The Heart's Invisible Furies - John Boyne 2017-08-22

Named Book of the Month Club's Book of the Year, 2017 Selected one of New York Times Readers' Favorite Books of 2017 Winner of the 2018 Goldsboro Books Glass Bell Award From the beloved New York Times bestselling author of *The Boy In the Striped Pajamas*, a sweeping, heartfelt saga about the course of one man's life, beginning and ending in post-war Ireland Cyril Avery is not a real Avery -- or at least, that's what his adoptive parents tell him. And he never will be. But if he isn't a real Avery, then who is he? Born out of wedlock to a teenage girl cast out from her rural Irish community and adopted by a well-to-do if eccentric Dublin couple via the intervention of a hunchbacked Redemptorist nun, Cyril is adrift in the world, anchored only tenuously by his heartfelt friendship with the infinitely more glamorous and dangerous Julian Woodhead. At the mercy of fortune and coincidence, he will spend a lifetime coming to know himself and where he came from - and over his many years, will struggle to discover an identity, a home, a country, and much more. In this, Boyne's most transcendent work to date, we are shown the story of Ireland from the 1940s to today through the eyes of one ordinary man. *The Heart's Invisible Furies* is a novel to make you laugh and cry while reminding us all of the redemptive power of the human spirit.

A Wild Swan: And Other Tales - Michael Cunningham 2015-11-10

Here are the moments that our fairy tales forgot or deliberately concealed, reimagined by one of the most gifted storytellers of his generation, the Pulitzer Prize winning author of *The Hours*, and exquisitely illustrated by Yuko Shimizu. Rarely have our bedtime stories been this dark, this perverse, or this true.

The Last Feather - Shameez Patel Papathanasiou 2022-07-19

South African born, debut author brings a threat-and-danger, hidden-world fantasy with touches of Suzanne Collins which fans of VE Schwab or Sarah J Maas will love. Twenty-two-year-old Cassia's sister is dying, and she doesn't know why. Cassia wakes up in another realm to find her missing best friend, Lucas, who knows how to save her sister. Lucas is part of a community of Reborns, people who were born on earth and after death, were reborn in this realm with magical abilities. The original beings of the realm, the Firsts, rule over them. To keep the Reborn numbers manageable, the king of the Firsts releases a curse to cull them. Cassia needs to break the curse before her time runs out and she is trapped there forever. Entertainment Science - Thorsten Hennig-Thurau 2018-08-01

The entertainment industry has long been dominated by legendary screenwriter William Goldman's "Nobody-Knows-Anything" mantra, which argues that success is the result of managerial intuition and instinct. This book builds the case that combining such intuition with data analytics and rigorous scholarly knowledge provides a source of sustainable competitive advantage - the same recipe for success that is behind the rise of firms such as Netflix and Spotify, but has also fueled Disney's recent success. Unlocking a large repertoire of scientific studies by business scholars and entertainment economists, the authors identify essential factors, mechanisms, and methods that help a new entertainment product succeed. The book thus offers a timely alternative to "Nobody-Knows" decision-making in the digital era: while coupling a good idea with smart data analytics and entertainment theory cannot guarantee a hit, it systematically and substantially increases the probability of success in the entertainment industry. *Entertainment Science* is poised to inspire fresh new thinking among managers, students of entertainment, and scholars alike. Thorsten Hennig-Thurau and Mark B. Houston - two of our finest scholars in the area of entertainment marketing - have produced a definitive research-based compendium that cuts across various branches of

the arts to explain the phenomena that provide consumption experiences to capture the hearts and minds of audiences. Morris B. Holbrook, W. T. Dillard Professor Emeritus of Marketing, Columbia University Entertainment Science is a must-read for everyone working in the entertainment industry today, where the impact of digital and the use of big data can't be ignored anymore. Hennig-Thurau and Houston are the scientific frontrunners of knowledge that the industry urgently needs. Michael Kölmel, media entrepreneur and Honorary Professor of Media Economics at University of Leipzig Entertainment Science's winning combination of creativity, theory, and data analytics offers managers in the creative industries and beyond a novel, compelling, and comprehensive approach to support their decision-making. This ground-breaking book marks the dawn of a new Golden Age of fruitful conversation between entertainment scholars, managers, and artists. Allègre Hadida, Associate Professor in Strategy, University of Cambridge

High in the Clouds - Paul McCartney 2006

Imagine a land where all the animals are free . . . To the creatures of the woodland, the land of Animalia sounds like a dream - a tropical island where all the animals live in harmony. They are over-shadowed by a much more evil community; the polluted Megatropolis, whose dirty skyscrapers block the horizon. And then one day, Wirral the Squirrel's woodland is destroyed by developers and he is thrown into the nightmare world of Megatropolis. But Wirral believes in Animalia and he joins with Froggo, a world-class amphibian balloonist, and Wilhamina, a girl squirrel, to lead the enslaved animals of the city to a new life. So begins an exciting adventure through the mean streets of Megatropolis, over the sea and through the sky. Developed out of an exceptional fusion of creative talents, this story explodes onto every page. The plot is fast, furious and funny; the illustrations are full of rich depth and colour; and the characters live on long after you have turned the final page. It will delight children of all ages and is sure to become an enduring classic. 'Young audiences will delight in the clever wordplay and smartly-drawn comic characters.' Independent

Challenge Accepted! - Celeste Barber 2019-12-16

Funny woman, Instagram star, international comedy sensation and now bestselling author, Celeste Barber's *Challenge Accepted!* is a hilarious and outspoken guide to life, unwanted gas and how to rock a sexy scar. It's real, like totally, really real. Actor, writer and comedian, Celeste Barber is one very funny woman - not to mention a global social media comedy phenomenon. Amassing over 3.8 million followers in three years with her hilarious #celestechallengeaccepted pics, she has been dubbed 'Australian Comedy Queen' by ABC Online; voted The Funniest Lady on Instagram; gone on sold-out comedy tours of the US; and won herself fans ranging from Tom Ford and Ruby Rose to Amy Schumer and Dawn French. In the tradition of Tina Fey's *Bossypants*, *Challenge Accepted!* is part memoir, part comedy routine, part advice manual. Calling out our ridiculous obsession with celebrity Instagram culture, Celeste reveals all, including her thoughts on keeping it real, the secrets to love, friendship, family and marriage (oh hai, #hothusband), and how to deal with life's many challenges, like, motherhood, and what to do when your local bottleshop owner can't remember your name. Celeste is raucous, real and hilarious. Bring it on.

My Love Is a Beast - Alexander Cheves 2021-10-12

Literary Nonfiction. How does the devout son of evangelical Christians, growing up dedicated to mission work in Africa, become one of America's leading sex columnists and a self-avowed slut committed to kink as his new religion? Across his debut book, *MY LOVE IS A BEAST: CONFESSIONS*, Alexander Cheves details his path from piety to faithlessness, and his awakening to the saving power of hedonism. He tells intimate stories of what he sees as the sacred grace of pleasure as he embraces his life as a sex writer, worker, and activist. In stories richly lyrical, boldly erotic, and fearlessly honest, Cheves takes readers on a tour through Savannah, Atlanta, San Francisco, Los Angeles, and New York City. Along the way, he explores the darker corners of Queer culture and his own life, highlighting experiences most will have never considered. His rise to national popularity among LGBTQ+ writers gets balanced by his own

struggles with and recovery from substance use—and his public embrace of kink and fetish as a belief system, way of life, and identity. In the end, Cheves writes with complete, even shocking, transparency and authenticity in the service of shattering sexual shame. Graphic and at times controversial, this book is sure to become a watershed moment among erotic memoirs.

Juicy and Delicious - Lucy Alibar 2013-12-02

Hushpuppy lives with his Daddy and his ghost Mamma on the edge of the earth. Life is juicy and delicious until Hushpuppy's dad gets sick, the world starts to fall apart, and prehistoric ice beasts begin to crawl out of the red Georgia clay. As Daddy gets weaker, the world becomes more fragile and nature itself begins to come unrendered. Hushpuppy and his friends must learn to care for each other while they battle the fearsome aurochs in this magical Southern fantasia that inspired the movie *Beasts of the Southern Wild*.

The House of the Spirits - Isabel Allende 2015-12-15

The Trueba family embodies strong feelings. This family saga starts at the beginning of the 20th century and continues through the assassination of Allende in 1973.

The Circle - Dave Eggers 2013-10-10

NOW A MAJOR MOTION PICTURE starring Tom Hanks, Emma Watson and John Boyega A thrilling and compulsively addictive novel about our obsession with the internet When Mae is hired to work for the Circle, the world's most powerful internet company, she feels she's been given the opportunity of a lifetime. Run out of a sprawling California campus, the Circle links users' personal emails, social media, and finances with their universal operating system, resulting in one online identity and a new age of transparency. Mae can't believe her great fortune to work for them - even as life beyond the campus grows distant, even as a strange encounter with a colleague leaves her shaken, even as her role at the Circle becomes increasingly public ... 'Tremendous. Inventive, big hearted and very funny. Prepare to be addicted' Daily Mail 'Prescient, important and enjoyable . . . a deft modern synthesis of Swiftian wit with Orwellian prognostication' Guardian 'A gripping and highly unsettling read' Sunday Times

Behind the Scenes - Meg Tilly 2014-05-20

BFFs Madison and Alyssa have the summer planned out—long days at the beach, hanging out, baking cookies—but all that changes when Alyssa's mother and the film crew have to head back to Hollywood. Which means Alyssa is moving, just when Madison finally has a best friend. But there's a silver lining: Madison is invited to spend some time over the summer in Los Angeles! Madison is excited to travel on her own, but she doesn't count on being homesick—or having to deal with her fear of dogs by sharing the house with Nadine, Alyssa's large but lovable Rottweiler. But the chance to meet Alyssa's recently discovered father and an opportunity to pay back an obnoxious tour guide give the best friends plenty of distractions—and show them both that they have much more strength than they ever realized.

Back Roads - Tawni O'Dell 2012-03-31

One day Harley Altmyer was 18 and thinking about making some kind of life. He had a family he loved and he figured it was time to get a job. Before he has the chance, his life is a minefield: his father is dead, his mother in prison for the murder, three younger sisters to care for, and there's not too much time left over for himself. Suddenly he has two crummy jobs, a fantasy sex life, big worries about the kids and a court-appointed therapist. A intense physical relationship with a woman living down the road seems to offer a way out, the answer to his problems. But little can he realise that those problems are only just beginning...

The Dark Fights - Alexandra Vinarov 2020-08-11

Escaping a traumatic childhood, Sasha finds peace, sanctuary, and purpose in a martial arts dojo whose sensei teaches her the ways of the samurai warrior. An accomplished black-belt fighter, she now happily dwells in the dojo, tucked away from the streets of Manhattan, until a midnight call sets her on a path into an underground world. Struggling to pay off a gambling debt, her brother Danilo is severely injured in a no-rules club fight run by unscrupulous Russian Mafiosi. To settle the debt, Sasha volunteers to perform in one of these "dark fights," vowing it's for one time only. But her beauty, skill, and martial arts mastery bring her to the attention of powerful men who see her as a big meal ticket. Seducing her with money and drugs, they draw her into their sordid scheme until she becomes a big and glamorous draw, enriching herself while enriching her handlers and leaving behind a pulverized host of vanquished rivals. But she realizes how addictive the lure of brutality has become. As the stakes rise, she must become more and more violent

to satisfy her handlers' bloodlust. Can she pull out before destroying someone? Can she pull out before destroying herself? Two fascinating men offer love and escape. But how true are their intentions? Genuine feelings and betrayal, violence and glamour, sex and martial arts all go hand in hand throughout the book. The *Dark Fights* introduces you to an unknown and frightening world and pins you to the mat until the very last page.

A Monster Calls - Perfection Learning Corporation 2021-02

Pieces of Her - Karin Slaughter 2018-08-01

Now a major Netflix adaptation: The #1 Australian bestseller from the author of *The Silent Wife* 'A novel that sets the standard for psychological thriller writing. Rarely in fiction have the past and the present collided with such force and in such a distinctive and compelling voice' Jeffery Deaver What if the person you thought you knew best turned out to be someone you never knew at all? Andrea Oliver's mother, Laura, is the perfect small-town mum. Laura lives a quiet but happy life in sleepy beachside Belle Isle. She's a pillar of the community: a speech therapist, business owner and everybody's friend. And she's never kept a secret from anyone. Or so Andrea thinks. When Andrea is caught in a random violent attack at a shopping mall, Laura intervenes and acts in a way that is unrecognisable to her daughter. It's like Laura is a completely different person - and that's because she was. Thirty years ago. Before Andrea. Before Belle Isle. Laura is hailed as a hero for her actions at the mall but 24 hours later she is in hospital, shot by an intruder, who's spent decades trying to track her down. What is Andrea's mother trying to hide? As elements of the past return and put them both in danger, Andrea is left to piece together Laura's former identity and discover the truth - for better or worse - about her mother. Is the gentle, loving woman who raised her also a violent killer? 'A nerve-shredding psychological thriller that will keep readers guessing to the very last page' New York Journal of Books 'A frenetic, stay-up-all-night kind of read' Good Reading 'Filled with Slaughter's trademark twists' Entertainment Weekly

The 17 Day Diet - Dr Mike Moreno 2011-05-12

Dr Mike Moreno's 17 Day Diet is a revolutionary new weight-loss programme that activates your skinny gene so that you burn fat day in and day out. The diet is structured around four 17-day cycles: Accelerate—the rapid weight loss portion that helps flush sugar and fat storage from your system; Activate—the metabolic restart portion with alternating low and high calorie days to help shed body fat; Achieve - this phase is about learning to control portions and introducing new fitness routines; Arrive - A combination of the first three cycles to keep good habits up for good. Each cycle changes your calorie count and the food that you're eating. The variation that Dr. Mike calls 'body confusion' is designed to keep your metabolism guessing. This is not a diet that relies on a tiny list of approved foods, gruelling exercise routines, or unrealistic calorie counts that leave you hungry and unfulfilled. Each phase comes with extensive lists of what dieters can and can't eat while on the phase, but also offers acceptable cheats. He advises readers not to drink while on the diet, but concedes that if they absolutely have to then they should at least drink red wine. Dr Mike knows that a diet can only work if it's compatible with the real world, and so he's designed the programme with usability as a top priority.

Attraction Explained - Viren Swami 2021-02-11

When it comes to relationships, there's no shortage of advice from self-help 'experts', pick-up artists, and glossy magazines. But modern-day myths of attraction often have no basis in fact or - worse - are rooted in little more than misogyny. Based on science rather than self-help clichés, psychologist Viren Swami debunks these myths and draws on cutting-edge research to provide a ground-breaking and evidence-based account of relationship formation. At the core of this book is a very simple idea: there are no 'laws of attraction', no fool-proof methods or strategies for getting someone to date you. But this isn't to say that there's nothing to be gained from studying attraction. Based on science rather than self-help clichés, *Attraction Explained* looks at how factors such as geography, physical appearance, reciprocity, and similarity affect who we fall for and why. With updated statistics, this second edition also includes new content on online dating, queer relationships, racism in dating, shyness, and individual differences. It remains an engaging and accessible introduction to attraction relationship formation for professionals, students, and general readers.

Bitten - Kelley Armstrong 2009-08-25

An erotically charged, addictive thriller from the future queen of suspense. Living in Toronto for a year, Elena is leading the normal life she has always dreamed of, including a stable job as a journalist and a nice apartment shared with her boyfriend. As the lone female werewolf in existence, only her secret midnight prowls and her occasional inhuman cravings set her apart. Just one year ago, life was very different. Adopted by the Pack when bitten, Elena had spent years struggling with her resentment at having her life stolen away. Torn between two worlds, and overwhelmed by the new passions coursing through her body, her only option for control was to deny her awakening needs and escape. But now the Pack has called Elena home to help them fight an alliance of renegade werewolves who are bent on exposing and annihilating the Pack. And although Elena is obliged to rejoin her "family," she vows not to be swept up in Pack life again, no matter how natural it might feel. She has made her choice. Trouble is, she's increasingly uncertain if it's the right one. An erotically charged thriller, *Bitten* will awaken the voracious appetite of every reader, as the age-old battle between man and beast, between human and inhuman forces, comes to a head in one small town and within one woman's body.

Early Departures - Justin A. Reynolds 2022-04-19

Justin A. Reynolds, author of *Opposite of Always*, returns with another charming and powerful YA contemporary novel with a speculative twist, perfect for fans of Nicola Yoon, Becky Albertalli, and Adam Silvera. What if you could bring your best friend back to life--but only for a short time? Jamal's best friend, Q, doesn't know that he died, and that he's about to die . . . again. He doesn't know that Jamal tried to save him. And that the reason they haven't been friends for two years is because Jamal blames Q for the accident that killed his parents. But what if Jamal could have a second chance? A new technology allows Q to be reanimated for a few weeks before he dies . . . permanently. And Q's mom is not about to let anyone ruin this miracle by telling Q about his impending death. So how can Jamal fix everything if he can't tell Q the truth? *Early Departures* weaves together loss, grief, friendship, and love to form a wholly unique homage to the bonds that bring people together for life--and beyond.
