Can purity survive real-world temptation? "True love waits"--but what exactly are you waiting for? After all, we're constantly bombarded with Hollywood's idea of romance--that sex is no big deal, that everyone is doing it, that it's the only path to a happy ending. Maybe you've even begun to wonder, What am I missing? Is the wait really worth it? Marian Jordan Ellis has been there. She knows the pitfalls of giving in to temptation--but also the blessings of God's best found in waiting after she committed herself to Christ and to sexual purity. Marian offers lots of practical advice, backed by biblical truth, to equip you with the tools to overcome past mistakes and future temptations. You are cherished. Sex, God, and the Conservative Church - Tina Schermer Sellers 2017-04-21

Sex, God, and the Conservative Church guides psychotherapy and sexology clinicians on how to treat clients who grew up in a conservative

faith—mired in sexual shame and dysfunction—and who desire to both heal and hold on to their faith orientation. The author first walks clinicians and readers through a critique of Western culture and the conservative Christian Church, and their effects on intimate partnerships and sexual lives. The book provides clinicians a way to understand the faulty sexual ethic of the early church, while revealing the hidden mystical sex and body positive understanding of sexuality of the Hebrew people. The book also includes chapters on strategies for a new sexual ethic, on clinical steps to heal religious sexual shame, and on specific sex therapy interventions clinicians can use directly in their practice. Finally, it offers a four step model for healing religious sexual shame and actual touch and non-touch exercises to bring healing and intimacy into a person's life.

Women and Authority - Ian Paul 2011

Shameless - Nadia Bolz-Weber 2019-01-30

Christians are obsessed with sex. But not in a good way. For nearly two thousand years, this obsession has often turned destructive, inflicting pain, suffering, and guilt on countless people of all persuasions and backgrounds. In *Shameless*, Bolz-Weber calls for a reformation. To make her case, she offers experiences from her own life and stories from her parishoners alongside biblical theology to explore what the church has taught, and the harm those teachings have caused.

Unprotected Texts - Jennifer Wright Knust 2011-01-25

"An explosive, fascinating book that reveals how the Bible cannot be used as a rulebook when it comes to sex. A terrific read by a top scholar."
—Bart Ehrman, author of *Misquoting Jesus*
Boston University's cutting-edge religion scholar Jennifer Wright Knust reveals the Bible's contradictory messages about sex in this thoughtful, riveting, and timely reexploration of the letter of the gospels. In the tradition of Bart Erhman's *Jesus Interrupted* and John Shelby

Spong's Sins of Scripture, Knust's Unprotected Texts liberates us from the pervasive moralizing—the fickle dos and don'ts—so often dictated by religious demagogues. Knust's powerful reading offers a return to the scripture, away from the mere slogans to which it is so often reduced.

Every Young Man's Battle - Stephen Arterburn
2004-01-20

In this world you're surrounded by sexual images that open the door to temptation. They're everywhere—on TV, billboards, magazines, music, the internet—and so easy to access that it sometimes feels impossible to escape their clutches. Yet God expects his children to be sexually pure. So how can you survive the relentless battle against temptation? Here's powerful ammunition. Steve Arterburn and Fred Stoeker, the authors of the hard-hitting best-seller *Every Man's Battle*, now focus on the temptations young single Christian men like you face every day—and they offer workable, biblical strategies for achieving sexual purity. The authors examine the standard of Ephesians 5:3—"there must not be even a hint of sexual immorality"—in a positive and sensitive light. And they explain how an authentic, vibrant relationship with Jesus Christ is the key to victory over temptation. *Every Young Man's Battle* will show you how to train your eyes and your mind, how to clean up your thought life, and how to develop a realistic battle plan for remaining pure in today's sexually soaked culture. As a result, you'll experience hope—real hope—for living a strong, pure life God's way

2004

Core Christianity - Michael Horton 2016-04-05
What beliefs are core to the Christian faith? This book is here to help you understand the reason for your hope as a Christian so that you can see it with fresh sight and invite others into the conversation. A lot of Christians take their story—the narratives that give rise to their beliefs—for granted. They pray, go to church, perhaps even read their Bible. But they might be stuck if a stranger asked them to explain what they believe and why they believe it. Author, pastor, and theologian Mike Horton unpacks the essential and basic beliefs that all Christians share in a way that is easy to understand and applicable to our lives today. And in a way that will make you excited to be a Christian! Core Christianity covers topics like: Jesus as both fully God and fully man. The doctrine of the Trinity. The goodness of God despite a broken world. The ways God speaks. The meaning of salvation. What is the Christian calling? Includes discussion questions for individual or group use. This introduction to the basic doctrines of Christianity is perfect for those who are new to the faith, as well as those who have an interest in deepening their understanding of what it means to be a follower of Jesus Christ.

Undeclared - Harry Schaumburg 2009-09-01
Amid the chaos of cybersex, impersonal sex, adultery, homosexuality, and sexual dissatisfaction in marriage, Undeclared calls readers toward a new kind of spiritual and sexual revolution. Sexual impurity creates a vicious circle, one that springs from misconceptions about Christ and further taints our understanding of Him. Yet another circle is available to men and women trapped in sexual sin, a circle of sexual redemption. When practiced as God intends, spirituality and sexuality both draw us closer to Christ. Spiritual maturity and sexual maturity go hand-in-hand, and together they hold out the promise of redemption and restoration needed by everyone who has been damaged by sexual sin. There is hope. Real change is possible; true intimacy is available. To the person who has failed time and time again sexually, God's message is simple:

The Evangelical Universalist - Gregory MacDonald 2012-05-11

-Can an orthodox Christian, committed to the historic faith of the church and the authority of the Bible, be a universalist? -Is it possible to believe that salvation is found only by grace, through faith in Christ, and yet to maintain that in the end all people will be saved? -Can one believe passionately in mission if one does not think that anyone will be lost forever? -Could universalism be consistent with the teachings of the Bible? Gregory MacDonald argues that the answer is yes to all of these questions. Weaving together philosophical, theological, and biblical considerations, MacDonald seeks to show that being a committed universalist is consistent with the central teachings of the biblical texts and of historic Christian theology. This second edition contains a new preface providing the backstory of the book, two extensive new appendices, a study guide, and a Scripture index.

Beyond the Battle - Noah Filippiak 2021-08-10
All men face some degree of temptation or discontentment. Here is your guide to get you past frustration into freedom. We live in a culture where 55% of married men and 70% of single men look at porn at least once a month and over half of all marriages end in divorce. To understand why that is we have to look beyond the battle to the root of both the problem and the solution... Most books for men on how to defeat lust and improve their relationships with the women in their lives preach a plan for trying harder, thinking better, and battering their behavior into submission. The problem with this approach: no matter how strong we are today, the battle continues tomorrow, and nothing ever

seems to change in the long run. In *Beyond the Battle*, author and pastor Noah Filippiak shows you why symptom-based behavior management approaches offer short-term solutions. Instead, he unpacks the keys to a gospel-centered, long-term victory, helping you win the war against temptation and entitlement. *Beyond the Battle* is an accessible, effective, man-to-man resource for individual or small group use that will guide you toward freedom from sexual temptations by connecting you more deeply to Jesus—to his sacrifice and sufficiency. Filippiak addresses deep questions of marriage, singleness, and sexual temptation like: What's really the worst enemy in a man's marriage? How are my assumptions about my wife contributing to the problem? How does a corrected understanding of God's grace change my outlook on marriage or singleness? This book turns typical "purity" strategies on their head by addressing head-on our sense of self-entitlement and our self-seeking tendencies, showing how to look to God—instead of to women—for intimacy, approval, acceptance, and validation. Includes free access to 7-week small group video curriculum plus an option 40-day devotional.
