans and stipends, by the kindness of strangers. Briallen Hopper's *Hard to Love* honors the categories of loves and relationships beyond marriage, the ones that are often treated as invisible or seen as secondary--friendships, kinship with adult siblings, care teams that form in times of illness, or various alternative family formations. She also values difficult and amorphous loves like loving a challenging job or inanimate objects that can't love you back. She draws from personal experience, sharing stories about her loving but combative family, the fiercely independent Emerson scholar who pushed her away, and the friends who have become her invented or found family; pop culture touchstones like the Women's March, John Green's *The Fault in Our Stars*, and the timeless series *Cheers*; and the work of writers like Joan Didion, Gwendolyn Brooks, Flannery O'Connor, and Herman Melville (*Moby-Dick* like you've never seen it!). *Hard to Love* pays homage and attention to unlikely friends and lovers both real and fictional. It is a series of love letters to the meaningful, if underappreciated, forms of intimacy and community that are tricky, tangled, and tough, but ultimately sustaining.
