New York Magazine - 1987-02-09

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

What Clients Love - Harry Beckwith 2003-01-02

Harry Beckwith is the author of *Selling the Invisible* and *The Invisible Touch*, both marketing classics. Now he applies his unparalleled clarity, insight, humor, and expertise to a new age of mass communication and mass confusion. *What Clients Love* will help you stand out from the crowd-and sell anything to anyone. From making a pitch to building a brand, from designing a logo to closing a sale, this is a field guide to take

with you to the front lines of today's business battles. Filled with real tales of success and failure, it shows you how to: Fly a Jefferson Airplane. Everyone knows there's a Jefferson Monument, but a Jefferson Airplane? A brilliant, attention-grabbing name often includes the unexpected and the absurd. Strike with a Velvet Sledgehammer. It's not a hard sell. It's not exactly soft. Selling well means finding the fine line between modesty and bragging, and driving the message home. Speak to the Frenchman on the Street. A French mathematician believed that no theory was complete until you could explain it to the first person you meet on the street. Marketers, *écoutez!* Dress Julia Roberts. Why, one scene from *Pretty Woman* can enlighten you more than a full year of study at a top business school. *What Clients Love* will help you get focused, stay focused, and follow the essential rules to success-by doing the little things right and the big things even better.

The Cross of Berny - Emille de Girardin 2020-07-17

Reproduction of the original: *The Cross of Berny* by Emille De Girardin
Plays and Poems - William Shakespeare 1897

Comedies - William Shakespeare 1886

Duke Ellington's Music for the Theatre - John Franceschina 2017-07-06
Duke Ellington's son Mercer has said that his father was frustrated in only one area of musical ambition: his desire to do his own Broadway show. Though Ellington wrote many theatrical pieces, he was never able to achieve success as a composer for the stage, and today his stage shows receive little attention from music historians. Nevertheless, these works occupied a significant place in Ellington's creative imagination, and many of the ideas he employed in their composition found their way

into his other work. Here is the first book to acknowledge Duke Ellington's contribution to the stage. It offers a survey of every theater piece Ellington is known to have worked on during his lifetime, beginning with the 1925 revue *The Chocolate Kiddies* and ending with the unfinished "street opera" *Queenie Pie*. This large body of work includes full-length musicals, African American revues, ballets, and incidental music. The plot of each work is described and the score analyzed according to its dramatic function in the piece. Musical phrases are reproduced in the text, and associations with other well-known Ellington compositions are noted. An appendix provides a chronological listing of Ellington's shows with song titles conveniently listed under each.

The School for Scandal - Richard Brinsley Sheridan 1991-01-01
Often called the best comedy of manners in English, and one of the most produced of all theatre classics, this delightful play brilliantly displays Sheridan's mastery of the mechanics of stage comedy, his flair for witty dialogue, and his obvious delight in skewering the affectation and pretentiousness of aristocratic Londoners of the 1770s. Publisher's Note.

Pretty Woman - 2019-02

For voice and piano, with chord symbols and guitar chord diagrams.

The Comedies, Histories, Tragedies, and Poems of William Shakspeare - William Shakespeare 1851

New York - 2000-12

Cross & Crown - Abigail Roux 2014-06-09

When Nick O'Flaherty arrives at the scene of a double homicide to find he has a witness to the crime, he thinks it's his lucky day. But when he realizes his witness is suffering from amnesia and can't even remember his own name, Nick wishes he'd gone with his gut and put in for vacation time. Then Nick's boyfriend and former Recon teammate, Kelly Abbott, joins him in Boston, and Nick finds his hands a little too full as the case and his personal life collide. The witness he's dubbed "JD" is being tailed by Julian Cross, a retired CIA hitman. To complicate matters further, JD forms an attachment to Nick that Nick struggles not to respond to as they search for the key to JD's identity. Trying to determine whether JD is friend or foe as they investigate the crime puts them on the trail of a much older mystery. When multiple attempts are made on their lives, Nick is forced to turn to old enemies and new allies to solve a centuries-old crime before he and Kelly get added to the history books.

Penny Readings for the Irish People - Wendell Phillips Garrison 1879
