Sex Kelli Ritter 2023-06-08 This book is about more than sexual education. It contains facts about sex you may have not known, until now.

Confessions of a Crappy Christian Blake Guichet 2022-10-11 Why does it so often feel like Christians can't talk about the real, hard stuff in life? We know our lives should reflect Jesus; what He did and said, and how He interacted with others. But if we're being honest, there are days when we face tough, confusing things that can make us feel, well, very not like Jesus. As our culture moves further from truth and grace, Christians are burned-out, isolated, and unsure of where to turn for sound biblical advice that applies to their everyday struggles. If you've ever felt this way or wished someone would talk about things like forgiveness, mental health, broken friendships, redirected dreams, sex, facts versus feelings, church hurt, rest, weakness, healing, and more in honest, down-to-earth terms while sticking to what Scripture has to say about them, you've come to the right place. Confessions of a Crappy Christian is for you if you have ever thought you're too messed up for church feel exhausted and alone in your struggles think you need to complete a checklist before God will love you need a friend who cares about you too much to let you stay stuck With honesty and vulnerability, Blake Guichet, host of the popular podcast Confessions of a Crappy Christian, helps us embrace the truth that we can't do it all perfectly and gives us the wisdom, guidance, and hope to move from "crappy" Christian into a freer and fuller walk with Christ.

Healthy Choices for Fertility Control Monnica T. Williams 2009-10-31 You may wonder, "Why a birth control guide?" Birth control can be fabulous when couples are well-informed and using a method that is right for them. But most methods are not easy to use and many doctors fail to warn patients about the potential side effects and health risks of common contraceptives. This book contains all the facts that your sex ed teacher didn't know and doctor won't tell you.

The Nature of Men and Women, the X and Y Factor, or I Didn't Say It Was Your Fault, I Said I Was Going to Blame You John West 2016-11-14 This book is a humorous, semi-scientific guide to understanding the nature of men and women. It is a helpful source for navigating the ins and outs of interactions with the opposite sex. The book starts with the beginning of sex, goes through nature and nurture to a description of men and women, and finally, to marriage and beyond. You will find checklists, quizzes, and a road map through the perils and pleasures of finding a mate. Included are interesting facts, figures, and advice from poets, writers, and romance experts. Whether you are twenty or fifty, you will find this book a wonderful resource for the affairs of the heart. John West has hit a perfect bullseye with this book. It will have you laughing as you discover what makes relationships work or falter in the complicated dance of romance. I wish I had read it before stepping into various relationships. West thoughtfully describes the inner workings of our brains, the hormonal and cultural influences that make us who we are, and how all that plays a major role when we try to engage with others. If you think it isn't possible to find the perfect mate, read this book, it makes you realize the type of person you are best suited for and helps you understand the changes you need to make to be a perfect partner. Cynthia L. Griswold, RN, MSN, FNP This book should be on all book shelves. It is scientific, it is insightful, and it is hilarious. John West captures the essence of being male and female in this modern world. He explains our habits and idiosyncratic behavior in easy to understand chapters but brings you to tears with his insightfulness. I cannot recommend this tome highly enough, an excellent read. Best book on the sexes I have encountered. You are learning as well as being entertained. A must read, helpful for all marriages. Superb understanding of science and human nature. You will never view the opposite sex the same after reading this book. A bloody good read. John Brownsberger Academic Advisor and professor Charles Stuart University New South Wales Australia

The Penis / The Vagina Dr. Brooke Ah Shay 2021-11-02 The answers to all those down there questions you didn't even know to ask. It's not breaking news that our understanding of certain parts of our bodies is somewhat... lacking. Throw in the misinformation lurking on the internet (we're looking at you, everyone on Yahoo Answers), and you've got a real mess when it comes to sex and our reproductive bits. While we might all get the birds and bees, many of us certainly don't really understand our plumbing. Well, it's time to crack out that mirror and read up, because Dr. Brooke Ah Shay is here to save us from ourselves. The Penis / The Vagina will tell you everything you didn't know that you didn't know, whether you're 16 or 60. Dr. Ah Shay has already read through all those boring medical texts so you don't have to, and has distilled everything into a fun, informative guide for anyone curious about what exactly is going on when you're getting it on, or any other part of the day. Designed as two books in

one, this owner's guide is flippable: one side has information all about the vagina. Turn it around, and it's a guide to the penis. Full of infographics and some mind-boggling facts, this book is the perfect guide for anyone who wants to take a trip downstairs.

Prince: 31 Facts You Didn't Know about Prince: Amazing Facts about Purple Rain P Genie Hall 2016-05-27 Betcha You Don't Know Everything About Prince! Here's just a taste of what you'll discover inside this limited fact book about Prince Did You Know? Prince Fact 1 Prince Had a Son Prince actually had a son with his former wife Mayte and his name was Boy Gregory. He was born on October 16, 1996. Sadly, Boy Gregory was born a month premature and he was diagnosed with Pfeiffer Syndrome and passed away a week later. Pfeiffer syndrome is a genetic disorder characterized by the premature fusion of certain skull bones which affects the shape of the head and face mostly. Mayte was later quoted saying "He's with our son now" after Prince's death. Did You Know? Prince Fact 2 Prince did not swear Prince actually keeps a swear jar to prevent his friends and family members from swearing, and it's \$20 per curse word. He also publicly declared himself as having stopped swearing or using vile language in writing his music and in his personal life. His decision not to swear may be partly due to his strong religious belief. He was a Seventh-day Adventist as a kid, and later converted to Jehovah's Witness in 1997. Did You Know? Prince Fact 3 Prince is responsible for the Parental Advisory sticker In 1984, after getting the Purple Rain soundtrack for her then-11-year-old daughter, Tipper Gore, who was the ex-wife of former Vice President Al Gore, became upset over the explicit lyrics of the song Darling Nikki. The song has strong references to masturbation and other graphic sex acts and Gore felt that there should be some sort of caution on the label. In 1985, the Parents Music Resource Center pressured the recording industry to create a rating system similar to the one done in Hollywood. To Prince's credit, he did not oppose the label system and was one of the first artists to release a clean version of the explicit albums. And much more fascinating facts inside this Prince book! Dark Web Cynthia Slaton 2022-05-06 The dark web is the internet's evil twin, where anything can be bought and sold. Drugs, weapons, and hackers-for-hire are available at the touch of a button. Most who visit merely look around, happy to satisfy their curiosity before leaving, never to return. But some are sucked into the criminal underworld and find themselves doing things they would never have contemplated in the real world-ordering a hit on a love rival or bidding on an auction for a sex slave - like the people in this book. In the dark web dive, you'll unbury the facts about: the secret origin of tor and the tor project The uncensored history of the dark web, arpanet and its dark siblings Who provides funding for the dark web? (you'll be surprised.) The stories behind the silk road, hansa, and other infamous dark web marketplaces. The truth about the surface web and why google is not to be trusted with your information, and what you can do about it? The technology you need to keep your internet identity safe on a daily basis. From underground dark web sites showcasing brutality the likes of which has never been seen, to manhattan boardrooms and basements concealing depravities of the foulest kind, neville and fiona find themselves in a battle for their very lives and souls.

Never Sleep Again! the Most Dangerous Facts about Trafficked Leo Arring 2013-02 In this book, we have hand-picked the most sophisticated, unanticipated, absorbing (if not at times crackpot!), original and musing book reviews of "Trafficked: The Diary of a Sex Slave." Don't say we didn't warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this book if: 1. You don't have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You've heard it all.

A Curious History of Sex Kate Lister 2020-02-06 This is not a comprehensive study of every sexual quirk, kink and ritual across all cultures throughout time, as that would entail writing an encyclopaedia. Rather, this is a drop in the ocean, a paddle in the shallow end of sex history, but I hope you will get pleasantly wet nonetheless. The act of sex has not changed since people first worked out what went where, but the ways in which society dictates how sex is culturally understood and performed have varied significantly through the ages. Humans are the only creatures that stigmatise particular sexual practices, and sex remains a deeply divisive issue around the world. Attitudes will change and grow - hopefully for the better - but sex will never be free of stigma or shame unless we acknowledge where it has come from. Based on the popular research project Whores of Yore, and written with her distinctive humour and wit, A Curious History of Sex draws upon Dr Kate Lister's extensive knowledge of sex history. From medieval impotence tests to twentieth-century testicle thefts, from the erotic frescoes of Pompeii, to modern-day sex doll brothels, Kate unashamedly roots around in the pants of history, debunking myths, challenging stereotypes and generally getting her hands dirty. This fascinating book is peppered with surprising and informative historical slang, and illustrated with eye-opening, toe-curling and meticulously sourced images from the past. You will laugh, you will wince and you will wonder just how much has actually changed.

Sex Sadie Cayman 2018-06 Did you know that most male giraffes are bisexual? Did you know that 12% of adults claim to have had sex at work? Useless Sexual Trivia Shane Mooney 2000-02-21 Everything You Always Wanted to Know About Sex, But Never Knew to Ask Did you know that in Middle-Eastern Islamic countries it is not only a sin but also a crime to eat a lamb that you've had sex with? Or that the world vanilla comes from a Latin word meaning "vagina" because of the vanilla pod's resemblance to the female genitalia? Or that Grand Tetons literally means "big tits"? You've probably never even thought about such things. But here they are, in this unusual compilation of strange facts about the facts of life that will make you laugh out loud while your hair stands on end. Highlights include: * Just the Factoids, Man -- For instance, the number of human ova necessary to repopulate the world could fit into a chicken egg. * When Sex Goes Horribly Awry -- Don't be caught with your pants down. Learn once and for all the words you didn't find on your SATs, such as "acrotomophilia," "oculolinctus," and "taphephilia." * Animal Lust -- There is more to sex in the animal

kingdom than doing it doggie style. Did you know that a barnacle's penis is 150 percent of its body length? * They Said What?! -- They said plenty: "I knew her before she was a virgin." (Oscar Levant on Doris Day) * Sex Styles of the Rich and Famous -- Forget Bill and Monica. Adolf Hitler was a coprophiliac. * Sex in History -- Catherine the Great did not die under a horse, but she did love to have her feet tickled and her bottom slapped. * Around the World -- It's good to know, for the next time you're invited to the dinner party of a North-African Siwa man, that he believes you will find him irresistible if he laces your food with his semen. * Crimes of Passion -- Did you know that in Harrisburg, Pennsylvania, it is illegal to have sex with a truck driver in a tollbooth? Wonderfully outrageous and absolutely deadpan, this book is, unbelievably, all true.

Book 2: What are cognitive functions? How does our brain work? What facts and myths about our minds are out there, and which should you believe? These and several other questions will be answered in this comprehensive manual. You will also learn about the sex differences pertaining to the human brain, how those differences manifest themselves in children's play, and other topics that relate to our cognizant awareness. Book 3: How do you deepen your emotional intelligence? Many people have tried to do so, and few understand the real secret. Emotionally intelligent people go through life much happier. They understand how to react, and they have more control. Thus, it's essential to your cerebral development to have some degree of comprehension of this principle. Aside from this topic, you will learn more about intelligence itself, about attention spans, and the most important things that can help us stop worrying. The concept of an IQ is familiar to most but still includes many unknown factors. On top of that, many intelligent people wonder what to do with relationships, video games, education, and other aspects of life. This book can help you understand those things and give them a proper place in your busy schedule. Become wiser. Become smarter. Learn how.

The Very Secret Sex Lives of Medieval Women Rosalie Gilbert 2020-10-27 A "wickedly entertaining, informative and thought-provoking" look at romance, courtship, and other intimacies behind closed Medieval doors (Dr. Markus Kerr, PhD, MDR). Were medieval women slaves to their husband's desires, jealously secured in a chastity belt in his absence? Was sex a duty or could it be a pleasure? Did a woman have a say about her own female sexuality, body, and who did or didn't get up close and personal with it? No. And yes. It's complicated. The intimate lives of medieval women were as complex as for modern women. They loved and lost, hoped and schemed, were lifted up and cast down. They were hopeful and lovelorn. Some had it forced upon them, others made aphrodisiacs and dressed for success. Some were chaste and some were lusty. Having sex was complicated. Not having sex, was even more so. Inside *The Very Secret Sex Lives of Medieval Women*, a fascinating book about life during medieval times, you will discover tantalizing true stories about medieval women and a myriad of historical facts. Learn about: The true experiences of women from all classes, including women who made history The dos and don'ts in the bedroom Sexy foods and how to have them All you need to know for your wedding night, and well as insider medical advice How to get pregnant (and how not to), and more "Quite compelling and hilariously funny. I have been chuckling out loud and my husband says he thinks he ought to read it if it's such a tonic. God forbid!" —Susanna Newstead, author of the *Savernake Novels*

The Compendium of (Not Quite) Everything Jonn Elledge 2021-09-16 *The Compendium of (Not Quite) Everything* is a treasure trove of random knowledge. Covering everything from the furthest known galaxies to the murky origins of oyster ice cream, inside you will find a discussion of how one might determine the most average-sized country in the world; details of humanity's most ridiculous wars; and, at last, the answer to who would win in a fight between Harry Potter and Spider-Man. Bizarre, brilliant and filled with the unexpected, *The Compendium* covers the breadth and depth of human experience, weaving its way through words and numbers, science and the arts, the spiritual and the secular. It's a feast of facts for a hungry mind. SEX EDUCATION for 8-12 Year Olds Kids BOOK for GOOD PARENTS Ana Leblanc 2017-09-10 Parents ought to be the first source of sex education for their children. Don't think that because children can learn about human sexuality in school, your responsibility to teach them about sex has been removed. Especially now that there is confusion as to how to teach human sexuality in school, the parents must be ready to assume the role to educate their children in everything they need to know to understand their sexuality. This book serves as a guide for parents and guardians to educate their children on the issue of sex so they can understand the myths and facts about this important topic. **PREFACE** CHAPTER 1 - SEX EDUCATION CAN BE EASY CHAPTER 2 - EDUCATING YOUR CHILDREN ON DONOR CONCEPTION CHAPTER 3 - PROTECTING YOUR CHILD FROM CHILD ABUSE CHAPTER 4 - DON'T KEEP THEM WONDERING, HOW MUMMY AND DADDY DO IT CHAPTER 5 - YOUR CHILD SEXUAL DEVELOPMENT **CONCLUSION** SEX EDUCATION for 8-12 year olds kids BOOK FOR GOOD PARENTS Sex education has never been an issue with my children. The most important thing you need to know is to look for the everyday opportunities that present themselves and act upon them. I can remember once being in a car with one of my sons. He was only 8 years old at the time, but was sitting beside a lady friend of mine who was very large breasted. My son said to me, "hey mum, look at this", and opened his mouth like he was going to suck on the lady's breast (as he had seen me breast feed three babies by then). I was mortified and said to David, "that's not the right thing to do, David". I didn't say anything else at the time as it wasn't appropriate. Luckily my friend was very understanding about the incident. Later on when we were at home I said to him, "so you noticed that my friend has large breasts?" I know that he was only 8 years old but he had noticed something and didn't need to be ignored. Admittedly he went about things the wrong way but he was only eight years old. So I took the opportunity to say to him, "David as you grow older you are going to notice that many of your girlfriends will start to grow breasts. It's just a normal part of growing up. And it is important for you to make sure that when talk to girls you look at their faces and not at their breasts". We had a great conversation and I didn't make a big deal of it. But I did answer all of his questions.

Happy, Healthy & Sexy Lisa Sussman 2005 Do you know what the most important sexual health move is that you should be making now? Do you know the health benefits of having an orgasm? Can you name your parts from the areola to the womb? Do you know what to do if you find a lump in your breast? Do you know why your period takes forever to come? Do you know your contraceptives? Do you know which sex toys you should try and

which you should steer away from? This book has all the information and facts and it is all presented in a hip, straight-talking and user-friendly format. Many women think sexual health matters are boring and that they only need to think about them when something goes wrong. However, women's sexuality can influence every aspect of life. Staying sexually healthy is what keeps you sexy, happy and orgasmic. In this book you will find no-nonsense answers to questions you didn't know you needed to ask as well as all those things you are too embarrassed to mention to your doctor. Every area of your sexual life is covered from why sex can hurt, fertility, contraception and unplanned pregnancies. Medical facts are sprinkled throughout the text and there are charts and questionnaires to test your sexual knowledge.

Based on DISCOVER'S most eagerly awaited monthly column, "20 Things You Didn't Know About," this original book looks at many popular—and sometimes unexpected—topics in science and technology, and reveals quirky, intriguing, and little-known facts. Whether you're just curious or think you already know everything, this book is guaranteed to expand your mind.

The Q Guide to Sex and the City Robb Pearlman 2008 Go behind the scenes of 'Sex and the City', read episode recaps and learn fun facts about the four best friends - Carrie, Samantha, Miranda and Charlotte.

Little-Known Sex Facts Lorenzo Jensen III 2015-12-08 Everyone thinks they know a lot about sex, but this book proves everyone wrong. It covers not only the basic facts, but every obscure nook and cranny of human (and animal) sexuality that you never explored or maybe even never wanted to explore. You'll learn about female penguin hookers, alcoholic fruit flies, the world's longest pubic hair, plummeting sperm counts, fetal erections, the man who pulled a 2,200-pound vehicle 66 feet with his nipples, and the fact that educated white women have more anal sex than anyone else. This book will not only make you a more well-informed lover, it will also make you funnier and sexier—and who doesn't want that?

Your Special Gift Carol McCormick 2012-01-09 Having "the talk" can sometimes be an awkward experience for both parent and child. Even so, I didn't want to wait until my children's hormones kicked in, and I didn't want to be caught off guard when they had questions, but most of all, I didn't want them growing up with misconceptions concerning sex. I wanted my children to be informed about the facts of life, yet without being too sexually explicit in the process, because some of the facts weren't good such as pornography, diseases, and predators, but these subjects needed to be addressed as well. As a result, I told them what I have written in Your Special Gift, by using the analogy of a gift, a lock, and a key to define commonly used sexual terms, and to caution them about possible consequences, and to warn them of potential predators. I also used Scripture as the basis of defining true love. The simplicity of the gift analogy opens the door of communication between parent and child in an effective straightforward, and yet sensitive way, so that any question concerning sex can be answered by using this method. Your Special Gift is well-suited for children in the 8-to-12 year-old range.

Sex Squicks and 100 Other Things You Didn't Know about Sex Amy Marsh 2015-05-26 "Sex Squicks boldly goes where no sexologist has gone before. It's a smart and funny read." Dr. Ava Cadell, Founder of LoveologyUniversity.com & Sexpert.com "From santaphilia to ecosexology, Sex Squicks will open your eyes to the outer limits of love and lust." Cleo Dubois, Academy of SM Arts Here is a rich and fascinating potpourri of sexual facts and predilections most people don't know. Wow your friends, wow yourself, and wow your lovers with what you discover in the pages of this compendium of illuminating pieces from the personal notebooks of the acclaimed sexologist and relationship counselor Dr. Amy Marsh. Of this very special book, the author says: "I'm in love with sexology and I'm in love with writing—and I expect these to remain lasting passions. During the period when I was writing this book, I was at my most smitten and high-spirited. No one told me what to write about, so writing it was pure pleasure. I could address any topic at all, as long as it had something to do with sexuality or gender. Some chapters emerged from my clinical interests, others from sexological "field trips," current events, escapades, personal crusades, or the desire to seduce, dazzle, startle, or inform. I liked switching from serious topics to humor, from eccentricity to advocacy. I enjoyed being unpredictable. I can't really explain it, but writing these chapters made me feel both gleeful and desirable. I never had a problem coming up with new ideas, never felt the dread of an empty page." Chapters include: The Brisk Trade in Panties Santaphilia Sex Squicks Toxins Ate My Sex Life Ecosexology The Semen Survey Intimate Edibles Everything I Needed to Know About Sex I Learned from Science Fiction Aquaphilia and many others! What are you waiting for? Buy Sex Squicks and it'll blow your mind—and enhance your sex life. "A witty and fabulously entertaining collection of essays delivering arcane sexual facts, explorations of kink and carnal outer limits!" Christine Milrod, Ph.D., sex researcher and co-editor of The Cultural Encyclopedia of the Penis.

Know Sextortion John W. Bowlin, Sr. 2013-10-31 Do you "kNOw" Sextortion? Sextortion - we tend to think that this can only happen to celebrities. After all, regular, everyday people aren't making sex tapes that their ex-lovers could use to extort them are they? Actually, what used to be a term that didn't exist just a few years ago, "sextortion" is quickly becoming an issue that not only affects celebrities, but women and men as well as teenagers and children. Sextortion is a very real crime that has resulted in tragedy for some. What often seems like safe, albeit risqué, pictures or videos with boyfriends and husbands (or wives and girlfriends) can often turn into complete nightmares when the relationship goes sour. Even scarier is that these videos and images can be taken without you even knowing it via webcam hackers and other types of video voyeurism. Do you know how to protect yourself or your children from sextortion? kNOw Sextortion is a book designed to provide you with the information you need to avoid and recognize sextortion today. From sexting and cybersex to web cam hacking, there's a whole new realm of extortion that often extends just beyond the pictures or videos. Sextortion has resulted in the rape of young women and the suicide of a young teen. Sextortion can have devastating psychological effects on its victims, but all of this can be prevented if you're aware and recognize the potential danger of snapping that "sexy" photo or giving into the "it's just one time" plea. kNOw Sextortion walks you through the process of how people become sextortionists and what you can do to prevent yourself from falling victim. You'll learn the legal steps that you can take should you find yourself in this situation as well. You never know when a relationship is going end and you don't want anything that could potentially be used against you. You need to know how to protect yourself from video voyeurs as well as the angry ex. "kNOw Sextortion" is filled with useful information that you can use to stop this crime in its tracks.
