 What's a duke to do, when the girl who's perfectly wrong becomes the woman he can't live without? Griffin York, the Duke of Halford, has no desire to wed this season—or any season—but his diabolical mother abducts him to "Spinster Cove" and insists he select a bride from the

ladies in residence. Griff decides to teach her a lesson that will end the marriage debate forever. He chooses the serving girl. Overworked and struggling, Pauline Simms doesn't dream about dukes. All she wants is to hang up her barmaid apron and open a bookshop. That dream becomes a possibility when an arrogant, sinfully attractive duke offers her a small fortune for a week's employment. Her duties are simple: submit to his mother's "duchess training"... and fail miserably. But in London, Pauline isn't a miserable failure. She's a brave, quick-witted, beguiling failure—a woman who ignites Griff's desire and soothes the darkness in his soul. Keeping Pauline by his side won't be easy. Even if Society could accept a serving girl duchess—can a roguish duke convince a serving girl to trust him with her heart?

Bombshell - Sarah MacLean 2021-08-24
 'I loved it' ELOISA JAMES 'Smart, sexy, and always romantic' JULIA QUINN 'For a smart, witty and passionate historical romance, I recommend anything by Sarah MacLean' LISA KLEYPAS New York Times bestselling author Sarah MacLean returns with a blazingly sexy, unapologetically feminist new series, Hell's Belles, beginning with a bold, bombshell of a heroine, able to dispose of a scoundrel - or seduce one - in a single night. Sometimes the best gentleman for the job is a lady. After years of living as London's brightest scandal, Lady Sesily Talbot has embraced the reputation and the freedom that comes with the title. No one looks twice when she lures a gentleman into the dark gardens beyond a Mayfair ballroom...and no one realizes those trysts are not what they seem. No one, that is, but Caleb Calhoun, who has spent years trying not to notice his best friend's beautiful, brash, brilliant sister. If you ask him, he's been a saint about it, considering the way she looks at him...and the way she talks to him...and the way she'd felt in his arms during their one ill-advised kiss. Except someone has to keep Sesily from tumbling into trouble during her dangerous late-night escapades, and maybe close proximity is exactly what Caleb needs to get this infuriating, outrageous woman out of his system. But now Caleb is the one in trouble, because he's fast realizing that Sesily isn't for forgetting...she's forever. And forever isn't something he can risk. Eleven Scandals to Start to Win a Duke's Heart - Sarah MacLean 2012-03-01

'Fabulous' Eloisa James 'Smart, sexy, and always romantic' Julia Quinn 'For a smart, witty and passionate historical romance, I recommend anything by Sarah MacLean' Lisa Kleypas She lives for passion. Bold, impulsive, and a magnet for trouble, Juliana Fiori is no simpering English miss. She refuses to play by society's rules: she speaks her mind, cares nothing for the approval of the ton, and can throw a punch with remarkable accuracy. Her scandalous nature makes her a favorite subject of London's most practiced gossips . . . and precisely the kind of woman the Duke of Leighton wants far far away from him. He swears by reputation. Scandal is the last thing Simon Pearson has room for in his well-ordered world. The Duke of Disdain is too focused on keeping his title untainted and his secrets unknown. But when he discovers Juliana hiding in his carriage late one evening - risking everything he holds dear - he swears to teach the reckless beauty a lesson in propriety. She has other plans, however; she wants two weeks to prove that even an unflappable duke is not above passion. A Duke Worth Falling For - Sarah MacLean

Her career in tatters, celebrity photographer Lilah Rose needs somewhere to regroup and start fresh, outside of the spotlight. There's nowhere better to hide than the English countryside, complete with fluffy sheep, rolling hills...and Max, the stern, sexy farmer who tends to them. But the lazy days and lush nights with Max aren't as far from the spotlight as Lilah thinks. He isn't simply a farmer—he's also a duke: young, handsome and powerful...and too aware of how a title can dazzle, making the man inside invisible. What's the harm in playing the farmer for a while? After all, Lilah isn't staying... Soon, Max is imagining just that, though--wondering what it would be like to have her on his land, in his life, in his bed forever. For that, he's going to need to tell her the truth...and hope he can convince her that he's a duke worth falling for.
