## **The 6 Most Important Decisions You'll Ever Make** - Sean Covey 2011-03-31

Sean Covey's wildly popular *The 7 Habits of Highly Effective Teens* was one of the first teen success guides ever, and has become a timeless classic read by millions of teens all over the world. Now, in *The 6 Most Important Decisions You'll Ever Make*, Covey goes into even greater depth in helping teens figure out how to approach the six major challenges they face: gaining self-esteem; dealing with their parents; making friends; being wise about sex; coping with substances; and succeeding at school and planning a career. Covey speaks directly to the pain and confusion that teens and their parents experience in the face of these weighty, life-changing, and extremely common difficulties. Friendly and upbeat as ever, he shows them how to use the 7 Habits to cope with, manage, and ultimately conquer each challenge--and become happier, more productive people.

## *The Leader in Me* - Stephen R. Covey 2012-12-11

Children in today's world are inundated with information about who to be, what to do and how to live. But what if there was a way to teach children how to manage priorities, focus on goals and be a positive influence on the world around them? *The Leader in Me* is that programme. It's based on a hugely successful initiative carried out at the A.B. Combs Elementary School in North Carolina. To hear the parents of A. B. Combs talk about the school is to be amazed. In 1999, the school debuted a programme that taught *The 7 Habits of Highly Effective People* to a pilot group of students. The parents reported an incredible change in their children, who blossomed under the programme. By the end of the following year the average end-of-grade scores had leapt from 84 to 94. This book will launch the message onto a much larger platform. Stephen R. Covey takes the 7 Habits, that have already changed the lives of millions of people, and shows how children can use them as they develop. Those habits -- be proactive, begin with the end in mind, put first things first, think win-win, seek to understand and then to be understood, synergize, and sharpen the saw -- are critical skills to learn at a young age and bring incredible results, proving that it's never too early to teach someone how to live well.
