Cowboy Sawyer Garrett has no intention of settling down. But when he becomes a single dad to tiny baby June, stepping up to the responsibility is nonnegotiable. And so is finding a woman to be a mother to his infant daughter.

So he decides to do it the way the pioneers did: by putting out an ad for a mail-order bride. Evelyn Moore can't believe she's agreed to uproot her city life to marry a stranger in Oregon. But having escaped one near-disastrous marriage, she's desperate for change. Her love for baby June is instant. Her feelings for Sawyer are...more complicated. Her gruff cowboy husband ignites thrilling desire in her, but Sawyer is determined to keep their marriage all about the baby. But what happens if Evelyn wants it all? Bundle of Love - Erin Wright 2018-08-18

The love he needs might be the last thing he expects... Adam Whitaker has loved and lost more times than he can count. His father died before he was born, and then a tragic accident stole his high school sweetheart from him. But as the town's vet and the director of an equine therapy camp, life is going great nowadays. All right, fine - it's plenty stressful, and at the end of the day, it's also turning out to be plenty lonesome. And then, in strolls Kylie VanLueven, his very new and very pretty receptionist. The first time he met Kylie, she was just a kid. Now, she's all grown up, with curves in all the right places. She's doing a good job at the clinic, but he won't ever let it be more than that, despite the longing she stirs in him. Besides, he's sure that she's hiding a secret... The secret she carries won't stay secret for long... Kylie has come home to Sawyer on the heels of a bad

break up. She kicked the abusive loser to the curb to protect herself and, more importantly, her unborn child. The job she takes at the vet clinic is just supposed to be a way to pay her bills. She never expects Adam Whitaker to be so handsome, so kind and so exasperating, too. The way he looks at her with his whiskey colored eyes? It makes her heart race, while his touch and gentle teasing make her yearn for more. But she never imagined the danger from her past would come looking for her and her unborn baby... Bundle of Love is the seventh novel in the Long Valley series, although all books in the Long Valley world can be read as standalones. It has some strong language, and oh my, sexy times. Enjoy!

Blizzard of Love - Erin Wright 2017-07-26

A country boy who hates Christmas for a reason, dammit ... When Luke Nash runs into Stetson Miller down at the feed store, he never expects his friend to strong-arm him into spending Christmas at the Miller farm. Luke has no patience for Christmas cheer or Yuletide song. And the rugged cowboy definitely has no desire to kiss a girl under the mistletoe. No matter how infuriatingly pretty she might be. A city girl who loves Christmas ... Bonnie Patterson adores Christmas, so when her best friend Jennifer invites her to spend Christmas at the Miller farm, she jumps at the chance. When she sets out for the snowy country town, she has visions dancing in her head of cozy nights by a crackling fire, not of a hot cowboy with an ice-cold heart. The Storm of the Century... Instead of a peaceful holiday in the country, Bonnie gets stranded at the Miller farm by a blizzard. Even worse, she's snowed-in with Luke, an arrogant, impossible, but damn sexy cowboy. When the fly sparks, will two people who are oh-so-different find their

own Christmas miracle? *Blizzard of Love* is the second novella in the Long Valley world, although all books in the Long Valley world can be read as standalones. This is a sweeter romance with minimal sex and mild language. Enjoy!

A former cowboy and a beautiful historian find their future on a California ranch in this contemporary romance by the New York Times bestselling author. Chase Morgan high-tailed it away from ranching life as soon as possible. But running a successful technology company can't erase the memories, or secrets, of his youth. Coming home to help his Grandma Ruth may finally put some ghosts to rest—if he can just get a certain smart, beautiful houseguest out of his business. But getting her out of his head is proving even more difficult... Determined to save the Morgan ranch, historian January Mitchell has pinned her hopes on the surprisingly

rugged, surprisingly likable, and exasperatingly stubborn Chase. Surely his love of this breathtaking, mysterious land runs deep enough that he'll once again embrace his inner cowboy. Or maybe, despite both of their skittish hearts, she'll find a way to get him back in the saddle...any which way she can. "If you love cowboys—and who doesn't—you'll love the Morgans!"—Cora Seton, New York Times bestselling author

Returning for Love - Erin Wright 2017-11-20

The love of a lifetime, lost but never forgotten... If he could turn back time, Declan would do things differently. For one, he would've never let go of Iris Blue McLain, the only woman he's ever loved. Fifteen long and lonely years, and the ache in his heart is as painful as ever. When he sees her for the first time since they parted, she's every bit as pretty as she was years ago. No, she's even prettier. From across the crowded room, she steals his breath. Same silken, flame-colored hair. Same summer-blue eyes and almost the same smile, only now, there's a hint of sadness. But when he asks her to dance, she wastes no time giving him the

brush off. She'll protect her heart, no matter the cost... The years haven't been kind to Iris. It all started when Declan broke up with her, leaving her heart shattered. After her car wreck, things went from bad to worse. Now, to top it all off, Declan strolls back into her life, acting like he's got a right to be there. She can't risk a second heartbreak. But some things never change, like the way his eyes remind her of his slow seduction, or his work-roughened hands that promise a gentle caress. For a moment, the years melt away and Iris wonders if she and Declan might have a second chance. But time can't heal all wounds, and for two broken people, the secrets of the past threaten to break them once again. King's Country - Marie Johnston 2021-06-07
Our families have feuded for years, but when I get myself hurt during a winter storm, Dawson King rides in like a cowboy Prince Charming and tucks me into his bed until I get better. It's suddenly hard to remember why I don't like him. From Marie Johnston comes an enemies to lovers, small town romance. Dawson King's mom died because of my dad's poor decisions, and ever since, I've been at the bottom of the King Ranch manure pile. Years later, our circumstances couldn't be more different. I'm left running my decrepit ranch, and he's right next door, in his big house, with his fat and happy cattle, and he sneaks treats to my horse.

Everyone in town loves him while hating me is their favorite game. Yet when I get hurt in the middle of a snow storm, he's the only one there to help me. When I'm recovering at his place, he takes care of me, and I start to forget the resentment between us and remember the friendship we had as kids. He treats me like he sees beyond my caustic personality and the high emotional barriers I've erected thanks to my rough upbringing. What I don't know is that he's hiding a secret that gives him millions of reasons behind his motivation to get close to me. The clock is ticking for Dawson and his generous trust fund, and if I don't succumb to his intoxicating charm, I'll end up back in the hovel I came from with a broken heart. But if I fall hard, I'm not sure if he'll have a reason to be there to catch me. King's Country is a standalone novel in the Oil Kings series. I'm Your Girl - J.J. Murray 2010-03-01

For public library clerk Diane Anderson, reading romance novels and living vicariously is far easier than attracting a flesh-and-blood man of her own. It seems she's too voluptuous in the wrong places to attract the kind of black man her mama requires as a son-in-law. . .and just exotic enough to attract the kind of white man Mama forbids. But there's something about that lost-looking guy who comes into the library one afternoon. And when he reveals that Diane is his muse, well, she can't help being intrigued. . .

After months spent mourning a personal tragedy, novelist Jack Browning is struggling to get back to work. Under pressure to write his second novel, Jack hits the library for ideas. The clerk who helps him is smart, sassy--and curvy in all the right places. He finds himself thinking of Diane as he creates the heroine of his book. And soon, she's knocking down the wall he'd built around himself, becoming the inspiration for his art. . .and maybe even for his life. . . "Murray writes a gentle romance about cultural differences and deep commonalities in a unique tale about white-black relationships." --Booklist *Brides of Weber Valley [LARGE PRINT]* - Charity Phillips 2020-11-10
