Love Strong Denna Babul, R.N. 2020-06-23 The search for love is a booming business in the United States. There is speed dating, matchmaking, online dating, and every other modality under the sun to help women find love. However, finding love is not the issue. Finding the right love and sustaining it is where the difficulty lies. More than any other time in history, women are facing their problems head-on. They want it all—the white picket fence, the career, the love of their lives, and two adorable children to wrap it all up in a well-deserved bow. When love evades them over and over again, they want to know why. In her experience as a relationship coach, Denna Babul sees women start to panic, looking for answers when they feel their dreams begin to lose shape while everyone else's lives are coming together. If this sounds familiar, then Denna's proven methodology and quick wit will transform the way you approach love. Her candid and wildly proven process will educate women with relationship dilemmas on how to move on from the wrong guy, stop wasting time trying to figure out what happened, and get back to looking within themselves for the real answers. "Denna is that tough-love girlfriend everyone needs, but not everyone is lucky enough to have. With heart and humor she will tell you straight what role your early childhood messaging about relationships is playing in your current love misfortune—and then how to actually get past it once and for all. Leaving With Love Noni 2003-01-15 Once in a great while, a book speaks to us with such honesty and grace that by the time its final sentence echoes in the mind, its truth has found a permanent place in our hearts. *Leaving With Love* is such a book. On one level, it is the story of a year in the life of Dorothea Stephens-Stevie to those she loves-as she seeks to understand the long-held patterns and imprinting which have entangled the "heart connections" she makes with friends, family and especially lovers. But *Leaving With Love's* depth cannot be measured in a single calendar year. As Stevie's journey unfolds like a revelation, we witness every step in her unflinching yet heartfelt search for the one person she must inevitably cherish above all others-herself. *Leaving With Love* is a remarkable literary debut. It is at once a love story, a meditation on the enduring power of family, and a travelogue of the heart. It proves, as few books in recent memory have, that only when we depart from old patterns can we finally arrive at new truths.

Hearts in Adversity Alfonso Moret 2010 In this second installment of the *Trilogy of Love* series, Alfonso Moret continues his compelling look at the different faces of love in *Hearts in Adversity*, three short stories filled with intrigue, excitement, and romance. In "Infatuations," a widower becomes obsessed with a woman he encounters by chance, and he begins a romantic quest filled with flashbacks of his previous love, his beloved wife. But the memory of those heartbreaking years, of his wife's kidnapping and tragic death, return with a vengeance when the same kidnapper escapes from prison and becomes a leading suspect in a déjà vous occurrence. A veteran detective investigates a string of robberies with his new partner, a sexy female rookie detective, in "The Big Bust." As the couple gathers evidence, they also ignite a deadly trilogy of romance, jealousy, and passion that only grows worse when they discover Cuban mobsters and Russian gangsters are involved in the thefts. "The Enchantment" reveals how three recovering drug-addicts seek redemption from their immature, moral and emotional lives through witchcraft in Baja Mexico with three enticing witches and their mysterious healing secrets. On the road from Cabo San Lucas, the friends rely on the memory of their loves-lost, present and in limbo-to find answers and remedies to their healing process.

RUNAWAY - The Del Shannon Story Brian C. Young 2023-06-30 RUNAWAY is a fascinating account of the life and music of 60s rock star Del Shannon. From humble beginnings in the rural Midwest, this bar band guitarist rocketed to overnight superstar status when his first big hit clinched the #1 spot on the American Billboard charts, resulting in an international hit in over 20 other countries during the year 1961. Del Shannon soon followed up "Runaway" with more hits, including "Hats Off To Larry," "So Long Baby," "Hey! Little Girl," "The Swiss Maid," "Little Town Flirt," "Two Kinds of Teardrops," "Handy Man," "Do You Wanna Dance," "Keep Searchin'," and "Stranger In Town." Shannon was the first American artist to cover a Beatles song in "From Me To You." In the late 60s and early 70s, he shifted his focus into production, launching the career of country artist Johnny Carver, discovering a group called Smith that saw a #3 hit with a Shannon-Smith arrangement of "Baby It's You," and produced fellow contemporary Brian Hyland's Top 5 hit "Gypsy Woman." Del worked with Jeff Lynne and Dave Edmunds in the 70s, with Tom Petty seeking him out to produce Shannon's comeback album in 1981, resulting in a #33 hit "Sea of Love" in America.

All the Year Round 1886

Daddy's Girls Tasmina Perry 2007-07-03 "I THINK ONE OF DADDY'S LITTLE GIRLS KILLED HIM." For the four glamorous daughters of Lord Oswald Balcon, money can buy anything. From Fendi handbags to Ivy League educations, they live in a world of designer labels and unrestricted opulence -- their father's money and aristocratic status, coupled with their dazzling good looks, bought them every opportunity and advantage. They are beautiful, blond, and barely thirty, and the world is their luxury playground. Venetia, the sophisticated interior designer, has booming professional success but is desperate for a child and an escape from a loveless marriage. Camilla, the rising political star, is too brilliant and ambitious for any of her unworthy lovers to handle. Sweet yet savvy Cate is living out her ultimate dream, launching her own magazine, with an all-too-handsome business partner. The baby of the family, Serena, is one of the country's most beautiful actresses, on the cusp of international stardom, but her party-girl lifestyle is bringing about more scandal than success. The girls are the darlings of the London paparazzi, but when Lord Balcon turns up dead, the shadow of suspicion falls on his four daughters. A jealous tyrant, Daddy has tried to bring his daughters down all their lives. These four women -- at the top of their careers in show business, publishing, interior design, and politics -- must face an awful accusation, and each other, as they try to discover the truth that lies beneath the glossy surface of their lives. The facade of the Balcon family hides a web of deceit and betrayal, in which a thirty-year-old secret lurks, threatening to destroy them all. From the sun-drenched beaches of the Caribbean to Manhattan's elite society circuit, from the exclusive fashion houses of Milan to the star-studded streets of Cannes, the Balcon sisters play out their lives in a whirl of glitz and the ultra chic. But as tragedy and danger stalk every one of them, the scene is set for a stunning climax.

Hiding and avoiding the woman is sapping her creative energy, but Sage can't afford another inevitable heartbreak. Brooke swore she'd never feel stuck anywhere again, so she created a challenge: live in all fifty states before she turns forty. She's hopping from state to state, renovating old houses, but living next door to her ex was not part of the plan. While Brooke is committed to the road, Sage has made New Orleans her home. They can't deny the fact that Brooke will leave once again, but sharing a front porch makes it nearly impossible to resist their attraction. *Sing the Blues* is a sweet, second chance, sapphic romance about finding the courage to take a risk and learning what "home" really
