**Fifth Avenue, 5 A.M.** - Sam Wasson 2021-09-21

Now in paperback in time for the 60th anniversary of the film version *Breakfast at Tiffany's*—the New York Times bestseller and first-ever complete account of Audrey Hepburn and the making of the film that Janet Maslin called “a bonbon of a book filled with delightful anecdotes” With a cast of characters that includes Audrey Hepburn, Truman Capote, and Gerald Clarke, this book offers a slice of social history seen through the lens of one of America’s most iconic films. The images of *Breakfast at Tiffany's* are branded into our collective memory: we can see Audrey Hepburn stepping out of that cab on the corner of 57th and 5th, and we can picture her again with George Peppard, huddled in an alleyway and wrapped in a kiss, as the rain pours down around them. Those moments are as familiar to us as any in whole the history of movies, but few of us know that that ending was not the film’s original ending. In fact, it was only one of two endings the filmmakers shot—and it almost didn’t make it in. The reasons why have to do with *Tiffany's* cutting-edge take on sex in the city, namely, when to show it, and how to do it, without getting caught. If Truman Capote had it his way, his beloved Marilyn Monroe would have been cast as Holly, but crafty executives knew that she’d have the censors on red alert. So they went for Audrey. But would she go for them? Frightened at the prospect of playing a part so far beyond her accepted range—not to mention the part of call girl—Audrey turned inside out worrying if she should take her agent’s advice and accept the role. What would people think? America’s princess playing a New York bad girl? It seemed just too far... *The First Little Black Dress* is the first ever complete account of the making of *Breakfast at Tiffany's*. Drawing upon countless interviews with those involved in the film’s production, from actors to producer Richard Shepherd to Gerald Clarke, Capote’s biographer, Wasson brings us inside the world and indeed inside the mind of one of America’s greatest cinematic icons. Wasson immerses us in the America of the late fifties, before Woodstock and birth control, when a not-so-virginal girl by the name of Holly Golightly raised eyebrows across the nation, changing fashion, film, and sex, for good. But that was the easy part. Getting Audrey there—and getting the right people behind her—that was the tough part. With the heart of a novelist and

the eye of a critic, Wasson delivers us from the penthouses of the Upper East Side to the pools of Beverly Hills, from script to screen and from rehearsal to “Action!” *The First Little Black Dress* presents *Breakfast at Tiffany's* as we have never seen it before—through the eyes of those who made it.

**Springsteen as Soundtrack** - Caroline Madden 2020-01-31

A catalog nearly fifty years in the making, Bruce Springsteen's music remains popular and a frequent subject of study yet little critical attention has been given to its inclusion in film and television. This book examines a selection of films and TV shows from the 1980s to the present—including *Mask*, *High Fidelity*, *The Sopranos* and *The Wrestler*—that feature Springsteen's music on the soundtrack. Relating his thematic preoccupations with religion, the Vietnam War, the promise of the open road, economic disparity and blue-collar malaise, his songs color narrative and articulate the inner lives of characters. This book explores the many on-screen contexts of Springsteen's work from *Greetings from Asbury Park, N.J.* to *Springsteen on Broadway*.

**Sex and the City and Us** - Jennifer Keishin Armstrong 2019-05-07

The bestselling author of *Seinfeldia* offers a fascinating retrospective of the iconic and award-winning television series, *Sex and the City*, in a “bubbly, yet fierce cultural dissection of the groundbreaking show” (*Chicago Tribune*). This is the story of how a columnist, two gay men, and a writers’ room full of women used their own poignant, hilarious, and humiliating stories to launch a cultural phenomenon. They endured shock, slut-shaming, and a slew of nasty reviews on their way to eventual—if still often begrudging—respect. The show wasn’t perfect, but it revolutionized television for women. When Candace Bushnell began writing for the *New York Observer*, she didn’t think anyone beyond the Upper East Side would care about her adventures among the Hamptons-hopping media elite. But her struggles with singlehood struck a chord. Beverly Hills, 90210 creator Darren Star brought her vision to an even wider audience when he adapted the column for HBO. *Carrie*, *Miranda*, *Charlotte*, and *Samantha* launched a barrage of trends, forever branded the actresses that took on the roles, redefined women’s relationship to sex and elevated the perception of singlehood. Featuring exclusive new interviews with the cast and

writers, including star Sarah Jessica Parker, creator Darren Star, executive producer Michael Patrick King, and author Candace Bushnell, “Jennifer Keishin Armstrong brings readers inside the writers’ room and into the scribes’ lives...The writing is fizzy and funny, but she still manages an in-depth look at a show that’s been analyzed for decades, giving readers a retrospective as enjoyable as a \$20 pink cocktail” (*The Washington Post*). *Sex and the City and Us* is both a critical and nostalgic behind-the-scenes look at a television series that changed the way women see themselves.

**Houston Rap Tapes** - Lance Scott Walker 2019-01-29

The neighborhoods of Fifth Ward, Fourth Ward, Third Ward, and the Southside of Houston, Texas, gave birth to Houston rap, a vibrant music scene that has produced globally recognized artists such as Geto Boys, DJ Screw, Pimp C and Bun B of UGK, Fat Pat, Big Moe, Z-Ro, Lil’ Troy, and Paul Wall. Lance Scott Walker and photographer Peter Beste spent a decade documenting Houston’s scene, interviewing and photographing the people—rappers, DJs, producers, promoters, record label owners—and places that give rap music from the Bayou City its distinctive character. Their collaboration produced the books *Houston Rap* and *Houston Rap Tapes*. This second edition of *Houston Rap Tapes* amplifies the city’s hip-hop history through new interviews with Scarface, Slim Thug, Lez Moné, B L A C K I E, Lil’ Keke, and Sire Jukebox of the original Ghetto Boys. Walker groups the interviews into sections that track the different eras and movements in Houston rap, with new photographs and album art that reveal the evolution of the scene from the 1970s to today’s hip-hop generation. The interviews range from the specifics of making music to the passions, regrets, memories, and hopes that give it life. While offering a view from some of Houston’s most marginalized areas, these intimate conversations lay out universal struggles and feelings. As Willie D of Geto Boys writes in the foreword, “Houston Rap Tapes flows more like a bunch of fellows who haven’t seen each other for ages, hanging out on the block reminiscing, rather than a calculated literary guide to Houston’s history.”

**The Blueprint** - Kirk Franklin 2010-05-18

Seven-time Grammy award winning artist offers an inspiring blend of God and grit for building a fulfilling life "The Blueprint is a transparent approach to talking about issues—from marriage to politics to sex and religion—and it's from my perspective. Not from a Princeton, mainline, protestant, evangelical or liberal viewpoint, but from a 2010 Christian moderate with swag." --Kirk Franklin Gospel artist Kirk Franklin's faith wasn't always as strong as it is today. His father abandoned his family; his mother constantly told Kirk that he was an unwanted child and left him to be adopted when he was four; his sister became a crack addict; he never saw a black man who was faithful in marriage. Despite his shaky foundation he found strength and success through his music and through God. In *The Blueprint*, Franklin will explain how by communicating with life's architect, God, he learned to see hardships as necessary life propellants and moved on to become the bestselling gospel musician in recent history, as well as a devoted husband and loving father. This is not a step program, it's a lifelong journey. With Franklin's guidance, you will: -pursue your dreams without losing yourself in the chase -do some lifescaping to eliminate the "weeds" that hold you back -declare your life to be drama-free -get past your fears, so you can live and love fully -pass the baton to future generations by leading by example It's time to take faith out of the church pews and into our everyday lives. With hope, devotion, and strength, *The Blueprint* offers a plan to help you move beyond hardships to create your own personal Blueprint for life. Watch a Video
