Death by a Thousand Lies - Blaine Bartel 2017-12-12
Death By a Thousand Lies may be the most gritty, painful and tender confession of an evangelical pastor ever written. Blaine Bartel stunningly chronicles the provocative story of his rise to fame as a star in the evangelical world and, more poignantly, his deadly descent into the secret sexual underworld of America. If you ever channel surfed late at night in the 90's, there is a

pretty good chance you've seen Blaine. He hosted a nationally televised program called Fire by Nite. Think of Saturday Night Live for the younger Christian masses. As Fire by Nite grew in popularity, so did Blaine's influence in the evangelical world. He found himself speaking at the most prominent Christian events in the nation, writing best-selling books and building Oneighty, the largest weekly student gathering in America,

attracting 3000 young people every Wednesday night. There was one complication to Blaine's soaring ministerial success. Privately he was a broken man. He had slowly become captive to pornography in his late twenties and before long it has escalated into an uncontrollable sexual addiction. Though he hated what he had become, he lived in interminable fear of ever being discovered and strived to win the battle to defeat his shameful obsession alone. Twenty-five years later, the worst and best day of his life finally transpired. Blaine was exposed in the harshest way. National headlines. Scandal and disgrace. When the mask was finally torn off, he was shipped to Dr. Ralph Earle, one of the nations leading sexual addiction specialists, who upon hearing his story told Blaine, "You are the new poster child for sexual addiction. I honestly don't know if you will ever find freedom." Eight years later, this is Blaine's story. Told in his own words. It is brave and honest. Raw and unvarnished.

And disruptively hopeful. This moving read is broken into three scenes from the theatrics of Blaine's story. - It begins with the cover-up. The red button. The deception and trickery. The insanity. - And then the crash. A brave woman. National exposure. The loss of everything. - And finally, resurrection. The comeback. Finding freedom for the first time. The transformational secrets. Today, Blaine professionally coaches men all over the world, guiding them out of sexual addiction and into a resurrected life of authentic freedom. He is also speaks to men everywhere, sharing his story and secrets to transformation. In the end, *Death By a Thousand Lies* will stun you with it's stories, surprise you with its vulnerability and enlighten you with its secrets.

Sexuality in Perspective - Jean V. 1998

This book is written by a man with more than 25 years' experience with sex addiction recovery. This introspective documentary proclaims that

*Downloaded from

profound healing is possible for everyone affected by sex addiction. The author's personal story portrays both the depth of suffering caused by sex addiction and the heights of healing possible for the recovering addict. The joy of enhanced intimacy is heralded as a reasonable expectation for those living by Twelve-Step principles. This theme is revealed through an in-depth presentation of the author's recovery journey of more than two decades as it unfolded in his marriage of 44 years.

Sex Addiction - Barry Reay
2015-08-06

The concept of sex addiction took hold in the 1980s as a product of cultural anxiety. Yet, despite being essentially mythical, sex addiction has to be taken seriously as a phenomenon. Its success as a purported malady lay with its medicalization, both as a self-help movement in terms of self-diagnosis, and as a rapidly growing industry of therapists treating the new disease. The media played a role in its

history, first with TV, the tabloids and the case histories of claimed celebrity victims all helping to popularize the concept, and then with the impact of the Internet. This book is a critical history of an archetypically modern sexual syndrome. Reay, Attwood and Gooder argue that this strange history of social opportunism, diagnostic amorphism, therapeutic self-interest and popular cultural endorsement is marked by an essential social conservatism: sex addiction has become a convenient term to describe disapproved sex. It is a label without explanatory force. This book will be essential reading for those interested in sexuality studies, contemporary history, psychology, psychiatry, sociology, media studies and studies of the Internet. It will also be of interest to doctors and therapists currently working in this and related fields.

Movies and Mental Illness -
Danny Wedding 2023-11-06
The popular, critically acclaimed text on

*Downloaded from
legacy.opendemocracy.net
on 2019-10-16 by guest*

psychopathology in movies - now including the latest movies and more Explores films according to the diagnostic criteria of DSM-5 and ICD-11 Provides psychological ratings of nearly 1,500 films Includes downloadable teaching materials Films can be a powerful aid to learning about mental illness and psychopathology - for practitioners and students in fields as diverse as psychology, psychiatry, social work, medicine, nursing, counseling, literature, or media studies, and for anyone interested in mental health. Watching films relevant to mental health can actually help you become a more productive therapist and a more astute diagnostician. *Movies and Mental Illness*, written by an eminent clinical psychologist (who is also a movie aficionado), has established a reputation as a uniquely enjoyable and highly memorable text for learning about psychopathology. This new edition has been completely revised to explore current issues, such as

children's screentime and celebrities with mental illness, and to include the numerous films that have been released since the last edition. The core clinical chapters raise provocative questions about differential diagnosis (according to the DSM-5 and ICD-11) for the primary characters portrayed in the films. Included are also a full index of films; sample course syllabus; ratings of close to 1,500 films; fascinating appendices, such as "Top 50 Heroes and Villains," psychotherapists in movies, and misconceptions about mental illness in movies. Accompanying the new edition are downloadable resources for teachers that include critical questions and topics for discussion, as well as fabricated case histories based on movie characters with Mini-Mental State Examinations that help explain, teach, and encourage discussion about important mental health disorders. In addition, the author plans a regular series of online "Spotlights" articles that

will critically examine the psychological content of new movies as they are released.

Understanding Addiction and Recovery - Joe Polish
2022-03-15

Joe Polish is considered the "world's best connector"-a marketing guru who invented the modern-day mastermind. But while he's passionate about helping entrepreneurs collaborate, learn from each other and grow both their businesses and minds, his true passion is for helping to alleviate suffering?particularly when it comes to those suffering with addiction. A recovery advocate who's overcome his own debilitating addictions to drugs and sex, Polish brings just as many personal development experts, therapists and recovery experts into his Genius Network community as he does business leaders like Tony Robbins. The Genius Legacy Talks: Understanding Addiction and Recovery is made up of three seminal interviews Polish has conducted with three seminal

leaders in the addiction recovery movement: bestselling author and trauma/addiction expert Gabor Mate, "founding father" of sex addiction therapy Patrick Carnes and Master Yogi Guru Prem. In these interviews, Polish uncovers those elements of addiction that many ignore and helps shed light on an affliction killing far too many people today.

Loose Girl - Kerry Cohen
2021-09-21

While there can be clean beginnings, true endings are so much more elusive. Redemption isn't in endings, anyway. It comes from authentic consciousness, from living more fully and honestly inside our story, and making it a story worth having lived. -- from the Introduction For everyone who was that girl. *Loose Girl* is Kerry Cohen's captivating memoir about her descent into promiscuity and how she gradually found her way toward real intimacy. The story of addiction—not just to sex, but to male attention—*Loose Girl* is also

*Downloaded from
legacy.opendemocracy.net
on 2019-10-16 by guest*

the story of a young woman who came to believe that boys and men could give her life meaning. For everyone who knew that girl. In rich and immediate detail, *Loose Girl* recreates what it feels like to be in that desperate moment, when a you try to control someone by handing over your body, when the touch of that person seems to offer proof of something, but ultimately delivers little more than emptiness. Kerry Cohen's journey from that hopeless place to her current confident and fulfilled existence is an unforgettable memoir of one young woman who desperately wanted to matter, and speaks to countless others with its compassion, understanding, and love. For the thousands of people who have found their voice in this book, and the thousands more who will.

Beggar's Daughter - Jessica Harris 2016-03-15

For so long, Christians have looked at lust and pornography as "men's" issues. Statistics indicate that more and more women are struggling with this

as well. What's it like to be a woman with this struggle in the church? How do you find freedom? How do you find healing? Can God still love you? Will He still use you? Christian writer and speaker, Jessica Harris, answers these questions by walking the reader through her own journey, from the rags of pornography to the riches of grace.

Crazy for You - Kerry Cohen 2021-09-21

A psychologist and bestselling author redefines love and sex addiction as a spectrum disorder, and offers a new approach for healing. For anyone who has wondered Why does everyone else seem to be able to make romantic relationships work, and I can't? What's wrong with me? Why is love so hard? Psychologist and bestselling memoirist Kerry Cohen is all too familiar with the questions she often hears from her clients—and has asked herself. Even though sex and love are some of the most universal, sought-after experiences we have, many of

Downloaded from
legacy.opendemocracy.net
on 2019-10-16 by guest

us lack the tools and understanding to approach them in a healthy way. Without knowing it, many people struggling with sex and love actually fall somewhere on the spectrum of sex and love addiction (SLA). Sex and love addiction is still wildly misunderstood. It's shrouded in secrecy and shame, and many counselors lack the training to address it—leaving people who need help without resources. Yet SLA isn't a binary of you are or you aren't, rather, it's a spectrum. Kerry Cohen knows this all too well as both a therapist and someone who identifies on the SLA spectrum. Based on research and her own clinical experience, *Crazy for You* dives into SLA and provides an inclusive framework for understanding relationships, along with practical exercises and advice for self-assessment, discovery, and healing: Part one explains the sex and love addiction spectrum, helping you determine where you fall on it and how you got there Part two introduces strategies for

breaking the spell of sex and love addiction, like behavior modifications and self-awareness techniques Part three teaches you how to navigate healthy, safe, and fulfilling relationships

The Medicalization of Cyberspace - Andy Miah
2008-02-19

The entire infrastructure and culture of medicine is being transformed by digital technology, the Internet and mobile devices. Cyberspace is now regularly used to provide medical advice and medication, with great numbers of sufferers immersing themselves within virtual communities. What are the implications of this medicalization of cyberspace for how people make sense of health and identity? *The Medicalization of Cyberspace* is the first book to explore the relationship between digital culture and medical sociology. It examines how technology is redefining expectations of and relationships with medical culture, addressing the following questions: How will the rise of digital communities

*Downloaded from
legacy.opendemocracy.net
on 2019-10-16 by guest*

affect traditional notions of medical expertise? What will the medicalization of cyberspace mean in a new era of posthuman enhancements? How should we regard hype and exaggeration about science in the media and how can this encourage public engagement with bioethics? This book looks at the complex interactions between health, medicalization, cyberculture, the body and identity. It addresses topical issues, such as medical governance, reproductive rights, eating disorders, Web 2.0, and perspectives on posthumanism. It is essential reading for healthcare professionals and social, philosophical and cultural theorists of health.

Vulgar Genres - Steven Ruszczycky 2022-01-11
Vulgar Genres examines gay pornographic writing, showing how literary fiction was both informed by pornography and amounts to a commentary on the genre's relation to queer male erotic life. Long fixated on visual forms, the field of porn studies is overdue for a

book-length study of gay pornographic writing. Steven Ruszczycky delivers with an impressively researched work on the ways gay pornographic writing emerged as a distinct genre in the 1960s and went on to shape queer male subjectivity well into the new millennium. Ranging over four decades, Ruszczycky draws on a large archive of pulp novels and short fiction, lifestyle magazines and journals, reviews, editorial statements, and correspondence. He puts these materials in conversation with works by a number of contemporary writers, including William Carney, Dennis Cooper, Samuel Delany, John Rechy, and Matthew Stadler. While focused on the years 1966 to 2005, *Vulgar Genres* reveals that the history of gay pornographic writing during this period informs much of what has happened online over the past twenty years, from cruising to the production of digital pornographic texts. The result is a milestone in porn studies and an important contribution

*Downloaded from
legacy.opendemocracy.net
on 2019-10-16 by guest*

to the history of gay life.

Dirty Little Secrets - Kerry

Cohen 2011-09-01

They have sex too early and for the wrong reasons. They get STDs. They get pregnant too young. They have "friends with benefits" but with no benefit to themselves. They don't get called. They get dumped. They hate themselves for being unlovable for being needy. They are loose girls they are everywhere and they need our help. In the provocative hit memoir *Loose Girl*, Kerry Cohen explored her own promiscuity with brutal candor and stunning clarity. *Dirty Little Secrets* is the eye-opening follow-up readers have been clamoring for, a riveting look at today's adolescent girls who use sex as a means to prove their worth. Cohen lays bare the hard truths about this dangerous life that reveals itself in girls you wouldn't expect and in ways you might not see-and that can seriously damage and hurt these girls. Featuring stories from self-admitted loose girls across the country, *Dirty Little Secrets* is

an unforgettable wake-up call for our culture, ourselves, and our vulnerable daughters.

"Very few people can write about teen girls' sexual promiscuity with the candor, empathy, and intelligence Kerry Cohen does...I think any girl who reads this will recognize at least one girl she knows-and that girl may be looking back at her in the mirror." -Rosalind Wiseman, *New York Times* bestselling author of *Queen Bees and Wannabes* and *Boys, Girls, and Other Hazardous Materials* "As compassionate as it is enlightening, Kerry Cohen's *Dirty Little Secrets* argues for female safety and desire, and provides a road map for authentically healthy, vital sexuality." -Jennifer Baumgardner, author of *Look Both Ways*, *F 'Em*, and *Manifesta* "A must-read, for it sheds light on the truth behind the secrets and lies teens tell themselves... Women of all ages can relate and benefit from this book-I can't recommend it enough. *Dirty*

Little Secrets is urgently needed." -Amber Smith, model and star of Dr. Drew Pinsky's Celebrity Rehab and Celebrity Sex Rehab "Kerry Cohen has 'been there'-and it shows in her empathy, her insight, and her remarkable ability to draw out the truth...Dirty Little Secrets busts the myths, breaks down walls, and takes us where we need to go to understand the private lives of so many young women today." -Hugo Schwyzer, PhD, Pasadena City College, Coauthor, Beauty, Disrupted: the Carré Otis Story **Sex, Tech, and Faith** - Kate Ott 2022-08-16

A values-based, shame-free, pleasure-positive discussion of Christian ethics in response to a range of pressing issues in the digital age—including online pornography, dating apps, sexting, virtual-reality hookups, and sex robots. Digital innovation has rapidly changed the landscape of sexual experience in the twenty-first century. Rules-based sexual ethics, subscribed to by many Christians, are unable to keep up with new

developments and, more often than not, seem effective at little other than generating shame. Progressive ethicist Kate Ott steps into this void with an expansive yet nuanced approach that prioritizes honesty and discernment over fear and judgment. Rather than producing a list of don'ts, Ott considers the possibilities alongside the potential harm in everything from the use of internet porn to the practice of online dating to human-robot intimacy. With the aid of thought-provoking anecdotes and illuminating research, Ott invites readers to wrestle with the question of how to practice a just and flourishing sexuality in the digital age—and does so by drawing on core values of the Christian tradition. A rich resource for both individuals and groups, Sex, Tech, and Faith includes discussion questions at the end of each chapter for those considering these issues in community, as well as extensive youth study guides for parents, pastors, and teachers in need of age-appropriate means of

*Downloaded from

on 2019-10-16 by guest*

beginning these difficult conversations with teens. Readers of all backgrounds and identities will be challenged to consider how their choices and habits in the digital world can lead to sexual health, wholeness, dignity, and fulfillment—for themselves and those in relationship with them.

Out of the Shadows - Patrick J Carnes 2009-06-21
Unhooked from regular routines and healthy relationships by the coronavirus pandemic or other traumas, even our most basic human impulses and inputs can become addictive and destructive. An essential resource for those struggling with sexual addiction and compulsions, and those who love them. With the revised information and up-to-date research, *Out of the Shadows* is the premier work on sex addiction, written by a pioneer in its treatment. Sex is at the core of our identities. And when it becomes a compulsion, it can unravel our lives. *Out of the Shadows* is the premier

work on this disorder, written by a pioneer in its treatment. Revised and updated to include the latest research--and to address the exploding phenomenon of cybersex addiction--this third edition identifies the danger signs, explains the dynamics, and describes the consequences of sexual addiction and dependency. With practical wisdom and spiritual clarity, it points the way out of the shadows of sexual compulsion and back into the light and fullness of life.

The Life Recovery Workbook for Sexual Integrity - Stephen M. ED. Arterburn 2020-01-07

A Biblical foundation for both understanding and successfully overcoming issues related to divorce using the 12 steps.

Awakening Blackout Girl -

Jennifer Storm 2020-10-06

In this honest and practical guide, rape survivor and victim advocate Jennifer Storm shares the information, tools, and resources she has gained from more than twenty years of personal and professional experience to help fellow

*Downloaded from
legacy.opendemocracy.net

survivors recover from co-occurring sexual trauma and substance use. In recent years, the #MeToo and Time's Up movements have exposed the truth that many already knew: sexual violence, victimization, and rape culture are real, pervasive, and causing widespread trauma for millions of survivors. This newfound visibility is also shedding light on the lack of resources available for victims to cope and heal from their pain. Perhaps it's not surprising that many turn to whatever coping mechanisms are close by, which often include alcohol, other drugs, and unhealthy behaviors. How can people in recovery from both sexual trauma and substance use heal in a place where victim-blaming and addiction stigma collide? Jennifer Storm is living proof that there is hope. In her memoir *Blackout Girl*, she shared her story and showed survivors that they are not alone. In *Awakening Blackout Girl*, Jennifer goes further by providing the road map she used to wake herself up from

the drug-fueled numbness that was killing her and to achieve a fulfilling life of recovery and advocacy. With more than twenty years of experience helping other victims through the criminal justice system, Jennifer knows what survivors face. In this guide, she provides the exercises, tools, and wisdom they need to heal. While covering crucial subjects ranging from shame and self-harm to sex and relationships, Jennifer's message is this: Neither your pain, nor your offender, nor anyone else who doubts your strength gets to finish your story. You have the power to write your ending. You can survive, you can heal, and you can thrive.

No Mud, No Lotus - Maya Yonika 2013-04

"No Mud, No Lotus" is a humorous but gritty journey out of substance addiction and sexual trauma and into Sacred Sex and Neo Tantra! It's the raw, honest, and intimate biography of a Maya who stars in a controversial documentary film about Tantra, "Sex Magic, Manifesting Maya." This isn't

Downloaded from
legacy.opendemocracy.net
on 2019-10-16 by guest

the usual life story of a "Sacred Sexual, Tantric practitioner," filled with New Age lingo and promises of ecstatic sexual bliss. Rather, it's the genuine, real account of a regular girl who seeks emotional and psychological healing from a past of sexual trauma, abuse, and addictions. "No Mud, No Lotus" chronicles Maya's determined journey to find depth and meaning within love, sex and relationships. It also tells the story of "Father Ron" who believes it's Maya's destiny to stand at his side as a "Sacred sexual healer," and invites Maya to travel the world with him as his mate and to teach "Tantra." Together, they go to places where the lines between black and white, shadow and light, the sacred and the profane become maddeningly unclear and contradictory. But Maya's past already endowed her with strength and a critical eye- assets she didn't know she had- which serve as her beacon of truth as she negotiates the darkened maze that is Neo Tantra as practiced in sexually

over-charged New Age circles.

Handbook of Sex Trafficking -

Lenore Walker 2018-12-24

This definitive reference assembles the current knowledge base on the scope and phenomena of sex trafficking as well as best practices for treatment of its survivors. A global feminist framework reflects a profound understanding of the entrenched social inequities and ongoing world events that fuel trafficking, including in its lesser-known forms.

Empirically sound insights shed salient light on who buyers and traffickers are, why some survivors become victimizers, and the experiences of victim subpopulations (men, boys, refugees, sexual minorities), as well as emerging trends in prevention and protection, resilience and rehabilitation.

These powerful dispatches also challenge readers to consider complex questions found at the intersections of gender, race, socioeconomic status, and politics. A sampling of topics in the Handbook: · An

organizational systems view of

sex trafficking. · Vulnerability factors when women and girls are trafficked. · Men, boys, and LGBTQ: invisible victims of human trafficking. · Organized crime, gangs, and trafficking. · Human trafficking prevention efforts for kids (NEST). · Treating victims of human trafficking: core therapeutic tasks. · From Trafficked to Safe House (C-SAFE). The Handbook of Sex Trafficking will interest a wide professional audience, particularly mental health workers, legal professionals, and researchers in these and related fields. Public health and law enforcement professionals will also find it an important resource.

The Future of Men - Jack Myers 2016-03-01

“Once again, Jack Myers has his fingers on the pulse of the very latest. Myers has clearly done his homework, and the result is this superb book.”

—Ken Burns, documentary filmmaker of *The Roosevelts* and *The Civil War* After being told all their lives to “be a man” and “man up,” men are

now rejecting the macho stereotype and instead developing empathy, getting in touch with their emotions, and becoming more sensitive in their relationships. Women are gaining ground in business, culture, education, relationships, and politics as traditional male and female roles disappear. *The Future of Men: Masculinity in the Twenty-First Century* prepares men and women for this shift in gender norms. As the definition of a “real man” evolves, understanding the future of men in business, politics, sports, education, relationships, and parenting will be essential for men to maintain psychological well-being, strengthen their self-esteem and sexual self-confidence, and rewire their emotional lives. *The Future of Men* provides tools to help men, and especially younger men, recognize and embrace new behaviors that are required for health and happiness at work, at home, and in their relationships.

Lust, Anger, Love - Maureen

Downloaded from
legacy.opendemocracy.net
on 2019-10-16 by guest

Canning 2008-01-01

Sexual addiction is a problem that affects millions of people. Maureen Canning, LMFT, who has extensive experience treating sex addicts, explains its roots and how those afflicted can recover. This book also explains the poisonous childhood seeds that lead to public scandals like the revelations involving former congressman Mark Foley. Canning shows how compulsions are the product of early childhood abuse and how patterns, from the most violent to the most commonplace, develop. She explains that the overriding emotion sexually addicted people feel towards the partners with whom they

seek intimacy is anger turned into sexuality, or "sexualized anger." This yields a false sense of security and power, an "aggressive tendency," which destroys any chance of a healthy relationship. Lust, Anger, Love offers a comprehensive and enlightening look at the origins of these little discussed behaviors and maps out a plan for recovery.

Addict Nation - Jane Velez-Mitchell 2011-02

Presents a view of the world from the perspective of a recovering addict, showing readers how to resist the addictions that take away Americans' freedoms.
