[All the Queen's Men](#) - Celeste
Hall 2014-04-30

A paranormal erotic romance

novel. Meet the supernatural
masters of passion and
seduction, feeding upon the
erotic dreams and pleasure of
humankind. Syrena is a young
succubus who was raised by
humans from a very early age.
She has no memory of her birth
parents. She doesn't know
what she is, and she lacks
much of the education a
succubus would gain from her
mother. Her ignorance leads
her into danger, when an
alluring scent draws her to a
military facility... and into a
trap. Max is one of only a
handful of soldier with the top
secret clearance to guard
Syrena's cell, but finds the
succubus fascinating and
cannot understand why she is
being treated like a national
threat. He finds himself drawn
into her cell, and into her arms,
sealing both of their fates. He
is determined to free his lover,
and the other supernatural
creatures being held within
those endless cement
corridors. He even recruits two
trustworthy friends to help
him. But not all of the
prisoners are as friendly as

Syrena and the incubi. They're about to find themselves caught up in a bloody battle between humans and demons. Please note: This book is intended for readers 18 years and older, there is strong language and explicit sexual encounters. As the legends propose, both incubus and succubus demons feed upon sexual energy stolen from sleeping humans. While this might suggest questionable consent, they are actually very generous and considerate lovers. Succubus Blues - Richelle Mead 2010-01-26
When it comes to jobs in hell,

being a succubus seems pretty glamorous. A girl can be anything she wants, the wardrobe is killer, and mortal men will do anything just for a touch. Granted, they can often pay with their souls, but why get technical? But Seattle succubus Georgina Kincaid's life is far less exotic. Her boss is a middle-management demon with a thing for John Cusack movies. Her immortal best friends haven't stopped teasing her about the time she shape-shifted into the Demon Goddess getup complete with whip and wings. And she can't have a decent date without the sucking away part of the guy's life. At least there's her day job at a local bookstore - free books; all the white chocolate mochas she can drink; and easy access to bestselling, sexy writer, Seth Mortensen, aka He Whom She Would Give Anything to Touch but Can't. But dreaming about Seth will have to wait. Something wicked is at work in Seattle's demon underground. And for once, all of her hot charms and drop-dead one-liners won't help

because Georgina's about to discover there are some creatures out there that both heaven and hell want to deny...

Rico - Celeste Hall 2011-12-04

A paranormal erotic romance novel. Meet the supernatural masters of passion and seduction, feeding upon the erotic dreams and pleasure of humankind. Rico is an angry and discontent incubus warrior. He was lured into bonding a succubus queen that he never desired. Now he is being hunted, along with his black-winged brothers. Barely managing to keep themselves fed, they fight to protect each other, and the human women who now depend upon them. Never has such a covey existed before, with incubi males mated to mortals. Such breeding practices have been illegal among the incubi for millennia. Rico's queen mother would have destroyed any males in her covey that attempted such a thing, and now Rico understands why. Human women are weak, they can't fly, and they force the covey to remain in one place

for much longer than is safe.

Rico is desperate to break his bond to the succubus who now commands him, but to do so, he'll need to seduce a woman of his own. It's a dangerous gamble. If he allows things to go too far, he might find himself in an even worse predicament...mated to a mortal. Terra is a cop who lost her husband to the corruption which now fills her city. She is bitter and keeps her emotions locked up tight behind a hard-ass demeanor. Determined to put an end to long string of serial killings, she finds herself face to face with a supernatural evil unlike anything she could have ever imagined. When a monstrous, black-winged incubus saves her life, the last thing she planned was to end up in his bed. Now she is drawn into a clash of desires with a sex demon, as they team up to battle an inhuman adversary, and gain reinforcements from the most unlikely of sources. Please note: This book is intended for readers 18 years and older, there is strong language and

Georgina is one of Hell's most valuable assets, but if there's any way out of the succubus business she plans to take it—no matter how much roadkill she leaves behind. She just hopes the casualties won't include the one man she's risking everything for... Praise for Richelle Mead and her Succubus series "Richelle Mead delivers sexy action and tongue-in-cheek hellish humor—if damnation is this fun, sign me up!"—Lilith Saintcrow, author of *The Devil's Right Hand* "This is one of those series I'm going to keep following."—Jim Butcher, New York Times bestselling author of the Harry Dresden series "The mix of supernatural mystery, romance, and reluctant succubus is great fun."—Locus "Mead cooks up an appetizing debut that blends romantic suspense with a fresh

twist on the paranormal, accented with eroticism."—Booklist "The obvious heir to the Twilight throne." —The Dailybeast.com "This is one of those" *Midnight Sins* - Cynthia Eden 2014-05-16 "Edgy and compelling...sizzles." --Alyssa Day Eyeing the gorgeous blond nightclub singer, Atlanta detective Todd Brooks feels sure there's a higher power somewhere. But a twisted killer is leaving a trail of bodies in seedy hotel rooms across town. The male victims show no wounds--it's as if the life was simply drained from them. And right now, the mysterious Cara Firon is Todd's only suspect. Cara knows it's foolish to be so drawn to a man who thinks she's a murderer. She also knows Detective Brooks would find the truth even harder to swallow. Cara is one of the Others, a race of powerful, paranormal creatures who live among humans. Cara's particular abilities make men putty in her hands--all except this rugged, sexy-as-hell

detective. But now someone, or something, has singled Cara out for serious payback. . .

Kye - Celeste Hall 2011-06-17
A paranormal erotic romance novel. Meet the supernatural masters of passion and seduction, feeding upon the erotic dreams and pleasure of humankind. Kye is an incubus warrior, a powerful sexual demon. But he wears deep scars, proving that his kind are not the only monsters feeding upon humans each night. There are bloodthirsty creatures hunting down Kye's winged brothers and sisters, destroying them one by one, in an effort to eradicate his entire species. The succubus queen ruling Kye's covey, now has only two bonded males to protect and keep her fed. It is a duty that usually requires half a dozen or more. Now Kye finds himself slowly starving to death. In his weakened condition, he is no match for the ambush which nearly costs his life and forces him to reveal himself to Jaime. Jaime is a nurse who shares an apartment with two other girls, all blind to

the supernatural war taking place in the shadows around them. When an enormous, naked man stumbles out of the darkness and commandeers her vehicle, her biggest concern is the amount of blood loss he's suffered. She wasn't prepared for such a deep and intense attraction. He inspires her to make choices she might otherwise have not. Choices which place Jaime, her roommates, and everyone around her, directly into the path of the killers hunting down Kye's covey. Please note: This book is intended for readers 18 years and older, there is strong language and explicit sexual encounters. As the legends suggest, both incubus and succubus demons feed upon sexual energy stolen from sleeping humans. While this might suggest questionable consent, they are actually very generous and considerate lovers. Celeste Hall's Seduction series: #1 Ethan (now FREE!) #2 Kye #3 Rico #4 Gavin #5 All The Queen's Men #6 The Brothers Sin The Seduction Series

Unleash - Felicity Heaton

2020-11-14

A powerful vampire lost deep in his bloodlust, Snow is a savage animal, mindless with rage and a thirst for violence, and trapped with no hope of awakening from an endless nightmare... until a song draws him up from the abyss, restoring his sanity but leaving him haunted by the sweet feminine scent of lilies and snow, and fragmented familiar lyrics. When the mysterious and beautiful songstress reappears in Snow's room at Vampirerotique, she awakens a fierce protective streak and stirs dark desires that drive him to claim her as his female, even when he knows his touch will destroy her innocence. A single forbidden taste is all it takes to unleash emotions in Aurora that she shouldn't

possess, tearing her between duty and desire, and luring her into surrendering to her wildfire passion and embracing hungers that burn so hotly they threaten to consume them both. One act of kindness can lead to one thousand acts of sin though, each a black mark against the bearer's soul and another grain of sand that slips through an hourglass. The clock is ticking and time is almost up. Can beauty save the beast? London Vampires is the hottest vampire series you'll read this year, so grab your copy now! This series is complete at 6 books and features vampire romances with plenty of steam, lots of bite, NO cheating and NO cliffhangers. Enter the dark, sinful and seductive world of the four vampire owners of London's premier vampire theatre, Vampirerotique, and discover how these powerful vampires will be brought to their knees by the women who claim their hearts in this passionate, intense and thrilling vampire romance series from New York Times

With no knowledge of the realm, and little skill with the local languages, he quickly finds himself at a dead end—until he crosses paths with a beautiful hellcat female who rouses his darkest most dangerous instincts. Lyra has been a fool, falling for the charms of a male whose only desire was to make a fast buck by selling her. Shackled and collared, her strength muted by magic, she awaits her time on the stage at a black-market auction, but before it can come, all hell breaks loose and she seizes a chance to escape—and runs

straight into a majestic warrior who steals her breath away and tempts her like no other as he battles alone to free everyone. When Lyra offers her services as a translator to repay Grey for saving her, will he be strong enough to resist the needs she awakens in him and spare himself the pain of her inevitable rejection when she discovers the truth about him? And when the powerful male in charge of the slave ring starts a bloody hunt for Lyra, can she escape another collar and find the courage to trust the tiger who is capturing her heart?
