The Crystal Love - Rami Soudah 2020-02-03

When we have feelings and words we can't say or we don't know how to say them, we resort to our pen and piece of paper. We discover ourselves and let the words come out of the grave to be not only words written but roses can be giving to our love, Words can tell who we are and how we feel, for me, Poems can tell who I am and for you Poems can speak to your soul and your soul mate.

Finding Love in Park City, Utah - Angela Ruth Strong 2017-02-26

Falling in love can feel a lot like tumbling down a mountain C.J.

Lancaster's job as a tabloid journalist takes her to the Sundance Film Festival to interview an actress. She tries to charm her way past the movie star's youngest brother-in-law, Sam, and somehow ends up on an undate- with him. If C.J. were ready to date, the fun-loving veteran would be her first choice, but since she's still healing from her ex-husband's affair, she knows it will be safer if she scares her new -friendboy- away. Sam Lake is intrigued-he's never had to pursue a woman, and he can't get C.J. out of his mind. Whether it's how she likes to eat ice cream in winter or the way she gets his nieces and nephews to gang up on him in a snowball fight, he feels more at home with her than his oversized family. But when his own issues arise, he realizes C.J. might be right about avoiding a relationship with him. Can the two of them overcome the emotional mountains in their lives to be together, or will they remain a -noncouple- forever?

Resorting to Love - Karla Doyle 2022-06-28

When a workaholic ER nurse grudgingly takes her first vacation in two years, then ends up spending it with a laid-back, famous actor who turns her world inside out, could one week of holiday fun lead to a lifetime of love? CHLOE Who doesn't love going on holiday? Me. It's easier to ignore the voids in my life when I'm working. After two years without missing a day, the hospital administrator caught up with me, then forced me to take time off. Not only am I on mandatory, unwanted vacation, I don't have an excuse to avoid the very specific trip my mom left me in her will- a week at the Virginia resort where she met my dad. My plan to hunker down and avoid people is upended the moment I step inside my cabin- and come face to face with a man whose fully exposed attributes definitely weren't on the list of attractions at Mountain Ridge Resort.

Though they should be. They really should. Even if I wanted to find a love match, Eli wouldn't be it. He's infuriatingly cocky. So laid-back it makes me twitchy. He's also annoyingly likable, borderline irresistible, and apparently, quite famous. We're total opposites. We're not even from the same country. Love isn't on either of our itineraries, but if I follow Eli's lead, this week may be the time of my life after all. ELI After wrapping my tenth season as one of television's most popular fictional doctors, I have one week to unwind before jumping into a movie role. When I told my assistant to book me a quick getaway, I thought I'd be jetting off to the tropics. Instead, I'm at a rustic Virginia lodge. Not the kind of fun I had in mind. My vacation gets more interesting when a woman barges in while I'm in the raw, then accuses me of being in her cabin. She doesn't know who I am. Isn't impressed by my charm. She's not the only beautiful woman at Mountain Ridge Resort, but she's the only one I want to spend the week with. Until now, my career is the only thing I've ever taken seriously. As the clock ticks down, I don't want Chloe to return to Canada and a life without me. Somehow, I have to convince her that this week wasn't just the time of our lives, it was the beginning of our life together. The Mountain Ridge Resort Series Summer is the season for love at Mountain Ridge Resort! Pack your bags and get ready to have the time of your life at this charming, lakeside resort nestled in the Virginia mountains.
