

Pick Up Lines For Crush Khmer

Murder of a Gentle Land - John Barron 1977

Atlas Shrugged - Ayn Rand 2010

The story of a man who said he would stop the motor of the world--and did. This novel is the setting for the author's philosophy of objectivism.

The First Vietnam War - Shawn F. McHale 2021-08-26

Shawn McHale explores why the communist-led resistance in Vietnam won the anticolonial war against France (1945–54), except in the south. He shows how broad swaths of Vietnamese people were uneasily united in 1945 under the Viet Minh Resistance banner, all opposing the French attempt to reclaim control of the country. By 1947, resistance unity had shattered and Khmer-Vietnamese ethnic violence had divided the Mekong delta. From this point on, the war in the south turned into an overt civil war wrapped up in a war against France. Based on extensive archival research in four countries and in three languages, this is the first substantive English-language book focused on southern Vietnam's transition from colonialism to independence.

World Report 2018 - Human Rights Watch 2018-01-30

The human rights records of more than ninety countries and territories are put into perspective in Human Rights Watch's signature yearly report. Reflecting extensive investigative work undertaken in 2016 by Human Rights Watch staff, in close partnership with domestic human rights activists, the annual World Report is an invaluable resource for journalists, diplomats, and citizens, and is a must-read for anyone interested in the fight to protect human rights in every corner of the globe.

Regions and Powers - Barry Buzan 2003-12-04

This book develops the idea that since decolonisation, regional patterns of security have become more prominent in international politics. The authors combine an operational theory of regional security with an empirical application across the whole of the international system. Individual chapters cover Africa, the Balkans, CIS Europe, East Asia, EU Europe, the Middle East, North America, South America, and South Asia. The main focus is on the post-Cold War period, but the history of each regional security complex is traced back to its beginnings. By relating the regional dynamics of security to current debates about the global power structure, the authors unfold a distinctive interpretation of post-Cold War international security, avoiding both the extreme oversimplifications of the unipolar view, and the extreme deterritorialisations of many globalist visions of a new world disorder. Their framework brings out the radical diversity of security dynamics in different parts of the world.

Star Wars: The High Republic: Race to Crashpoint Tower - Daniel José Older 2021-06-29

The Republic Fair is coming! While his fellow Valons prepare for the fair, Jedi Padawan Ram Jomaram is hiding out in his favourite place: a dingy garage filled with mechanical parts and tools. But when an alarm goes off on the nearby hilltop, he ventures out with his trusty droid V-18 to investigate. There he discovers a frightening sign that Valo, and the Republic Fair, are in danger. Sure enough, as Ram races to warn the Jedi, the dreaded Nihil unleash a surprise attack! It's up to Ram to face down the enemy and send a call for help. Luckily, he's about to get some assistance from unexpected new friends...

The Political Economy of the Cambodian Transition - 2003

Hitler's Willing Executioners - Daniel Jonah Goldhagen 2007-12-18

This groundbreaking international bestseller lays to rest many myths about the Holocaust: that Germans were ignorant of the mass destruction of Jews, that the killers were all SS men, and that those who slaughtered Jews did so reluctantly. Hitler's Willing Executioners provides conclusive evidence that the extermination of European Jewry engaged the energies and enthusiasm of tens of thousands of ordinary

Germans. Goldhagen reconstructs the climate of "eliminationist anti-Semitism" that made Hitler's pursuit of his genocidal goals possible and the radical persecution of the Jews during the 1930s popular. Drawing on a wealth of unused archival materials, principally the testimony of the killers themselves, Goldhagen takes us into the killing fields where Germans voluntarily hunted Jews like animals, tortured them wantonly, and then posed cheerfully for snapshots with their victims. From mobile killing units, to the camps, to the death marches, Goldhagen shows how ordinary Germans, nurtured in a society where Jews were seen as unalterable evil and dangerous, willingly followed their beliefs to their logical conclusion. "Hitler's Willing Executioner's is an original, indeed brilliant contribution to the...literature on the Holocaust."--New York Review of Books "The most important book ever published about the Holocaust...Eloquently written, meticulously documented, impassioned...A model of moral and scholarly integrity."--Philadelphia Inquirer *The Embassy of Cambodia* - Zadie Smith 2013-11-07

Revisiting the terrain of her acclaimed novel *NW*, *The Embassy of Cambodia* is another remarkable work of fiction from Zadie Smith. 'The fact is, if we followed the history of every little country in the world -- in its dramatic as well as its quiet times -- we would have no space left in which to live our own lives or apply ourselves to our necessary tasks, never mind indulge in occasional pleasures, like swimming . . . ' First published in the *New Yorker*, *The Embassy of Cambodia* is a rare and brilliant story that takes us deep into the life of a young woman, Fatou, domestic servant to the Derawals and escapee from one set of hardships to another. Beginning and ending outside the Embassy of Cambodia, which happens to be located in Willesden, north-west London, Zadie Smith's absorbing, moving and wryly observed story suggests how the apparently small things in an ordinary life always raise larger, more extraordinary questions. 'Its range is lightly immense... a fiction of consequences both global and heart-rendingly intimate' Guardian 'Smith serves up a smasher' Independent Playful... unexpected and absolutely right... Skips to a beat all of its own' Times Praise for *NW*: 'A triumph . . . modern London is explored in a dazzling portrait . . . every sentence sings' Guardian 'Intensely funny, richly varied, always unexpected. A joyous, optimistic, angry masterpiece. No better English novel will be published this year' Philip Hensher, Daily Telegraph 'Absolutely brilliant . . . So electrically authentic, it reads like surveillance transcripts' Lev Grossman, TIME *After the Cataclysm, Postwar Indochina and the Reconstruction of Imperial Ideology* - Noam Chomsky 1979 Dissects the aftermath of the war in Southeast Asia, the refugee problem, the Vietnam/Cambodia conflict, and the Pol Pot regime.

Called Away by a Mountain Spirit - Gregory McCann 2013-06-04

This book details the accounts of three expeditions into the interior of Virachey National Park in Ratanakiri Province of Northeastern Cambodia, as well as an excursion into the forests of Mondulkiri Province. The author and his Khmer-Lao and indigenous guides penetrate the remote canyons near the Laos border, a lost world of tropical jungles and remote grasslands that are known only to a handful of poachers and loggers. This book also describes the animist tribes who live on the park's periphery, including the Brao, Kreung, Tampuan and Bunong highlanders. This work of non-fiction is also concerned with the endangered wildlife that persists within the park's boundaries, such as tigers, clouded leopards, leopards, Asiatic elephants, gibbons, douc langurs, hornbills, and much more. For those interested in the natural history and indigenous cultures of Cambodia and Southeast Asia -as well as the current threats to the region- this book will be of interest.

Pol Pot - Philip Short 2013-04-25

Pol Pot was an idealistic, reclusive figure with great charisma and personal charm. He initiated a revolution whose radical egalitarianism exceeded any other in history. But in the process, Cambodia descended into madness and his name became a byword for oppression. In the three-and-a-half years of his rule, more than a million people, a fifth of Cambodia's population, were executed or died from hunger and disease. A

supposedly gentle, carefree land of slumbering temples and smiling peasants became a concentration camp of the mind, a slave state in which absolute obedience was enforced on the 'killing fields'. Why did it happen? How did an idealistic dream of justice and prosperity mutate into one of humanity's worst nightmares? Philip Short, the biographer of Mao, has spent four years travelling the length of Cambodia, interviewing surviving leaders of Pol Pot's Khmer Rouge movement and sifting through previously closed archives. Here, the former Khmer Rouge Head of State, Pol's brother-in-law and scores of lesser figures speak for the first time at length about their beliefs and motives.

Red Plenty - Francis Spufford 2010-08-19

'Bizarre and quite brilliant.' Dominic Sandbrook, Sunday Times 'Thrilling.' Michael Burleigh, Sunday Telegraph 'Francis Spufford has one of the most original minds in contemporary literature.' Nick Hornby 'The Soviet Union was founded on a fairytale. It was built on 20th-century magic called 'the planned economy', which was going to gush forth an abundance of good things that the penny-pinching lands of capitalism could never match. And just for a little while, in the heady years of the late 1950s, the magic seemed to be working. Red Plenty is about that moment in history, and how it came, and how it went away; about the brief era when, under the rash leadership of Nikita Khrushchev, the Soviet Union looked forward to a future of rich communists and envious capitalists, when Moscow would out-glitter Manhattan, every Lada would be better engineered than a Porsche and sputniks would lead the way to the stars. And it's about the scientists who did their genuinely brilliant best to make the dream come true, to give the tyranny its happy ending.

Inadequate Equilibria (Draft Version) - Eliezer Yudkowsky 2017-11-16

If Cats Disappeared From The World - Genki Kawamura 2018-09-20

A beautifully moving tale of loss and reaching out to the ones we love, of one man's journey to discover what really matters in modern life. Our narrator's days are numbered. Estranged from his family, living alone with only his cat Cabbage for company, he was unprepared for the doctor's diagnosis that he has only months to live. But before he can set about tackling his bucket list, the Devil appears with a special offer: in exchange for making one thing in the world disappear, he can have one extra day of life. And so begins a very bizarre week . . . Because how do you decide what makes life worth living? How do you separate out what you can do without from what you hold dear? In dealing with the Devil our narrator will take himself - and his beloved cat - to the brink. Genki Kawamura's *If Cats Disappeared from the World* is a story of loss and reconciliation, of one man's journey to discover what really matters in modern life. This beautiful tale is translated from the Japanese by Eric Selland, who also translated *The Guest Cat* by Takashi Hiraide. Fans of *The Guest Cat* and *The Travelling Cat Chronicles* will also surely love *If Cats Disappeared from the World*.

Ruby Charm Colors Big Book of Color Charts - Susan Carlson 2020-10-08

The Ruby Charm Colors Big Book of Color Charts is ideal for: Keeping your swatches organized Choosing the perfect hue or color combo Tracking what you have & what you need This colored pencil chart book for adult coloring book and colored pencil enthusiasts is useful for those wanting all of their coloured pencils, pastels, inks, watercolor pencils, gel pens and markers swatched in one handy book. 27 pre-labeled charts for popular colored pencil brands Pre-labeled charts for pastel pencils, ink, watercolor pencils & markers Blank charts by color family (reds, oranges, etc.) Blanks charts for extra brands & color combos Black black charts for swatching light colors Room for notes A few fun designs to color Basic color theory (inside) with color wheel (back cover) COLORED PENCIL BRAND CHARTS: Arteza Expert Black Widow Blick Studio Bruynzeel Design Caran d'Ache Luminance Caran d'Ache Pablo Castle Arts Cezanne Chameleon Color Tones Derwent Artists Derwent Coloursoft Derwent Drawing Derwent Lightfast Derwent Procolour

Derwent Studio Faber-Castell Polychromos Holbein Koh-I-Noor Polycolor Lyra Rembrandt Polycolor Marco Raffine Marco Renoir Mitsubishi Uni Prismacolor Premier + Verithin Schpirerr Farben Tombow Irojiten Special Luminance & Lightfast Combo PASTEL PENCIL CHARTS: Caran d'Ache; Derwent; Faber-Castell; Koh-I-Noor; Stabilo INK CHARTS: Dr. Ph. Martin and Tim Holtz Distressed WATERCOLOR PENCIL CHARTS: Arteza; Bruynzeel; Caran d'Ache Museum, Neocolor II & Supracolor; Derwent Graphitint; Derwent Inktense; Derwent Watercolor; Faber-Castell Albrecht Dürer MARKER CHARTS: Arteza Real Brush Pens; Copics; Faber-Castell Pitt Artist Pens; Spectrum Noir Illustrator Markers; Tombow Dual Brush Pens Charts organized by color family let you swatch all your reds on one page, blues on another, etc. which is helpful when looking for the perfect hue regardless of brand. IMPORTANT: watercolor and marker pages have black-backed pages to minimize bleed-through. The paper in this book (depending on where it was printed) is fairly tough, but obviously thinner than watercolor paper. Colors can look splotchy until completely dry. We recommend using a sheet of card stock or plastic to help protect the pages underneath from colors bleeding through as well as potential rub-through of pencil pigments while swatching. You can make PERSONAL COPIES of the charts you plan to use onto your favorite paper or card stock if the paper in this book feels too thin for your needs, or, if you just want to put those pages of the charts you are using into a ring binder for safe keeping. You can also deconstruct this book for ease of use, so feel free to take it apart, keep the pages you are using in one binder, and store the rest in case you need them later. Many office supply stores (and FedEx service centers) will remove the spine and even spiral-bind or punch holes in the book for you for a small fee. If you choose to do it yourself, I have a step-by-step tutorial using another book (*Creative Companion Book Binding DIY*) on my blog at rubycharmcolors.com. Or keep it as is-- the choice is yours! It is meant to be a book that grows along with you and your artistic needs! Happy color swatching!

The Cambridge History of America and the World: Volume 4, 1945 to the Present - David C. Engerman 2022-03-03

The fourth volume of *The Cambridge History of America and the World* examines the heights of American global power in the mid-twentieth century and how challenges from at home and abroad altered the United States and its role in the world. The second half of the twentieth century marked the pinnacle of American global power in economic, political, and cultural terms, but even as it reached such heights, the United States quickly faced new challenges to its power, originating both domestically and internationally. Highlighting cutting-edge ideas from scholars from all over the world, this volume anatomizes American power as well as the counters and alternatives to 'the American empire.' Topics include US economic and military power, American culture overseas, human rights and humanitarianism, third-world internationalism, immigration, communications technology, and the Anthropocene.

A Dictionary of Pre-Angkorian Khmer - Philip N. Jenner 2009

A Cantic for Leibowitz - Walter M. Miller 1975
