

Sex Drugs And Rock And Roll Hulu

The Complete Short Stories of W. Somerset Maugham - William Somerset Maugham 1973

Adrenalized - Phil Collen 2015-10-27

revelatory and redemptive memoir from the lead guitarist of the legendary band Def Leppard--the first book ever written by one of its members--chronicling the band's rise to superstardom and how they've maintained it for three decades. Maybe you've heard of Phil Collen as the rock star who gave up alcohol and meat more than twenty-five years ago. Most likely you've seen him shirtless--in photos or in real life--flaunting his impeccably toned body to appreciative female fans. But it wasn't always like this. Collen worked his way up from nothing, teaching himself guitar from scratch as a teenager by imitating his heroes. He slogged it out in London-based pub bands for years, long before Def Leppard transformed from unknowns to icons, from playing openers in near-empty arenas to headlining in those same stadiums. But as Collen discovered, true overnight success is a myth. Like the other band members, he had to struggle and fight his way to the top; in the end, he says, "our work ethic saved us." This is Collen's story--an underdog tale featuring a bunch of ordinary working-class lads who rose to mega-stardom, and an account of the failures, triumphs, challenges, and rock-hard dedication it takes to make dreams come true.--Adapted from book jacket.

[Scary Monsters and Super Freaks](#) - Mike Sager 2003-12-24

Mike Sager is to drugs, porn, and crimes of desperate delusion what Dominic Dunne is to the society murder. In addition to his long-classic Rolling Stone story "The Devil and John Holmes" (which helped inspire the upcoming Val Kilmer film, *Wonderland*) and his groundbreaking GQ

piece about murdered Irish investigative reporter Veronica Guerin (also the subject of a major film starring Cate Blanchett), *Scary Monsters and Super Freaks* is a wonderful rogue's gallery of up-close pieces about the most public failures of the American dream. From Rick James and his drug-fueled detour into white slavery to the life and suicide of porn starlet Savannah, from deep inside the beating of Rodney King and the Heaven's Gate cult suicides to Chuck Berry's sexual predilections, this book brings to high-profile true crime a highly identifiable voice and style. Currently *Esquire's* Writer-at-Large, Sager takes us along for the ride with a raft of other figures including the late NWA Rapper Easy E. Winner, the FBI agent who fell in love with his informant, and the highest ranking DEA agent to be busted for drug trafficking. This is a brilliant debut collection by one of America's most respected and stylish crime writers.

Sacred Heart - Liz Suburbia 2015-09-02

The children of U.S. small-town Alexandria are just trying to live like normal teens until their parents' promised return from a mysterious, four-year religious pilgrimage, and Ben Schiller is no exception. She's just trying to take care of her sister, keep faith that her parents will come back, and get through her teen years as painlessly as possible. But her relationship with her best friend is changing, her younger sister is hiding a dark secret, and a terrible tragedy is coming for them all.

[Parachute Women](#) - Elizabeth Winder 2023-07-11

Discover the true story of the four women who worked tirelessly behind the scenes to help shape and curate the image of The Rolling Stones—perfect for fans of *Girls Like Us*. The Rolling Stones have long been considered one of the greatest rock-and-roll bands of all time. At the forefront of the British Invasion and heading up the counterculture

movement of the 1960s, the Stones' innovative music and iconic performances defined a generation, and fifty years later, they're still performing to sold-out stadiums around the globe. Yet, as the saying goes, behind every great man is a greater woman, and behind these larger-than-life rockstars were four incredible women whose stories have yet to be fully unpacked . . . until now. In *Parachute Women*, Elizabeth Winder introduces us to the four women who inspired, styled, wrote for, remixed, and ultimately helped create the legend of the Rolling Stones. Marianne Faithfull, Marsha Hunt, Bianca Jagger, and Anita Pallenberg put the glimmer in the Glimmer Twins and taught a group of straight-laced boys to be bad. They opened the doors to subterranean art and alternative lifestyles, turned them on to Russian literature, occult practices, and LSD. They connected them to cutting edge directors and writers, won them roles in art house films that renewed their appeal. They often acted as unpaid stylists, providing provocative looks from their personal wardrobes. They remixed tracks for chart-topping albums, and sometimes even wrote the actual songs. More hip to the times than the rockers themselves, they consciously (and unconsciously) kept the band current—and confident—with that mythic lasting power they still have today. Lush in detail and insight, and long overdue, *Parachute Women* is a group portrait of the four audacious women who transformed the Stones into international stars, but who were themselves marginalized by the male-dominated rock world of the late '60s and early '70s. Written in the tradition of Sheila Weller's *Girls Like Us*, it's a story of lust and rivalries, friendships and betrayals, hope and degradation, and the birth of rock and roll.

Selling Nostalgia - Mathew Klickstein 2019-08-13

A struggling writer journeys through the world of fan conventions, collectible merch and more in this satirical novel—a “searing critique of geek culture” (Washington Post). As with so many members of his generation, down-on-his-luck writer-filmmaker Milton Siegel has an unhealthy fixation on the TV shows, movies, books, music, and celebrities from his childhood that spanned the 1980s and 1990s. Unlike many of his generation, Milt has spent most of his (so-called) life chronicling this

same pop culture of his youth. After leaving his job at a regional newspaper, Milt embarks on a quixotic journey across the country to promote his latest project. Along the way, Milt contends with a horde of manic nerds, an inexplicable rash of natural disasters, clickbait-savvy media pundits, ambitious pseudo-celebrities, a seductive stripper, ultra-competitive frenemies, and his own sense of the precarious future while being so embroiled in his childish past.

Does the Noise in My Head Bother You? (Enhanced Edition) - Steven Tyler 2011-05-03

“Steven Tyler is one of the giants of American music, who’s been influential for a whole generation of Rock ‘n’ Roll fans around the world. Long May He Rock!” —Sir Paul McCartney *Does the Noise in My Head Bother You?* is the rock memoir to end all rock memoirs — the straight-up, no-holds-barred story of Grammy Award-winning, Rock ‘n’ Roll Hall of Fame inductee, and all around superstar legend Steven Tyler, lead singer of Aerosmith (and celebrity judge on *American Idol*). The rock and roll epic that is Tyler’s life begins with Tyler’s youth in the Bronx, tracing his early music career and influences, his legendary partnership with Joe Perry, the meteoric rise, fall, and rise of Aerosmith over the last three decades, their music, Tyler’s battles with substance abuse, his epic romantic life, his relationship with his four children (including actress Liv Tyler), life on the road and in the spotlight, the economics of the rock star business --and all the sex, drugs, and rock and roll that anyone could ask for. In Tyler’s own words: “I’ve been mythicized, Mick-icized, eulogized and foolgized, I’ve been Cole-Portered and farmer’s-daughtered, I’ve been Led Zepped and 12-stepped. I’m a rhyming fool and so cool that me, Fritz the Cat, and Mohair Sam are the baddest cats that am. I have so many outrageous stories, too many, and I’m gonna tell ‘em all. All the unexpurgated, brain-jangling tales of debauchery, sex & drugs, transcendence & chemical dependence you will ever want to hear. And this is not just my take, this is the unbridled truth, the in-your-face, up-close and prodigious tale of Steven Tyler straight from the horse’s lips.”

Sensing the Past - Jim Cullen 2013-01-09

How do perceptions of the past--not just of particular events, but of the trajectory of history as a whole--shape our experience of the world? Sensing the Past tackles this question with an unlikely source of historical insight--the work of six major Hollywood stars: Clint Eastwood, Daniel Day-Lewis, Denzel Washington, Tom Hanks, Meryl Streep, and Jodie Foster. By focusing on the career choices made by these iconic actors, Cullen uncovers a discrete set of historical narratives, revealing the surprising ways historical forces shape our understanding of the world.

A Kiss of Shadows - Laurell K. Hamilton 2001

Meredith Gentry is a private investigator who specializes in supernatural crime. She has, however, a strange secret. She is in fact a faerie princess in hiding. Her aunt wants her back in the faerie world and the penalty for refusal is death.

Confess - Rob Halford 2020-09-29

Most priests take confessions. This one is giving his. 'The most hotly anticipated hard-rock autobiography of the year' 'Rob Halford has written one of the most candid and surprising memoirs of the year. . . Confess is a riproaring tale, a funny, often shocking and genuinely emotional story' The Telegraph 'The Metal God shares stories from a life like no other, spending over 50 years in the heavy metal bubble, facing adversity head-on but always with a wry smile and horns held firmly aloft' Kerrang 'Raw and searingly moving, Confess will delight metal heads and music fans alike' GQ 'A unique and deeply revealing insight into the extraordinary life he has led' Metal Talk Rob Halford, front man of global iconic metal band Judas Priest, is a true 'Metal God'. Raised in Britain's hard-working heavy industrial heartland he and his music were forged in the Black Country. CONFESS, his full autobiography, is an unforgettable rock 'n' roll story - a journey from a Walsall council estate to musical fame via alcoholism, addiction, police cells, ill-starred sexual trysts and bleak personal tragedy, through to rehab, coming out, redemption... and finding love. Now, he is telling his gospel truth. Told with Halford's trademark self-deprecating, deadpan Black Country humour, CONFESS is the story of an extraordinary five decades in the

music industry. It is also the tale of unlikely encounters with everybody from Superman to Andy Warhol, Madonna, Jack Nicholson and the Queen. More than anything else, it's a celebration of the fire and power of heavy metal. Rob Halford has decided to Confess. Because it's good for the soul.

Easy Riders, Raging Bulls - Peter Biskind 2016-11-03

Based on hundreds of interviews with directors such as Coppola, Scorsese, Hopper and Spielberg, as well as producers, stars, studio executives, writers, spouses, ex-spouses, and girlfriends, this is the story of the crazy world that the directors ruled.

How Not to Date - Judy McGuire 2011-01-04

On the heels of the success of How to Date in a Post-Dating World comes this polar opposite: a collection of dating nightmares that'll certainly let readers know what absolutely not to do on a date. Since the year 2000, dating columnist Judy McGuire has advised and entertained singles with her irreverent Ask DateGirl column. For every possible type of dating nightmare scenario out there, Judy's most probably heard about it, and has offered advice on what to do to resolve it if the problem date is still lingering. In this book, she collects some of the worst dates she has heard about, ranging from the bland to the incredibly frightening.

Groupies - Sarah Priscus 2022-07-12

"What a thrill it is to read Sarah Priscus' 70s rock, California-dreaming Groupies. This shimmering debut is packed with tenderness and awe against a backdrop of drugs, sex, rock stars, and high drama. Faun is a lovable, believable, and wonderfully drawn character who will remain in my heart and mind for a very, very long time." -- Jessica Anya Blau, author of Mary Jane In a debut perfect for fans of Daisy Jones & The Six, Mary Jane, and The Final Revival of Opal & Nev, Sarah Priscus shines a bright light on the grungy yet glittery world of 1970s rock 'n' roll and the women - the groupies - who unapologetically love too much in a world that doesn't love them back. It's 1977, and Faun Novak is in love with rock 'n' roll. After her mother's death, Faun, a naïve college dropout, grabs her Polaroid and hops a Greyhound to Los Angeles. In the City of Angels, she reconnects with her charismatic childhood friend Josie, now

an up-and-coming model and muse. To make their reunion even sweeter, Josie is now dating Cal Holiday, the frontman of the superstar rock band Holiday Sun, and Faun is positively mesmerized. Except it's not just the band she can't get enough of. It's also the proud groupies who support them in myriad ways. Among the groupies are: a dotting high school girl at war with her mother; a drug-dealing wife and new mom who longs to be a star herself; and a cynical mover-and-shaker with a soft spot for Holiday Sun's bassist. Faun obsessively photographs every aspect of this dazzling new world, struggling to balance her artistic ambitions with the band's expectations. As her confidence grows for the first time in her life, her priorities shift. She becomes reckless with friendship, romance, her ethics, and her bank account. But just as everything is going great and her boring, old life is falling away, Faun realizes just how blind she has been to the darkest corners of this glamorous musical dreamland as the summer heats up and everything spirals out of control . . . Equal parts an evocative coming-of-age and a cutting look at fame, desire, and the media, *Groupies* is a novel that will have you turning the pages until the music- and drug-fueled end.

Sex, Drugs, Ratt & Roll - Stephen Percy 2014-04-15

A tell-all memoir from the lead singer of the 1980s hair-metal band Ratt reveals all the aspects of rock star excess, including the groupies, the trashed hotel rooms, and the drugs.

Lonely Boy - Steve Jones 2016-11-17

SOON TO BE A LIMITED SERIES DIRECTED BY DANNY BOYLE

_____ Foreword by Chrissie Hynde Without the Sex Pistols there would be no punk rock, and without Steve Jones there would be no Sex Pistols. It was Steve who formed Kutie Jones and his Sex Pistols, the band that eventually went on to become the Sex Pistols, with his schoolmate Paul Cook and who was its original leader. As the world celebrates the 40th anniversary of Punk - the influence and cultural significance of which is felt in music, fashion and the visual arts to this day - Steve tells his story for the very first time. Rising from the streets of Hammersmith, Steve Jones was once a lonely, neglected boy living off his wits and petty thievery. Given purpose by the glam art rock of David

Bowie and Roxy Music, he became one of the first generation of punks taken under the wings of Malcolm McLaren and Vivienne Westwood. For the very first time Steve describes the neglect and abuse he suffered at the hands of his stepfather, and how his interest in music and fashion saved him from a potential life of crime. From the Kings Road of the early seventies, through the years of the Sex Pistols, Punk Rock and the recording of *Never Mind the Bollocks* (ranked number 41 in Rolling Stone magazine's Best Albums of All Time), to his self-imposed exile in New York and Los Angeles where he battled with alcohol, heroin and sex addiction - caught in a cycle of rehab and relapse - *Lonely Boy*, written with music journalist and author Ben Thompson, is the story of an unlikely guitar hero who, with the Sex Pistols, changed history.

So You Want to Be a Reality TV Star - Cork Graham 2018-07

WARNING: Get your copy before Discovery Communications tries to silence the author! NEVER BEFORE SEEN PHOTOS! FROM THE BOOK: Cappy was three sheets to the wind, stuck in a hole in the jungle, and screaming, "WHERE'S MY RIFLE? THERE'S GOOKS EVERYWHERE!" [A good buddy and retired Marine colonel] told me, "Geezus-watch your six. They might try to take you out!" In his latest controversial memoir, Cork Graham blows the lid off the reality TV industry. Graham entered this world of fraudulent broadcasting as team leader of Discovery Channel's 2015 #1 New Hit Series *TREASURE QUEST: SNAKE ISLAND*. Invited to lead a hunt for the mysterious Treasure of the Trinity, he soon learned that there was no way any treasure would be found in what was a fully scripted show advertised to the public as a "true-life" documentary. He quickly learned the character profile and show model that is used to produce "reality" TV shows not only at Discovery Communications, but also at A&E and National Geographic in such Fakeumentaries as *BERING SEA GOLD*, *GOLD RUSH*, *DUAL SURVIVAL*, *HUNTING HITLER*, *ALASKA THE LAST FRONTIER*, and *LIFE BELOW ZERO*. Global and far-reaching, Graham even takes to task embassies and news services for their ignorance of the impact on various national histories, through a media format that has paved the way for "Fake News." With Discovery Communications CEO David Zaslav making over \$42 Million in 2017,

there's a lot at stake!

Dancing with Myself - Billy Idol 2015-09-29

A candid memoir by the multiplatinum recording artist chronicles his life from his childhood in England and rise to fame at the height of the punk-pop revolution to his popular hits and his collaborations with fellow artists.

Rock Hard - Olivia Cunning 2011-04-01

Book 2 of The Sinners on Tour Two years ago, Sed gave Jessica an ultimatum and she broke his heart by leaving without a backwards glance. Since then, he's tried to forget her by screwing any woman who will have him. It's no use. Sed still loves Jessica. Seeing her working in a strip club, with all those men gawking at her, sends Sed into a jealous rage. Jessica belongs to him. Always has, always will. Heartbroken, Jessica made her choice and ended their engagement. Since then, she's tried to forget him by avoiding men entirely. It's no use. Jessica still hates Sed and knows one mere woman will never satisfy his over-inflated ego or insatiable sexual appetite. When she has no choice but to take a summer job that has her trapped on Sinners' tour bus with the impossibly sexy jerk for two entire months, she's furious- but the passion between them is hotter than ever. Trapped together on the Sinners tour bus for the summer, Sed and Jessica will rediscover the millions of steamy reasons they never should have called it quits in the first place... The Sinners on Tour Series: Backstage Pass (Book 1) Rock Hard (Book 2) Hot Ticket (Book 3) Wicked Beat (Book 4) Double Time (Book 5) Praise for Rock Hard: "Readers will love the characters and enjoy their scorching love scenes and passionate fights."-RT Book Reviews, 4 Stars "Hot men, rocking music, and explosive sex? What could be better?"- Seriously Reviews "Sizzling sex, drugs, and rock 'n' roll...Absolutely perfect!"-Fresh Fiction

Daisy Jones & The Six - Taylor Jenkins Reid 2019-03-05

NATIONAL AND NEW YORK TIMES BESTSELLER WINNER OF THE 2019 GOODREADS CHOICE AWARD FOR HISTORICAL FICTION A NEW YORK TIMES EDITORS' CHOICE NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • Esquire • Glamour • CBC •

NPR • Marie Claire • Real Simple • Good Housekeeping • Parade • Shelf Awareness • BookRiot • E! News • Mental Floss • Paste "I devoured Daisy Jones & The Six in a day, falling head over heels for it. Daisy and the band captured my heart." —Reese Witherspoon (Reese's Book Club x Hello Sunshine book pick) A gripping novel about the whirlwind rise of an iconic 1970s rock group and their beautiful lead singer, revealing the mystery behind their infamous breakup. Everyone knows Daisy Jones & The Six: The band's album Aurora came to define the rock 'n' roll era of the late seventies, and an entire generation of girls wanted to grow up to be Daisy. But no one knows the reason behind the group's split on the night of their final concert at Chicago Stadium on July 12, 1979 . . . until now. Daisy is a girl coming of age in L.A. in the late sixties, sneaking into clubs on the Sunset Strip, sleeping with rock stars, and dreaming of singing at the Whisky a Go Go. The sex and drugs are thrilling, but it's the rock 'n' roll she loves most. By the time she's twenty, her voice is getting noticed, and she has the kind of heedless beauty that makes people do crazy things. Also getting noticed is The Six, a band led by the brooding Billy Dunne. On the eve of their first tour, his girlfriend Camila finds out she's pregnant, and with the pressure of impending fatherhood and fame, Billy goes a little wild on the road. Daisy and Billy cross paths when a producer realizes that the key to supercharged success is to put the two together. What happens next will become the stuff of legend. The making of that legend is chronicled in this riveting and unforgettable novel, written as an oral history of one of the biggest bands of the seventies. Taylor Jenkins Reid is a talented writer who takes her work to a new level with Daisy Jones & The Six, brilliantly capturing a place and time in an utterly distinctive voice.

Leave Me Alone, I'm Reading - Maureen Corrigan 2007-12-18

In this delightful memoir, the book critic for NPR's Fresh Air reflects on her life as a professional reader. Maureen Corrigan takes us from her unpretentious girlhood in working-class Queens, to her bemused years in an Ivy League Ph.D. program, from the whirl of falling in love and marrying (a fellow bookworm, of course), to the ordeal of adopting a baby overseas, always with a book at her side. Along the way, she reveals

which books and authors have shaped her own life—from classic works of English literature to hard-boiled detective novels, and everything in between. And in her explorations of the heroes and heroines throughout literary history, Corrigan’s love for a good story shines.
