Kimi ni Todoke: From Me to You, Vol. 4 - Karuho Shiina 2012-04-30

Kurumi's got it all--looks, popularity and friends. But underneath Kurumi's friendly exterior is a manipulative girl who'll do anything to get what she wants! And she wants Kazehaya! Will Kurumi's plotting drive Kazehaya and Sawako apart, or will it instead draw them even closer together? -- VIZ Media

Pink Globalization - Christine Reiko Yano 2013-04-29

Tracing the global circulation and consumption of Hello Kitty, Christine R. Yano analyzes the spread of Japanese "cute-cool" culture, which she sees as combining kitsch with an ironic self-referentiality.

Moral Sentiments and Material Interests - Professor Emeritus of Economics University of Massachusetts and Adjunct Professor Department of Politics Herbert Gintis 2005 Moral Sentiments and Material Interests presents an innovative synthesis of research in different disciplines to argue that cooperation stems not from the stereotypical selfish agent acting out of disguised self-interest but from the presence of "strong reciprocators" in a social group. Presenting an overview of research in economics, anthropology, evolutionary and human biology, social psychology, and sociology, the book deals with both the theoretical foundations and the policy implications of this explanation for cooperation. Chapter authors in the remaining parts of the book discuss the behavioral ecology of cooperation in humans and nonhuman primates, modeling and testing strong reciprocity in economic scenarios, and reciprocity and social policy. The evidence for strong reciprocity in the book includes experiments using the famous Ultimatum Game (in which two players must agree on how to split a certain amount of money or they both get nothing.)

Dragon Ops - Mari Mancusi 2020-05-12

From the beloved author of *The Once and Future Geek* comes this action-packed adventure set in a futuristic world filled with magic, monsters, and high-tech video gaming. One wrong move, and it's game over. Welcome to *Dragon Ops*, the world's first augmented-reality video-game theme park. Set on a once-deserted island, our three beta players—classic gamer geek Ian; his adventure-seeking sister, Lily; and their too-cool-for-gaming cousin, Derek—have been lucky enough to score an invite to play before the fully immersive experience opens to the public. But once inside, they find themselves trapped in a game taken over by a rogue AI dragon called Atreus, and suddenly the stakes go beyond the virtual world. With no cheat codes, guidebooks, save points, or do-overs, they'll need all their cunning and video-game hacks to beat the game . . . and survive in real life. Action-packed and unputdownable, *Dragon Ops* will thrill gamers and reluctant readers alike with high-tech adventure and electrifying twists and turns. [No love no fear - 3 - Yano & Play](#) - Angel Arekin 2017-11-02

Rine et Yano ont décidé de s'affranchir du passé pour vivre pleinement leur idylle amoureuse. Alors que l'heure du mariage approche, de nouvelles épreuves ébranlent la confiance qu'ils ont l'un en l'autre. Entre jalousies naissantes et l'irruption du père de Yano dans leur vie, leurs vieux démons se réveillent. L'équilibre qu'ils avaient tenté de maintenir se brise et Yano commet l'irréparable. Mais puisqu'ils n'obéissent qu'à la loi du jeu, Rine lui lance un dernier défi. La partie peut commencer ! Et cette fois-ci, qui en sera le maître ?

Prosthetic Joint Infections - Trisha Peel 2017-11-28

This book outlines the most updated clinical guidelines that are vital for the prevention infections and care of patients with joint infections following a replacement surgery, one of the highest volume medical interventions globally. Sections address the diagnosis, management approaches and prevention of

prosthetic joint infections. Written by experts in the field, this text provides a brief overview of the literature and current recommendations in each of the specified areas. Given the rapidly evolving state-of-play in this clinical area, this compendium grows increasingly important to clinicians in their management decisions. Prosthetic Joint Infections is a valuable resource for infectious disease specialists, epidemiologists, surgeons, and orthopedic specialists who may work with patients with prosthetic joint infections.

No-No Boy - John Okada 2014-08-01

"No-No Boy has the honor of being among the first of what has become an entire literary canon of Asian American literature," writes novelist Ruth Ozeki in her new foreword. First published in 1957, No-No Boy was virtually ignored by a public eager to put World War II and the Japanese internment behind them. It was not until the mid-1970s that a new generation of Japanese American writers and scholars recognized the novel's importance and popularized it as one of literature's most powerful testaments to the Asian American experience. No-No Boy tells the story of Ichiro Yamada, a fictional version of the real-life "no-no boys." Yamada answered "no" twice in a compulsory government questionnaire as to whether he would serve in the armed forces and swear loyalty to the United States. Unwilling to pledge himself to the country that interned him and his family, Ichiro earns two years in prison and the hostility of his family and community when he returns home to Seattle. As Ozeki writes, Ichiro's "obsessive, tormented" voice subverts Japanese postwar "model-minority" stereotypes, showing a fractured community and one man's "threnody of guilt, rage, and blame as he tries to negotiate his reentry into a shattered world." The first edition of No-No Boy since 1979 presents this important work to new generations of readers.

Yanomami - Rob Borofsky 2005-01-31

Yanomami raises questions central to the field of anthropology - questions concerning the practice of fieldwork, the production of knowledge, and anthropology's intellectual and ethical vision of itself. Using the Yanomami controversy - one of anthropology's most famous and explosive imbroglios - as its starting point, this book

considers how fieldwork is done, how professional credibility and integrity are maintained, and how the discipline might change to address central theoretical and methodological problems. Both the most up-to-date and thorough public discussion of the Yanomami controver.

The Falling Sky - Davi Kopenawa 2013-11-15

Anthropologist Bruce Albert captures the poetic voice of Davi Kopenawa, shaman and spokesman for the Yanomami of the Brazilian Amazon, in this unique reading experience--a coming-of-age story, historical account, and shamanic philosophy, but most of all an impassioned plea to respect native rights and preserve the Amazon rainforest.

Machiavelli - Patrick Boucheron 2020-09-03

"Wise, witty, razor-sharp" Stephen Greenblatt, author of *The Swerve: How the Renaissance Began* Interested in Machiavelli? That may be a bad sign. We always turn to Machiavelli at crisis points in history - he is the philosopher for dark times. But what do we really know about this man? Is there more to his work than that perennial term for political evil, Machiavellianism? In this concise, elegant book, Patrick Boucheron undoes many assumptions about this most complex of figures. By honing in on Machiavelli's role in the political life of his own time, Boucheron shows how his thought remains essential to understanding not only how authoritarianism works, but also how it can be fought.

Clap When You Land - Elizabeth Acevedo 2020-05-05

The stunning New York Times bestselling novel from the 2019 Carnegie Medal winning, Waterstones Book Prize shortlisted author of *THE POET X*. 2020 Goodreads Choice Award Winner of CLAP WHEN YOU LAND. Camino Rios lives for the summers when her father visits her in the Dominican Republic. But this time, on the day when his plane is supposed to land, Camino arrives at the airport to see crowds of crying people... In New York City, Yahaira Rios is called to the principal's office, where her mother is waiting to tell her that her father, her hero, has died in a plane crash. Separated by distance - and Papi's secrets - the two girls are forced to face a new reality in which their father is dead and their lives are forever altered. And then,

when it seems like they've lost everything of their father, they learn of each other. In a dual narrative novel in verse that brims with both grief and love, award-winning and bestselling author Elizabeth Acevedo writes about the devastation of loss, the difficulty of forgiveness, and the bittersweet bonds that shape our lives.

Music on the Move - Danielle Fosler-Lussier
2020-06-10

Music is a mobile art. When people move to faraway places, whether by choice or by force, they bring their music along. Music creates a meaningful point of contact for individuals and for groups; it can encourage curiosity and foster understanding; and it can preserve a sense of identity and comfort in an unfamiliar or hostile environment. As music crosses cultural, linguistic, and political boundaries, it continually changes. While human mobility and mediation have always shaped music-making, our current era of digital connectedness introduces new creative opportunities and inspiration even as it extends concerns about issues such as copyright infringement and cultural appropriation. With its innovative multimodal approach, *Music on the Move* invites readers to listen and engage with many different types of music as they read. The text introduces a variety of concepts related to music's travels—with or without its makers—including colonialism, migration, diaspora, mediation, propaganda, copyright, and hybridity. The case studies represent a variety of musical genres and styles, Western and non-Western, concert music, traditional music, and popular music. Highly accessible, jargon-free, and media-rich, *Music on the Move* is suitable for students as well as general-interest readers.

Anorexia and Bulimia Nervosa - Hubertus Himmerich 2019-10-02

The prevalence of eating disorders such as anorexia and bulimia nervosa is growing, and these disorders are affecting adolescents and young adults at increasingly younger ages. This has led to a greater number of patients presenting to health services. Although novel therapeutic approaches have been introduced in recent decades, the mortality rates of patients with anorexia and bulimia nervosa remain alarmingly high. The course of anorexia nervosa

in particular is often chronic and can lead to persistent disability. This book covers the clinical features and symptoms, neurobiology, pathophysiology, and current and potential future treatment options for both anorexia and bulimia nervosa. It also highlights the important aspects of support for families and their perspectives on these disorders.

The Good Dog - Avi 2001-10

In the Colorado mountain town of Steamboat Springs there must be three hundred dogs. Jack's malamute, McKinley, is the leader of them all. But Jack, being human, has no way of knowing that. For him, his family's dog is just a great pal. And protector. Jack cannot know that Redburn, a "leash-licking" Irish setter, is McKinley's rival for the job of head dog. The boy cannot know, with the sudden hillside appearance of a she-wolf, Lupin, that not only McKinley's job -- but his life -- is in danger. Lupin's message: Dogs free yourselves from mankind. Come join us, we who need you to replenish our diminishing wolf pack in the wild. But imagine how a good dog, loyal to his human pup, would hear Lupin's call! McKinley's thrilling story tells itself, as first he and the boy together encounter Lupin in a canyon perfect for an old-time ambush, and later as they try to save her from both Redburn and a neighbor, a vicious man armed with a gun and a grudge. No one -- not even McKinley -- can foresee the end.

Emotion, Place and Culture - Dr Joyce Davidson 2012-11-28

Recent years have witnessed a rapid rise in engagement with emotion and affect across a broad range of disciplines in the humanities and social sciences, with geographers among others making a significant contribution by examining the emotional intersections between people and places. Building on the achievements of *Emotional Geographies* (2005), the editors have brought together leading scholars such as Nigel Thrift, Alphonso Lingis and Frances Dyson as well as young, up and coming academics from a diverse range of disciplines to investigate feelings and affect in various spatial and social contexts, environments and landscapes. The book is divided into five sections covering the themes of remembering, understanding, mourning, belonging, and enchanting.

Transformations of Sensibility - Hideo Kamei

2021-01-19

First published in Japan in 1983, this book is now a classic in modern Japanese literary studies. Covering an astonishing range of texts from the Meiji period (1868–1912), it presents sophisticated analyses of the ways that experiments in literary language produced multiple new—and sometimes revolutionary—forms of sensibility and subjectivity. Along the way, Kamei Hideo carries on an extended debate with Western theorists such as Saussure, Bakhtin, and Lotman, as well as with such contemporary Japanese critics as Karatani Kojin and Noguchi Takehiko. *Transformations of Sensibility* deliberately challenges conventional wisdom about the rise of modern literature in Japan and offers highly original close readings of works by such writers as Futabatei Shimei, Tsubouchi Shoyo, Higuchi Ichiyo, and Izumi Kyoka, as well as writers previously ignored by most scholars. It also provides a new critical theorization of the relationship between language and sensibility, one that links the specificity of Meiji literature to broader concerns that transcend the field of Japanese literary studies. Available in English translation for the first time, it includes a new preface by the author and an introduction by the translation editor that explain the theoretical and historical contexts in which the work first appeared.

Is it Love? Carter Corp. Gabriel - Angel

Arekin 2021-04-07

Ashley is about to start her new dream job at

Carter Corporation, a prominent Manhattan firm, and is running late on her very first day when she crosses paths with an insufferable man who causes her to lose both precious time and her patience. When she shows up at the office more than an hour late, she is introduced to her boss... who is none other than the man responsible for her tardiness! He takes a nasty pleasure in sewing doubt in her mind as to whether or not she has a future with Carter Corp., which kicks off a pattern of seduction and provocation between the two.

Through a Quiet Window - 2019

Steve Jansen has held a long-standing interest in photography. *Through A Quiet Window* presents a selection of photographs produced in the late 1970s and early 1980s when Jansen was active with the alternative English band, Japan. The book offers a unique glimpse into the world, as seen through the eyes of a critically-acclaimed musician over a career spanning more than four decades. Produced originally as a soft cover smaller book in Japan only this is a new and updated version with many new and unseen images. Hardcover book printed onto star dream, 290x220mm, 240 inner pages, full colour print onto 170gsm white stock. Despite travelling the world, monuments and buildings weren't something I needed to document because they would always be there. What I felt mattered was the relatively short lives that were shining bright in the foreground, naturally projecting themselves out of the everyday. I prefer images that are naturally lit, so that the atmosphere of ambient light is maintained
