Rationale of the Dirty Joke - G. Legman 2007-11-01

Why do people tell dirty jokes? And what is it about a joke's dirtiness that makes it funny? G. Legman was perhaps the foremost scholar of the dirty joke, and as legions of humor writers and comedians know, his Rationale of the Dirty Joke remains the most exhaustive and authoritative study of the subject. More than two thousand jokes and folktales are presented, covering such topics as The Female Fool, The Fortunate Fart, Mutual Mismatching, and The Sex Machine. These folk texts are authentically transcribed in their innocent and sometimes violent entirety. Legman studies each for its historical and socioanalytic significance, revealing what these jokes mean to the people who tell them and to the people who listen and laugh. Here -- back in print -- is the definitive text for comedians and humor writers, Freudian scholars and late night television enthusiasts. Rationale of the Dirty Joke will amuse you, offend you, challenge you, and disgust you, all while demonstrating the intelligence and hilarity of the dirty joke.

A Collection of Hilarious, Outrageous and Questionable Adult Jokes - Mr. Richards 2008-11

Nearly eighty years of a multitude of life experiences is sufficiently difficult to recapture all by itself but to accurately put it into words that project a sense of realism and true understanding can be more than just a challenge. It can also be a test of ones emotions that allow experiences, some preferred by me not to be resurrected , not only recalled but painfully related. And so it is with this story of the life and times of the McNamaras' that Mait has undertaken the task of putting into words those events that shaped his life. It isn't his intention to justify nor give credence to those events but solely to describe their happening. What is was at the time and what, if any, were the consequences . Sort of what it was then and what it is now. It is now time for us to "talk the talk and walk the walk." No journey of any distance can begin with out the first step so let us be on our way taking that first step.
