Why Didn't Evangelicals "See Him Coming"? Paul A. Pomerville 2023-08-31 *Why Didn't Evangelicals "See Him Coming"?* is a hard-hitting, clear-eyed account of how American society, the political establishment, and the rule of law reacted to a sociopath president. After Donald Trump left office, Americans didn't "see him going" either. Trump came and went, yet millions of Americans were "clueless" about what happened because of his "gaslighting tornado." An evangelical Christian author explains why Bible-believing, church-going, Jesus-talking, America-loving evangelicals, along with other Americans, listened to, were enamored by, and elected an immoral sociopath. An unlikely combination of viewpoints—psychology, law, and biblical theology—provide a surprising, coherent picture of how Donald Trump deceived and inflicted devastation on democracy. His uncanny influence is chronicled by media reporting during his four years in office and afterwards in a "shadow presidency" at Mar-a-Lago. If Trump succeeded in anything, it was deceit. Psychologists rightly attribute this to his "gaslighting"; biblical theology probes deeper, to his corrupt human nature. An FBI search warrant at Mar-a-Lago revealed the inevitable truth: Donald Trump was a thief and traitor from the beginning; the law finally caught up with a long overdue, unaccountable serial criminal for crimes that America would not tolerate.

Blessings from a Thousand Generations Donna Evans Strauss 2011-02-25 It all starts in the Garden of Eden, where Adam and Eve move from spiritual oneness with God to separation and individuation. After eating from the Tree of Knowledge, both Adam and Eve leave Eden to create their own Family Tree of Knowledge. Our spiritual journey and blessings come from embracing our family heritage, healing our ancestral and cultural wounds while uncovering the divine within us. If we learn how to recognize and embrace both Positive Love Bond and Negative Love Bond experiences with insight, love and acceptance, forgiveness and compassion, we can find the path that will lead us toward true peace and oneness with God. The God-Realization Process offers you the opportunity unravel the mystery of the divine light within and receive the blessings from a thousand generations. The Ten Spiritual Keys (Commandments) were a gift from God to secure our relationships with him, to awaken the light within us, and to manifest and transform anything in our lives and most of all to heal our families and bless them and generations to come.

Human and Divine Being Donald Wallenfang 2017-04-10 Nothing is more dangerous to be misunderstood than the question, "What is the human being?" In an era when this question is not only being misunderstood but even forgotten, wisdom delivered by the great thinkers and mystics of the past must be recovered. Edith Stein (1891-1942), a Jewish Carmelite mystical philosopher, offers great promise to resume asking the question of the human being. In *Human and Divine Being*, Donald Wallenfang offers a comprehensive summary of the theological anthropology of this heroic martyr to truth. Beginning with the theme of human vocation, Wallenfang leads the reader through a labyrinth of philosophical and theological vignettes: spiritual being, the human soul, material being, empathy, the logic of the cross, and the meaning of suffering. The question of the human being is asked in light of divine being by harnessing the fertile tension between the methods of phenomenology and metaphysics. Stein spurs us on to a rendezvous with the stream of "perennial philosophy" that has watered the landscape of thought since conscious time began. In the end, the meaning

of human being is thrown into sharp relief against the darkness of all that is not authentically human.

Healing Conversations on Race Veola Vazquez 2023-02-28 Race complicates our relationships, even when we reject racism and seek to walk a better path together. How can we get our thinking—and our conversations—unstuck from entrenched patterns? In this book, four experts in psychology and social work present a model for how to build and deepen the cross-race relationships we want. The starting place, they testify, must be a biblical understanding of the problem of racial disunity, grounded in the grand narrative of Scripture, followed by practical insights about psychology and social behavior. This book is the culmination of professional—but also deeply personal—conversations the authors have had with each other, wrestling together over current events, their own stories, and their roles in the healing process. They combine biblical teachings with psychological science to help Christians develop the skills to discuss race and ethnicity. In each chapter, you will be guided through essential information, biblical examples, case studies, activities, and journaling exercises to prepare you to practice healing conversations. Using research from psychology, attachment theory, and emotionally focused therapy, this process will build your knowledge, self-awareness, other-awareness, and specific relational skills. Jesus embodied love, challenged injustice, welcomed those rejected by society, and engaged in healing conversations with everyone he encountered. The insights and practices in *Healing Conversations on Race* will help Christians grow in Christlikeness and follow his example.

Upward, Inward, Outward Daniel Fusco 2017 This book is about discovering together how to understand and live the Greatest Commandment. We're not after the "art of thinking about God a little differently." We're here to uncover the needs God created within us--needs for meaning, intimacy, honesty, humility, justice, compassion, and more--and how he designed us to find those needs fulfilled in him. This is the art of living Jesus' spirituality. God gives us the key in the Greatest Commandment, but we've got to do this stuff in the right order. Imagine I invite you to my sweet cabin by the lake. To start hanging out in that cabin, you need to get the key from me, pack your car, follow the GPS, and so on. There's a natural order to it. It's the same with the Greatest Commandment. We begin upward, with loving God. The God. God of the Old Testament, God of the New Testament. God the Trinity--Father, Son, Holy Spirit. We continue inward, with understanding our true identities in Jesus. And when we get those things right, God's Spirit sends us outward, on mission into the world. These three movements--upward, inward, and outward--mirror the Greatest Commandment and help us learn the art of living harmoniously together in a chaotic world.

7 Key Qualities of Effective Teachers Robin Cox 2020-01-01 *7 Key Qualities of Effective Teachers: Encouragement for Christian Educators* aims to encourage and inspire Christian teachers in their critically important role as transformative educators who motivate and encourage others to become the best people God created them to be. The book explores seven key qualities of an effective teacher: relationships, Christlikeness, empowerment, empathy, humility, affirmation, and teamwork. Each chapter contains a prayerful reflection, an encouraging and inspiring poem or idea, quotes and references to provide compelling biblical reasons to keep focusing on a relational God, and true stories of how Christian educators have encouraged others in both secular and Christian school environments. Seventy-two practical teaching strategies are spread throughout the book. Each chapter concludes with movers and shakers, two true examples of how God uses ordinary, imperfect, and fallible individuals to do his extraordinary global work.

Extreme Spirituality Tolly Burkan 2011-09-20 *Extreme Spirituality* is any experience whether it be firewalking or practicing humble service to others. It shows us how our egos mask, limit, distort, or diminish our knowledge of a greater reality. Over twenty extreme spiritual practices are highlighted, and readers will learn how even unpleasant or dangerous situations can help us experience how love, wisdom, compassion, and interconnection reveal aspects of our divine nature and leave us with a crystal-clear distinction between our egos and our "higher-selves." This book, using many different extreme spiritual practices as examples, uses a logical and enthusiastic approach to teach people how to assume a totally spiritual perspective in any situation. By doing this, even sorrowful or frustrating situations don't have to cause as much suffering. We can choose our reactions to them and use them as insights for spiritual growth.

Queer God de Amor Miguel H. Díaz 2022-09-13 *Queer God de Amor* explores the mystery of God and the relationship between divine and human persons. It does so by turning to the sixteenth-century writings of John of the Cross on mystical union with God and the metaphor of sexual relationship that he uses to describe this union. Juan's mystical theology, which highlights the notion of God as lover and God's erotic-like relationship with human persons, provides a fitting source for rethinking the Christian doctrine of God, in John's own words, as "un no sé qué," "an I know not what." In critical conversations with contemporary queer theologies, it retrieves from John a preferential option for human sexuality as an experience in daily life that is rich with possibilities for re-sourcing and imagining the Christian doctrine of God. Consistent with other liberating perspectives, it outs God from heteronormative closets and restores human sexuality as a resource for theology. This outing of divine queerness—that is, the ineffability of divine life—helps to align reflections on the mystery of God with the faith experiences of queer Catholics. By engaging Juan de la Cruz through queer Latinx eyes, Miguel Díaz continues the objective of this series to disrupt the cartography of theology latinamente.

Validating Committed Partnerships Jim Bowden 2012-12 Although written from a biblical/Christian perspective this book's theme has practical value for everyone. It presents a new relational paradigm supported by love, justice, mutuality, and other spiritual qualities. The author believes scripture teaches that all human beings are created to live in fulfilling relationships even those who are homosexual. People of faith, family, & community are urged to support same gender couples by validating their committed partnership; however, nearly 50% of American citizens and church members do not support legalizing same gender marriage. This historical perspective on marriage reveals marriage has experienced considerable positive change and practice during the past 75 years and needs to be redefined. Until the 20th century procreation (be fruitful and multiply) was marriage's major purpose. While procreation remains important, mutuality has become the major emphasis. As written in Genesis 2:18 (NRSV), God sought a partner for the man. In many marriages partnership has replaced patriarchy, providing an enriching relational experience in family life. The author presents a new relational paradigm which includes both heterosexual and homosexual couples seeking a lifelong committed relationship. Marriage of male and female and the union of same gender couples will share the title, partnership safeguarded by the same legal standards. For male and female, their title will be a marital partnership; for same gender couples their title will be a same gender partnership.

Rebuilding the Temple Robert P. Vande Kappelle 2022-04-21 As the Bible indicates, our lives are a construction zone, for our bodies are temples of the divine Spirit. Formed initially in the image of God, human beings lost intimacy with God through corruption, rebellion, or neglect. In response, the divine Creator loves us back into relationship, providing means of grace to help restore us to wholeness, beginning with our body and continuing through our mind, soul, and spirit. As buildings need cleaning, maintenance, and ongoing care, so our inner temple needs spiritual stimulus, cleaning, and care. Rebuilding the Temple is the fourth book in Vande Kappelle's series on spirituality and the arts. Books in this series reinforce the essential principle underlying all authentic spirituality: "Go deep in any one place and you will meet the infinite aliveness that is God, for God is everywhere!"

Whereas earlier books consider the connection of spirituality with creative arts such as poetry, film, music, theater, drama, dance, and modern literature, this volume takes readers on a journey through classic Christian literature, beginning with the Bible and continuing through inspirational works written by diverse spiritual mentors such as Augustine, Dante, Luther, Calvin, Teresa of Ávila, George Fox, Blaise Pascal, Henri Nouwen, A. W. Tozer, John McLaren, John Shelby Spong, Richard Rohr, and Marcus Borg. Reading their works reminds us that Christian literature is most practical and inspirational when it takes a narrative approach to theology, interpreting the spiritual journey through the ongoing stories of people and communities rather than trying to capture timeless truths analytically or through rational argumentation. Like its companion texts, *Wading on Water*, *Deep Splendor*, and *Deeper Splendor*, this volume is useful for individual or group study. Each chapter concludes with questions suitable for discussion or reflection.

The Power of Love T. D. Murphy Jesus teaches us in John 15:10-12 that remaining in His love, by following His model of love, releases and increases His joy within us. The joy of the Lord is our strength, therefore, as we continue to grow in the love of Christ we become stronger. The Power of Love is a tool to help us do just that. The Power of Love encourages us to be affirmed in the unfailing love of God in spite of our imperfections. It also encourages us to love ourselves Biblically in spite of our imperfections, as well as others in spite of theirs. The Power of Love also reveals how to build your relationship, be it husband and wife, parent and child, couples engaged and dating, siblings, etc., on the solid foundation of Biblical love. God's way of loving one another is the way to love. His way works. The Power of Love offers you a "21-Day Love Challenge," where you and your loved ones embark on a three-week journey to strengthen your relationship by expressing eight attributes of love from 1 Corinthians 13:4-8 towards yourself, one another, and others each day. Eight is the number of new beginnings. Take your relationship into a new beginning by taking on the love challenge, which is to follow Christ's example of genuine and mature love. As you put the principles taught in *The Power of Love* into practice, you will be walking on the path to new levels of love, joy, peace, and strength.

Good Vs. Evil...Overcoming Degradation Through the Love and Brilliance of God: Book Two: Seeking to Duplicate the Heart, Courage and Genius of the Lord Jesus Christ Jerry Davis 2012-08-10 Book One may appear to be a little scary to read because it takes you into evil and the destruction of lives. Far too many people wont begin to take a look. What mankind doesnt recognize from afar is that he has been in agreement with many of the lies being perpetuated, through the deceitfulness of evil and his lack a awareness. He managed to get himself in, and now he must fully participate in getting himself out. The good news is Book Two is providing the help necessary to bring you out. Its giving you the map, and the access to understanding that which will help to set yourself free. You will find you cannot do all of it alone. The life of Jesus Christ is being utilized in Book Two as our ultimate leader, teacher, and guide. You will want to understand the heart, courage and genius which was developed Him from living His life in faith. The attributes of Jesus can and should be studied and duplicated. His teachings are aptly quoted to illustrate various results of life; and provide oppositions of thought to counter the mechanics of evil being levied against us through the minds of the self. Jesus gave us His teachings, examples and demonstrations over two thousand years ago. Mankind has made progress since then in maintaining his sanity and integrity, but our progress has not proven, to me, to be enough. Look closely at people and their problems and you will see that far too many people are living with way too much pain and fear. And we all hear stories of good religious people who experience a fall as they become subject to sinning. Yes, we are all sinners but much of the sinning we do is because we do not greatly understand! The mechanics of evil and the thousands of approaches Satan has to engage a man, are often overwhelming! I look at our world today and can see the many compulsions at work in the minds of men in mass, and Im genuinely concerned. Man doesnt begin to understand the size, complexity, and scope of all that he is up against in our world as it is. Weve all heard of Satan, and most of us will acknowledge he is there to damage our life, but generally thats as far as our knowledge of him goes. It is our ignorance of him that make us most vulnerable. When we dont recognize the decisions we make are in league with supporting his working mechanics in pain, then we dont have much of a chance. We need to become enlightened in order to be protective of our souls, which is the basis and design of book

number three. Book Two has two agendas which I continue to present throughout. I continue to show the reader the ongoing dilemmas he has to contend with through the cunning and deceit of evil in full cooperation with the six major steps of the longest and greatest lie ever told. Various aspects of the lie are a part of each one of us, and the lies will literally have to be removed. This will take a lot of time and hard work. While you will be steadily at work getting to the truth, I will continue to show the you the things you will need to actively involve yourself in, in order to bring yourself out. There are no easy solutions, and there is little gain to be made without the accommodation of some pain. But the pain will be tolerable and the end will remain as a blessing in your sights! You have the Trinity of God working within you through your deep and deliberate breathing. You have scriptures of truth to be studied at your disposal, and you will have the blessings of your memorized prayer. You have the love, faith and forgiveness of God working within your essence of being. You will be learning to let go and trust in God. The more you learn to love them as the Trinity, the more you will grow in faith. And as Jesus told us, It is from faith, God will make us well.

Ask the Beasts: Darwin and the God of Love Elizabeth A. Johnson 2014-01-16 For millennia plant and animal species have received little sustained attention as subjects of Christian theology and ethics in their own right. Focused on the human dilemma of sin and redemptive grace, theology has considered the doctrine of creation to be mainly an overture to the main drama of human being's relationship to God. What value does the natural world have within the framework of religious belief? The crisis of biodiversity in our day, when species are going extinct at more than 1,000 times the natural rate, renders this question acutely important. Standard perspectives need to be realigned; theology needs to look out of the window, so to speak as well as in the mirror. Ask the Beasts: Darwin and the God of Love leads to the conclusion that love of the natural world is an intrinsic element of faith in God and that far from being an add-on, ecological care is at the centre of moral life.

For the Love of All Creatures William Greenway 2015-09-21 Fresh biblical take on a transcending, divine grace that embraces all of God's creatures This broad-ranging, groundbreaking book by William Greenway unfolds a biblical spirituality centering on love for all creation and all creatures. Greenway rereads the creation and flood narratives in Genesis from an overtly creature-loving perspective that not only inspires care for creation but also reveals sophisticated understandings of faith, grace, and evil vital for twenty-first-century spirituality. Comparing the ancient Israelite cosmology of Genesis both with the ancient Babylonian cosmology of the Enuma Elish and with the modern Darwinian cosmology of Thomas Hobbes's Leviathan, Greenway shows how the Bible in Genesis extends far beyond those other cosmologies in its discernment of the transcending, gracious love of God. Standing at the intersection of animal rights, "green" biblical studies, and philosophical theology, Greenway's For the Love of All Creatures will interest and inform a wide range of readers.

Love of Friendship in the Christian Life Jonathan Sammut 2019-12-27 Theological reflection on friendship, as a particular form of Christian love, emerges in Holy Scripture and continues to be elaborated in the Christian tradition. However, "love of friendship" was at times absorbed into the other traditional understanding of love--"love of God and of neighbor." After a philosophical-historical study of the Greco-Roman roots of friendship in moral reflection, and how (and to what extent) this was appropriated in the Christian tradition, this book illustrates the transcendental character and the novelty of the Christian understanding of friendship found in Holy Scripture, focusing particularly on the most relevant texts in the Fourth Gospel where "love" and "friendship" stand to be important themes. It also shows how Saint Thomas Aquinas, through his exegesis of the Fourth Gospel, his synthesis of the Christian tradition, and his ability to rearticulate Christian theology through Aristotelian philosophy, inimitably defines the theological virtue of caritas as "friendship with God." In so doing he depicts friendship as the finality, the telos, of the Christian life. Finally, the book aims to show how the retrieval of a proper theology of friendship, rooted in Holy Scripture and Christian tradition, can enrich the life of an authentic Christian and contribute to the ongoing process of renewing moral theology.

While the dance between science and religion will always be complex, it can also be enjoyable and mutually satisfying. However when couples dance only one at a time can lead and both have to acknowledge the importance of the other. This book is written with the conviction that theology and science can have a beneficial relationship if only both recognize their mutual value to the lives of persons. The Methodist tradition links the welfare of the body with care for the soul. Historically, ministry involved tending to physical and psychological needs of the Methodist band members but also to non-churched poor and imprisoned. Thus Methodists built places of worship, schools, orphanages, and hospitals. For John Wesley, the founder of Methodism, practical divinity always involved attention to whole persons including their living conditions and basic physical needs. He sought to improve life for all. Therefore throughout his life, Wesley was interested in theology but also scientific discovery as paths toward a better future. He believed that both were of value to help people move toward "perfection." He even attended lectures and offered medical treatment in the first Methodist meeting hall in Bristol, England. As a scientific practitioner Wesley wrote the best selling book, Primitive Physic or An Easy and Natural Method of Curing Most Diseases using the cutting edge science of his day. Packed next to the Bible, this book traveled with countless pioneers as they settled the territories that became the United States. Methodism has a long tradition of using science and religion to carry out the biblical mandate to go into the world and make disciples for Jesus Christ. This book seeks to continue that legacy by bringing current trends in psychology into conversation with Wesleyan theology. Composed of essays that represent different psychologies and theological traditions, which trace their roots to Wesley, this book aims at creating a space where science and theology can partner and dance. In the book readers will find positive psychology, self psychology, object relations, family systems, moral psychology, and neuroscience in conversation with various theologies. Under this canopy, the contributors see themselves as "people called Methodists" seeking to follow the example of Wesley to use all available tools to enable persons to live fully and well.

The Real House of God H. Dele Davies, MD 2013-02-14 As a believer, you are God's temple, and His Spirit lives in you! Amazingly, God was thinking of you when He designed the original tabernacle and temple where He temporarily resided and where the Jewish people worshiped and interacted with Him, receiving numerous blessings along the way. In *The Real House of God*, learn how you have always been the desired abode of God, designed along the same pattern as the tabernacle and the temple. Learn how sin created a veil that separated you from God until Jesus Christ came to Earth to lead a perfect, sin-free life and sacrificed His life for you, in the process ripping apart the veil. As a result, an avenue has been opened for God to freely live within you and to have a permanent close relationship with you through His Holy Spirit. *The Real House of God* provides a detailed description of the design of the tabernacle and temple and their contents and what they symbolize in relation to you, and gives practical tools as to how you can use the similarities to unleash the power of the Holy Spirit of God within you to learn how to walk daily with God and accrue His blessings. Learn how the person of the Holy Spirit helps you to overcome bondages, obstacles, and storms in your life to become supernaturally excellent and to live the extraordinary life God desires for you.
